

Frist Art Museum

2021 Community Report

Who we are

The Frist Art Museum (FAM) opened in April 2001 and is accredited by the American Alliance of Museums. Originally conceived through a community visioning process to shape the city's future, FAM is a leading institution in Nashville's cultural fabric and has gained national and international recognition for its exhibitions and programs. Located downtown in a beautifully restored 1934 art deco building, FAM serves a metropolitan area with more than 1.95 million people. In 2021, museum operations and programming were managed by a staff of nearly seventy, led by executive director and CEO Susan H. Edwards, PhD, and guided by a twenty-nine member board.

Mission

The mission of the Frist Art Museum is to present and originate high-quality exhibitions with related educational programs and community outreach activities.

Vision

The vision of the Frist Art Museum is to inspire people through art to look at their world in new ways.

The board, committee, and council lists reflect service during 2021.

Much like the previous year, 2021 presented challenges for the Frist Art Museum and world at large with the ongoing COVID-19 pandemic. As we continue to navigate through uncertain times, FAM's highest priority remains the health and safety of our guests, staff, and volunteers. Although FAM reopened to the public in July 2020 and we continue to strive for a sense of normalcy, we remain diligent in taking every necessary precaution to protect everyone in our building. FAM's expert staff continues to provide online programs, educational opportunities, and art-making activities. Access to the arts and creative expression is now more important than ever as we seek to process the world around us and find solace and strength in the face of uncertainty.

"My life in middle TN could not have been the same without this curated space. I can never fully explain the importance."

– From the comment book for *A Landmark Repurposed: From Post Office to Art Museum*

"As they say, you can't be comfortable and grow. This provided the necessary discomfort, perspective, and rawness to lead others to feel and receive insight. Though heavy, I truly appreciated this experience."

– From the comment book for *Kara Walker: Cut to the Quick*

"Thank you for arranging this. It inspired me to give more space to art in everyday life. Although I have done so in the past, after this exhibit I realized I've let that attitude lapse."

– From the comment book for *Designing the New: Charles Rennie Mackintosh and the Glasgow Style*

We gratefully acknowledge the generosity of our 2021 Frist Patrons

In light of the COVID-19 pandemic, the Frist Art Museum was not able to hold the 2021 edition of the Frist Gala, which annually raises over a million dollars to support the mission of the museum. Our Frist Patrons nevertheless joined us to mark our twentieth anniversary and the arrival of *Picasso. Figures* in Nashville. We thank them for their generosity.
