Format: 180 x 240mm, 14pp with gatefolds, white graining paper

# Board books

## My image book

Illustrated by Nicole Colas des Francs  
2 titles

This book is a visual beauty using cut outs on each page. Starting with the smallest cut out, we discover the smallest vehicle and as we continue through the book we discover bigger and bigger vehicles.

Format: 210 x 200mm, 16pp, shaped die-cut on 12 pages.

## The unfolding books

Illustrated by Nicole Colas des Francs  
2 titles

Picture books for toddlers to help them to recognize and name animals who lived in the Savannah or in the sea. As children turn the pages, they discover that pages can be unfolded from many different ways. The different settings are colorful and help them to discover typical species: the biggest animals of the world, the most colorful, the tallest, etc.

Format: 200 x 200mm, 24pp with flap to unfold on each spread.

## Slide and seek

Illustrated by Nicole Colas des Francs  
2 titles

With this creative concept, children will be fascinated by the power of their fingers. By sliding the tabs up and down and from side to side, children will change the scenes, to free their imagination. One book to learn colors and their shades and the second for learning animals in their environment.

Format: 186 x 186mm, 10pp, 2 slides on each spread, casebound, white cardboard.

## Push and discover

Illustrated by Elisa Patrissi - 2 titles

An original series for toddlers with a very nice concept. This series works on the dexterity and the imagination of the toddlers. In the first book, children will be immersed in the beauties of the forest and will be faced with many surprises. The second book will show the figment of children's imagination and help them to dedramatize scary situations.

Format: 185 x 185mm, 10pp, 1 slide on each spread, casebound, white cardboard.

## Hollow books

Illustrated by Nicole Colas des Francs  
2 titles

Thanks to this new *Hollow Books* series, children can discover these little stories: while having fun in joining baby animals to their parents and in joining children from all around the world to their traditional houses, every time they turn the page. The embossed cardboard also provides a distraction for kids reading the book, helping them discover various shapes and different knowledges.

Format: 180 x 180mm, 12pp, part of board in relief, opposite in deep.

## Fall in love

Illustrated by Véronique Petit  
1 title

What happens when we fall in love? That's the question Véronique Petit tries to answer in this wonderful book for children. A sweet and endearing book to show the crazy things that can happen when we (animals or human) fall in love.

Format: 150 x 300mm, 10pp, 1 slide on each spread, casebound, white cardboard.

5 slides

# Board books

## The cycle of Nature

Illustrated by Nicole Colas des Francs  
3 titles

Seasons and time pass by thanks to these beautiful board books. Made up of special die-cuts, children will follow page after page a tree throughout the seasons, a lighthouse during one day and one night and the quiet and everlasting flow of water. A very poetic series for a special moment with children.

Format: 180 x 220mm, 18pp, shaped die-cut on each page.

# Board books
