**AGREEMENT AMENDMENT #1
BETWEEN THE CITY OF TAMARAC
AND
OFFICE DEPOT, INC.**

The City of Tamarac, a municipal corporation, with principal offices located at 7525 NW 88th Avenue, Tamarac, FL 33321 ("City"), and Office Depot Inc., a Delaware corporation, duly registered as a Florida Foreign Corporation, with principal offices located at 6600 Military Trail, Boca Raton, FL 33496 (the "Contractor") agree to amend the original Agreement dated October 18, 2013, to provide for office supplies pursuant to Request for Proposal Number 13-23R, as of October 18, 2016 (the "Amendment 1 Effective Date").

WHEREAS, the City and the Contractor entered into an Agreement dated October 18, 2013, awarded as a result of RFP 13-23R, entitled Office Supplies, issued on behalf of the Southeast Florida Governmental Purchasing Cooperative (the "Agreement");

WHEREAS, both parties wish to amend the original Agreement dated October 18, 2013; said amendment to include a three (3) year renewal term; and

WHEREAS, the Contractor represents that it is currently capable of continuing to provide the necessary quantities of office supplies to the City and the Southeast Florida Governmental Purchasing Cooperative; and

NOW, THEREFORE, in consideration of the promises contained herein, the parties hereto agree to further amend the original agreement as follows:

1. 4) Contract Term and Renewal

Pursuant to the terms of Section 4, Contract Term and Renewal of the original Agreement dated October 18, 2013, between the City and Office Depot, Inc. and in recognition of satisfactory performance under the current term of the Agreement, the CITY hereby exercises its rights to exercise the three (3) year renewal option of the Agreement for the term October 18, 2016 through October 17, 2019, and Contractor agrees to such renewal.

This Agreement Renewal shall be effective October 18, 2016, for a period of 3 years, through October 17, 2019. In the event that an Agreement is not in place as of the termination date of this Agreement, the Agreement shall remain in effect on a month-to-month basis until terminated, but for not longer than six (6) months following the October 17, 2019 termination date

2. The following new sections shall be added to the Agreement:

"21. The Contractor and the City shall extend this Agreement to other public sector entities ("entities") within the State of Florida, including, but not limited to, agencies, school districts, universities, community colleges, counties, cities, towns, villages, and special districts. Purchases may be made under the terms and conditions of this Agreement by governmental and educational entities located outside the State of Florida.

22. In the event the City (also referred to as "Principal Procurement Agency" in material provided by National IPA) and Contractor partner with National Intergovernmental Purchasing Alliance Company ("National IPA") to offer the Agreement (also referred to as the "Master Agreement" in material distributed by National IPA) on a national basis to public agencies who register with National IPA ("Participating Agencies"). Participating Agencies that choose to access the Agreement via their participation with National IPA do not need to register with the Southeast Florida Governmental Purchasing Cooperative.

23. The Contractor shall obtain a third party firm (to be approved by the City) at no additional cost to the City to conduct external price audits for the Agreement. The third party firm will

perform a quarterly audit with a minimum of 500 items to confirm the accuracy of the discount from list price and final sell price. Specifically, the third party firm will verify that the prices offered to the City under the Agreement which are displayed on the Contractor's website are less than or equal to the discounts offered in the Agreement. The third party firm shall submit a quarterly report to the City confirming the "Price Accuracy Rate" within 15 days after the close of each quarter. The "Price Accuracy Rate" shall be calculated using the following formula: Price Accuracy Rate = the number of audited items each quarter where the net price is less than or equal to the Agreement price, divided by the number of audited items (Example: 490 items priced at or below the approved Agreement price/500 items audited = 98.0% pricing accuracy). The Contractor shall maintain a Price Accuracy Rate of 98% or greater.

At a minimum, the quarterly report will identify items not in compliance with the Agreement terms, provide the date of the audit, and screenshots of the items on the Contractor's website that were not in compliance with the Agreement terms. If the City deems it is in the best interest of the City, the City reserves the right to increase the frequency of the Third Party Audit."

3. Attachment A shall be deleted in its entirety and replaced with the Attachment A attached hereto.
4. Attachment A-1 shall be deleted in its entirety.

All other provisions of the Agreement shall remain in effect as written.

IN WITNESS WHEREOF, the parties have made and executed this Agreement on the respective dates under each signature. CITY OF TAMARAC, signing by and through its City Manager, and Office Depot, Inc., signing by and through its Vice President, duly authorized to execute same.

AGREEMENT
BETWEEN THE CITY OF TAMARAC
AND
OFFICE DEPOT, INC.

THIS AGREEMENT is made and entered into this 18th day of October, 2013 by and between the City of Tamarac, a municipal corporation with principal offices located at 7525 N.W. 88th Ave., Tamarac, FL 33321 (the "CITY") and Office Depot, Inc., a Delaware corporation with principal offices located at 6600 North Military Trail, Boca Raton, FL 33496 (the "Contractor") to provide Office Supplies for CITY and other participating agencies in the Southeast Florida Governmental Purchasing Cooperative.

Now therefore, in consideration of the mutual covenants hereinafter set forth, the City and Contractor agree as follows:

1) The Contract Documents

The contract documents consist of this Agreement, Request for Proposal Document No. 13-23R issued August 4, 2013, including all conditions therein, (General Terms and Conditions, Special Conditions and/or Special Provisions), drawings, Technical Specifications, all addenda, the Contractor's bid/proposal included herein, and all modifications issued after execution of this Agreement. These contract documents form the Agreement, and all are as fully a part of the Agreement as if attached to this Agreement or repeated therein. In the event that there is a conflict between Request for Proposal document #13-23R as issued by the City, and the Contractor's Proposal, Request for Proposal document #13-23R as issued by the City shall take precedence over the Contractor's Proposal, with the exception of the Contractor's Exceptions Page. Furthermore, in the event of a conflict between this document and any other contract documents, this Agreement shall prevail.

In addition to this Agreement, the City reserves the option to piggyback on Office Depot's State of Florida Office and Education Consumables Contract No. 618-000-11-1, ("State of Florida Contract") and make purchases thereunder. Should the State of Florida Contract terminate, or City otherwise elects to not make purchases under the State of Florida Contract, upon 30 days notice to Contractor, City will commence making all purchases from Contractor under this Agreement. In the event the State of Florida Contract expires or is otherwise terminated and Contractor and the State of Florida enter into a new agreement, the City may elect to piggyback on such new agreement.

2) The Work

2.1. The Contractor shall perform all work for the City required by the contract documents as set forth below:

2.1.1 Contractor shall furnish all labor, materials, and equipment necessary to provide just-in-time desktop delivery of office supplies to the City of Tamarac and participating members of the Southeast Florida Governmental Purchasing Cooperative.

2.1.2 Contractor shall comply with any and all Federal, State, and local laws and regulations now in effect, or hereinafter enacted during the term of this Agreement, which are applicable to the Contractor, its employees, agents or subcontractors, if any, with respect to the work and services described herein.

3) Insurance

3.1. Contractor shall obtain at Contractor's expense all necessary insurance in such form and amount as specified in the original bid document or as required by the City's Risk and Safety Manager before beginning work under this Agreement including, but not limited to, Workers' Compensation, Commercial General Liability, and all other insurance as required by the City, including Professional Liability when appropriate. Contractor shall maintain such insurance in full force and effect during the life of this Agreement. Contractor shall provide to the City's Risk and Safety Manager memorandums of all insurances required under this section prior to beginning any work under this Agreement. The Contractor will ensure that all subcontractors comply with the above guidelines and will retain all necessary insurance in force throughout the term of this agreement.

3.2. Contractor shall indemnify and hold the City harmless for any damages resulting from failure of the Contractor to take out and maintain such insurance. Contractor's General Liability Insurance policies shall be endorsed to add the City as an additional insured. Contractor shall be responsible for payment of all deductibles and self-insurance retentions on Contractor's Liability Insurance policies.

4) Contract Term and Renewal

This Agreement shall be effective October 18, 2013, for a period of 3 years ("Initial Term"). City and Contractor reserve the right to exercise one (1) additional 3 year agreement, subject to satisfactory performance by Contractor ("Renewal Term").

5) Contract Sum

The Contract Sum for the above work is based on the high-use pricing matrix and discounted catalog pricing provided proposed by Contractor as part of its response to Request for Proposal #13-23R.

6) Payments

Invoices are due thirty (30) days from the date of invoice. City's credit limit shall be established by Contractor, who reserves the right to lower City's credit limit or refuse to ship any orders if at any time: (a) City is delinquent in making payments

to Contract or is otherwise in breach of this Agreement; or (b) City's credit standing becomes impaired or reasonably unsatisfactory to Contractor. All payments shall be governed by the Local Government Prompt Payment Act, F.S., Part VII, Chapter 218.

7) Indemnification

7.1 The Contractor shall indemnify and hold harmless the City, its elected and appointed officials, employees, and agents from any and all claims, suits, actions, damages, liability, and expenses (including attorneys' fees) in connection with loss of life, bodily or personal injury, or property damage, including loss of use thereof, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the operations of the Contractor or its officers, employees, agents, subcontractors, or independent Contractors, excepting only such loss of life, bodily or personal injury, or property damage solely attributable to the gross negligence or willful misconduct of the City or its elected or appointed officials and employees. The above provisions shall survive the termination of this Agreement and shall pertain to any occurrence during the term of this Agreement, even though the claim may be made after the termination hereof.

7.2 Upon completion of all Services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive indefinitely.

7.3 The Contractor shall pay all third-party claims, losses, liens, settlements or judgments of any nature whatsoever in connection with the foregoing indemnifications including, but not limited to, reasonable attorney's fees (including appellate attorney's fees) and costs.

7.4 The City and Contractor recognize that various provisions of this Agreement, including but not limited to this Section, provide for indemnification by the Contractor and requires a specific consideration be given there for. The Parties therefore agree that the sum of Ten Dollars and 00/100 (\$10.00), receipt of which is hereby acknowledged, is the specific consideration for such indemnities, and the providing of such indemnities is deemed to be part of the specifications with respect to the services to be provided by Contractor. Furthermore, the City and Contractor understand and agree that the covenants and representations relating to this indemnification provision shall serve the term of this Agreement and continue in full force and effect as to the City's and the Contractor's responsibility to indemnify.

7.5 Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or Florida Statutes 768.28, as amended from time to time.

8) Non-Discrimination & Equal Opportunity Employment

During the performance of the Contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, or disability if qualified. The Contractor will take affirmative action to ensure that employees are treated during employment, without regard to their race, color, sex, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, or disability if qualified. Such actions must include, but not be limited to, the following: employment, promotion; demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor shall agree to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause. The Contractor further agrees that he/she will ensure that Subcontractors, if any, will be made aware of and will comply with this nondiscrimination clause.

9) Independent Contractor

This Agreement does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Contractor is an independent contractor under this Agreement and not the City's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Contractor shall retain sole and absolute discretion in the judgment of the manner and means of carrying out Contractor's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of Contractor, which policies of Contractor shall not conflict with City, State, or United States policies, rules or regulations relating to the use of Contractor's funds provided for herein. The Contractor agrees that it is a separate and independent enterprise from the City, that it had full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. This Agreement shall not be construed as creating any joint employment relationship between the Contractor and the City and the City will not be liable for any obligation incurred by Contractor, including but not limited to unpaid minimum wages and/or overtime premiums.

10) Assignment and Subcontracting

Contractor shall not transfer or assign the performance required by this Agreement without the prior consent of the City. This Agreement, or any portion thereof, shall not be subcontracted without the prior written consent of the city. Notwithstanding the foregoing, without obtaining written approval from City, Contractor shall have the right to delegate duties under this Agreement to those

subcontractors who are generally involved in the day-to-day business operations of Contractor, including, but not limited to, third-party logistics vendors and customer service providers.

11) Notice

Whenever either party desires or is required under this Agreement to give notice to any other party, it must be given by written notice either delivered in person, sent by U.S. Certified Mail, U.S. Express Mail, air or ground courier services, or by messenger service, as follows:

12) Termination

12.1 Termination for Convenience: This Agreement may be terminated by the City for convenience, upon seven (7) days of written notice by the City to the Contractor for such termination in which event the Contractor shall be paid its compensation for services performed to termination date, including services reasonably related to termination. In the event that the Contractor abandons this Agreement or causes it to be terminated, Contractor shall indemnify the city against loss pertaining to this termination.

12.2 Default by Contractor: In addition to all other remedies available to the City, this Agreement shall be subject to cancellation by the City for cause, should the Contractor neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for a period of thirty (30) days after receipt by Contractor of written notice of such neglect or failure. Contractor may terminate this Agreement upon

sixty (60) days written notice to the City.

13) Public Records

13.1 The City of Tamarac is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:

13.1.1 Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service;

13.1.2 Provide the public with access to such public records on the same terms and conditions that the City would provide the records and at a cost that does not exceed that provided in chapter 119, Fla. Stat., or as otherwise provided by law;

13.1.3 Ensure that public records that are exempt or that are confidential and exempt from public record requirements are not disclosed except as authorized by law; and

13.1.4 Meet all requirements for retaining public records and transfer to the City, at no cost, all public records in possession of the contractor upon termination of the contract and destroy any duplicate public records that are exempt or confidential and exempt. All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the agency.

13.2 The failure of Contractor to comply with the provisions set forth in this Article shall constitute a Default and Breach of this Agreement and the City shall enforce the Default in accordance with the provisions set forth in Article 12 "Termination" herein.

14.1 Neither the City nor Consultant shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the nonperforming party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

14.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being

prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

15) Agreement Subject to Funding

This agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Tamarac in the annual budget for each fiscal year of this Agreement, and is subject to termination based on lack of funding.

16) Venue

This Agreement shall be governed by the laws of the State of Florida as now and hereafter in force. The venue for actions arising out of this agreement is fixed in Broward County, Florida.

17) Signatory Authority

The Contractor shall provide the City with copies of requisite documentation evidencing that the signatory for Contractor has the authority to enter into this Agreement.

18) Severability; Waiver of Provisions

Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

19) Merger; Amendment

This Agreement constitutes the entire Agreement between the Contractor and the City, and negotiations and oral understandings between the parties are merged herein. This Agreement can be supplemented and/or amended only by a written document executed by both the Contractor and the City.

20) No Construction Against Drafting Party

Each party to this Agreement expressly recognizes that this Agreement results from the negotiation process in which each party was represented by counsel and contributed to the drafting of this Agreement. Given this fact, no legal or other presumptions against the party drafting this Agreement concerning its construction, interpretation or otherwise accrue to the benefit of any party to the Agreement, and each party expressly waives the right to assert such a presumption in any proceedings or disputes connected with, arising out of, or involving this Agreement.

In 2011, Office Depot launched our new GreenerOffice™ Delivery Service available to our business customers. We are the first in our industry to offer delivery of office supplies in a recycled and recyclable bag, instead of a box. For orders delivered in bags, we will reduce the number of boxes used for deliveries and also eliminate the use of air pillows. I of the State Constitution until such time as the agency provides notice of a decision or intended decision pursuant to F.S. §119.071(1) (b) (2), or within 30 days after bid/proposal opening, whichever is earlier.

43. OWNERSHIP OF PRELIMINARY AND FINAL RECORDS

All preliminary and final documentation and records shall become and remain the sole property of the City. The awarded firm shall maintain original documents thereof for its records and for its future professional endeavors and provide reproducible copies to the City. In the event of termination of the agreement the proposing firm shall cease work and deliver to the City all documents (including reports and all other data and material prepared or obtained by the awarded firm in connection with the project), including all documents bearing the professional seal of the firm. The City shall, upon delivery of the aforesaid documents, pay the firm and the firm shall accept as full payment for its services

thereunder, a sum of money equal to the percentage of the work done by the firm and accepted as satisfactory to the City.

44. BUDGETARY CONSTRAINTS

In the event the City is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The Contractor shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

45. PROHIBITION AGAINST LOBBYING

II. REQUIREMENTS – RFP 13-23R

1. SERVICES AVAILABLE

The Respondent shall provide a synopsis of the contract program that will be made available to members of the Southeast Florida Governmental Purchasing Cooperative, including information regarding pricing, ordering, e-commerce, deliveries, returns, reporting capabilities, etc.

2. DISCOUNTED PRICING REQUIREMENTS -- PRICING MATRIX

2.1 The respondent shall provide pricing for a specific list of high volume use items, attached herein as Attachment A, as well as a percentage discount off of the respondent's published catalog for other items that may be purchased. Respondent shall list all applicable discounts by group, and enumerate any areas within the catalog where additional restrictions may apply.

2.2 The Pricing Matrix is intended to provide information for comparison only, and will not be the sole determining factor in any award of an agreement resultant from this Request for Proposal process. The pricing matrix for High use items is based on the current State of Florida Agreement with Office Depot.

Therefore, if a specific manufacturer's item is listed on the Pricing Matrix, proposer **MUST** provide pricing for that manufacturer's product and/or OEM product. **DO NOT** submit a generic equivalent or reconditioned or re-loaded item unless the item SKU specifically describes an item that may fall into one of those categories. In the event that the reference SKU reflects a generic equivalent, reconditioned or re-loaded item, then the proposer may submit their own generic item for consideration. Generic items will also be identified on the Pricing Matrix document.

3. ORDERING REQUIREMENTS & E-COMMERCE

3.1 The successful respondent shall provide for complete on-line ordering by use of an electronic catalog methodology, which will permit customers to order on-line over the internet. The successful respondent shall maintain all servers at their location(s), and provide for appropriate data security to safeguard orders entered by Co-op members on-line.

3.2 The on-line ordering system shall be populated with all appropriate and correct pricing for members of the Co-op, based on the respondent's consortium pricing. In the event an error in pricing is discovered in favor of the Co-op member, the successful contractor shall provide a refund and/or credit memo to be issued within ten (10) days after the discovery of the discrepancy.

3.3 The on-line ordering system shall be structured in such a manner to allow for multiple approval levels which may be customized for individual agencies.

3.4 The on-line ordering system shall be set-up to provide for billing to a specific address, and shall be capable of accepting procurement cards as a means

of payment at the time of order entry.

3.5 It is preferable that the on-line ordering system be capable of providing the appropriately discounted price to individuals who may wish to purchase supplies at one of the respondent's retail stores. The system shall provide Co-op pricing based on the entry of an entity's account number, or by the use of an entity pro-card.

3.6 Upon delivery of the order, the successful respondent's e-commerce system shall be capable of providing electronic invoicing if desired.

3.7 In addition to the use of pro-cards for payment, the successful respondent's e-commerce system shall be capable of receiving payment via Electronic Funds Transfer (EFT) from the entity.

4. MINIMUM ORDERING QUANTITIES & DELIVERY CHARGES

Due to the varying sizes of agencies within the Co-op, it is requested that the respondent have no minimum ordering quantities, and that all orders be delivered for the cost provided in the catalog with no additional delivery charges, and pre-paid free shipping.

5. DELIVERY REQUIREMENTS

5.1 The successful respondent shall provide for next day delivery of products ordered by a specific time. The respondent shall utilize a Just in Time Delivery system/process in order to guarantee next day delivery.

5.2 It is desirable that the successful respondent deliver supplies using their own transportation, in order to provide for delivery to the specific location of the ordering entity (commonly known as "Desktop Delivery").

5.3 It is desirable that no delivery charge shall be assessed for any deliveries made, regardless of the quantity or dollar amount ordered. The agency will strive to provide for consolidated ordering whenever feasibly possible; but cannot commit to such a requirement.

6. REBATE PROGRAM

The successful respondent shall outline any applicable rebate program that may be available through the use of their agreement.

7. RETURN POLICY

The successful respondent shall have a policy which provides for the return of incorrect merchandise at no cost to the governmental entity. The Co-op desires a policy which will provide for ease in handling returns.

8. CUSTOMER SERVICE & BILLING

Members of the Co-op place a high value on excellent customer service. Service provided by the respondent, including past customer service history, services available, reduced paperwork, easily understood invoicing, and quick turnaround time for orders as well as inquiries will be a factor in the determination of the

successful respondent to this request.

8.1 It is highly desirable that the successful respondent utilize dedicated inside and outside representatives to service this account. The respondent may utilize multiple representatives to cover the entire CO-OP area; but shall appoint a single point of contact to provide for consistency and continuity of service.

8.2 Successful respondent shall provide for accurate billing of items ordered, timely credits (within 24 hours), and invoices that are easy to understand.

9. REPORTING CAPABILITIES

The successful respondent shall provide for robust reporting capabilities to assist governmental entities and the Co-op as a whole in identifying their ordering patterns, and product usage. A listing of standard reports available should be provided.

10. CONTRACT TERM & RENEWALS

The contract term shall be for a minimum of three (3) years beginning on or around October 17, 2013 with the right to extend for a similar period. The City, however, reserves the right to accept a shorter or longer term Agreement, based upon proposal responses. Pricing under the Agreement shall remain firm and fixed for a minimum of six (6) months after contract commencement. The City will evaluate proposal responses to price stability and escalation as a part of its due diligence in proposal evaluation.

11. PROPOSAL EVALUATION

An Evaluation Committee consisting of member agencies of the Southeast Florida Governmental Purchasing Cooperative will evaluate and rank proposals received in response to the Request for Proposals. The evaluation will be based on an overall ranking of proposal responses from 1 to the total number of proposal submittals.

The Aggregate Pricing total for our High Use Items and the overall discount for non-high use items will be used to evaluate pricing, and the responses to the questionnaire, and service documentation provided as a part of the response will be used to evaluate the quality and availability of services under the Agreement. The Pricing component and the quality and availability of services component will be equally ranked during the evaluation process.

Preference may be given to vendors submitting a certification with their bid/proposal certifying they have a drug-free workplace in accordance with Section 287.087, Florida Statutes. This requirement affects all public entities of the State and becomes effective January 1, 1991. The special condition is as follows:

IDENTICAL TIE PROPOSALS - Preference may be given to businesses with drug-free workplace programs. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after each conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

BETWEEN THE CITY OF TAMARAC
AND**

THIS AGREEMENT is made and entered into this ___ day of _____, 20__ by and between the City of Tamarac, a municipal corporation with principal offices located at 7525 N.W. 88th Ave., Tamarac, FL 33321 (the "CITY") and _____, a _____ corporation with principal offices located at _____ (the "Contractor") to provide Office Supplies for CITY and other participating agencies in the Southeast Florida Governmental Purchasing Cooperative.

Now therefore, in consideration of the mutual covenants hereinafter set forth, the City and Contractor agree as follows:

1) The Contract Documents

The contract documents consist of this Agreement, Request for Proposal Document No. 13-23R issued August 4, 2013, including all conditions therein, (General Terms and Conditions, Special Conditions and/or Special Provisions), drawings, Technical Specifications, all addenda, the Contractor's bid/proposal included herein, and all modifications issued after execution of this Agreement. These contract documents form the Agreement, and all are as fully a part of the Agreement as if attached to this Agreement or repeated therein. In the event that there is a conflict between Request for Proposal document #13,23R as issued by the City, and the Contractor's Proposal, _____ as issued by the City shall take precedence over the Contractor's Proposal. Furthermore, in the event of a conflict between this document and any other contract documents, this Agreement shall prevail.

2) The Work

2.1. The Contractor shall perform all work for the City required by the contract documents as set forth below:

2.1.1 Contractor shall furnish all labor, materials, and equipment necessary to provide just-in-time desktop delivery of office supplies to the City of Tamarac and participating members of the Southeast Florida Governmental Purchasing Cooperative.

2.1.2 Contractor shall comply with any and all Federal, State, and local laws and regulations now in effect, or hereinafter enacted during the term of this Agreement, which are applicable to the Contractor, its employees, agents or subcontractors, if any, with respect to the work and services described herein.

3) Insurance

- 3.1.** Contractor shall obtain at Contractor's expense all necessary insurance in such form and amount as specified in the original bid document or as required by the City's Risk and Safety Manager before beginning work under this Agreement including, but not limited to, Workers' Compensation, Commercial General Liability, and all other insurance as required by the City, including Professional Liability when appropriate. Contractor shall maintain such insurance in full force and effect during the life of this Agreement. Contractor shall provide to the City's Risk and Safety Manager certificates of all insurances required under this section prior to beginning any work under this Agreement. The Contractor will ensure that all subcontractors comply with the above guidelines and will retain all necessary insurance in force throughout the term of this agreement.

4) Contract Term and Renewal

This Agreement shall be effective _____, for a period of 3 years. City and Contractor reserve the right to exercise one (1) additional 3 year agreement, subject to satisfactory performance by Contractor.

5) Contract Sum

The Contract Sum for the above work is based on the high-use pricing matrix and discounted catalog pricing provided proposed by Contractor as part of its response to Request for Proposal #13-23R.

6) Payments

Payment will be made monthly for goods properly delivered during the previous month. The City of Tamarac will pay all office supply invoices by procurement card. All payments shall be governed by the Local Government Prompt Payment Act, F.S., Part VII, Chapter 218.

7) Indemnification

- 7.1** The Contractor shall indemnify and hold harmless the City, its elected and appointed officials, employees, and agents from any and all claims, suits, actions, damages, liability, and expenses (including attorneys' fees) in connection with loss of life, bodily or personal injury, or property damage, including loss of use thereof, directly or indirectly caused by, resulting from, arising out of or occurring in connection with the operations of the Contractor

or its officers, employees, agents, subcontractors, or independent Contractors, excepting only such loss of life, bodily or personal injury, or property damage solely attributable to the gross negligence or willful misconduct of the City or its elected or appointed officials and employees. The above provisions shall survive the termination of this Agreement and shall pertain to any occurrence during the term of this Agreement, even though the claim may be made after the termination hereof.

- 7.2** Upon completion of all Services, obligations and duties provided for in this Agreement, or in the event of termination of this Agreement for any reason, the terms and conditions of this Article shall survive indefinitely.
- 7.3** The Contractor shall pay all claims, losses, liens, settlements or judgments of any nature whatsoever in connection with the foregoing indemnifications including, but not limited to, reasonable attorney's fees (including appellate attorney's fees) and costs.
- 7.4** The City and Contractor recognize that various provisions of this Agreement, including but not limited to this Section, provide for indemnification by the Contractor and requires a specific consideration be given there for. The Parties therefore agree that the sum of Ten Dollars and 00/100 (\$10.00), receipt of which is hereby acknowledged, is the specific consideration for such indemnities, and the providing of such indemnities is deemed to be part of the specifications with respect to the services to be provided by Contractor. Furthermore, the City and Contractor understand and agree that the covenants and representations relating to this indemnification provision shall serve the term of this Agreement and continue in full force and effect as to the City's and the Contractor's responsibility to indemnify.
- 7.5** City reserves the right to select its own legal counsel to conduct any defense in any such proceeding and all costs and fees associated therewith shall be the responsibility of Contractor under the indemnification agreement.
- 7.6** Nothing contained herein is intended nor shall be construed to waive City's rights and immunities under the common law or Florida Statutes 768.28, as amended from time to time.

8) Non-Discrimination & Equal Opportunity Employment

During the performance of the Contract, the Contractor shall not discriminate against any employee or applicant for employment because of race, color, sex, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, or disability if qualified. The Contractor will take affirmative action to ensure that employees are treated during employment, without regard to their race, color, sex, religion, age, national origin, marital status, political affiliation, familial status, sexual orientation, or disability if qualified. Such actions must include, but not be limited to, the following: employment, promotion; demotion or transfer; recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor shall agree to post in conspicuous places,

available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause. The Contractor further agrees that he/she will ensure that Subcontractors, if any, will be made aware of and will comply with this nondiscrimination clause.

9) Independent Contractor

This Agreement does not create an employee/employer relationship between the Parties. It is the intent of the Parties that the Contractor is an independent contractor under this Agreement and not the City's employee for any purposes, including but not limited to, the application of the Fair Labor Standards Act minimum wage and overtime payments, Federal Insurance Contribution Act, the Social Security Act, the Federal Unemployment Tax Act, the provisions of the Internal Revenue Code, the State Worker's Compensation Act, and the State Unemployment Insurance law. The Contractor shall retain sole and absolute discretion in the judgment of the manner and means of carrying out Contractor's activities and responsibilities hereunder provided, further that administrative procedures applicable to services rendered under this Agreement shall be those of Contractor, which policies of Contractor shall not conflict with City, State, or United States policies, rules or regulations relating to the use of Contractor's funds provided for herein. The Contractor agrees that it is a separate and independent enterprise from the City, that it had full opportunity to find other business, that it has made its own investment in its business, and that it will utilize a high level of skill necessary to perform the work. 10) Assignment and Subcontracting

Contractor shall not transfer or assign the performance required by this Agreement without the prior consent of the City. This Agreement, or any portion thereof, shall not be subcontracted without the prior written consent of the city.

- 12.1 **Termination for Convenience:** This Agreement may be terminated by the City for convenience, upon seven (7) days of written notice by the City to the Contractor for such termination in which event the Contractor shall be paid its compensation for services performed to termination date, including services reasonably related to termination. In the event that the Contractor abandons this Agreement or causes it to be terminated, Contractor shall indemnify the city against loss pertaining to this termination.
- 12.2 **Default by Contractor:** In addition to all other remedies available to the City, this Agreement shall be subject to cancellation by the City for cause, should the Contractor neglect or fail to perform or observe any of the terms, provisions, conditions, or requirements herein contained, if such neglect or failure shall continue for a period of thirty (30) days after receipt by Contractor of written notice of such neglect or failure.

13) Public Records

- 13.1 The City of Tamarac is a public agency subject to Chapter 119, Florida Statutes. The Contractor shall comply with Florida's Public Records Law. Specifically, the Contractor shall:
 - 13.1.1 Keep and maintain public records that ordinarily and necessarily would be required by the City in order to perform the service;

All records stored electronically must be provided to the City in a format that is compatible with the information technology systems of the agency.

- 13.2** The failure of Contractor to comply with the provisions set forth in this Article shall constitute a Default and Breach of this Agreement and the City shall enforce the Default in accordance with the provisions set forth in Article 12 "Termination" herein.

14) Uncontrollable Forces

14.1 Neither the City nor Consultant shall be considered to be in default of this Agreement if delays in or failure of performance shall be due to Uncontrollable Forces, the effect of which, by the exercise of reasonable diligence, the non-performing party could not avoid. The term "Uncontrollable Forces" shall mean any event which results in the prevention or delay of performance by a party of its obligations under this Agreement and which is beyond the reasonable control of the nonperforming party. It includes, but is not limited to fire, flood, earthquakes, storms, lightning, epidemic, war, riot, civil disturbance, sabotage, and governmental actions.

14.2 Neither party shall, however, be excused from performance if nonperformance is due to forces, which are preventable, removable, or remediable, and which the nonperforming party could have, with the exercise of reasonable diligence, prevented, removed, or remedied with reasonable dispatch. The nonperforming party shall, within a reasonable time of being prevented or delayed from performance by an uncontrollable force, give written notice to the other party describing the circumstances and uncontrollable forces preventing continued performance of the obligations of this Agreement.

15) Agreement Subject to Funding

This agreement shall remain in full force and effect only as long as the expenditures provided for in the Agreement have been appropriated by the City Commission of the City of Tamarac in the annual budget for each fiscal year of this Agreement, and is subject to termination based on lack of funding.

16) Venue

This Agreement shall be governed by the laws of the State of Florida as now and hereafter in force. The venue for actions arising out of this agreement is fixed in Broward County, Florida.

17) Signatory Authority

The Contractor shall provide the City with copies of requisite documentation evidencing that the signatory for Contractor has the authority to enter into this Agreement.

18) Severability; Waiver of Provisions

Any provision in this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provisions in any other jurisdiction. The non-enforcement of any provision by either party shall not constitute a waiver of that provision nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

19) Merger; Amendment

This Agreement constitutes the entire Agreement between the Contractor and the City, and negotiations and oral understandings between the parties are merged herein. This Agreement can be supplemented and/or amended only by a written document executed by both the Contractor and the City.

20) No Construction Against Drafting Party

Each party to this Agreement expressly recognizes that this Agreement results from the negotiation process in which each party was represented by counsel and contributed to the drafting of this Agreement. Given this fact, no legal or other presumptions against the party drafting this Agreement concerning its construction, interpretation or otherwise accrue to the benefit of any party to the Agreement, and each party expressly waives the right to assert such a presumption in any proceedings or disputes connected with, arising out of, or involving this Agreement.

3. **Q: Will the Co-op accept a brand equivalent for items versus an exact match? For example, if requesting an Energizer battery, will Duracell be acceptable?**

A: *We are using a market basket approach to obtain comparative pricing. We also recognize that multiple brands and models will be available from each vendor, and each product will likely have its own value proposition.*

*Our goal for this solicitation; however, is to derive a direct comparison between vendors for the **EXACT** product, manufacturer and model specified wherever possible. This matrix was designed to provide us with that exact “apples to apples” comparison. This is **NOT** an attempt to stifle competition because once a contract is awarded; the user will have the flexibility to purchase any of the brands available in the contract vendor’s catalog.*

*Accordingly, please propose the exact manufacturer **and** model number specified **UNLESS** you are unable to supply that product. Only under those circumstances will you be able to propose pricing for an alternative product, and you must be able to provide manufacturer’s literature to validate that the proposed product is equal in performance to the product specified. The City will be the final judge regarding the equivalency of a product proposed in lieu of the product specified.*

*In the example above, if the proposer is unable to supply Energizer batteries, we will allow that proposer to provide pricing for equivalent Duracell batteries. This allowance does **NOT** apply to OEM toner cartridges that are included in the pricing matrix. **NO** substitutions will be allowed for OEM toner cartridges.*

PLEASE refer to the RFP 13-23R Document, Section II, “Requirements”, paragraph 2 “Discounted Pricing Requirements – Pricing Matrix” for further clarification in this area.

4. **Q: Does the list provided represent 100% of the total spend?**

A: *No, the list is based on the top market basket items purchased by the Co-op and **DOES NOT** represent the full spend of the Co-op, which is addressed in Question 1 above.*

5. **Q: Will the City accept multiple proposals from the same vendor?**

A: *Yes, but we would ask that these be kept to a minimum. The separate proposals will also need to be clearly separated, although they may be submitted to the City using the same container or envelope. The proposals shall also be clearly marked as well (for example “base” and “alternate”, or “Proposal 1” and “Proposal 2”).*

6. **Q: Section II. Requirements, item #2 Discounted Pricing Requirements Item 2.1 Pricing Matrix -- The attached Pricing Matrix does not contain a field for "Pack Quantity" or the number of items in a specific units of measure. Or vendors may carry the same item, but in different packaging (Box of 20 vs. Box of 50). Will the City add Pack Quantity as a required field on the Pricing Matrix to ensure that the price bid is for the exact same quantity?**

Attachment A, Pricing Matrix does not require vendors to specify the exact product that they are bidding for each item.

Will the City update the Pricing Matrix to add the following fields for the vendors to compete on the items that they are bidding:

- **Vendor Product Code**
- **Manufacturer**
- **MFG Part No**
- **Product Description**
- **UOM**
- **Pack QTY**
- **Unit Price**
- **EXT Price**

A: The following fields are already included on the Pricing Matrix: Vendor Product Code (SKU), Manufacturer, Manufacturer Model/Part No., Product Description, Unit of Measure (UOM), Unit Price and Extended Price. As indicated in Question 3 above, whenever a specific manufacturer or model number is bid, we will require the vendor to bid that manufacturer or model number. Accordingly, we are requiring that bidders bid that exact model number. We have provided an excel version of this spreadsheet that allows bidders to add columns as needed. If the bidder is bidding an item other than as specified, they may add a column to tell us that, however, failure to bid the exact item required may result in rejection of the proposal, since the pricing matrix is used as a market basket tool of comparison as outlined in question 3. Only the generic items require this information.

7. **Q: Item 2.1 seems to require a single discount off of list for other items in the respondents catalog, but then allow discounts by product category, and allow restrictions on where the discount is applied.**

- a. How will the City evaluate vendors pricing for items outside of the Pricing Matrix when every vendor may submit different discounts and product grouping, and have different restrictions on when the City will actually receive the quoted discount?

A: for 7a: Vendors may include more than one discount in the discount section of the proposal response; however, we are looking for an "Overall Discount" for the majority of consumable items in the manufacturers catalog. We do recognize that there may be additional ancillary discounts for other categories contained within the catalog, such as furnishings and office equipment. The proposer should also specifically delineate and provide those ancillary discounts as well.

The Overall discount, however, will be the discount used for purposes of evaluation. Regardless, any ancillary discounts provided must demonstrate balanced pricing in line with other pricing provided.

- b. Using the “Additional Restrictions”, a vendor may respond using various “Floors” where a quoted discount is not applied if the product price falls below a certain profit level. This makes it impossible for the City to compare List Less discounts between vendors since each vendor may use different “Cost” calculations. To more accurately evaluate vendor pricing, will the City eliminate the “Additional Restrictions” and require that the quoted discount be applied to all items in a product category?**

*A: for 7b: The City has not specified any “Additional Restrictions”. The reference to “Additional Restrictions” refers to restrictions that each proposer may have on their own catalog use and pricing. The City prefers that there be no “Additional Restrictions”. Again, the primary requirement is that the proposer provides an **Overall Discount** for the majority of consumable items. Additionally, the City will not entertain any proposal that incorporates a pricing “floor”.*

- c. In order to better evaluate a vendors catalog pricing, will the City require each respondent to submit a Net Price file of their current catalog showing the following:**

UPC Code, List Price, Discount, Net Price, Bid Category. This allows the City to better evaluate the number of items in each product category, and to ensure the quoted discounts are properly applied. This also provides the City a file to audit vendor pricing after award and implementation.

A: for 7c: Please include the current Net price file (also commonly referred to as a “pricer”) for your current catalog along with your proposal response. Please submit 5 copies of this file along with 5 copies of the current catalog along with your proposal response.

- 8. Q: On page 5 in item 6 states questions must be submitted 10 days or prior to the deadline specified in the “Schedule of Events” whichever is sooner. Ten days is, today, Aug 12. When are the questions due? Also, how and when will the responses to the questions be communicated?**

A: Written questions were due by August 13, 2013, as outlined on page 3 of the RFP document. All questions received are being answered via this Addendum #3. Questions received earlier were addressed by Addendums #1 and #2.

- 9. Q: Item 14.1 on page 7 asks for responses in typed or printed in ink. Will a document filled out using excel and printed be accepted?**

A: For purposes of this proposal, filling-out of an excel spreadsheet using excel software shall be construed the same as preparing a typed response.

10. **Q: Will there be preference in consideration or weight in the evaluation for State of Florida companies per Florida Statute Chapter 287.084 “Preference to Florida Businesses”?**

A: *F.S. Chapter 287.084 states the following:*

”(1)(a) When an agency, university, college, school district, or other political subdivision of the state is required to make purchases of personal property through competitive solicitation and the lowest responsible and responsive bid, proposal, or reply is by a vendor whose principal place of business is in a state or political subdivision thereof which grants a preference for the purchase of such personal property to a person whose principal place of business is in such state, then the agency, university, college, school district, or other political subdivision of this state shall award a preference to the lowest responsible and responsive vendor having a principal place of business within this state, which preference is equal to the preference granted by the state or political subdivision thereof in which the lowest responsible and responsive vendor has its principal place of business. In a competitive solicitation in which the lowest bid is submitted by a vendor whose principal place of business is located outside the state and that state does not grant a preference in competitive solicitation to vendors having a principal place of business in that state, the preference to the lowest responsible and responsive vendor having a principal place of business in this state shall be 5 percent.”

Chapter 287.012 “Definitions” defines and “Agency” as “. . .any of the various state officers, departments, boards, commissions, divisions, bureaus, and councils and any other unit of organization, however designated, of the executive branch of state government. “Agency” does not include the university and college boards of trustees or the state universities and colleges.”

Chapter 287.084 Section (1) (a) further adds “. . . university, college, school district, or other political subdivision of the state” to the definition.

Chapter 287.084 Section (1) (c) clarifies Section 287.084 Section (1) (a) “(c) As used in this section, the term “other political subdivision of this state” does not include counties or municipalities.” The City of Tamarac is the agency that will award this Agreement. The City of Tamarac is a Florida municipality chartered in 1963. As such, the City of Tamarac is exempt from Chapter 287.084 pursuant to the Section 287.084 (1) (c). Regardless, the City of Tamarac will follow the requirements of Florida law in the evaluation and award of this proposal.

11. Q: Page 17 item 6 addresses Rebate Programs. Will rebates be considered in evaluating pricing? We noted that early pay discounts would not apply to pricing, and would like clarification on rebates.

A: Rebates will not be considered in the evaluation of pricing. We do; however, want proposers to provide us information about any rebate program offered. Evaluation of rebate programs will be limited to the evaluation of services offered.

12. Q: How many print copies of the proposal and full-line catalog and pricer should be submitted?

A: Five (5) of each, which shall include one (1) original, and four (4) copies of the following:

- RFP Document including Pricing Matrix and Questionnaire*
- Manufacturer's most current full-line catalog*
- Most recent net price file, a/k/a "Pricer" that aligns with the Manufacturer's most current full-line catalog*

13. Q: How many electronic copies of the proposal and full-line catalog and "pricer" should be submitted and in what format (CD, Flash Drive, etc.)?

A: Five (5) electronic copies on a Flash Drive, however, a CD is acceptable.

14. Q: Is it expected that a selected supplier and the City of Tamarac will negotiate in good faith to define the terms of a final agreement to govern the purchasing relationship?

A: The proposer shall provide their best proposal offer when submitting their proposal. The City has furthermore provided each proposer a Standard Form Agreement, to help familiarize the proposer with the City's contract requirements. It is anticipated that little or no negotiation will be necessary except for minor issues.

15. Q: Shall a proposer specifically and separately address the comments made in "Section II. Requirements" in writing, or will the proposers responses on the "Questionnaire" be considered sufficient to gather this information?

A: The intent of this proposal is that the proposer's questionnaire responses will provide sufficient information. Proposers may provide additional written comments at their discretion; however, the proposal has been designed to minimize the need for such commentary.

16. Q: Does the City of Tamarac prefer "comments" or "redlines" to the "Sample Form Agreement" provided, and are proposers required to sign and return the "Sample Form Agreement" with a proposal or just comment/redline and return??

A: The intent of providing the Standard Form Agreement is to provide the proposer with information regarding the City's required contract provisions.

The Sample Form Agreement is provided as a resource for review, and does not need to be filled-out or signed. Once an award recommendation is determined, the City will prepare an actual contract document for execution by the vendor, so please do not fill-out the Agreement document. The Proposer has the option to provide comments on the Agreement, but it is not necessary to do so. In the event that a proposer does wish to provide comments, those comments will be reviewed by the Evaluation Committee in regard to the level of service to be provided by the Contractor. In such cases, where proposer decides to make comments, written comments will be preferred over red-lines.

17. Q: Is bottom line SKU pricing or volume rebates more important in your pricing program?

A: Per question #10 above, rebates will not be considered in the evaluation of pricing. Rebates may be offered as an option, and will be evaluated in terms of the level of service provided, and not considered in pricing evaluations.

All other terms, conditions and specifications remain unchanged for RFP 13-23R. Please acknowledge receipt of this Addendum No. 3, by returning it and/or acknowledging it in your proposal.

Sincerely,

Keith K. Glatz, CPPO, FCPM
