I Think She Was So Disillusioned with Her Own Country and She Was Very Far from Being the Only One and She Wrote this I Say in Which She's Really Struggling To Reconcile the Vietnam that She's Read About in the New York Times Which Is a Metaphor Which Is a Description on It Yeah Narrative and the Actual Place That She's Seeing and Finding that She Doesn't Really Know What People Are Talking about She Doesn't Understand Their Language They all Look Kind Of the Same to Her and She Says Do I Look the Same to Them to Them because like in America People See that I'M Different I Have a Personality You Have a Name Here

Language some Feeling That You Didn't Have the Language for or that You Don't Have the Images for and and She's She's Definitely Able To Do that and She Does that Very Very Well You Know What's Interesting Too Is that She's Not Just Satisfied
