IN THE MATTER OF

AND

IN THE MATTER OF

**GIFT Power Company Limited**  
EPS - Building no. 49A, Block 49, Zone 04,  
Gyan Marg, GIFT City, Gandhinagar - 382355

..... PETITIONER

THE PETITIONER RESPECTFULLY SUBMITS AS UNDER:

"GIFT Power Company Limited" (hereinafter referred to as "GIFT PCL" or "Petitioner"), files the present Petition regarding RPO Compliance for FY 2019-20.

10/10/1971

GIFT Power Company Ltd (GIFT PCL) is a 100% subsidiary company of Gujarat International Finance Tec-city Company Limited (GIFT CL) incorporated under the provisions of the Companies Act 1956 having its registered office at EPS - Building no. 49A, Block 49, Zone 04, Gyan Marg, GIFT City, Gandhinagar. GIFT PCL is a distribution licensee for the supply of electricity in the GIFT City area. The Hon'ble Gujarat Electricity Regulatory Commission (hereinafter referred as "Commission" or "GERC") granted the license for distribution of electricity vide its order dated 6<sup>th</sup> March, 2013 as per License Application No 1/2012 to GIFT Power Company Ltd. for catering the power requirement of GIFT City which includes both Special Economic Zone and DTA zone areas.

2. The Hon'ble Commission in exercise of the powers conferred under Sections 61, 66, 86 (1) (e) and 181 of the Electricity Act 2003 (36 of 2003), has made the GERC (Procurement of Energy from Renewable Sources) Regulations, 2010 for promoting the sale of power from renewable energy sources and for procurement of energy from renewable sources by distribution licensee within the State of Gujarat vide its Notification No. 03 of 2010 dated 17th April, 2010 (hereinafter referred to as RPO Regulations). In the RPO Regulations, the Hon'ble Commission has specified the minimum percentage for procurement of power from Wind, Solar and Other Sources. Subsequently, the Hon'ble Commission issued the Gujarat Electricity Regulatory Commission (Procurement of Energy from Renewable Sources) (First Amendment) Regulations, 2014. Consequently, the Hon'ble Commission has also notified the Gujarat Electricity Regulatory Commission (Procurement of Energy from Renewable Sources) (Second Amendment) Regulations, 2018 vide Notification No. 1 of 2018 dated 23<sup>rd</sup> April-2018.
3. As per the aforesaid regulation, the RPO target specified by the Hon'ble Commission to be fulfilled by the obligated entities during FY 2019-20 is furnished below:

Year	Minimum Quantum of purchase (in %) from renewable energy sources (in terms of energy in KWh)			
	Wind	Solar	Others (Biomass, Bagasse, MSW and Hydro)	Total
2019-20	8.05%	5.50%	0.75%	14.30%

4. Petitioner's licensee area is a green field developing area and power requirement has gradually been increasing over past couple of years. At present, the base load of Petitioner is ~2 MW and the peak load is around ~6 MW. The same is expected to be increased to ~4.5 MW & ~10 MW respectively by 2022-23.
5. Petitioner had initiated power procurement through open access as a distribution licensee in FY 2019-20 (i.e. 10<sup>th</sup> May-2019 onwards), with an overall objective to optimize the power procurement cost in line with directives of the Hon'ble Commission. Till 9<sup>th</sup> May-2020, Petitioner was sourcing power under HTP-1 consumer category from UGVCL.
6. As the Hon'ble Commission is aware of the transition of Petitioner from a UGVCL consumer to sourcing power procurement as a distribution licensee. This transition happened in FY 2019-20 itself and was at a nascent stage of power procurement. Hence, it was difficult for petitioner to source power through renewables as Renewable Purchase Obligation of petitioner was very less due to small consumer base/demand.
7. In order to comply with the RPO regulations, Petitioner had made sincere efforts to purchase RECs through power exchange but was unsuccessful as demand (Buy Bids) of RECs was more than Supply (Sell Bids) and purchase of RECs on Forbearance Price would have increased the financial burden of the petitioner and consequently increase the overall power procurement cost.
8. The Petitioner would like to submit that Distributed Solar PV Plants are operational in its licensee area. Few are owned by Petitioner and few are owned by Consumers under net-metering arrangement. The energy generated from the above referred plants in FY 2019-20 has been accounted at ~ 1.34 Lakh Units (KWh).
9. The energy generated from the Solar Plants located in the Petitioner's licensee area is being taken into consideration while submitting the details of RPO Compliance during FY 2019-20.
10. The Petitioner would also like to bring into notice that Wind Energy is presently not suitable based on the demand curve of licensee area.

11. The Status of RPO Compliance during FY 2019-20 is tabulated below:

Compliance Year	Consumption (Actual)	Total RPO Obligation for the year		Actual Purchase of Electricity from RE resources		Actual Purchase of RECs from PX		Actual Total RE Procurement	
		Non-Solar	Solar	Non-Solar	Solar	Non-Solar	Solar	Non-Solar	Solar
	MUs	MUs	MUs	MUs	MUs	MUs	MUs	MUs	MUs
FY 2019-20	19.991	1.759	1.099	0.000	0.134	0.000	0.000	0.000	0.134

12. From the above table, it is observed that the RPO quantum is quite low and no generator has agreed for supply of such quantum at competitive rate. After exercising commercial prudence, it was decided to purchase RECs from Power Exchange but due to less inventory and vivid demand in market, the RECs were cleared at Forbearance Price.

13. The Petitioner submits that it had made sincere efforts to source RE power and purchase RECs from Power Exchange but was unsuccessful during FY 2019-20 due to supply constraints of both RE power and RECs. Purchase of RECs at Forbearance Price would increase the financial burden of the petitioner and consequently would result in increase of cost of supply which will indeed incur burden to Consumers.

14. As per the GERC Principal Regulations on Procurement of Energy from Renewable Sources-2010, the petitioner requests Hon'ble Commission to kindly revise the RPO target for compliance in FY 2019-20 due to difficulty in transition from a UGVCL Consumer to power procurement as a distribution licensee. The request is being prayed in accordance with the clause 4.2 of the principal RPO regulations. The excerpt from the clauses reads as follows:

*"4.2 The Commission may, suo-motu or at the request of a licensee, revise the percentage targets for a year as per clause 4.1 of these Regulations keeping in view supply constraints or other factors beyond the control of the licensee."*

15. The RPO regulations confers the power to Hon'ble Commission for revising the RPO target based on the request of the licensee on account of supply constraints or due to other factors beyond the control of the licensee.

NOTARY  
VISHNU S. PATIL  
GANDHINAGAR  
BANGALURU  
REG. NO. 12345  
GOVT.

16 Subsequently, keeping in view of the above mentioned points the petitioner humbly requests the Hon'ble Commission to kindly revise the RPO targets and exempt us from RPO Compliance of FY 2019-20 due to difficulty in transition from a consumer to distribution licensee and considering the factors of supply constraint for compact load.

## Prayer

The Petitioner humbly prays the Hon'ble Commission:

- a. To admit the present petition for further necessary process.
- b. To revise the RPO targets and exempt the Petitioner for RPO Compliance during FY 2019-20.
- c. To allow additions/ alterations/ changes modifications to the application at a future date.
- d. Allow any other relief, order or direction, which the Hon'ble Commission deems fit to be issued.
- e. Condone any inadvertent omissions/errors/shortcomings and permit the Petitioner to add/change/modify/alter this filing and make further submissions as may be required at a future date.
- f. To afford the reasonable opportunity of personal hearing to the Petitioner before passing any orders in the matter.
- g. To grant any relief/s as it deems fit and appropriate under the circumstances of the case and in the interest of justice.

Declaration that the subject matter of the Petition has not been raised by the Petitioner before any other competent forum, and that no other competent forum is currently seized of the matter or has passed any orders in relation thereto.
