Brief profile of the Director:

Dr. Ajit Parulekar - Director GIM

Dr. Ajit Parulekar is an accomplished academician, renowned for his extensive experience in both the corporate and academic realms. Currently serving as the Director of the prestigious Goa Institute of Management (GIM), he holds the position of Professor of Marketing with the Health Care Management Programme. With a diverse background in brand management within the pharmaceutical industry, Dr. Ajit Parulekar brings a unique perspective to his role.

Joining GIM in the year 2000, Dr. Parulekar has played a pivotal role in shaping the institution's success. He spearheaded the establishment of the Health Care Management program in 2013, showcasing his commitment to addressing the evolving needs of the industry. Additionally, he has actively contributed to various areas of academic administration, including program management, admissions chair, placement chair, and chair of alumni affairs.

Beyond his academic endeavours, Dr. Ajit Parulekar has made significant contributions as a consultant, working with prestigious corporations, government departments, and international organizations. His expertise has been sought by entities such as the Government of Goa, Indiapost, UNDP, and the Ministry of Health & Family Welfare, among others.

Dr. Parulekar's academic contributions are extensive and diverse, with publications ranging from books, book chapters, and journal articles to winning two best paper awards. He has also been a valuable faculty member at renowned business schools, including S.P Jain Mumbai, select IIMs, Antwerp Management School in Belgium, and Southampton University in the UK.

As a testament to his leadership and expertise, Dr. Ajit Parulekar serves on the Board of Directors for three organizations and is an esteemed member of the advisory board for two non-profit organizations. His areas of professional interest span branding, consumer behavior, health care financing, and the future of higher education.

With his wealth of industry experience, outstanding academic contributions, and commitment to driving positive change, Dr. Ajit Parulekar continues to excel as a visionary leader, inspiring students and fellow academicians at GIM and leaving a profound impact on the field of management education

ix.	Projects carried out	Collaborated with University of Leeds, UK on a joint Research Project “Tackling Slavery, Human Trafficking and Child Labour in Modern Business” in the year 2017-19. Dr. Divya Singhal was a co-investigator in this project and she coordinated the project from GIM which received grants from British Academy. The project was related to Sustainable Development Goal (SDG) 8.7, which aims to end forced labour and modern slavery. The objective of		

		<p>the project was to develop insights into potential challenges implementing the UK legislation in the global clothing supply chains, as well as gather examples of how Indian industry is engaging with it and understand potential issues around social challenges.</p> <p>2020-2021 - Dr. Divya Singhal worked as co-investigator on a project with University of Leeds funded as part of the Modern Slavery PEC by Arts and Humanities Research Council (AHRC) UK. CMIE

CMIE, or the Centre for Monitoring Indian Economy, is a leading business information company. Established in 1976, it straddles the entire information food chain - from primary data collection through analytics and forecasting. It provides services to the entire spectrum of business information consumers that includes governments, academia, financial markets, business enterprises, professionals and the media.

CMIE produces economic and business databases and develops specialised analytical tools to deliver these to its customers for decision-making and for research. It analyses the data to decipher trends in the economy.

CMIE has built India's largest database on the financial performance of individual companies; it conducts the largest survey to estimate household incomes, pattern of spending and savings; it runs a unique monitoring of new investment projects on hand and it has created the largest integrated database of the Indian economy.

With over three decades of experience, CMIE has honed its skills in analysing the current and prospective trends in the Indian economy. It delivers these insights through its services to its customers.

All databases and research work are delivered to customers through subscription services.

CMIE is a privately owned and professionally managed company head-quartered at Mumbai.

ProwessIQ

Better than a Google search!

If you are looking for companies that meet a set of criteria based on their performance, then you need ProwessIQ, not a Google search. Not even Google Finance!

ProwessIQ is an interactive querying system that runs on the Prowess database. The Prowess database contains financial performance data of around 50,000 Indian companies. It contains data from 1989.

In ProwessIQ you can conduct a search to find all non-government companies with a market capitalisation of over Rs.1,000 million, a P/E ratio between 5 and 10, a dividend yield of over 2 per cent and a debt:equity ratio of less than 1. Prowess will find all companies that meet such a set of conditions and display their names with values of all the variables stated in the conditions. This is just an example, of course.

Articulating a query completely or unambiguously is often a challenge while searching for companies. The ProwessIQ user interface helps the user in articulating the requirements completely and unambiguously.

Reap the benefits of interactive querying with ProwessIQ.

Industry Outlook

Industry Outlook

Industry Outlook helps you anticipate trends in 209 industries .

Industry Outlook is your risk management tool. It helps you prepare to better ride the business cycles while anticipating the future.

Expected creation of new capacities, projected financial performance, price movements of commodities, demand supply balances or gaps in the future - these are some of the indicators that Industry Outlook provides information on.

Industry Outlook is particularly useful in understanding the current and expected trends in the economic environment that your industry operates in. These are your suppliers' industries, your customers' industries or your competing industries.

These are the industries that credit officers lend to. These are the industries that fund managers invest in. For business schools, these are the industries that the students will get into. Industry Outlook is indispensable because it is comprehensive.

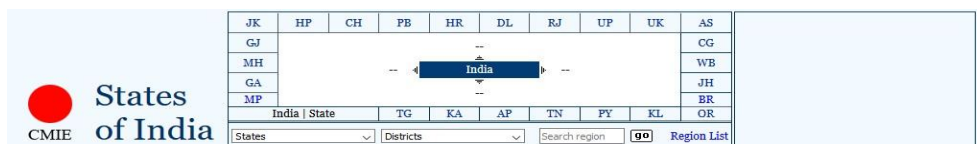

Economic Outlook is the solution to your requirement of reliable data, independent analysis and short to mediumterm projections on the Indian economy.

The service brings together time-series of over half a million indicators from several official and reliable sources. These are well organised and can be accessed easily to meet your regular requirements of economic data. And, the database keeps growing to keep pace with your requirements.

Economic Outlook presents projections five years ahead. It is a comprehensive service which provides a complete picture of the past, the present and the future of the Indian economy.

Get a good view of where the Indian economy stands today and where it is headed by reading short analytical essays on Economic Outlook. Be empowered with the huge data bank and keep abreast of the latest and prospective developments on the Indian economy by including Economic Outlook as your preferred resource.

If you need a source of reliable and comprehensive information on the Indian markets, then, States of India is your best option. The service is designed to meet your regular requirements of regional data and news.

India consists of 37 states and union territories, or more importantly, it consists of 724 districts. States of India provides comprehensive data and news on these.

States of India is the service that you will always require when you are looking for the size and composition of the Indian markets.

It is the service you will look-up every day to be up to speed on the relevant business events in the regions of India.

There are over 139 million time-series in States of India. All information is available in a clean and easily useable form so that when you need it, you find it without much ado.

Scores of news items are posted every day to keep you abreast of the markets that matter to you.

Consumer Pyramids_{dx}

A fast-frequency portrayal of living standards of Indian households.

The Consumer Pyramids Household Surveys (CPHS) conducted by the private agency, Centre for Monitoring Indian Economy (CMIE), are high-frequency large-scale surveys that have come to be used widely, particularly to assess the short-term changes in the economic conditions of households.

The Consumer Pyramids Household Surveys (CPHS) is a continuous survey to measure household well-being in India. It covers a longitudinal survey which is a large panel of sample households surveyed repeatedly over time. It's a fast-frequency survey which is a survey conducted comprehensively thrice every year.

Indiastat
Revealing India.... Statistically

www.Indiastat.com

Indiastat.com serves with authentic and perhaps the most comprehensive compilation of secondary level socioeconomic statistical information about India and its states on various socio-economic parameters. These parameters are: General Info, Demographics, Economy, Agriculture, Civil Supplies and Consumer Affairs, Environment and Forest, Industries, Infrastructure, Companies, Education, Health, Housing, Labour & Workforce, Polity, Media, Insurance, Tourism, Crime & Law, Social Welfare & Developmental Schemes etc.

Indiastat.com provides secondary level socio-economic statistical information about India, its states, regions and sector. Indiastat.com is a cluster of 56 associate websites wherein 19 websites are sector-specific, 6 are regional websites and 31 websites are state-specific. Subscribing Indiastat.com will give an automatic access of its 56 associate sites. Indiastat.com contains all the statistical information available on its 56 associate websites. However, data is made available separately on these 56 associate sites just for an ease of navigation. If require, subscription to these associate can also be taken separately.

Datamet India has also ventures into eBooks world and launched 12 e-Books providing information about Elections

Results and other compilations.

[EPWRF India Time Series](#)

The EPWRF India Times Series (EPWRFITS), interactive online database launched in January 2011, is an initiative taken by the EPW Research Foundation (EPWRF) with an aim to provide credible time series data facilitating research across various sectors of Indian Economy.

Perceiving the indispensable role of and need for authentic time series data in socio-economic research and analysis, the EPW Research Foundation has built the EPWRF India Time Series based on the core values - ACCURACY, TIMELINESS and COMPLETENESS.

EPWRF India Time Series is a unique online database with its comprehensive coverage of Indian economy for a fairly long time period and it comprises over 30,000 variables capsuled in 16 modules. The database tries to provide in continuous time series from 1950 depending on the availability.

The database is well accepted by the research community in India as well as abroad. Major subscribers include all Indian Council of Social Science Research (ICSSR) institutes, several Universities (central, state and private), IIMs, IITs, Banks and top-ranked management institutes.

Salient Features

Mr. Ashutosh Sinha, Class of 2000, has recently been awarded the prestigious HR Icons Award for being 'The Most Influential HR leaders from the Middle East'.

In his own words, "A simple rule in career and life for me has been to "help others win" and that mantra has its own rewards, but more importantly it brings a huge sense of professional and personal satisfaction. The ETHR HR Icons 2023 Award just reinforced my lifelong motto. And like any industry award it is truly encouraging to contribute with greater zeal to the success of my firm, the HR fraternity and definitely towards the career journeys, at various stages."

Alumni and Entrepreneurship

Mr. Rishabha Nayyar, Class of 2002

"Building your own Brand is a joy of a different order."

Mr. Rishabha Nayyar, Class of 2002, created FATMEN which they proudly address as the world's smallest agency which boasts of Quality over Quantity. The title FATMEN is an ode to people who feel insecure about their bodies with a subtle intent of encouraging them to be unapologetic and guilt-free. Mr. Nayyar started as a Management Trainee in Lintas.

Ms. Zenelyn Afonso, Class of 2017,

"Follow a career that you are genuinely passionate about and one that makes you happy."

Back in 2019, Ms. Zenelyn Afonso, Class of 2017, realised that many of the reputed agencies in Goa charged a hefty amount for digital marketing, which small enterprises cannot afford. This gave her the impetus to set up **Cutting Chai Creatives**, which offers marketing solutions at competitive pricing to SMEs.

Mr. Chitresh Sinha

Mr. Chitresh Sinha, Class of 2009, succeeded in Shark Tank India and impressed the Sharks by securing 75 Lakhs for a 3.75% stake from Aman Gupta, Vineeta Singh, Namita Thapar.

The Plated Project is the brainchild of Chitresh. Through this project our alumnus collaborates with 100+ national and global artists to create limited edition art infused products highlighting social issues and a minimum of 10 meals are donated from each sale.

Mr. Raul Rebello

Mahindra Finance recently announced Mr. Raul Rebello, Class of 2002 as the Managing Director & Chief Executive Officer-Designate. of Mahindra Finance, one of India's leading and diversified non-banking finance companies.

His journey started with Axis Bank as a Deputy Manager, assuming various senior roles and leading his teams to success during his tenure of 19 Years. He was responsible for incubating and scaling various businesses at Axis Bank and the bank also won the Financial Inclusion Award at the Asian Banking and Finance Recognition in 2019 and 2021.

Mr. Rahul Kumar

Mr. Rahul Kumar, Class of 2021, has been recognized at the Nationwide Awards Under 30 Emerging Industry Experts - 2023 by Business Mint. He received the award in the Financial Technology Category for his work as the Product Owner at Solifi.

Prof. Kanupriya Katyal

We are proud to share that Prof. Kanupriya Katyal , Class of 2002, has been recognized by Warsaw University of Technology Business School, Poland at the 30 Years Celebration of the institute for her efforts in promoting active engagement between Goa Institute of Management and WUTBS.

Alumni newsletter “Vibhuthi”

Alumni newsletters are a great way to add communication touch points throughout the year. We have launched the 22nd Edition of our Alumni newsletter “Vibhuthi” on 28th January 2023 on the occasion Grand Alumni Meet.

1	Overall rating of the course? 1 - Extremely dissatisfied, 2, 3, 4, 5, 6, 7, 8, 9, 10 - Extremely satisfied	9.06
2	Overall rating of the instructor? 1 - Extremely dissatisfied, 2, 3, 4, 5, 6, 7, 8, 9, 10 - Extremely satisfied	9.18
3	Please provide feedback or suggestions for the improvement of the course for example extent of learning topics requiring more or less attention relevance and quality of reading material workload pedagogy components of evaluation etc. \ Extremely satisfied with the course structure. \ Good for the students, gives detailed insights into every topic, very satisfied \ Good teaching Takes effort in making ppts \ Informative as well and good learning outcome \ Instead of focusing more on Theory it should be more practical based \ it was great \ More Legal making it content heavy \ Na \ Pretty good \ The first half of course was different from the second one. Not structured that well but overall good subject that will enhance our knowledge. \ The valuation part is discussed in merger and acquisition class which is a separate subject to itself. \ Very good course	
4	Please provide any other feedback or suggestions for the instructor for example preparedness enthusiasm communication quality of teaching response to queries giving feedback discipline in class etc. \ Discussed a lot of examples and cases happening in the real world. Good comprehensive slides. \ Extremely satisfied with the faculty teaching style, the case studies discussed. Ppt contains the real life examples which are quite helpful in understanding the concept. \ Good notes \ Kindly put less emphasis on theory \ Knowledgeable and teaches well. \ Na \ Proper structure is present \ sir could take it a bit slow

1	Overall rating of the course? 1 - Extremely dissatisfied, 2, 3, 4, 5, 6, 7, 8, 9, 10 - Extremely satisfied	8.38
2	Overall rating of the instructor? 1 - Extremely dissatisfied, 2, 3, 4, 5, 6, 7, 8, 9, 10 - Extremely satisfied	8.44
3	<p>Please provide feedback or suggestions for the improvement of the course for example extent of learning topics requiring more or less attention relevance and quality of reading material workload pedagogy components of evaluation etc.</p> <p>\ Adequate \ all good \ All the things are apt. \ Could have used more in-depth conversations and give more real life examples to make us understand the analysis part. \ course can be improved by practicing more industry level financial statements to analyze financial conditions of companies \ Course is good, but topics are very basic in nature. \ Course is well structured \ Course was good. \ Deep study of finance should be there. \ Do not understand the need to do this course. For people coming from backgrounds other than commerce, and the ones who are not planning to pursue finance. <u>There is no great purpose of this course. Could have just given a workshop on reading balance sheets, income statements, and cash flow analysis.</u> \ Everything is great \ Excellant \ Felt basics of accounting which, I was lacking was covered very well</p> <p>\ Financial reporting course covers all the basic concepts that are needed to be followed in order to attain summer internship interviews. The composition is well maintained. \ Good \ good basics of financial accounting but they are hard to understand so quickly for non B.Com students. We should be given time to understand it better so we can score better \ Good course \ GOOD COURSE \ Good material and Practice sums provided by the professor \ Good Materials and cases provided. \ Good pace, good clarity but not challenging enough for commerce students. \ Good reading material. \ good teaching \ Good</p>

19. Best practices adopted
CENTERS OF EXCELLENCE AT GIM:

Centre for Social Sensitivity and Action (CSSA):

The Centre for Social Sensitivity and Action (CSSA) at GIM plays a crucial role in inculcating among students values of sensitivity, responsibility, and empathy to enable them to build a sustainable business and society.

CSSA contributes to GIM’s mission of “create knowledge and develop responsible and agile leaders at the forefront of cutting-edge business practices” by inculcating among students values of sensitivity, responsibility, and empathy to enable them to build a sustainable business and society. CSSA Advisory Board was formed in November 2022 that includes Dr. Dan LeClair – CEO Global Business School Network(GBSN), Mr. Ram Kolavennu, Head, Foundation for Excellence(FFE), Dr. Seema Fernandes – Assistant Director GIPARD and Mr. Aman Jaggi- Global Marketing Director Digital and Sustainability, Cognizant. The first meeting of the advisory board was held in-person at the GIM campus on 17 Dec 2022, and the second meeting was hosted virtually on 30 June 2023. CSSA has undertaken some priority SDGs- SDG 3, SDG 4, SDG 8, SDG 10, SDG 12 and SDG 17 as the main focus with an ambitious aim of transforming higher education as a force for good.

CSSA uses a four-pronged approach that includes-

(a) Generating knowledge about responsible management education practices-

To develop responsible leaders, we need to understand responsible practices adopted at various levels and with the challenges faced by local, national and global levels. In 2022-2023 CSSA undertook the GiveGoa project at Poreim village to understand menstrual health and digital accessibility. CSSA faculty researched various issues ranging from sustainable development, community engagement, value chains and responsible management practices and published 10 papers/chapters in prestigious journals like the Journal of

Industrial Relations, Routledge, Palgrave etc. CSSA also undertook two funded projects, one on “Skilling Youth of Goa: An Assessment of the Short-Term Training under PMKVY 2.0” Funded by: Azim Premji University, India with Prof. Prakash Singh (PI), Prof. Sreerupa Sengupta.

Another project was completed in 2022-2023 was on “Livelihood Opportunities for Women SHGs in Goa: Assessing Trend, Opportunities, and Challenges” Funded by GIPARD, Goa. Prof Sreerupa Sengupta was PI and Prof. Kingshuk Sarkar, Prof. Divya Singhal worked as Co-PI.

(b) Disseminating knowledge among potential and actual managers and other stakeholders- A one-credit course on Social Responsibility and Action is led by CSSA faculty that is offered to GIM first-year students. In March 2023, the 7th issue of CSSA’s newsletter SDG Samvaad was launched, which focuses

on Social Innovation and Entrepreneurship. A non-credit course on Social Responsibility and Action Research was offered to FPM scholars for the first time in 2022. The aim of the course is to understand the concept of responsibility and the challenges/opportunities business faces in balancing profitability with societal well-being. And to explore related areas from the research point of view. CSSA, GIM, under its initiative 'Sahoyag' partnered with the ISCTE Business School where students from both institute worked on two projects related to ESG Reporting and Making Workplaces Resilient: Digitalisation of Occupational Health and Safety Management. CSSA Faculty members Prof. Sreerupa Sengupta, Prof. Anup Maurya and Prof. Prakash Singh were invited as experts to lead a discussion on the Impact of Research and how Technology can be used for social change in January 2023. Prof. Divya, CSSA Chairperson, was invited to a seminar on ESG and Sustainability hosted by the Institute of Company Secretaries of India Goa Chapter in Jan 2023. Prof. Sreerupa Sengupta was invited as a Panelist in the Executive Council Forum 2022 hosted by Woxsen University in Hyderabad (December 2022) to speak on the efforts of GIM towards social sustainability. CSSA hosted the first session for sustainability centres worldwide as part of Student Engagement Series planned by the Network for Business Sustainability (NBS), Canada. The session was hosted online on 14 Dec 2022 where CSSA Chairperson Prof. Divya Singhal and GiveGoa Chairperson, Prof. Padhmanabhan, shared the GiveGoa experience with representatives from 40 Business School sustainability Centers.

(c) Building capacities of students and professionals –In 2022-23, CSSA conducted various training programs to build students' and professionals' capacities. CSSA planned and executed two batches of Goa Chief Ministers Research Fellows training on social impact research. The first training was offered to 2 CM Fellows in Nov 2022, and then a three-day training to a new batch of 10 CM fellows. Prof. Divya Singhal coordinated the training, and sessions were facilitated by CSSA and GIM Faculty Member's Prof Divya Singhal, Prof Sreerupa Sengupta, Prof Prakash Singh, Prof. Anup Kumar Maurya and Prof Kanupriya Katyal. A half-day symposium on "SDGs and Responsible Management Practices" in collaboration with the Directorate of Higher Education, Government of Goa was hosted on 20th April 2023. The purpose of the symposium is to strengthen discussions on sustainability and SDGs within HEIs and to ensure participation of different stakeholders, and collaborations for mainstreaming sustainability-related topics in curricula and co-curricular activities. CSSA continued its ongoing partnership with AIM2Flourish, a program of Fowler Centre for Business as an Agent of World Benefit at the Weatherhead School of Management -Case Western Reserve University. In 2022-23, 41 new stories were published on the AIM2Flourish platform. One of GIM students' group story on "Access for All" under the Guidance of Prof Divya Singhal received the 2023 Flourish Prize Award for Global Goal 10 out of 694 stories.

CSSA continued its support to the Desh ke Mentor program by Delhi Government through the partnership with Samarthan. CSSA with the student club Samarthan, partnered with MyCommunit and Choyal Industries on their Project LEAP under which GIM students provided guidance and mentorship to rural girls in Rajasthan through virtual sessions in August 2022.

(d) Advocacy, networking, and outreach programmes – CSSA adopts an interdisciplinary and collaborative approach in all its activities. In 2022, CSSA's Make the Case Competition: on reducing plastic pollution in India in collaboration with Commitments Accelerator for Plastic Pollution (CAPP), the Ocean Recovery Alliance (ORA), and the Indian Plastic Institute (IPI) has been included in a compendium published by United Nations Office of South-South Cooperation on 'Good Practices in South-South and Triangular Cooperation for Sustainable Development'– Volume 4, 2022, as an

example of innovative ways to teach sustainability. Through a partnership with UK-based organisation AlphaZULU Advocates, CSSA continues promoting SDG awareness through international SDG Nugget Hour. On this virtual platform, international speakers provide their input on chosen SDGs every month. CSSA also partnered with Deakin Business School and participated in the launch of a digital hub for knowledge sharing in Melbourne in Nov 2022.

CSSA has designed its website to highlight all the activities of CSSA and enable funders, and other stakeholders to connect with CSSA. <https://cssa.gim.ac.in/>.

CSSA members are Prof. Divya Singhal, Prof Sreerupa Sengupta, Prof Anup Kumar Maurya, Prof Prakash Singh, Prof. Shiv Nath Sinha and Ms. Kay Karen Gomes. Those interested to know more can reach out to us at cssa@gim.ac.in or follow us on social media.

CENTRE FOR EXCELLENCE IN SUSTAINABLE DEVELOPMENT (CESD)

The Centre for Excellence in Sustainable Development (CESD) was formed in July 2018 to contribute to GIM's quest for environmental sustainability. The core objectives of CESD are: knowledge creation, knowledge dissemination and knowledge application

The CESD team comprises of the following members:

A post event video was created and the event also saw coverage from the Times of India.

Sustainability in the Curriculum at GIM

The center has attempted to link curriculum with the three core objectives of the center's quest for sustainability which is knowledge creation, knowledge dissemination and knowledge application. Therefore, courses were identified under various programs which directly or indirectly can be mapped to sustainability. This is the first step the centre has taken towards identifying what is the current status and how sustainability from various perspectives can be incorporated into the teaching-learning process.

CESD is currently, working on designing an FDP for GIM faculty on 'Sustainability in Management Education'. The members of the centre are also planning multiple workshops for students on Sustainability related topics like Climate Action in the coming Academic year 2023-24.

2. Campus Sustainability

- Project 'Faunal Biodiversity Register of GIM'

Floral Biodiversity Coffee-table book

Faunal Biodiversity flyer

After successful completion of the first phase of the campus biodiversity register that photo-documented 150 floral species found on the GIM campus, the CESD took up the next project "Biodiversity Register of GIM Campus: Major Fauna". The project documented fauna on the Campus including birds, butterflies, reptiles, insects, and other animals in a phased manner. In March'22, CESD tied up with the Goa State Biodiversity Board (GSBB) and two private consultants for technical inputs in documenting and identification of various faunal species found on the campus. The output of this year-long project is envisaged to include a Faunal Biodiversity report in addition to flyers/ pamphlets that shall help to increase awareness about the rich biodiversity heritage of the area. On the **12th of October 2022**, GSBB conducted an orientation and training program in connection with the Faunal Biodiversity Register of the GIM campus. Prof I K Pai- Former Professor and Head, Department of Zoology, Goa University, Mr Parag Ragnekar- an ecologist based in Goa and Mr Shricharan Desai- a wildlife rescuer were the resource persons for the training program. A faunal biodiversity flyer was released on the **26th of January 2023** to increase awareness about the rich biodiversity heritage of the area and the same was posted to 230 recipients. The release of the flyer was covered by various print media (Five Marathi newspapers). This project shall lead to the identification of key measures to conserve and enhance the biodiversity of the campus. The final report on faunal biodiversity is expected to be complete by the end of July 2023.

After successful completion of the first phase of the campus biodiversity register that photo-documented 150 floral species found on the GIM campus, the CESD took up the next project "Biodiversity Register of GIM Campus: Major Fauna".

Sustainability report

CESD has been instrumental in taking up the creation of a Sustainability Report for the Institute to report on various ESG aspects. The GRI Standards are a modular system of interconnected standards. They allow organizations to publicly report the impacts of their activities in a structured way that is transparent to stakeholders and other interested parties. According to a report in 2022, 74 out of 498 reporting organizations in India follow the GRI standards. The Sustainability Report makes GIM one of the first Institutes in the country to report its sustainability initiatives using the internationally acclaimed GRI framework. Currently CESD is working on updating the Sustainability report for the year 2023. The report was emailed to approx. 1200 recipients which included the faculty and staff of GIM. Hard copies were mailed to approx. 230 recipients which included various governmental agencies/departments, NGO's, private consultants, heads of institutions, civil authorities etc. CESD has already started the exercise of updating the report for the current academic year.

World Environment Day: Sustainable Expedition and Interactive session- 5 June 2023

On the 5th of June 2023 the Centre for Excellence in Sustainable Development- Goa Institute of Management celebrated World Environment Day by organizing a Sustainable Expedition through GIM campus followed by an interactive session for the faculty and staff.

The Sustainable Expedition consisted of a walk through GIM campus to spread awareness about the various sustainable initiatives undertaken by the institute towards energy, water, waste and biodiversity. GIM faculty and staff shared information on various sustainable initiatives such as the biogas plant, waste management, solar energy etc.

The interactive session on environment focused on reptiles particularly snakes through a snake awareness cum show by Mr Charan Desai, a wildlife rescuer who sensitized the faculty and staff about snakes, precautionary measures to avoid encountering snakes and measures to be taken in the event of a snakebite.

A team of ten members from the Forest department- Sattari Valpoi headed by Range Forest Official Mr. Sangam Desai attended the event and shared information on sustainability with the audience after which saplings were distributed to faculty and staff. The event ended with the Prof Ajit Parulekar Director GIM sharing his thoughts and Prof Vithal Sukathankar delivering the Vote of thanks. The event saw a wide coverage from print media which included seven Marathi newspapers and two English newspapers.

3 Stakeholder Interaction

'Sustainability Horizon' newsletter

Sustainability Horizon, a quarterly newsletter by CESD collates contributions from students, academicians, and practitioners in the field of environmental sustainability and attempts to address the changing dynamism in the sector. For the current year 2023, the next four issues of Sustainability Horizon will be released on an overall theme for the year titled 'Global Impactful Events' with four sub-themes to cover each quarterly newsletter. Sixteen articles have been received till date. The four sub-themes include

- i. Impact of COP27/G20 Summit on Environmental Sustainability
- ii. Impact of Global Sports events (e.g., FIFA World Cup Issues of 2022 Soccer) on Environmental Sustainability
- iii. Impact of COVID-19 aftermath on Environmental Sustainability
- iv. Impact of Russia-Ukraine War on Environmental Sustainability

Presently, the newsletter is sent to around 1200 people, including the GIM community, corporates, start-ups, government agencies, etc. The Centre has received several appreciative messages/ emails from the recipients mentioning that the newsletter is a good resource in sustainability.

Social Media Engagement

CESD has been able to create an impact through social media posts on linkedin and Instagram. CESD plans to improve its social media presence with the help of the student group, by consistently posting quality content related to various themes in the domain of sustainability. The Student ambassadors

organized Reel It In, a videography competition and this was promoted on 'Unstop' which gained the centre, **7420** impressions. The Sustainability Hackathon on Tourism and Hospitality which was also promoted on Unstop gained the centre an additional **17,804** impressions.

Conference of Indian Industries (CII)

Prof Arpita Amarnani, Chair CESD is nominated as a member for CII panel on Solar Energy and Sustainable Development. Dr. Arpita Amarnani was recently the chairperson and moderator for the Green Finance session, at the Second Edition- CII Goa Conference on Clean Renewable Energy. Dr Karen Fernandes, Senior Research Associate was a participant at the conference and worked on writing a white paper for CII on the conference which was later submitted to CII.

CESD Advisory Board Formation and First Meeting

The Centre formed its Advisory board comprising of five external advisory board members. The advisory board members are as follows; Dr. Ajit Parulekar- Director GIM, Dr. Arpita Amarnani -Chair CESD, Dr. Venkatesh Naga- Dean Academics, Dr. Isabella Allan Fellow: Institute for Social Innovation, Fielding Graduate University (USA), Dr. Abhinav Jindal- Deputy General Manager and Senior Faculty NTPC-Power Management Institute India. Mr Levinson Martins-Director- Department of Science, Technology and Waste Management & Managing Director- Goa Waste Management Corporation, Mr Ashwin Kak- Procurement & Sustainability Head – India & South East Asia AB InBev and Ms Wilma Rodrigues- Founder and CEO, Saahas Zero Waste. The first advisory board meeting was conducted through online mode on the 22nd of May 2023. These members are academicians, practitioners from the corporate sector, government officials, and experts working with various foundations. The CESD board members will provide advice relating to the various pursuits of the Centre as well as direction on how the Centre for Excellence in Sustainable Development (CESD) at GIM can reach greater heights in the future in the field of sustainable development.

4. International Collaboration: RISE Project and Development of Co-Life Project

CESD worked on an international project, Responsibility and Innovation via Social and sustainable Entrepreneurship (RISE) funded by Finnish National Agency, EDUFI. The objective of this Project is to co-develop a curriculum for partner Higher Education Institutions (HEIs) for capacity building in the field of social and sustainable entrepreneurship. The RISE project is led by LAB University of Applied Sciences (LAB UAS), Finland and the partnering institutions are from Finland, Denmark, Belgium and India. As a part of this Project, the team conducted a survey that aimed at understanding the richness of different views, interpretations and experiences about social and sustainable entrepreneurship. The insights from the survey helped understand and map the current situation and recognize gaps to be addressed, especially in education, training, skills to improve social and sustainable entrepreneurship in India. In 2022, the project received in-principle approval from the funding body but was put in the reserved category as higher-ranked projects got precedence due to budget constraints. A fresh application was prepared after strengthening the proposal based on detailed feedback received and the new application for Erasmus+ funding was submitted on 12th February 2023.

5. Research in environmental sustainability

The contribution of Prof. Avik Sinha from CESD during the year 2022-23 has been commendable as his publications include 36 research papers. Prof. Avik's most recent research paper titled Exploring the Dynamic Connectedness among Energy Transition and its Drivers: Understanding the Moderating Role of Global Geopolitical Risk is published in *Energy Economics* – an A* category journal as per the ABDC rating system. A Case study titled 'Goa Institute of Management: campus water sustainability projects'

was published by Prof. Arpita Amarnani and Prof. Vithal Sukhathankar in the journal 'Emerald Emerging Markets Case Studies' in January 2023. Another publication titled Service Supply Chain Environmental Performance Evaluation using Fuzzy TOPSIS method authored by Prof Diya Guha Roy was accepted for publication in February 2023. In addition, Prof. Avik Sinha was invited to join the Editorial Board of Energy Policy as an International Advisor, which is a coveted position for energy researchers. Prof Avik is also recognized as one of the top 1% of researchers around the world. This ranking is released by Clarivate (Web of Science group). Recently, Prof. Avik Sinha featured among the top 20 Global Economists in a pool of 15,075 economists whose first publication of any kind is 10 or fewer years ago.

CENTRE FOR PUBLIC POLICY AND GOVERNANCE (CPPG)

The Centre for Public Policy and Governance (CPPG) is one of the new initiatives of the Goa Institute of Management (GIM) and has the objective of generating and leading intellectual capital and experience to inform public policy making and governance in India and in emerging economies. The Centre attempts to explore and understand the links between the fields of management, administration, and public policy. Its philosophy is predicated on the belief that effective public policy is always deeply contextualized. The Centre aims to serve as a platform to enable discussion and analysis of public policies and their implementation. The Centre also contributes to development and governance by collaborating with the Government of Goa, other research and policy-oriented institutions and organisations besides a large number of Non-Government Organizations. Academics from all over the country and beyond, policymakers and others interested in public policy and governance interact and participate in its activities.

List of activities undertaken by the CPPG:

- i. In May 2022, the Centre organised an International Conference on '*The State of Employment in India: Problems and Prospects*' in hybrid mode. The Conference witnessed 28 paper presentations and 12 keynote addresses from eminent experts, academicians and practitioners.
- ii. Centre for Creativity, Innovation & Design Thinking (CCIDT):

1. External engagements of CCIDT

MoU signing with Goan Stratup, Vanillakart. This MoU facilitates collaboration on various fronts teaching, research and live projects for students. Currently this MoU will be focusing on following elements:

- Paid live projects for PGDM students which requires 2 hours/week of work that can be managed alongside their coursework
- Having live projects for students as part of the course “Creativity and Marketing for social change”.

External Engagements underway

Prof. Amiya Sahu has been invited by CII Goa to be part of a panel on “Shipbuilding & Defence”. He is also part of the team drafting a proposal for an MOU between GIM and a Credit Rating Agency.

MoU with National co-operative Union of India (NCUI): New Delhi has approached CCIDT to undertake studies and training programs for Goan self-help groups. It was decided that a comprehensive MoU be formed between NCUI and GIM. This MoU would focus on offering training programs for executives of NCUI and Goan SHGs, research and consulting projects, and any other fruitful areas of collaboration. MDP on Design Thinking for Public and not-for-profit sector would be part of this MoU.

2. Research

Funded research project - Funded A research grant was provided by NABARD, Goa to study consumer and entrepreneur related challenges and to suggest entrepreneurial empowerment strategies for Goan self-help group (SHG) manufacturing biodegradable sanitary pads. Dr. Padmavathi Shenoy, Chair of CCIDT was co-PI of the project handed over the final project report to Shri. Milind R. Bhirud (GM-NABARD Goa) and Shri Vinay Deshpande (Asst. GM-NABARD Goa), along with Prof. Vithal Sukhathankar, PI of the research study at NABARD office on 24/03/2023.

Publication-in-progress Dr. Padmavathi Shenoy collaborated with India Rising Trust to write a case study of social innovation in public space restoration. This study illustrates how design thinking was deployed by “The Ugly Indian”, a 13-year old anonymous social movement initiated from Bangalore. This case study is now complete and undergoing informal reviews for publication at peer-reviewed journals related to innovation and Social Entrepreneurship.

Three separate MDP sessions are underway by CCIDT for not-for-profit sectors - in collaboration with CSSA, For office-bearers of NABARD-funded farmer producer organizations and for an individual NGO.

3. Establishment of Institute Innovation Council – Now CCIDT has become part of Ministry of Education’s Innovation Cell (MIC) through establishment of Institute Innovation Council (IIC) on 12/09/2022. Several Activities planned and executed to strengthen innovation and entrepreneurial activities at GIM. ATAL INCUBATION CENTRE (AIC-GIM)

Atal Incubation Centre at Goa Institute of Management (AIC-GIM Foundation) is a sector agnostic Startup Incubator based at the Goa Institute of Management campus. AIC-GIM Foundation (AIC-GIM) was established under the Atal Innovation Mission (AIM) aegis supported by NITI Aayog, Government of India.

In 2022-23, AIC GIM Foundation has incubated over 30 Startups. The incubated startups are offered an environment that suits their need, we do so by providing incubation support in 3 ways:

- 1) Physical Incubation (State of the art incubation facility at Goa Institute of Management)
- 2) Virtual Incubation (Providing support to startups not based in Goa)

- 3) On-Demand Incubation (Incubation support as and when the startups require)

Startup ecosystem-building activities carried out in the year 2022-2023

- 1) AIC GIM being one of the disbursing partners of the Startup India Seed Fund Scheme disbursed INR 70+ lakhs of funds to start-ups in the Indian ecosystem. The start-ups receiving funding are innovating in sectors like CleanTech, HealthTech, and SaaS.
- 2) AIC GIM was also selected as the implementation partner for the SAMRIDH scheme by the Ministry of Electronics and Information Technology (MeitY) Startup Hub. Under the Scheme, AIC GIM will provide 8 start-ups with the opportunity to avail of matching funds of up to INR 40 Lakhs. The selected startups in the cohort also receive mentoring, finance and network access from AIC GIM as part of the incubation process.
- 3) AIC GIM participated in Digital India Week by the Government of India and the Ministry of Electronics and Information Technology to discuss the way forward to support the digital economy and become part of nation-building through the startup ecosystem
- 4) AIC GIM launched and successfully carried out a roadshow for the Atal New India Challenge and iDEX Challenge for the startups of India. The event Encouraged, go and start-ups to participate in the challenges and avail a chance to pilot their ideas in the defence sectors.
- 5) In August 2022, AIC GIM in collaboration with GirlScript.ai organised India's First Web3.0 Conference in Goa. The event was attended by Web3.0 Developers, enthusiasts, professionals in the Blockchain ecosystem and companies working on Web3.0 technologies and products. AIC GIM supported the event as the ecosystem partner for the event and provided startups with an opportunity to present their ideas to industry professionals.
- 6) AIC GIM in collaboration with the Climate Collective Foundation and Taj Hotels India organised the Single Use Plastic (SUP) challenge for startups working in the sustainability and clean tech sector. The event received recognition from national and international media and 2 start-ups from Goa were selected to be a part of the cohort and receive funding as well as knowledge support from Climate Collective Foundation. Taj Hotels India also provided the selected startups with an opportunity to pilot their ideas at multiple locations of the hotel.
- 7) The second cohort of FIERCE KITCHEN, our partner Incubator for culinary-based start-ups launched and received participation from 10+ startups in a cohort to undergo mentorship and assistance to scale their venture further.
- 8) FIERCE KITCHENS also participated in the AAHAR'22 International Food Festival held in Delhi where startups from the first cohort were showcased. FIERCE KITCHENS received overwhelming response from delegates across the world.
- 9) AIC GIM also represented the Goa startup ecosystem at the Startup20 events under the presidency of G20 at Hyderabad and Sikkim where Mr Abhishek Singh from AIC GIM was included in the "Alliances Taskforce" to suggest points to be added in the draft policy communique that will be presented to the G20 Participation countries.
- 10) AIC GIM carried a hackathon on AI Technologies for Shipbuilding, Marine Tech and Defence sectors in collaboration with Goa Shipyard Limited. The hackathon was launched by the hands of the Hon'ble Chief Minister of Goa, Dr. Pramod Sawant. The start-ups would get an opportunity to pilot their project with Goa Shipyard Ltd and also avail a chance to raise funding through government grants.
- 11) Goa hosted a one-of-a-kind event for Persons with Disability called Purple Fest. AIC GIM launched an 'Accessibility Hackathon' to engage start-ups in coming up with solutions for ease

of daily challenges faced by person with disabilities. Startups from across India participated in the Hackathon to come up with solutions. The start-ups were showcased at the event and the winning startup was awarded at the function.

- 12) AIC GIM celebrated the National Startup Day on the 16th of January 2023 in collaboration with BITS Goa. The event hosted a pitching session for startups to lead investors from the Goa and India network
- 13) On National Startup Day, Shri. Rohan Khaunte, Minister for Information technology and tourism launched “Hack-A-Cashew”, a unique Hackathon for startups to solve problems faced in the Cashew agriculture and production sectors. This hackathon by AIC GIM in collaboration with Confederation of Indian industries (CII) Goa is a part of the Goa Cashew Festival to be held on April 15th and 16th. Startups from across India have submitted applications to solve for various sectors in the Cashew industry.
