NOTES:
All signs indicated on this sheet shall have black text on reflective sheeting background. See Standard Sheet CS-2 for background color designation.
All signs shall be mounted on two (2) posts; vertical clearance, rural 5', urban 7'. See Standard Sheet CS-4 sign installation detail. Exception: sign designations R4-1 & R4-7A shall be single post mounted.
(36") indicates alternate sizes for use in urban areas where prevailing speeds are lower and it is necessary to minimize sidewalk obstruction. Sign copy shall be reduced accordingly.
