LOUIS BENNETT

Head Coach • 14th season • 141-101-26 (overall record)
4th Season at Marquette University

Head Coach Louis Bennett heads into his fourth season at Marquette University, boasting a 141-101-26 career record in his 13 previous years as a collegiate head coach.

Bennett, who in 2009 received the Wisconsin Soccer Association's Meritous Award, continues to focus on the improvement of the soccer program as whole.

Upon his arrival at Marquette, Bennett spearheaded an initiative to build a practice facility at The Valley. In the end, an AstroTurf recreational sports field was transformed into a game-quality FieldTurf pitch that the men's and women's soccer teams use for training. Previously teams had to go off campus, upwards of a 30-minute drive, to find practice fields.

The practice pitch maximizes the time of the student-athlete and gives an added sense of a home field as the teams now practice in the same location that they play.

While freshening up the home of Marquette soccer, Bennett has also been focusing on changing the product on the field. In his first season at Marquette, the new staff was focused on implementing a new system in a short time. After being hired in December of 2005, Bennett's first spring campaign quickly led to the fall with the returning players still adapting to the new system.

Success came early as Bennett won his first game at Marquette, defeating Loyola (Ill.) 2-1. However, it was a long year for the Golden Eagles on the scoreboard as the team finished 1-15-1. The team showed vast improvement, however, from its early-season growing pains to the end of the season, where hard-fought games with frustratingly-unlucky results characterized the contests down the stretch.

The same type of improvement occurred during the 2007 season. Complete with a deep freshman class targeted to his style, Bennett and his team added a victory to the 2006 campaign, finishing the year with a 2-12-4 record in the ever-competitive BIG EAST Conference.

The BIG EAST landed seven teams in the 2007 NCAA Tournament for the third straight year, including three teams the Golden Eagles played to within one goal. Bennett's squad finished the year with four consecutive overtime matches, with the team's seven overtime appearances tying a school record previously set in 1993. Despite a youthful team, in extra time, Bennett was 1-2-4, including a 2-1 loss in overtime at Connecticut to the eventual BIG EAST Tournament Champions. The Golden Eagles also came within one goal of Blue Division champion, Notre Dame early in the season.

Bennett brought this wealth of success to Marquette, coming to MU after 10 successful seasons at the University of Wisconsin-Milwaukee.

At UWM, Bennett led the Panthers to five straight NCAA Tournament berths, including four consecutive appearances in the second round of the tournament and 136 victories over his last five seasons. The most successful coach in the history of UWM men's soccer, Bennett compiled a 136-63-17 record in 10 seasons.

Marquette marks the second institution at which Bennett has served as head coach.

Since 2001, the Panthers dominated the Horizon League posting a 41-4-2 record in conference play and earning five league titles. Over the same time, UWM was 14-1 in the conference tournament, reached five

conference championship games, and won four tournament titles. Bennett also guided his squad to a 25-game league unbeaten streak (23-0-2) that stretched into the 2004 season.

In 2005, Bennett led Wis.-Milwaukee to its fifth straight NCAA Tournament appearance, winning the regular season crown for the fifth consecutive year and the conference tournament for fourth straight time. Bennett had UWM poised to upset top-seeded New Mexico in the second round of the 2005 national tournament before falling in penalty kicks.

The 2004 campaign included a fourth-straight trip to the NCAA Tournament, winning the regular season crown for the fourth-straight season and the league tournament for the third consecutive year. That same year, Bennett surpassed Dan Harris in the UWM coaching ranks, becoming the school's all-time winningest coach in a Sept. 25 victory over Detroit. The Panthers' run in the NCAA Tournament included a 3-2 win at No. 16 San Francisco in the first round and an overtime loss at UC-Santa Barbara in the second round. UCSB made it the NCAA Championship game.

In 2003, Bennett earned a third consecutive Horizon League Coach of the Year award while leading UWM to its fifth-straight winning season. Milwaukee defeated Western Michigan, 4-1, to advance to the second round of the tourney for the second-straight year.

All of this came on the heels of a record-breaking season in 2002 which included a school-record 19-2-1 record, a no. 8 national ranking — the highest in school history, an NCAA-best 19 consecutive wins and the program's first-ever NCAA Tournament win. Bennett also earned NSCAA Great Lakes Region Coach of the Year honors as well as League Coach of the Year accolades.

In the 2001 season, UWM posted an 18-5 overall record, including a perfect 7-0 mark in Horizon League play. Under Bennett's direction, the Panthers advanced to the NCAA Tournament for the first time since 1990 and for the fourth time in school history.

"It's the next stage in my career and it affords me a real challenge and excitement that I'm ready for," Bennett said. "I look forward to competing in the BIG EAST and the opportunity to re-create the brand of Marquette soccer."

Widely regarded as one of the top head coaches in college soccer, Bennett is a five-time winner of the Horizon League's Coach of the Year Award and twice was named Great Lakes Coach of the Year.

Prior to taking over the head coaching position in 1996, Bennett served as an assistant coach at Wis.-Milwaukee from 1993 to 1995.

A tireless worker off the field, Bennett helped transform the UWM program by helping upgrade facilities and equipment. He oversaw the renovation of the playing surface at Englemann Field and the locker room to reflect a more inspiring pre-game atmosphere. Bennett acquired and furnished the Panther Room to hold meetings, "chalk talks" and watch video on the 60-inch TV screen.

A native of Great Britain, Bennett has made the Milwaukee area his home since 1985. Two years later, he started the British-American Soccer Program in Milwaukee. He is now the owner and director of the organization that operates as a camp and touring program for soccer players ages 6-18. Prior to his assistant position at UWM, Bennett coached the boys' and girls' varsity soccer teams at Nicolet High School for five years. He also has coaching experience at the adult club level in Wisconsin with F.C. Victoria, the Bavarian Soccer Club and the ODP.

Bennett played collegiate soccer at Crewe & Alsager College in England, helping win the British Colleges National Championship in 1982. He was also honored as a Great Britain Colleges International Player for three years. Bennett played professional soccer for seven years in the U.S., including three seasons with the Milwaukee Wave of the NPSL (1985-87).

Bennett is married to the former Julie Harper of Yorkshire, England. The couple has three children — Eston, Yve and Louis — and resides in Shorewood.

STAN ANDERSON

Associate Head Coach
4th Season at Marquette University

Stan Anderson is in his fourth season as Associate Head Coach with the Marquette men's soccer program.

He is focused on coaching the Marquette goalkeepers, recruiting and community relations. Many in the soccer world know of Anderson's success with goalkeepers, but his community relations

efforts are unparalleled. Highlighting his highly successful efforts in his first year at Marquette was the Soccer Mom Camp, a unique five-week long clinic that promoted soccer among adult women and raised \$5,000 for a breast cancer awareness group.

Anderson joined the staff after the hiring of Louis Bennett as head coach in December 2005. Anderson and Bennett spent 10 years together at the University of Wisconsin-Milwaukee, where the Panthers compiled a 136-63-17 record and five straight NCAA Tournament berths, including four consecutive appearances in the second round of the tournament.

"Working with someone for so long, you learn to recognize their strengths and weaknesses. The reason that we work so successfully in the past and want to continue to do so in the future is Stan does a lot of things well that I don't do well," Bennett said. "It's like working with two head coaches. His knowledge of college sports, and especially college soccer, is superb. He specializes in on-campus recruiting, knowing the right places to go and the right people to see. And he's probably one of the top goalkeeper coaches in the country."

At UWM, Anderson was responsible for the coaching of the Panthers' goalkeepers. Under his guidance, UWM led the Horizon League in goals against average for each of the last five seasons, posting 40 shutouts in that time. In 2005, Anderson coached UWM keeper Grant Fernstrum to a 0.466 goals against average, the best mark in the nation.

Anderson has also received several personal accolades. He has been named to the nation's top assistant coach list by College Soccer News three straight seasons.

Anderson has ties to Bennett dating back to 1989 when the two played club soccer and coached at soccer camps together. He currently owns and operates Camp Shutout, based in metro Milwaukee, one of the most attended camps in the nation.

He also is presently an Olympic Development Program staff head coach for the '91 Wisconsin state team.

From 1993-95, Anderson served as the boys assistant varsity coach at Fremd High School in Palatine, Ill., and helped lead the team to the state championship game in 1993. Prior to coaching at Fremd, he was an assistant coach for one season at Nicolet High School in Glendale, Wis. Anderson rewrote the record books at Wis.-Parkside, where he was named an All-American and selected to play in the Senior Bowl. His 14 shutouts in 1989 ranks second at the NCAA Division II level, and his 61 percent shutout percentage that season ranks sixth all-time.

In 1990, Anderson graduated from Wis.-Parkside with a marketing degree and then played one season of professional soccer with the Dayton Dynamo.

Born and raised in Palatine, Ill., he attended Palatine High School, where he was a member of the soccer team. He was inducted into the Palatine High School Hall of Fame in 2007.

Anderson resides in Racine, Wis., with his wife, Mary, and their sons, Anthony and Michael.

STRENGTH & CONDITIONING

NATE HEYRMAN

Strength and Conditioning 2nd Season at Marquette

The goal for the strength and conditioning program of the Marquette soccer team is injury prevention, strengthening of muscles, joints and connective tissue and becoming a tougher soccer player.

This is done through a year-round comprehensive, total body strength and conditioning program. This systematic program aggressively challenges the athlete from every angle and helps them overcome adverse situations both physically and mentally.

The Golden Eagles conduct their strength training under the direction of head strength and conditioning coach Todd Smith and assistant strength and conditioning coach Alex Evans at the Al McGuire Center weight room. The facility is a 3,000-square foot workout room that features 30 stations with Paramount and Trotter free-weight equipment and Tetrax stationary bicycles and climbers.
