#### **IMPORTANT NOTES:**

- The Application Guides found at <a href="http://grants.nih.gov/grants/funding/424/index.htm">http://grants.nih.gov/grants/funding/424/index.htm</a> and the announcement text for the target Funding Opportunity Announcement (FOA) remain the official documents for defining application requirements. This resource is meant to compliment, not replace, those documents.
- Don't forget to periodically check the Related Notices section of the FOA for any updates to instructions or policies since the opportunity was posted. At a minimum, check this section when you download the application and again a week or two before the due date.
- NIH electronic application packages include a subset of the forms included in this resource. The forms included for a specific FOA are dependent on the activity code used for that FOA.
- The red outlined boxes are fields required by Grants.gov for all federal agencies. The Application Guide and this resource describe NIH form field requirements above what is marked on the federal-wide forms.
- The blue boxes throughout this resource represent processing notes and eRA system business rule checks (i.e., validations).
- The eRA system checks submitted applications against many of the business rules defined in the Application Guide. Not all system validations are contained in this resource. For a complete list of eRA eSubmission Validations see: <a href="http://grants.nih.gov/grants/ElectronicReceipt/files/eSub-validations-redirect.pdf">http://grants.nih.gov/grants/ElectronicReceipt/files/eSub-validations-redirect.pdf</a>.
- All application attachments must be in PDF format. PDF Guidelines can be found at: http://grants.nih.gov/grants/ElectronicReceipt/pdf guidelines.htm.

### TRAINING SUBAWARD BUDGET ATTACHMENT(S) FORM

#### Instructions:

On this form, you will attach the PHS 398 Training Budget forms for all subawards in your grant application.

The means to obtain a training subaward budget attachment is provided here on this form, using the button below. In order to extract, fill, and attach each additional training subaward budget form, simply follow these steps:

- · Select the button labeled "Select to Extract a Training Subaward Budget Attachment", which appears below.
- Save the file using a descriptive name, that will help you remember the content of the supplemental form that you are creating.
  When assigning a name to the file, please remember to give it the extension ".pdf" (for example,
  "Training\_Subaward\_Budget\_MyOrganization.pdf"). If you do not name your file with the ".pdf" extension you will be unable to
  open it later, using your Adobe Acrobat Reader software.
- · Using the Open icon in Adobe Acrobat Reader, open the new form that you have just saved.
- Enter the subawardee's training budget information, in this supplemental form. It is essentially the same as the PHS 398 Training Budget form that you see in the main body of your application.
- · When you have completed entering information in the supplemental form, save it and close it.
- Return to this "PHS 398 Training Subaward Budget Attachment(s)" form.
- · Attach the saved supplemental form, that you just filled in, to one of the "Attach Training Subaward" blocks provided below.

#### Select to Extract a Training Subaward Budget Attachment

Important: Please attach Training Subaward Budget forms, using the blocks below. Please remember that the files you attach must be PHS 398 Training Budget PDF forms, which were previously extracted using the process outlined above. Attaching any other type of file may result in the inability to submit your application to Grants.gov.
