for Your Success[™]

WELCOME TO OUR 2017 – 2018 CATALOG!

Gro'n Sell is privileged to be just a small part of an amazing industry bringing beauty, innovation and creative ideas to help homeowners and gardeners create a bit of heaven wherever they are. Located in Chalfont, PA, our facility houses a large variety of plug and liner trays, annuals, perennials, herbs, vegetables and specialty. Our attention to detail is what sets us apart. We provide first class starter plants with service, variety and value you can trust, time and time again.

Also setting us apart, our team is implementing innovative technology and growing techniques, from PICAS software to IPM and BENEFICIAL INSECTS. By drastically reducing the use of pesticides/insecticides and growing and operating our business in more sustainable ways, our atmosphere is better for our products, our customers, our employees and our world. Filling special orders, pinching, applying growth regulators and fertilizers, along with our integrated pest management program brings us to the highest standard of quality.

In July 2017, we are rolling out our NEW web site with easy-to-navigate icons and tools to equip you with both technical advice and links, along with steps to help you order and grow successfully. Check it out to be informed, supported, educated and even entertained.

We grow finished pots for over 35 breeding companies for Cultivate, one of the foremost horticultural shows in North America. This has given us a sneak peek at what is new and given us time to work through culture and growing protocols, bringing the best to you our customer. As our valued grower customers we want you to be successful and so we continue to offer our 5 Elements for Success™ to take you there. For many of you, we are a one-stop shop for all your young plant needs and we greatly appreciate your business.

Multi-Ables™: Our NEW size 50 cell tray is a big part of what's new here! Take the guesswork out of designing your hanging baskets, combo planters and decorative pots. Three different components in one plug offer you extra choices and variety when it comes to filling up your greenhouse. Our new 50 cell tray and competitive pricing will make it even easier and more profitable for you! We have new and exciting combos from such world class breeders such as Danziger (Mixis), Westhoff (Combinations), Kientzler (TrioMio), Sakata (SunPatens and SuperCal mixes), and Selecta (Trixi).

Pot-Ables™: Specialty plants, unique product lines, larger liner sizes for bigger pots and containers... and your profits. Expand your market and your seasons of sales with the breakthrough Sunfinity Sunflower, Anemone Pandora Double & Single flowers, larger pot Patio and Garvinea Gerberas, large liner SunPatens, Cannas, Wave Petunias, and Specialty Begonias including Non-Stop, Mocca, On-Top, Shine Bright, RiseUp, l'Conia, Evi, and Solenia among others. Just a few ideas from hundreds of choices!

Big Burly®: The choice of growers for over 30 years, Big Burly® supplies you with predictable quality and quick finishing perennials while representing world class perennial breeding such as Terra Nova, Walters Gardens, Darwin Perennials, Dummer Orange, Intrinsic Perennial Garden, Plant Haven, Must Have Perennials, Syngenta Flowers, and many others. You can choose from the 72 tray or the larger 32 plug. If you are looking for a hardy, overwintered plant for early spring production, our vernalized liners are for you. If you need to add some color and variety to your late summer / fall selections, the custom grown summer perennials are your best choice. Either way, our plants offer predictable performance that you can trust to do well anytime of the year.

Bloomin Plugs®: Five sizes to choose from, because one size doesn't always fit all! The choice is yours: from the smallest - 384's, to 288's, 216's, 128's, and the largest - 51 Strips, we have a product to fit every budget and production schedule. Our young plants are grown with special care under HID lighting, with generous schedules, pinches where appropriate, PGRs, and nutritional recipes designed for each crop. This saves you valuable time and money...the extra pennies in liner costs saves you dollars because of shorter crop time on your bench.

Ed-Ables®: Irresistible Herbs and Vegetables. A comprehensive list of herbs, fruits and vegetables, carefully grown and creatively tagged. We hand select varieties from world-renowned breeders including ABZ, Vegetalis, Sakata, Takii and others. Let us help you harvest your share of the market. Tried and true, seed and vegetatively propagated, some old and some new, your only job is to choose! Herbs and vegetables are available in 51 strips and come with colorful, uniquely illustrated tags. You can also try out our popular Herb Combos.

Gro'n Sell is always looking for ways to bring the solutions you need for your growing challenges but more importantly...your success. It's what we do best.

Growing Together,

The Gro'n Sell Team

Using Our Catalog

Find Plant Material Easily and Quickly

Search By “Element”

We have 5 different color-coded sections divided by program category/plug size. Within each category, plants are listed along with the necessary information of hardiness, description, age, price and lead time.

- **Mult-Ables™** - Multiliners
- **Pot-Ables™** - Specialty Plants
- **Big Burly®** - Perennials
- **Bloomin Plugs®** - Annuals
- **Ed-Ables®** - Herbs & Vegetables

Symbol Guide

Each plant name is accompanied by a series of symbols. At the bottom of the first page of every section is a symbol guide explaining their meaning.

Planning Calendar

This is located at the inside back cover of the catalog for your convenience.

- Combine with Pansies, Dianthus, Bellis, Ranunculus and other cool weather favorites
- **Culture:** Ideal soil should be peat mixed with perlite for good drainage. After transplanting establish at 60-68°F for 7 - 14 days before finishing cold. Crops can be grown cool/cold: 33-45°F night and approximately 45-55°F day temperatures. Keep plants on dry side in early stages to create new roots. Use a balanced calcium based nitrate every 10 - 14 days after new roots emerge to promote plant growth.
- Short days bulk plant and long days promote flowers
- **Finish Time:** Approximately 10 - 20 weeks after transplant pending growing temperatures
- **Pandora Single Series:** Blue, Fuchsia, Red, White
- **Pandora Double Series:** Blue, Fuchsia, Red, White

Big Burly®

PERENNIALS

Big Burly® 32 cells per flat

Our biggest perennial, for fast turns of full, high quality, blooming perennials. Big Burly perennials are ready to sell in just 3 - 8 weeks. Vernalized plants, shipped from early January on, are ready to burst into growth with earlier, more reliable flowering. Plants may be dormant when shipped; the stage of dormancy depends on ship date and variety.

- **Size:** 2.22 in. taper x 4 in. deep cells 32 cells per flat
- **Uses:** Grow in 1 or 2 gallon containers. Our tapered cells speed transplanting – no cumbersome bare roots to fit into pots
- **Availability:** 1/01/18 thru 4/20/18 except where noted
- **Early Shipping:** Please contact your broker for availability
- **Minimum Order:** 1 flat (32 plants) per variety, 6 flats per ship date
- **Tags:** Large size picture tags are included for each cell. Tags will be shipped to you directly from MasterTag and may arrive 1-2 weeks prior to your plants. They will be billed at \$0.12 per tag (\$3.84 per flat). **Tag freight is included in tag price.**

Junior 72 72 cells sold as 70

A slightly smaller cell size means more perennials per box!

- **Size:** 1.56 in. x 3 in. deep cell
- **Uses:** Grow in pints, quarts and gallons, or use multiple plants in even larger containers
- **Minimum Order:** 1 flat (72 plants) per variety, 6 flats per ship date
- **Tags:** Large size picture tags are included for each plant. Tags will be shipped to you directly from MasterTag and may arrive 1-2 weeks prior to your plants. They will be billed at \$0.12 per tag (\$8.40 per flat). **Tag freight is included in tag price.**

June - December: Same great root systems for summer and fall sales. Or plant for the next spring season and save. Lead times for summer production are from 8 - 16 weeks so plan ahead! **Please note for Summer 2017 orders, 72 prices shaded in green require 30 weeks lead time.**

- **Availability:** 6/5/17 thru 12/22/17
- **January - June:** Plants with strong root systems produce a new flush of growth and finish for early spring sales
- **Availability:** 1/1/18 thru 4/20/18 except where noted

Baby 125 128 cells sold as 125

All the advantages of our larger perennials – seed and vegetative varieties – in an ample 1-1/8 in plug!

- **Size:** 1-1/8 in. across x 2 in. deep cell
- **Uses:** Grow in 4", pints, quarts and gallons, or use multiple plants in even larger containers
- **Minimum Order:** 1 flat per variety, 3 flats per ship date. Please order in multiples of 3 trays
- **Tags:** Tags are not available through Gro 'n Sell

June - December: Same great root systems in 128 deep cells for summer and fall sales. Or plant for the next spring season and save. Lead times for summer production are from 7 - 14 weeks so plan ahead!

- **Availability:** 6/5/17 thru 12/22/17

All royalties are listed separately; please note royalties in red have changed or are new since last year.

Why do we FloriGlory?

With 5x the flower power and mega sized blooms compared to the old industry standards, FloriGlory is revolutionizing this summer staple category.

These cuphea are some of the most durable, heat tolerant plants you can pick for landscapes and container combinations.

as compared to past varieties

Not your Traditional **SUNFLOWER**

Introducing Sunfinity™ the next generation of sunflower that offers nonstop blooming and more flowers all season long.

Sunfinity is an interspecific-bred *Helianthus* providing incredible consumer value over traditional sunflowers.

Superior branching producing multiple flowers per plant.

Vigorous plants that will grow to garden heights of 36"-48" and width of 24"-36".

Extend the spring and summer retail sales season with a premium innovative offer ideal for landscapes and large patio pots.

Totem 🍷	70 dth, Determinate, perfect for container growing, dwarf- growing from 10-12" tall, produces lots of flavorful, small red tomatoes, dark green quilted leaves are attractive and fruit is abundant making this a great variety for indoor gardening, needs no staking	6	0.365	0.110
Tumbling Tiger Red Stripe 🍷 🌱	55 dth, Unique compact trailing variety with red and green striped fruit, great for planting in mixed baskets and containers, the unusual striped fruits are well protected by the foliage, which is helpful in preventing scorch in very high light levels	6	0.365	0.110
Tumbling Tom Series: Red, Yellow 🍷	70 dth, Determinate, weeping habit, perfect for hanging baskets, windowboxes, and tall containers, plant will dangle about 2' over the sides, fruits are small, bright red 1 to 2"	6	0.355	0.110
VIOLA	EDIBLE VIOLA			
Tasteful Viola	Mild, sweet, peppery taste, medium size flowers; use as garnish on cakes, vegetarian and meat dishes, cheese plates GENERIC TAG	6	0.455	0.060

Notes

Conditions of Sale

Questions? Please call us at **215.822.1276**

Prices

Are effective 6/5/17 and are subject to change without notice. All prices are in US dollars and are not subject to discount unless noted. Prices are FOB Chalfont, PA.

To Order

Book early to insure on-time delivery. Lead times are shown to assist you with ordering your Mult-Ables™, Pot-Ables™, Bloomin Plugs®, and Ed-Ables®. Contact one of our **participating distributors** listed on page 1. Or call us at **215.822.1276**, FAX us at 215.997.1770, or email us at: email@gro-n-sell.com

Lead Time - Please Order Early

Allow 5 to 26 weeks from order to delivery of plugs, depending on variety (see "Lead Time in Weeks" listed in the catalog). This allows time for order processing and growing. Orders subject to availability. If we can be of assistance in helping you schedule your order, please contact us.

Substitutions

All orders are subject to availability of seed or cuttings. Occasionally we will substitute with a comparable variety. If this is **NOT** acceptable to you, please specify when placing your order.

Online Availability & Ordering

Up to the minute online availability and online ordering with ePICAS at www.gro-n-sell.com

With ePICAS, you can view live availability on our website and place immediate or future ship date orders at anytime of the day or night. ePICAS also offers an Excel download option, the ability to look up orders, order status, and tracking numbers.

Minimum Order

384 (5/8") and 288 (3/4") Plugs – 4 flats per ship date. 4 flats per box. Please order in multiples of 4 flats.

Exceptions: 288 Cosmos and Marigolds which pack 3 flats per box.

216 (1"), 128 (1-1/8") and Baby 128 Plugs – 3 flats per ship date. 3 flats per box. Please order in multiples of 3 flats.

72 (Specialty Begonias, Gerbera, Petunias and Vegetative) Plugs – 2 flats per box. **TrixiLiner™ and Mult-Ables™** – 3 flats per box.

51 Strip (Annuals, Herbs and Vegetables) – 1 strip per variety, 6 strips per box. Please order in multiples of 6 strips.

50 Tray (SunPatiens® and Specialty Begonias) – 2 flats per ship date, 2 flats per box. Please order in multiples of 2 flats.

Big Burly® and Junior 72 Perennials – 1 flat per variety, 6 flats per ship date.

Canna – 1 flat per box, 2 trays per ship date.

We will combine sizes to fill boxes wherever possible.

Special Orders

If you are looking for a variety or size not listed, please ask for a quotation.

To consider filling **seed** special orders we will require: **1.** a minimum of 4 flats of 5/8" and 3/4" or 9 flats of 1" and 1-1/8" per variety per shipment and **2.** additional time to secure seed.

To consider filling **vegetative and tissue culture** special orders we will require: **1.** a minimum of 10 flats of 72 or 18 strips of 51's, per variety, per shipment and **2.** additional time to secure cuttings.

Boxing Charge

Bloomin Plugs® – There is a \$8.00 per insulated box charge.

Master Carton - \$105. per insulated carton. Master Carton can hold 32, 48, or 64 flats depending on the plug size.

Big Burly® and **Junior 72** – There is a \$2.00 per tray charge. For pallet shipping, please order a minimum of 30 flats.

Orders shipped to Arizona, California, Oregon, and Washington **will be charged \$25.00** per order for inspection fee and phytosanitary certificate **when applicable**.

Shipping

FOB Chalfont, PA. All orders are shipped **FedEx** or **UPS** or **grower truck** where available. Indicate your preference. We will ship the best way, weather permitting. All shipping costs are added to invoice, passing our volume discount on to you. If your receiving address is different from your mailing address, provide **your correct street address and phone number**.

Shipping Claims

Any risk associated with the shipment of live plants is the customer's responsibility. We accept no liability for damage or delays after delivery to the carrier, but we will assist you to secure necessary adjustments if the following steps are taken:

1. **Do Not Refuse** the shipment.
2. **Inspect** the shipment in the carrier's presence. Note all damages on the shipping papers, and have the carrier's agent sign the papers.
3. **Take a photograph** of the damages. You can email the photo(s) to: email@gro-n-sell.com.
4. **Save** cartons, packing material and product.
5. **Notify** your broker **and** our office within 48 hours. For consideration of claims for shortages or material quality, requests **must be made within 5 days after delivery**. **WE ACCEPT NO RETURNS.**

Pick-Up

Pick-ups can be arranged from Wednesday through Friday. Please call ahead so we may have your order ready.

Hours

Monday to Friday, 8:00 a.m. – 4:30 p.m.; Saturdays by appointment. We are closed on Sunday.

PATENTED PLANTS

Royalties on all PP, PPAF and COPF material are included in prices, with the exception of Perennials and Herbs. Perennial and Herb royalties are listed separately; they will be billed as a separate line item. Propagation is illegal on any patented or PPAF plant varieties.

Limited Warranty

We warrant, to the extent of the purchase price, that plants are as described on the flat or the invoice, within recognized tolerances. We give no other or further warranty, express or implied, and all other or further warranties, including any warranties of merchantability or fitness for a particular purpose are excluded. We shall not be responsible for loss of any product, profit or any other indirect special or consequential damages.

Cancellations

Cancellations on all orders must be made at least two weeks prior to seeding and three weeks prior to sticking of cuttings. After seeding or sticking of cuttings, customer/distributor must assume 100% of the price. Refusal of the shipment does not constitute a release from purchase.

*For God so loved the world, that He gave His only begotten Son, that
whoever believes in Him should not perish, but have eternal life. John 3:16*
