iCOBRA

Lightning On-The-Go USB 3.0 Flash Drive :
Quickly extend your iPhone or iPad's memory!

- Immediately free up space on your iPhone or iPad and instantly increase the storage capacity up to 32GB or 64GB
- Easily transfer and share all your files (mp3, photos, videos, films...) between your iPhone, iPad & Mac or PC
- Take photos and videos directly onto your iCobra drive
- Stream movies or music directly from iCobra to your iPad or iPhone
- Easily share your files by email, MMS or your favorite social networks
- Instantly backup your files to the cloud (Dropbox, Google Drive ...)

iCobra Strengths:

- Compatible with all protective cases
- Ultra fast dual-connector USB 3.0 and lightning
- "User-friendly" EMTEC Connect APP
- Clever design that uses a flexible soft cable that allows you to attach the iCobra to your key ring and other everyday bag or purse
