# We Build Strength Stability & Self-Reliance

People in our community and all over the world partner with Habitat for Humanity to build or improve a place they can call home. With your help, Habitat Homeowners achieve the strength, stability, and self-reliance they need to build a better life.

Thanks to your generous support this year, together we've broken ground on a new era of Habitat for Humanity. We've increased partnerships region-wide to provide more homeownership opportunities, ramped up our anti-displacement strategies, and guaranteed our neighborhoods remain affordable for generations to come. None of this would be possible without you. Thank you for your commitment to creating a city where everyone has a stable place to call home.

In partnership,

A handwritten signature in black ink that reads "Steve Messinetti".

Steve Messinetti  
*President and CEO*

Every hour you volunteer, every dollar you donate, every time you lend a hand, you're not only directly impacting the lives of those families who realize ownership of a Habitat home, you are also bettering our community in ways that benefit all Portlanders. Together, through this partnership, we're currently building more than 50 homes in three different neighborhoods throughout North and Northeast Portland. And this is just the beginning. In order to reach the bold goals we envision, we need your support. Your contributions enable a generation of children to continue in the same schools because their parents have secured ownership of safe and stable homes. Simply stated, the work of Habitat transforms individual lives, builds community, and sets in motion a lasting impact across our city.

In partnership,

A handwritten signature in black ink that reads "Julie E. Frantz".

Julie Frantz

## Minh

Every time Minh steps foot on the build site to complete her sweat equity hours, she smiles knowing that all of the time she's invested will not only build a solid foundation for her own family, but for all of her neighbors as well. That strong sense of shared responsibility is something she's instilled in her daughters who regularly volunteer at temple in addition to their after-school activities.

"It's been exciting," Minh said. "I can't wait to see all the houses complete."

## Brittany

In 2019, Habitat launched a new program—The Playhouse Experience—inviting corporate teams of volunteers to assemble and decorate children's playhouses, which are then donated to families through partner nonprofits. Funds raised through the program supports the construction of Habitat homes. Brittany and her kids came to us from our partner nonprofit, The Dougy Center for Grieving Children and Families.

"We really appreciate all the effort that went into the playhouse. The kids have been in it non-stop!" said Brittany. "Thank you for doing this for us! The kids LOVE it!"

## Anthony

Having to decide between affordable rent and his family's safety was a choice Anthony could not make. So he partnered with Habitat for Humanity to build and purchase a home with an affordable mortgage in a neighborhood where he and many of his neighbors have generational ties to the community. For Anthony, a native Portlander, owning a home in North Portland means he can return to his roots.

"It feels great to know that I can purchase a home and provide a safe environment for my kids," Anthony says.

## Jon

As a seasoned carpenter and retired veteran, Jon was well-versed in maintaining his house by himself. But with a deteriorating chimney and roof in much need of replacement, he knew he needed a helping hand to repair his home, so he reached out to Habitat for Humanity for assistance in home repairs.

"It's a dramatic difference," he said. "Now, I don't have to worry about the roof leaking or my insurance being canceled and I couldn't afford to move. It's a huge relief."

# Permanent Affordability

Habitat is committed to a Portland Metro region that is affordable to families and individuals living on low incomes—not just today, but for generations to come. The new permanent affordability model will allow Habitat homeowners to continue building equity in their homes, while ensuring that the homes are affordable to the next buyers. This guarantees affordable neighborhoods far into the future. The 15 homes we completed at Cully Place in NE Portland are our first permanently affordable homes.

# Community Impact

## Education

**92%**

of children who grow up in a Habitat for Humanity home in Oregon graduate from high school, exceeding Oregon's high school graduation rate by 13%.

## Racial Equity

**93%**

of Habitat for Humanity homebuyers this year are people of color, helping to address inequalities in homeownership rates.

## Accessibility

**25%**

of Habitat homeowners need an accessible home for their family members with a disability. All Habitat homes are built to be visitable by a person in a wheelchair.

Cully Place 15 new, permanently affordable homes

# Golden Hammer Volunteers

Thank you to the many volunteers who supported Habitat at our build sites, ReStores, or in the office. The following individuals each volunteered **over 100 hours** between July 1, 2018 and June 30, 2019.

# Women Build CREW

Women Build creates space for women and girls to learn, build, and lead. The CREW stands for “Connecting Resources to Empower Women” and is helping to fuel Women Build’s work in Portland.

# Ambassador Council

Habitat Ambassadors are leaders in our community helping Habitat to engage likeminded friends and colleagues to explore strategic partnerships, raise funds, and advocate for issues vital to Habitat’s work. They represent a wide array of professions, sectors, and career paths and are passionate about making Portland a better city for all.
