Wine of the Month...

Termes: Tinta De Toro 2017

This wine features a clean and brilliant cherry red color with ruby reflections. An intense aroma is reminiscent of black fruits, spice notes and scrub, bringing expression. As you sip, it makes a lively entrance, with medium structure and good balance. Memories of little black fruits, sweet spices such as cinnamon, a fresh touch of thyme and eucalyptus as well as a toffee and cacao background bring complexity.

Enjoy it today!

Golf Etiquette and Pace of Play

Submitted by Ed McDonald, Secretary of the HDMGA

The MGA wanted to share this with ALL MGA and LGA members, as we think all can benefit from it. Please accept this advice in the spirit it is intended.

We need to pick up our pace of play. There is no excuse for not completing 18 holes of golf, with carts, in four hours or less. Because we are playing in a group setting, slow play affects everyone, whether it is the group(s) directly behind us or the group(s) waiting in the clubhouse.

Don't be a spectator - Get out of your cart and go to your ball or take the cart to your ball, while your cart partner is playing his/her shot. While there are times when this is not possible, due to the line of play, the majority of time this will be possible.

Move out of the way - After you hit a shot or are leaving a green, get in the cart **with** the clubs you just used. Put them back in the bag the next time the cart stops.

Scorekeepers - Record scores from the just completed hole at the next tee.

When on the green - Line up your putt while others are preparing to putt. Be ready to immediately stroke your putt when it's your turn.

Play ready golf - If you are ready to play, and by doing so you are not going to interfere with another player - then **GO!**

Frost & Fog Delay Tee Time Policy

On mornings when starting times are delayed due to frost, the following policy will be implemented:

In the event of a delay all tee times will be moved back an amount of time equal to the duration of the delay. Play will commence when it is determined by the maintenance staff that the course is prepared for play after a frost delay. It is imperative that rescheduled groups be at the tee and ready to play when called.

HDLGA News... 18 Holers

Submitted by Janet Kreizman, HDLGA Vice President

LGA Survey Results are in!

The focus of this month's column is the HDLGA 2022 Survey results. But, first, I want to call your attention to a very important MGA article in this issue about pace of play. Please read it and keep the key points in mind while playing our beautiful courses. Slow play can take the fun out of golf.

Survey Results

Thanks to the 112 LGA members who completed the LGA recent satisfaction survey. Here's a brief summary of key takeaways from the responses.

- The majority of LGA members are satisfied or very satisfied with the LGA. It's hard to please everyone, but we are encouraged by this and will aim for 100% satisfaction.
- Only half of our members regularly play in LGA tournaments. Primary reasons for not playing: start times are too early and many don't like to play competitively. Those who like and those who don't like scrambles were equally divided.
- Ladies' Days have not been particularly popular, so we asked what would make you more likely to play--most common responses: later start time, more players at my skill level, more ABCD format events, flighted play.
- As for recommended improvements for the LGA, the responses ran the gamut... no scrambles; more scrambles; engage 9-holers; vary formats; have more play "just for fun" days.

The survey provided valuable info for the LGA Board, and we are working to address concerns that came to light. Not all our members have the same needs, so offering variety is one way to address those differences.

Remember: The main function of the LGA is to provide the best golf experience for its 220 members, but we can't do it without you. If you don't usually play in tournaments, give one a try. Tournaments are flighted, so all levels can compete. Participate in Ladies' Days—even just one/month; they're a great way to make new friends and golf buddies.

Staying "cool" on the course has not been our issue lately. It's great to sport our new sweaters and vests before we retire them until next season.

Remember it is all about having fun in any weather – and any handicap! We all love the support we receive from fellow niners, as well as those times when we get to give support to others. We can do this!

We will see you Wednesday mornings for golf and lunch. Send all comments and corrections via email at Marylcahill@gmail.com.

Golf News

News from the Golf Shop..

March kicks-off the Hammock Dunes Club tournament season. We want to encourage everyone to learn to use Golf Genius scoring while playing in tournaments in order to be able to display live scoring on our TV screens. If you are playing in a tournament, we only need one player in each foursome to keep the score for the group. Please try to download the Golf Genius App on your phone so you will be prepared to be a scorekeeper. If you feel like you still need help in understanding Golf Genius or downloading the App, please do not hesitate to ask one of the professional staff. We are glad to help.

It's time to sign up for your Club Championship. Challenge your game to see if you are the best player in the Club or the best player in your handicap range. How will we ever know unless you sign up?

The 2022 Club Championship schedule is:

Men's Club Championship

(Match Play) March 3-5

Women's Club Championship

(Medal Stroke Play) March 9-10

Men's Senior Club Championship

(Medal Stroke Play) March 25-26

Also, please note that the Ladies Member-Member is March 16 - 18. Spots are limited due to the round robin format.

On March 24 at Links driving range Debbie, along with the Maui Jim representative, will be hosting a "Maui Jim Trunk Show" from 10:00 a.m. until 3:00 p.m. This is your chance to see the entire line and try them out in the daylight.

We hope to see you at the Club soon. Please don't forget that we are here to help you with your game. In March, stop by on Wednesday afternoons at 3:00 p.m. on the Links practice range to put your swing to the test on our Club's Trackman 4 radar system. It can tell you more about your golf shots that you ever imagined!

Audubon Corner...

Feeding birds is great when their food supply is scarce. Late fall, winter and early spring are times that they may need help. When nature gives them all that they need, food should not be given as it affects them in a negative way, especially the young as their native food is not yet available.

The knowledge of the species that live in your area and type of food to feed is important. Some need help and other do not. For example, Gray Jays as opposed to Owls. Three questions must be applied to any bird feeding:

1. Is the species at risk? It is now illegal to feed some, such as Florida Scrub Jays unless you have a permit.
2. Is the appropriate food being provided? Berry plant species native to each part of the country can be looked up in Audubon's native plant database. Cabbage Palm Berries are abundant in the Hammock. One of the least healthy foods is bread, as it has little nutritional value. It may cause a condition called "Angle Wing." Opt instead for cracked corn or oats. Keep your feeder clean.
3. Is feeding this bird likely to change its behavior in harmful ways? Collisions with vehicles are a leading cause of death for owls. The simple rule is, don't feed close to roadways.

What's in a Name....

Our Victory Garden has been renamed the Carver Community Garden (CCG) and is enjoying its 2nd successful year. Adjacent to the Carver Gym, we felt it appropriate to honor the first man of African descent to be recognized as a Scientist.

We love it when a plan comes together! It has taken a village to build a garden.

Book Club

We all have some perceptions of Coco Chanel and her little black dress, pearls and perfume, but the QUEEN OF PARIS: A NOVEL OF COCO CHANEL introduces us to Coco, the complicated woman of daring and intrigue.

Fiction based on facts, some only recently uncovered in wartime files, Book Club's March book is set in World War II, predominantly in Nazi-occupied Paris where Coco resides in the Hotel Ritz along with the Reich's High Command. To what lengths will she go to protect her personal secrets and to wrestle full control of her company and the Chanel No. 5 formula? Award-winning author Pamela Binnings Ewen writes an engrossing historical novel.

Plan to join Book Club's discussion on Wednesday, March 16 at 4pm in the Links Lounge/Library. Julie Duffy will be the discussion leader. If you have any questions, contact Kelly Marshall, Claudia Pierce, or Carol Swinburn.

Cards Ladies???

If you want a fun time playing cards, Canasta is for you. For now we are playing Hand and Foot Canasta, and may add American and Partners play in the future if there is interest.

We play on Wednesday and Saturday, 10:30 a.m. to 3 p.m. with a lunch break at 12:30 p.m. We meet at the Club and start promptly at 10:30 a.m. so come 15 minutes early to chat and help set up tables.

Can't play all day? There are always Ladies who want to play half days. So don't let that keep you from joining in.

If you don't know how to play, no worries, we have some great Ladies who would be happy to teach you. We play for fun and comradery, lots of laughter.

If you are interested in joining the Canasta Ladies, contact Nina Ellison 386-793-7579, Sherry Morganstein 561-239-1666, or Ann Newsome 609-751-4967

Be A Care Bear...

The Care Bears are in need of volunteers who can spare an hour or two during only one month of the year to reach out to ailing or grieving Hammock Dunes residents. This would require a phone call by the Lead Care Bear of the month to the affected family to determine if greeting cards and/or phone calls would be welcome and if the family needs anything else. The Lead Care Bear would be assisted by one or two other volunteers. If you think you would be willing to help, please notify Diane Bogart 407-579-5846; dianebogart9@gmail.com or Barbara Darcy 386-449-9689; bdarcy6@gmail.com.

The Lead Care Bear for March is Barbara Fleissner, who will be assisted by Helen Faust.
