

Flood Light Cam

The Evolution of Outdoor Security

Protect your home with the world's only motion-activated security camera with built-in floodlights, a siren alarm and two-way audio, so you can see, hear and speak to anyone on your property from anywhere.

- Crystal-clear HD video
- Two ultra-bright LED floodlights
- 110-decibel siren alarm

Watch Over Your Entire Property

With object and facial detection, Floodlight Cam has the most advanced motion sensors in home security. Its 270° field-of-view will let you detect motion around corners and monitor all your blind spots.

- Dual sensors with object and facial detection
- Ultra wide-angle motion sensors
- Customizable motion zones and scheduling

Simple Setup With Advanced Controls

Floodlight Cam easily replaces existing wired floodlights and connects to standard junction boxes. With the app, you can flash the lights, sound the alarm and zoom-in to focus on your most important areas.

- Motion-activated camera and floodlights
- App-controlled camera, lights and siren
- Smart zoom with panning

Home Security at Your Fingertips

Floodlight Cam sends instant alerts to your smartphone, tablet or PC whenever it detects motion. And from the free Ring app, you can protect your property and monitor your home from anywhere.

- Instant motion-activated alerts
- Live View streaming video and audio
- iOS, Android, Mac and Windows 10 compatible
