Couched in traditions of exemplary breeding practices, the Oregon Hereford Association (OHA) promotes the Hereford breed to grow its foundational place in the cattle industry.

This biennial directory represents the listings of many of the premier breeders of Hereford cattle in the United States. Our association provides a gathering point for Northwest breeders, and a place where all Hereford cattlemen can, and do, come together in a commitment to further the breed.

Being a member of OHA means that the individual not only respects the tenets of sound breeding practices, but also honors our ranchers, families and our youth. The Oregon Junior Hereford Association provides a place for young cattlemen and cattlemen to mature in personal growth and leadership through such activities as showmanship, as well as to learn the principles of ranch management and herdsmanship. Our OHA families are the core of our association and it is a privilege to be a part of this group.

Melding the traditions of our past with the advances made through time, OHA is always looking for ways we can better serve our members. Soon we will launch a new web site offering features and resources that will more closely tie our members together. Supporting the American Hereford Association efforts to enhance Hereford centric markets in our region is another advancing agenda of OHA. And, we'll continue to innovate and grow our association in ways that are led by members' needs and interests.

Thank you to all the advertisers who contributed to making this directory possible. I encourage all our members to support those who support us. We are proud of what we do and are proud of our relationships with those advertising on these pages.

Being a part of OHA is a demonstration of commitment to this great and historic breed. We look forward to our tomorrows in league with all those who share our vision, and a partnering of shared energy aimed at making OHA and the Hereford breed the very best it can be.

In True Regards,

Eric R. Davenport

The Oregon Hereford Association (OHA) and Oregon Junior Hereford Association (OJHA) would like to thank the Oregon Hereford Women (Oregon Pollettes) for more than 55 years of service and dedication!

The women involved in the organization put in countless hours fundraising and supporting the Hereford Breeders and youth of Oregon. Many of us can attest to the fact that a Hereford function was not complete without visiting the red and white tablecloth to indulge in coffee, hot chocolate, and donuts provided by the Oregon Hereford Women. Most Hereford youth can look back at their trophy shelves and admire the county awards or steer banners they earned from the Oregon Hereford Women. Others remember the financial support and guidance while serving as the Oregon Hereford Queen. We will definitely miss the hospitality and support shown by the Oregon Hereford Women. The OHA hopes to continue most of these programs and live up to the example set by these great women.

Thank you again!

**Membership dues are \$45 annually, payable to
Oregon Hereford Association at the treasurer's address above.**

Your membership in OHA will automatically put your name on the list for all correspondence concerning meetings, tours, shows and other Oregon Hereford activities. You will also be included in the OHA Directory. Some of our regular activities include a summer field day/tour and the annual meeting/show at the Oregon State Fair in late summer. We have an active junior association for those 7 through 21 years of age. Membership in OHA helps all of us collectively promote the Hereford breed.

Chandler Herefords

Celebrating 130 years of
Hereford cattle

We are the real deal when it comes to raising consistent quality Hereford cattle. All traits are considered. We use industry leading sires and our forage based program allows only the most efficient cattle to remain in production. If you want more money when it is time to go to the bank then we have the cattle for you. We sell 400 Herefords annually.

Intermountain Stallion Services, LLC

Let us help you maximize the breeding potential of your bulls or stallions. A bank of frozen semen is the cheapest form of breeding insurance that you can buy!

Convenient custom semen collection—
in stud or on farm service.

High quality semen processing and freezing.

Worry free semen storage and prompt
delivery of semen to you or your customers.

Secure and sheltered sire housing and
collection facilities.

Certified semen services approved lab and
facility providing semen eligible for domestic
and foreign markets.

Centrally located and well established
in the Intermountain West
for over 30 years —
We are big enough to serve you
and still small enough to
give your animal individual attention.
