PROUDLY CELEBRATING OUR 25TH YEAR

About Us

Sam and Rima Khamesra came to Canada from India as new immigrants in 1986. New to the country, they embarked on a 6 month road trip from the east to west coast visiting all the major cities of Canada. Along the way, they carried with them exquisite jewellery and handicrafts from India making pit stops to local retailers to generate an initial client base. The response was overwhelming and both of them quickly realized that there was a lack of wholesale silver jewellers available to the Canadian market. Soon after, Toronto became their new "home" and in 1988 opened up their office in Canada's Jewellery Hub, 55 Queen Street East.

Over the last 25 years, many things have changed, and now House of Jewellery is pleased to offer the following to their customers:

- I) **Brand-new renovated showroom** - that enables customers to properly see all of our 3000 plus products easily and conveniently
- II) **Updated website** - (www.houseofjewellery.com) that accurately lists product #s, product sizes and product options while providing accurate real-time pricing for all items online and efficient way to back order.
- III) **Marketing Materials** - Along with this catalogue we prepare different marketing materials throughout the year that can be emailed or mailed to you so you can clearly present customers with varying option while in store.
- IV) **Connected through Social Media** -   
We are now connected with our clients more than ever with Facebook, Linked In and Pinterest accounts! House of Jewellery is here to provide high definition images of our products that you sell so you can actively keep atop of your digital marketing needs and let your customers know what is new and exciting.
- V) **Packaged Solution-Branding Done Right** - House of Jewellery can label each item purchased with your store's SKU number, pricing information and any other details requested by you.

Today, 25 years later, their home office still resides at 55 Queen and they have grown their business to a family of over 1000 independent retailers and chain stores nationwide. House of Jewellery is now a second generation family business that prides itself in being based on the simple family values of trust, dedication and hard work. We view each and every customer as a family member who is treated with respect, and given superior customer service.

Whether through online, phone, fax, in-store visits or trade show purchases, House of Jewellery sincerely wants to thank each and every one of our customers for their gracious support during the last 25 years. We look forward to serving you in the very near future and are pleased to present you with the *2013 Source of Silver Catalogue*. This 108 page colour catalogue provides you with a full breadth of products that we currently carry and have in stock. However, be sure to check our website for the latest in *New Arrivals* and up to date product information. Looking forward to celebrating another 25 years in the Canadian Jewellery Market!

Sincerely,

Rima and Rishabh Khamesra
