

HP Bright White Inkjet Paper

Enjoy the ColorPRO difference at its best on this FSC®-certified bond paper. See more striking colors, crisper text and graphics, and higher-contrast black for professional quality and striking results at production speed.

See the ColorPRO difference—at its brightest

See the bright, clear difference. See precise lines with sharp, fine detail. See high-impact graphics with an extended range of colors. HP Bright White Inkjet Paper with ColorPRO Technology delivers professional quality, striking results.

Print with ease—with the environment in mind

Keep a brisk pace. HP printing materials are designed together with HP inks and the printer to provide consistent, quality performance. Meet the environmental objectives of your company—and your clients—with this recyclable, FSC®-certified paper.

Increase productivity, lower printing costs

Optimize your everyday printing with the reliable, trouble-free performance of cost-effective HP Bright White Inkjet Paper. Many choices, including metric sizes, cut steps from the workflow for higher productivity and lower costs of printing.

Target customers

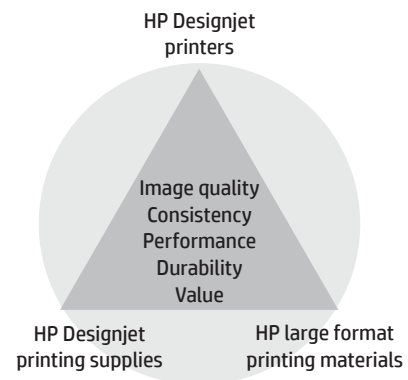

- High-production engineering environments in CAD, AEC, GIS segments
- Print service providers

Applications

- Posters and presentations
- POP and retail displays
- CAD, AEC, GIS applications

The HP Designjet printing system—the complete solution

HP Designjet printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to ensure reliable, consistent results with every print.

Benefits

- More striking colors
- Crisper text and graphics
- Higher contrast black
- Visibly enhanced print quality at production speed
- FSC®-certified paper
- Recyclable through commonly available recycling programs
