सनरायर्स हैदराबाद आणि कोलकाता नाइट रायडर्स यांच्यात, गुरुवारी आयपीएल टी-२० क्रिकेट स्पर्धातील लढत होईल. लीगमधील आठवां राखण्यासाठी प्रतिस्पर्धा संध्याकाळी विजयाची नितांत गरज आहे.

आघाडीच्या फलंदाजांच्या कामगिरीतील सातत्याचा अभाव ही हैदराबादाची प्रमुख डोकेदुडी आहे. मयंक अग्रवाल आणि राहुल निपाटी वाळत्या अन्य फलंदाजांनी निराशाच केली आहे. दरम्यान, उमरान मलिक धावा रोखत नसल्याने, तसेच विकेटही घेत नसल्यामुळे त्यांची

गोलंदाजीही कमकुवत झाली आहे. कोलकात्यालाही फलंदाजांचे आयशा सलत आहे. खेळाच्या निव्वळी यावृत्तीत यशस्वी झाल्याच्या कर्णधार नितिश राखनेला सांगितले आहे. मात्र, राणाच्या खेळातील सातत्य नाही. परदेशी खेळाडूंच्या संधातील स्थानांतर मर्यादा आहेत. त्यातच जेसन रॉय आणि इहमनुल्ला मुश्याक यांना एकाच वेळी खेळण्यासाठी संघरचना अगुन कोलकात्यास गवसलेली नाही.

to CAPFs, NDRF personnel: MHA

New Delhi: The Union home ministry on Wednesday said millets-based dishes will be served in the meals of the Central Armed Police Forces (CAPFs) and National Disaster Response Force (NDRF). The decision to introduce 30% millets in the meals has been taken as per the directive of Union home minister Amit Shah after detailed discussion with all the forces, an official statement said.

Under the leadership of PM Narendra Modi, in the International Year of Millets-2023, the ministry of home affairs has taken a momentous decision to introduce millets in the meals of personnel of CAPFs and NDRF, it said.

Recognising the importance of millets and creating a domestic and global demand along with providing nutritious food to people, the United Nations declared 2023 the International Year of Millets.

Millets are good for health and also beneficial for farmers and environment friendly. The millets are energy dense, drought resistant, with lower water requirements and can be grown with ease in arid soils, hilly terrain and is less susceptible to pests.

Some of the important benefits of millets are good source of proteins, gluten-free; low in Glycemic Index (GI); and rich in dietary fibre, micronutrients including calcium, iron, phosphorus etc, and phytochemicals, thus boosting the nutritional profile of a soldier's diet.

The Home Ministry had asked all the forces to take action for introduction of millets-based menu. The forces have shown an overwhelming response and are eager to introduce millets in meals on regular basis.

Col Musavi said the bodies of the two terrorists have been recovered along with two AK series rifles, six AK-47 magazines, 159 AK-47 rounds, two hand grenades, tables and cigarettes with Pakistani markings, and Pakistani currency amounting to Rs 600.

Raids against gangster K Sangwan in Delhi-NCR, 6

New Delhi: The Delhi Police on Wednesday arrested six people and detained 20 during raids at multiple locations in the Delhi-National Capital Region in search of associates of gangster Kapil Sangwan alias Nandu, officials said.

The action comes days after six people, including two juveniles, were apprehended in connection with the killing of Delhi BJP Kisan Morcha leader Surendra Madala in Dwarka's Bindapur. One of the two shooters, arrested from Chandigarh, was associated with the Kapil Sangwan gang.

Deputy Commissioner of Police (Dwarka) M Harsh Vaidhan said 21 teams comprising 300 police personnel conducted simultaneous searches at 15 locations in Delhi and six in Haryana.

Twenty people have been

detained and six arrested for various offences under the Arms Act and the Narcotic Drugs and Psychotropic Substances Act based on the recovery during the raids and searches, he said.

The officer said the raids targeted Kapil Sangwan's gang and his associates. Some time ago, a case of murder was registered in Bindapur police station in connection with the killing of a man named Surender.

Eight people were arrested in the case. Wednesday's raids were also connected to this case as Sangwan is alleged to be involved in the killing, he said.

Inputs suggest Sangwan, who has been declared a "proclaimed offender", is currently hiding abroad, the officer added. The arrested during the raids were identified as

'Trials of hydrogen likely this financial year'

Indian Railway Board chairman Anil Kumar Lahoti on Wednesday said work was underway on the project to develop the country's first hydrogen train and efforts were being made to start its trial in the current financial year itself.

Running trains on hydrogen would be a huge "technological breakthrough" in the country, Lahoti told reporters in Indore. "The Northern Railway has already awarded the contract to develop the hydrogen train and work is underway on it," he said.

Hydrogen train is a new technology at the international level and such a train is being developed for the first time in the country.
