

A smart home for comfortable living

Smart living

Imagine: you press one button and your living room lights adjust to the right dim level. The sun sets and the garden lights up. At 11pm the alarm sensors are activated. Everything fully automated. The possibilities are endless.

Control with your smartphone

You can connect to HomeWizard with your smartphone or tablet, anytime and anywhere. Safe and secure! The HomeWizard connect kit is the central hub for all your smarthome devices.

Besides the HomeWizard we are proud to announce the new 'Smarthome Controller' and our 'Smart Solutions'. Great products to make your home a smart home!

Smarthome Controller

SMARTHOME SYSTEMS

AFFORDABLE

The Smarthome Controller is one of the most affordable, expandable Smarthome systems at this moment!

EXPANDABLE

Control up to 99 devices through one controller! Also works with other brands like Elro, Somfy, Philips Hue and others.

FREE APP!

Set timers with the free iOS / Android app and experience the comfort!

Smarthome Controller

NEW!

-  Electronics
-  Lighting
-  Curtains
-  Heating
-  Radio/TV
-  Solar panels

Smart Solutions

Our new series of Smart Solutions are designed to solve everyday problems in- and outside the house. The sets are created to make every situation safe and easy to use.

Installation is easy so no need to rebuild your house. You can do it yourself and enjoy the comfort!

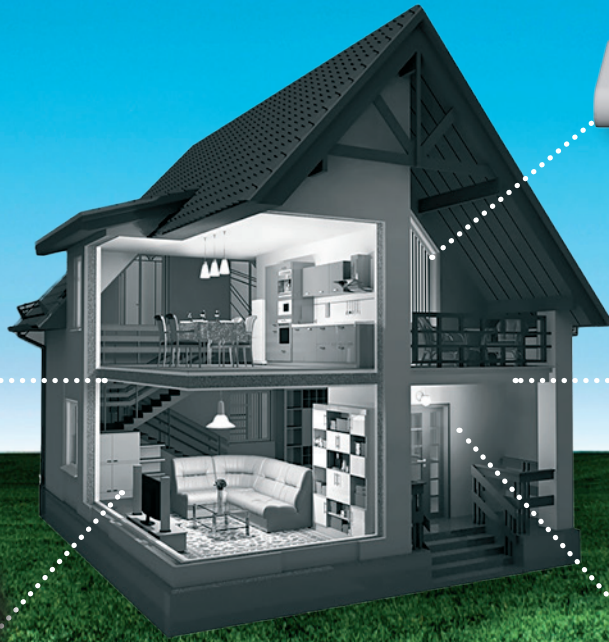

-  Solve everyday problems in- and outside the house
-  Complete solutions; All you need to get the job done
-  Easy installation without rebuilding or breaking

Whether at home, work, or abroad you can watch IP cameras in real-time via the HomeWizard app.

Switch other devices and lights on and off wirelessly with a plug adaptor or built-in unit.

Place the HomeWizard centrally in your home. It communicates wirelessly with peripherals and a smartphone or tablet.

Measure the temperature inside and outside your home. You can connect up to 5 different sensors.

A push-notification is sent when your wireless smoke detector alarm goes off.

S

CAMERAS

Cameras in and around homes, sites, shops and gardens provide a safe feeling. Smartwares offers a comprehensive range of indoor and outdoor IP cameras, wired and wireless CCTV and dummy cameras. All Smartwares cameras have a built-in image sensor and IR cut filter for clear and sharp images. Our cameras come with their own app, which not only provide a quick installation (no PC needed), but also make it possible to live view, playback and receive push notifications. More and more of our cameras are also compatible with HomeWizard, the multi-protocol home automation system.

S

ALARM SYSTEMS

An alarm system never sleeps. It warns in case of burglary or fire, thus preventing theft, damage and vandalism. Moreover, it increases the chance of arresting unwanted visitors. So it's not surprising that more and more people opt for the safety and protection of an alarm system. Smartwares offers customized systems that can be expanded with various accessories such as motion detectors, smoke or water detectors, flashlights, cell phone dialer and wall cabinets.

DOOR ENTRY

With over 100 years of experience in the door entry market we bring you a comprehensive range of door chimes and door intercoms with the best quality and price. Everything from research and development, to our friendly after sales service make us the best company to deal with for door entry products. From a traditional country house to a modern new build, we have something for every home. Wirefree technology in door chime manufacturing has been around for a while, and we have always taken strides to be at the forefront of this technology, to get the best products for a demanding market. We were the first to manufacture a wirefree rechargeable door chime, the first to have a wirefree Bell in One, the first to have a vibrating door chime and will be the first to do more innovative products in the future.

Your partner for reliable **fire security** products with **trade-** and **quality marks**

S

FIRE SAFETY

Smartwares offers a broad range of detectors (smoke, gas, CO₂, water, heat), extinguishers, blankets and ladders. We have a proven track-record and excellent knowledge of testing processes and the acquisition of trade- and quality marks for European countries. Smartwares is market leader in Germany in fire safety products.

Elro promo smoke alarm

- Including battery
- Detection type: Smoke
- Sensor type: Photoelectric
- Replaceable battery: YES
- Battery lifetime: 1/5/10 years

RMAG4

MOUNTING

universal magnetic mounting

- 1 minute mounting, without screws
- 3M tape
- hold up to 2,1KG
- Vibration test passed
- shocktest passed
- soundtest passed
- tested: RM144F, RM149, RM218

RMAG4FR

MOUNTING

universal magnetic mounting

- 1 minute mounting, without screws
- 3M tape
- hold up to 2,1KG
- Vibration test passed
- shocktest passed
- soundtest passed
- tested: RM144F, RM149, RM218

RM370

CO

LCD display

- 5YR HQ sensor
- Detection type: Carbon monoxide
- Sensor type: Figaro
- Replaceable battery: Yes
- Battery lifetime: 1 year

RM336

CO

Hq 7yr Figaro sensor

- Smartwares Design
- Detection type: Carbon monoxide
- Sensor type: Figaro
- Replaceable battery: Yes
- Battery lifetime: 1/5 years

RM380

CO

Hq 7yr Figaro sensor

- BSI kitemark
- Detection type: Carbon monoxide
- Sensor type: Figaro
- Replaceable battery: Yes
- Battery lifetime: 1/5 years
- BSI: YES

RM385

CO

Hq 7yr Figaro sensor

- BSI kitemark
- Detection type: Carbon monoxide
- Sensor type: Figaro
- Replaceable battery: Yes
- Battery lifetime: 1/5 years
- BSI: YES

RM337

GAS

Multisensor gas + co

- No battery needed
- Detection type: Carbon monoxide
- Sensor type: Multi-sensor

RM400

GAS

Back up Battery

- Sensor for multiple gas types
- Detection type: Gas & carbon monoxide
- Sensor type: Multi-sensor
- Replaceable battery: Back-up

RM127K

HEAT

Heat detector

- Including battery
- Detection type: Heat
- Sensor type: thermal
- Replaceable battery: Yes
- Battery lifetime: 3 year

WM53

WATER

3 Points water detection

- Early flood detection
- Detection type: Water
- Sensor type: Water
- Replaceable battery: Yes
- Battery lifetime: 1 year

3002-004

CAVIUS

Smallest heat alarm

- 10YR build-in battery
- Detection type: Heat
- Sensor type: thermal
- Replaceable battery: No
- Battery lifetime: 10 year
- Multiple versions per country

2002-023

CAVIUS

Smallest smoke alarm

- 10YR build-in battery
- Detection type: Smoke
- Sensor type: Photoelectric
- Replaceable battery: No
- Battery lifetime: 10 year
- Multiple versions per country

2001-028

CAVIUS

Smallest smoke alarm

- unique design
- Detection type: Smoke
- Sensor type: Photoelectric
- Replaceable battery: Yes
- Battery lifetime: 5 year

RMAG5

MOUNTING

universal magnetic mounting

- 1 minute mounting, without screws

RMAG5FR

MOUNTING

universal magnetic mounting

- 1 minute mounting, without screws

BBD130

FIRE BLANKET

Fire blanket

- 1.1m x 1.1m

FS600

EXTINGUISHER

600ml spray extinguisher

- Easy use
- for oil/fat fire
- Country specific typenumbers

SB2

EXTINGUISHER

2 liter foam extinguisher

- little to no damage to surroundings
- 5A, 34B
- Country specific typenumbers

SB6

EXTINGUISHER

6 liter foam extinguisher

- little to no damage to surroundings
- 13A, 144B
- Country specific typenumbers

BB1

EXTINGUISHER

1 liter powder extinguisher

- also for gas (type C) fires
- 5A, 34B, C
- Country specific typenumbers

BB2

EXTINGUISHER

2 liter powder extinguisher

- also for gas (type C) fires
- 13A, 70B, C
- Country specific typenumbers

BB6

EXTINGUISHER

6 liter powder extinguisher

- also for gas (type C) fires
- 27A, 144B, C
- Country specific typenumbers

BBVL

ESCAPE LADDER
4,5meter escape ladder
