

*In Memoriam*

*One of the most significant customs in the Jewish tradition is the observance of the Yahrzeit, the anniversary of the date of death of our loved ones. The Yizkor or “remembrance” service is recited on Yom Kippur. It is Jewish custom to attend Yizkor services if we have lost a parent, spouse, child, sibling, or other loved ones.*

*Along with many beautiful prayers of remembrance, the Kaddish prayer is recited. This prayer has no reference to death or dying, but is essentially in praise of God and to pray for the speedy establishment of God’s kingdom on earth.*

*Attending Yizkor is a way in which our tradition helps us keep the memory of those significant people in our lives who have left us. We dedicate this section of the Book of the New Year to our loved ones of Blessed Memory.*
