RECENT EVENTS

Our Kehilla joins K'lal Yisroel in expressing our pain and grief over the recent events in Eretz Yisroel, including the Lag BeOmer tragedy at Meiron, and the rocket barrage from Gaza. In Shul, מזמור פ"ג was recited aloud after Shacharis, and מזמור ק"ל, followed by Acheinu, was said following Mincha. It is our true hope and prayer that all Tzoros will indeed cease ובזמן קריב, and that the individuals and families effected may experience Yeshuos and Nechomos.

SHOVUOS 5781

While a year ago the feasibility of celebrating Shovuos back in Shul was uncertain until days before Yom Tov (and was, under strict capacity limits, an incomplete return), the Shul's floral decorations were on a much more modest scale. This year, ב"ה, our Beis Knesses saw a full complement of Mispallelim, the return of the Choir after more than a year's absence, and was, once again, fully resplendent in flowers and greenery, as befitting Zman Mattan Toroseinu. Our many thanks go to Mr. Avram Gutmann and his assistants in these efforts (some pictured below), Messrs. David Braham, Michael Gutmann, Ary Levi, Meir Levi, Shua Levi, Yakov Levi, Yoseph Levi and Victor Sussman. Our thanks as well to Mr. Shuie Pinter for all the pre-Yom Tov preparations. A list of donors appears in this issue.

Mr. Yoseph Levi davened the first day of Shovuos, and Chazon Ezra Lasdun davened the second day. Messrs. Kenny Sommer (Shacharis) and Dovid Herbsman (Musof) led the Hashkomo (4:35 AM) Minyan on the first day; Mr. Avram Gutmann davened for the Hashkomo (6:00 AM) Minyan of the second day. Chazon Lasdun leined and read the Akdomus on the first day; it was Mr. Herbsman who did the honors

at the Hashkomo Minyan. Rabbi Dr. Johnny Hellmann leined the second day, and Mr. Michael Gutmann leined for Hashkomo. Many thanks are due Chazon Lasdun and the other Baalei Tefilla who, along with the Choir, ensured the dignity and beauty of the Tefillos.

The annual Shovuos-night learning took place in both the Beis Medrash and 90 Bennett Avenue. Rav Mantel spoke to the assembled in Moller Hall at 12:30 AM.

Rav Mantel gave the Yom Tov lecture on the first day of Shovuos, after Mincha. The Rav discussed the idea Tzibur and Yochid, corresponding, respectively, to the Guf and Nishmas HaTorah.

On the second afternoon of Yom Tov a Matnas Yad reception was held at the home of Rav and Rebbetzin Mantel, allowing a grateful Kehilla to thank the Rav for the Brochos bestowed during Matnas Yad, as well as to fulfill the dictum of Chazal, to visit one's Rav on Yom Tov.

After Mincho, a Neilas HaChag was held in Moller Hall, at which both Rav Mantel and Rabbi Noson Lowenthal spoke.

DR. RAPHAEL MOLLER ז"ל

The 41st Yahrzeit of our Kehilla's renowned Rosh HaKohol, Moreinu Dr. Raphael Moller, was on the 8th of Sivon, Isru Chag Shovuos, this year Wednesday, May 19th. Dr. Moller's decades-long tenure as the Rosh HaKohol par excellence of our Kehilla was unique, and encompassed all facets of the Kehilla's life and endeavors. As President, a Baal Tefilla of the Yomim Noroim, as well as expert medical doctor, Dr. Moller's Tzidkus and sterling character were well known beyond the confines of Washington Heights.

It is our fervent hope that the innumerable Zechuyos Dr. Moller accrued through his decades of devoted service and leadership of the Kehilla, continue to redound to his family, and the Kehilla he loved.

יהי זכרו ברוך

DR. ERICH ERLBACH ז"ל

Shabbos, the 11th of Iyar marked the sixth Yahrzeit of our unforgettable Rosh HaKohol, Dr. Erich Erlbach. A member of the Board of Trustees since 1970 until the terrible injury which ultimately cost him his life, and President of the Kehilla from 1986 to 2008, Dr. Erlbach—pictured below with Rav Gelley זצ"ל— was the exemplar of one who is Oseik BeTzorchei Tzibur BeEmuno. His work for the Kehilla was both far-ranging and foresighted, and was encompassed by extraordinary integrity, truth, devotion, and love.

Besides for chairing the Physics Department in City College, where he taught for decades, making a continual Kidush HaShem, Dr. Erlbach was also an accomplished Talmid Chochom who was a Magid shiur for Daf Yomi for many years.

May Dr. Erlbach's legacy—from the manifold projects in which he was involved, to the immeasurable Zechuyos he surely accrued—continue to bring merit to his family and for the Kehilla whose welfare was his prime concern.

SHINING SPOTLIGHTS

By Mrs. Judy Fulda

SPOTLIGHT ON: Mr. Yitzchak Dyckman—WHAT'S IT LIKE TO BE...A KAJ Caterer?

If you have ever eaten at the YRSRH Ladies Auxiliary Brunch, Sisterhood functions, some of the Melave Malkas in the neighborhood, the KAJ catered Sukkah or at many of the Kiddushim, Bris or Bar Mitzvah Seudos, or vorts in the Kehilla catered by Lechayim Caterers then you are familiar with the delicious fare created by Yitzchak Dyckman, the owner and proprietor of the business. Mr. Dyckman is often assisted by his devoted wife, Yaffi, and sometimes their children help, as well. Mr. Dyckman is also the person in charge of the kosher appetizing department at Key Food, responsible for the wide array of take-out fare available to our community. A native of Washington Heights (his mother, Mrs. Bella Dyckman lives on Fairview Avenue), the Dyckmans currently live in Kew Gardens Hills. Besides being an incredible chef and caterer, Mr. Dyckman is known for his pleasant demeanor, respect for everyone, and the honesty and fairness with which he conducts his business dealings. The Spotlight is grateful to him for taking time out of his busy schedule to answer a few questions.

KAJN: How long have you been a caterer/ how long under KAJ?

YD: I have been a caterer for 30 years, and under KAJ for about 25 years.

KAJN: What got you interested in this profession?

YD: I enjoy cooking and I had the opportunity to work in a takeout store as a teenager and never left the business.

KAJN: What is a typical day like?

YD: It's really hard to describe one day, since every day is different. Every day varies in this business. Towards the beginning of the week, some of the work entails placing orders and picking up produce and perishables for later in the week. Mid to end of week is the food preparation and deliveries. Of course, since catering jobs can take place seven days of week, the setting up and cleaning up for a job can begin as early as 6-7 AM for a Bris or such, and end at 11 PM-12 midnight for a Shabbos meal or other evening event. Additional tasks can be accepting orders, emailing customers and billing, like in many other businesses.

KAJN: How is cooking during the year different than cooking for Pesach?

YD: Initially setting up a Pesach kitchen is a huge undertaking and the ingredients that you use are somewhat limited.

KAJN: Does COVID-19 have any impact on what you do?

YD: When COVID-19 first hit most people did not make any parties or were hosting a very small number of guests if they were. Things are beginning to pick up now as more and more people are being vaccinated and cases are decreasing. During COVID, I have also catered more events in tents than ever before!

KAJN: What types of foods are popular now? How do you keep up with current trends?

YD: I am a mostly traditional kind of caterer and I prepare foods that my clients are interested in. I get ideas from looking at other events and from what I see in catering magazines.

KAJN: Do you have any interesting anecdotes you can share?

YD: I once had a customer who told me that his doctor recommended that he eat liver for health reasons and suggested that I advertise my liver as recommended by doctors!
Also, once when I was catering an Aufruf meal on a Shabbos in a Shul, the lights went out during the meal and the guests just kept on and singing and eating in the dark!

SENIOR SOCIAL CLUBS

On Sunday, April 25th/13 Iyar, the Senior Social Clubs hosted a fascinating and informative Zoom lecture. Given by Mr. Pinchas Katzenstein, and entitled “Viewing the Special Mitzvah of Bris Milah Through the Eyes of Rabbi Yitzchok Katzenstein” the lecture was enjoyed by KAJ members and friends age eight days old and above.

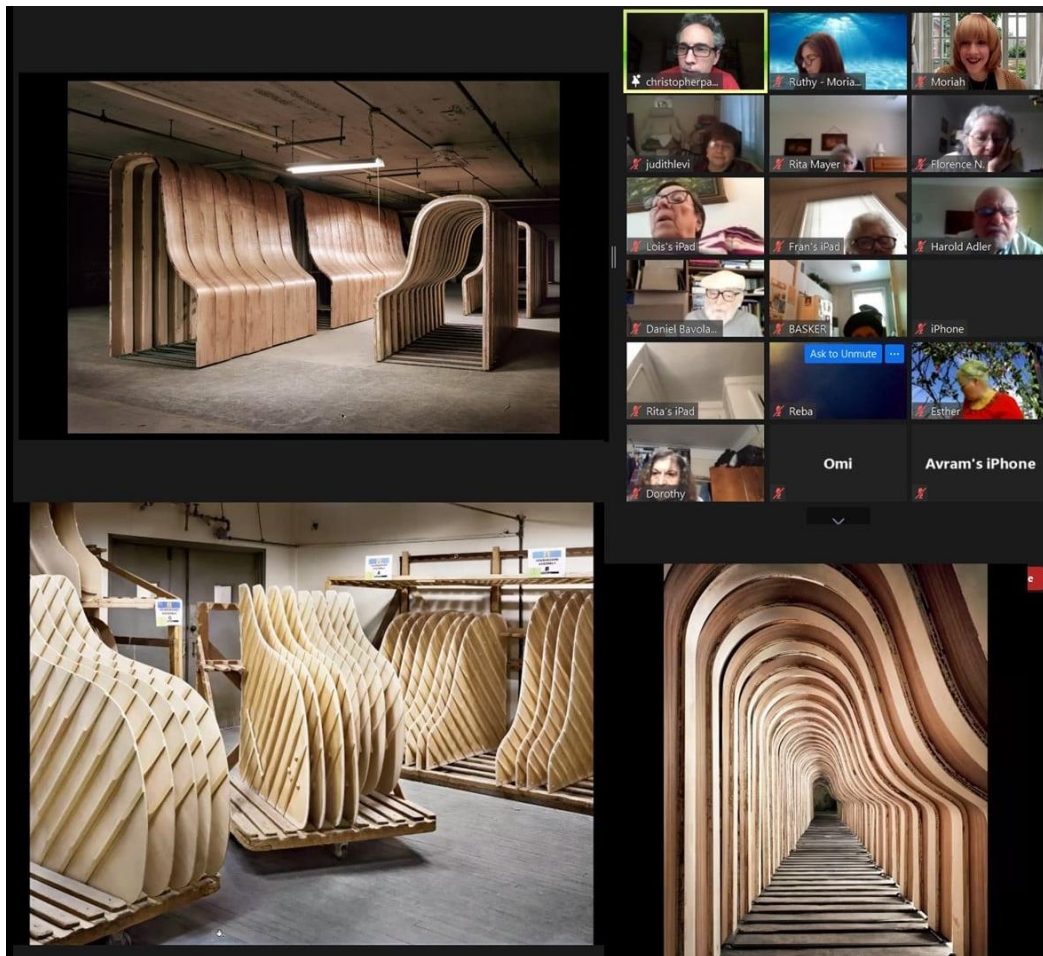

NEWS FROM MORIAH SENIOR CENTER

Moriah has been actively advocating with the City to reopen our Senior Centers for Grab and Go meals. We are happy to report that we are very close to this coming to fruition. We will keep our members updated via robocalls and emails as the situation develops. We encourage our community members 60+ to register with our Center in order to take advantage of everything we have to offer.

Moriah continues to host a variety of educational, recreational and wellness programming via Zoom. This month's offerings included lectures on the Laws of Kosher Creatures & the French Resistance, Zumba, Pilates and Tai Chi classes, a really fun craft class where we fashioned polymer clay trinket bowls, a Tuneful Tuesday program titled "Spring Fever" and a nutrition/cooking class featuring avocados and their heart health benefits. We also enjoyed an exclusive photographic tour of some hardly-seen NYC Factories, including Steinway & sons (pictured next page), The New York Times printing factory and the MTA repair yards.

Stay tuned for upcoming programs which will include a Tech Topics lecture covering the fundamental skills to use online transportation platforms, such as Uber and Expedia, an Intergenerational Program where the YRSRH Pre-IA children will interview participants about how life was different when *they* were growing up and a fascinating program titled, "USSR/Russia – Myths, Mysteries and Spying". This presentation is based on Henry M. Quinlan, Esq.'s 30-year involvement with the former Soviet Union and Russia, including living in Moscow for five years during the demise of the USSR and the rise of the new Russia.

To keep updated on these programs and more, we would like to encourage everyone to join our email list. This can be accomplished by sending an email request to moriahcenter@gmail.com. We also distribute a "Daily Dose of Inspiration" via email to those who express interest in joining this additional email list. As always, Moriah continues to be available to help with other benefits, entitlements and insurance issues. Do not hesitate to reach out to us at the email above.

If you are 60+ and currently not registered as a client with the Center, take this opportunity to join our pro We look forward to greeting everyone IN PERSON soon at Moriah! Stay healthy and well.
