FROM THE RABBINATE: SHEMITA 5782 UPDATE

New— Vegetables only:

Starting from the first day of Chanuka, all vegetables from Eretz Yisroel that were cut **after** Rosh HaShono have lost their איסור, may be purchased, and require the taking of Terumos uMaasros. However, those vegetables which were cut during the Shemita year (that is, before Rosh HaShono) remain איסור, forbidden, forever (איסור ספיהין).

Since carrots and potatoes can have a long “shelf life,” it should be noted that those which were cut before Rosh HaShono remain איסור; only those which were cut **after** Rosh HaShono are allowed, as of Chanuka. Young “winter potatoes” from Eretz Yisroel are definitely “fresh,” and were not stored from before Rosh HaShono, so they do not have any איסור related to Shevi'is; Terumos uMaasros must be taken.

Fruits from Eretz Yisroel continue to have Kedushas Shevi'is until further notice.

134th YAHRZEIT OF RAV SAMSON RAPHAEL HIRSCH

27 Teves, which this year falls on Friday, the 20th of January, marks the 134th Yahrzeit of Rav Samson Raphael Hirsch.

As is well known, Rav Hirsch did more for the preservation and revival of Torah learning and Torah living in Germany than one could reasonably have expected of one man in one lifetime. The Frankfurt Kehilla which he established under the principles of *Austritt* and strict adherence to Halocho became a model Kehilla. Through the extraordinary efforts of his grandson, Rav Joseph Breuer, this Kehilla and Yeshiva were re-established on these shores after the Nazi Churban.

The great opus of Rav Hirsch's writings continues to illuminate the Torah for us, for the children educated in our Mosdos, and for the wider Torah world, where the newly re-translated Hirsch Chumash and other works have been received with much enthusiasm.

Today, our Kehilla and Yeshiva, proud bearers of Rav Hirsch's name, continue to carry on Rav Hirsch's sacred legacy of Torah Im Derech Eretz.

CHANUKA 5783

The evening of 25 Kislev (Sunday, December 18th) saw the first candle of Chanuka 5783 lit in the large Menora of our Beis Knesses by Chazon Ezra Lasdun (pictured, Chazon Lasdun and Mr. Yoseph Levi).

As usual, members—and others—from near and not-so-near came to our Shul's Hadlokas Neiros Chanuka over the various evenings, ensuring a full measure of Pirsumei Nisso. On the Sunday nights of Chanuka, as well as Leil and Motzoei Shabbos Chanuka, it was the choir that led the Kehilla in singing Mo'oz Tzur.

Shabbos was not the only time the melody of Shenei Zeisim was heard. Shenei Zeisim, the Meora for Shabbos Chanuka, is the only Meora included in the Piyutim of Minhag Ashkenaz. Each day of Chanuka, the tunes of Mo'oz Tzur and Shenei Zeisim could be heard in Adon Olam, parts of Hallel and in the Kaddish after Kerias HaTorah. The unique melody of V'Ollu Moshi'im was, likewise, rendered daily during Shacharis.

In our Yeshiva, the students celebrated with Chagigos in the various departments (pictured).

Students, their families, as well as staff and Kehilla members, all enjoyed the Ladies Auxiliary Chanuka fun night on the Tuesday of Chanuka. A week before that, the Sisterhood enjoyed some pre-Chanuka creativity, when, on Tuesday evening, December 13th, they gathered in Moller Hall for a paper-cutting demonstration and class, led by Ms. Chava Torand. Many thanks to her, as well as to Mrs. Frumet Tova Sussman, who helped organize this event. Both Pirchei and B'nos of Washington Heights held Chanuka Chagigos as well, separate coverage later in this issue.

ANNUAL DINNER

The Kehilla and Yeshiva are very much looking forward to the upcoming 73rd Annual Dinner, to take place on Sunday, February 19th, at the Woodcliff Lake Hilton. We anticipate everyone's participation to make this annual event—the main fundraiser for our Yeshiva—an outstanding success.

Please do your part, and solicit and contribute ads as soon as possible. Ad kits will be shortly arriving in the mail. Ads may also be submitted online at www.yrsrh.org. To purchase your tickets for the car raffle, visit www.yrsrh.org

THREE SPECIAL SHIURIM

Repeating the success of recent years, the Kehilla once again featured special Shiurim on the legal holidays of Thursday, November 24th, Monday, December 26th, and Monday, January 2nd, days many members had off from their jobs. Refreshments were served; many thanks to those who sponsored the shiurim, as noted below.

As reported in the last issue of the *KAJN*, Rav Mantel gave the legal holiday special Shiur on November 24th/ Rosh Chodesh Kislev, in Moller Hall, on the topic of שנים שעשו. The Shiur was sponsored by Mr. and Mrs. Yossi and Chaya Krieger on the occasion of the Yahrzeit of her brother.

The Shiur on December 26th (the last day of Chanuka) was presented by Rabbi Nosson Lowenthal, in the Yeshiva's all-purpose room, and was sponsored by Rabbi and Mrs. Ronny Levy in memory of the 29th Yahrzeit of Kaila Bas Elyokim, Caroline Levy ע"ה, whose Yahrzeit is the 6th of Teves. The shiur concentrated on, appropriately enough, a discussion about the days on which the whole Hallel is recited.

The following week's special Shiur, on Monday, January 2/ 9 Teves, was given by Rabbi Levi Yosef Bechhofer, on the topic of (accidental) הוצאה בשבת and was Zoom-accessible for those unable to attend in person. The shiur was sponsored by Mr. and Mrs. Samson R. Bechhofer, L'Ilui Nishmas the Maggid Shiur's grandfather—Mr. Jerry Bechhofer, HeChover Gavriel ben HeChover Yosef Dov ז"ל, whose 14th Yahrzeit was the following day, Asoro BeTeves.

TZEISECHEM LESHOLOM

The Kehilla takes this opportunity to express both Hakoras HaTov and best wishes to our longtime and devoted members Rabbi and Mrs. Chaim and Grace Aschkenasy on their move to Lakewood to be closer to their children. Despite her retirement a few years ago, it remains hard to picture the Yeshiva without Morah Aschkenasy. The second grade Morah for generations of Talmidos, Morah Aschkenasy instilled in her young students a love of learning, as well as a deep respect and affection for the Torah Im Derech Eretz Mesora.

A daily chavrusa of Rav Gelley for many years, it was Rabbi Aschkenasy who took over Rav Gelley's Wednesday evening Gemara shiur when the Rav was no longer able to give it. Among his many other Tzorchei Tzibur endeavors, Rabbi Aschkenasy was a member of the Yeshiva Board and also gave a weekly shiur at the Machazikei Torah shtiebel. He also lent his professional sound engineering expertise to the Kehilla and Yeshiva on many occasions over the years.

We wish the Aschekanasys good health, Mazel, and Brocho, surrounded by their wonderful family. Although they will no longer be residing in Washington Heights, there is no question that they continue to be an integral part of our Kehilla.

NEWS FROM OUR YESHIVA

Sukkah Fair

The 5th-grade boys, learning Mishnayos Sukka with their rebbi, Rabbi Yakov Cohen, presented a Sukkah-Fair, depicting cases discussed in Mishnayos Sukka through models and posters. Each boy also explained the case he was depicting, and the basis of the halocho.

First Grade Boys Chumosh Party

Rabbi Avrohom Hoffman's first-grade class celebrated receiving their Chumoshim with their much-anticipated Chumosh Party. On January 8/ 15 Teves, the boys, as well as their delighted families, celebrated the event. Rabbi Moller, menahel, addressed the audience, as did Rabbi Hoffman.

Pictured, the boys listen to their Rabbi and proudly face the audience, in their classroom.

Bais Yaakov Middle School In-Shabbos

The middle school girls of YRSRH recently enjoyed a Shabbos in the Heights on Parashas Vayishlach, December 9th-10th. The girls were in Shul both Friday night and Shabbos day. They enjoyed all three Shabbos meals in Moller Hall. On Friday night, the girls were addressed by Rav Mantel; after the meal, the girls took part in a kumsitz and a Chidon. Shabbos lunch featured a talk by Mrs. Chaya Sima Koenigsberg, herself an alumna of Breuers junior high school. Divrei Torah were also provided at the meals by middle school talmidos Avigail Lasdun, Brocha Kalinsky, and Aliza Steinhart.

Many thanks to the families who hosted faculty and students—Mr. and Mrs. Samson and Judy Bechhofer, Rabbi and Mrs. Uri and Brocha Cohen, Mr. and Mrs. Pinchas and Malky Katzenstein, Rabbi and Mrs. Ezra and Naomi Lasdun, Mr. and Mrs. Yoseph and Sari Levi, and Rabbi and Mrs. Shimon and Rivky Margaliot. Special thanks to Mrs. Sari Levi who also made the cholent!

Pictured, the seventh grade, all ready for Shabbos.

Girls' Melave Malka

Elementary girls grades' first through fifth enjoyed a recent Melave Malka with their Moros and mothers, featuring Ms. Shandy Plotzker, who taught the first grade for several years. (Pictured below, the fifth grade.)

Moros, mothers, and girls all enjoyed an evening of camaraderie and entertainment.

BNOS AND PIRCHEI CHANUKA EVENTS

Pirchei of Washington Heights held a most enjoyable Chanuka Chagiga in Moller Hall on the fifth night of Chanuka, Thursday evening, December 22nd.

B'nos of Washington Heights enjoyed some pre-Chanuka fun, with great activities—including decorating some very unique “Sufganiot”— on Sunday evening, December 11th, also in Moller Hall.

Many thanks to Miss Rivka and Mr. Raphael Blank for organizing these events.

**SHINING SPOTLIGHTS****SPOTLIGHT ON: Alex Kaminsky****WHAT'S IT LIKE TO: Integrate into the KAJ Kehilla?**

You may have seen this gentleman in shul or around the neighborhood and wondered who this refined, intelligent, and personable young man is.

KAJN: Tell the readers a little about yourself, please.

AK: My name is Alex Kaminsky. I am originally from Marblehead, MA and have been living in New York City since I started college at Columbia in the fall of 2017. In the fall of 2021, I moved from Morningside Heights to Washington Heights to begin studying at Columbia Medical School.

KAJN: What made you choose to live in Washington Heights? Were there any other communities you considered?

AK: I moved here because the location near my school was convenient. Having friends nearby at YU also helped. There are other frum students at Columbia that live in places like the Upper West Side and Riverdale, but I have been more than happy with staying in the Heights.

KAJN: What are some of your impressions of the neighborhood? Is there anything that surprised you that you didn't expect?

AK: Before moving here, I didn't know too much about the Heights aside from YU, so there has definitely been a lot of new information to take in. Learning about the history of the Yekkish community here has been particularly interesting; even though it has shrunk significantly in the past couple of decades, I think it's incredible how strong the foundations of the Kehilla are and how committed its members are.

KAJN: You've become "a regular" in the shul and have adapted so well to the Minhogim of the Kehilla. Can you talk a bit about what it's been like for you to integrate into the Breuer's community?

AK: Adapting to the Minhogim has been easy because of how interesting they are. My favorite parts are the unique elements of davening, especially the Piyutim. They have centuries of history behind them but so many of them are said almost nowhere else in Klal Yisroel, so it feels like a special privilege to say them here.

KAJN: Are there any people who've helped you along the way, and if so, how did you happen to connect to them?

AK: The Lewins, the Fuldass, the Katzensteins, and the Gordimers introduced themselves to me early on and have hosted me many times.

KAJN: It's a pleasure having you here, Alex, and it's beautiful to be able to see the Kehilla through your eyes!

NEWS FROM MORIAH SENIOR CENTER

We were thrilled to host the NY YoYo show at the Center last month. Brian Klimkowski presented a sleek program that was part musical theater, part comedy and all YoYo! He discussed the history of this ubiquitous little toy and its technological evolution, allowing for greater and more intricate tricks. His show incorporated music, dance, and sound effects, and thoroughly wowed the group. After the formal show portion, clients were given an impromptu YoYo lesson and were all allowed to keep their YoYos for further practice at home.

Our monthly "Fresh Bites" Nutrition/Cooking/Tasting class continued this month with *Autumn's Bounty*. Participants sampled hearty and warm comfort foods like Corn Kugel, Butternut Squash Chili and fun Pumpkin Energy Bites treats. Next up this month – *Let's Frittata!*

Moriah Senior Center debuted a brand-new program this past month, titled "Law and Order," which is based on re-enactments and transcripts of actual court cases in which participants assume different roles in a courtroom trial setting. Seniors became witnesses, the district attorney, defense counsel or even the judge, arguing their points passionately and with fervor. Everyone had such a great time reading parts and learning the motives behind the tactics of those arguing the case. We hope to bring this program back as a regular monthly offering.

Mittler Senior Technology returned for an on-site presentation that taught us about Google Drive and how it can be used in our daily lives.

Moriah celebrated Chanukah in grand style, with various programs and special treats scattered throughout the eight days. On Monday, our group participated in a candle-making workshop.

Participants were able to choose their colors and scents and create personalized votives to take home. On Tuesday, our group received delicious chocolate gelt on their meal trays and in their Grab and Go bags. On Wednesday, our seniors indulged in straight-from-the-oven, warm S'mores cookies with their meals. On Friday, chef Eric Freeman continued his tradition of preparing homemade Lebkuchen for our members. On Zos Chanukah, we hosted our piece de resistance—our fabulous Chanukah Party – which featured Eric Freeman playing all manner of Chanukah favorites and a special musical performance with Eric Freeman at the keyboard, Ed Morgenstern on the trumpet, and Joe Klebanoff singing. As if this weren't enough, the day was topped off by an amazing LED lights juggling show!

Upcoming highlights at the Center include a program about Norman Rockwell and a visit to the abandoned hospital at Ellis Island. We will also be offering a live virtual tour of La Paz, Bolivia, and an Amazon Fulfillment Center.

To keep updated on these programs and all our exciting upcoming activities, we would like to encourage everyone to join our email list. This can be accomplished by sending an email request to moriahcenter@gmail.com. We also distribute a "Daily Dose of Inspiration" via email to those who express interest in joining this additional email list. As always, Moriah continues to be available to help with benefits, entitlements, renewals, insurance, and other issues. If you are 60+ and currently not registered as a client with the Center, take this opportunity to join our programming and see if we might be a good fit for you.

Shaatznez (wool and linen) is often found in garments bought even from a reliable Jewish clothing store. Therefore, it is forbidden to wear any man's, woman's or child's garment that contains wool or linen until it has been determined not to contain shaatznez.
