Highlights

Full size design

Full-size earshells not only cover your whole ear for better sound quality, but also provide space for a larger, higher performance driver.

Comfortable to wear

This headphone is designed around the shape of your ear for extra comfort and more enjoyment during longer periods of listening.

6 meter cable

Connect your headphone to your TV or audio equipment, and sit further away than is possible with a standard cable.

In-line volume control

Adjust the volume to your preferred level without having to go to the audio source unit.
