To our Valued Perennial Grower:

It is with great pleasure that we are offering an updated Perennial Catalog for the coming season. Much work has gone into this new catalog to offer you an extensive assortment of genetics bred by many of the world's renown perennial breeders. All the newest introductions for this coming season will be "marked".

Our slogan "Quality, Service and Expertise" is also reflected in this latest addition to our catalog collection. Our aim is to offer perennials with outstanding gardening, flowering, and landscape performance to meet the needs of today's retail, nursery, landscape, and cut flower segments of our industry.

As we face a new season filled with many uncertainties and many challenges, be sure that we are here to assist you. See Ball Seed contact information below. For growing and/or scheduling questions, you may also contact us at GrowerSupport@EdnieFlowerBulb.com. Simple things such as correct scheduling and combination shipments can help to combat rising fuel costs.

We are looking forward to your orders once again. Many of you are repeat customers, some for more than 50 years. Thank you for your past business. If you are a new customer Welcome!!

Please contact your Ball Seed sales representative directly or call the main office of Ball Seed with your orders or questions you may have. Remember, first come – first serve, so order soon to assure best selection.

We wish you a successful year, so we will have one as well.

Happy Growing!
