Alltouristmap.com » Puerto Vallarta Tourist Map In the state of Jalisco in Mexico is a wonderful place that inspires with its blue sky that serves as a refuge for incredible sunsets that look spectacular colors, accompanied by an imposing and magnificent sea with waters of the Pacific Ocean, providing landscapes that seem to come out of a painting, We are talking about Puerto Vallarta, a city in the middle of the mountain, the sea, the sun and the sand, with an enviable location that contrasts the immensity of the Pacific waters with its blue waters in multiple tones and in contrast the mountain with rivers and waterfalls full of perfect spaces to be explored. Saying Puerto Vallarta is synonymous with relaxation, rest and adventure, the Puerto Vallarta tourist map highlights the main places of interest that you cannot miss when you come to these wonderful lands of Mexico. Puerto Vallarta Tourist Map Puerto Vallarta is the ideal place to spend a family vacation or a weekend getaway with your loved one. There is a great variety of hotels that you can find on the Puerto Vallarta hotel map and a great number of places to visit that are within your reach on our street map so you don't miss out on this wonderful place, a place where the fun never ends where you can enjoy sculptures, stroll along the malecon or simply lie on the sand and enjoy a fantastic sunset. Don't think twice, if you want to plan the best vacation of your life, Puerto Vallarta is the place. This tourist guide will help you define the best plan so that you don't miss anything during your stay. You will be able to enjoy the historical places of this small paradise and go into its streets, enjoy its culture, its food and its people: You can also swim with dolphins and marvel at the wide diversity of flora and fauna that lives in Puerto Vallarta, from visiting the El Salado estuary, the zoo, take a tour of the Bay of Banderas, climb the Quimixto waterfall on horseback or even just walk the streets and beaches on a tour where you will find pelicans and cormorants. Among the favorite activities of travelers are water sports, a lot of options for you to enjoy, scuba diving, diving, surf guides, snorkeling. Banderas Bay is the ideal place to have fun in contact with the wonderful natural wealth that Puerto Vallarta offers. Puerto Vallarta Tourist Guide If you have decided to come to Puerto Vallarta but you still don't know what places to visit when you get to this wonderful place, don't be afraid, here you will find a complete tourist route that you can follow to turn this into your dream vacation, where you can participate in cultural activities, visit the main museums of the city, do extreme sports and get to know the main attractions that are hidden in Puerto Vallarta, besides falling in love with its wonderful beaches full of romance with a singular beauty ideal to enjoy the sunset from the balconies of the hotels or in a walk by the calm waters of the Pacific Ocean that joins the land on the wonderful shores of the beaches of Puerto Vallarta. Without a doubt, this city is the ideal place for those who are looking for a quiet place to seek the inspiration that this wonderful place of nature offers. An experience hard to forget. What to visit in Puerto Vallarta Los Muertos Pier Located in the romantic zone of Puerto Vallarta, Los Muertos Pier goes a little more than 100 meters into the calm waters of the sea, offering a perfect place to walk alone or with a partner and enjoy the spectacular sunset that this place offers. The pier also serves as a boarding and disembarking point for sea taxis heading to the southern beaches, offering an enchanting trip through the waters of the Pacific. One of the favorite destinations for visitors is Yelapa, an incredible journey that can be made for a cost of only 320 pesos, but you must keep in mind that due to the high demand you must make reservations with the Water Taxis at least 48 hours in advance, and they have life jackets and insurance for each of their passengers, the trip includes the departure to the beaches of Yelapa where you can spend the day enjoying the sun and the sea to return to the dock at the end of the afternoon. Cuale River Island The Cuale River Island is located right in the middle of downtown and the romantic zone of Puerto Vallarta and is divided between the cultural center where you can enjoy a quiet and serene environment where you can walk, exercise or visit the beautiful Gringo Gulch stairs, a staircase that gives a magnificent view of the mountains of Puerto Vallarta, while the other side of the island is connected to the extension of the new Malecon, there you will find a variety of handicraft shops, ideal for those seeking a memory of their vacation in Puerto Vallarta. Both sides have a very traditional hanging bridge that will make you relive the curiosity and innocence of the child inside you when you cross it. The Malecón The Malecón, located in the historic center of Puerto Vallarta, is a 870-meter-long promenade that begins at the traditional Hotel Rosita and extends to the Romantic Zone, passing through Los Arcos. This tourist site is without a doubt an emblematic icon of the city, not only because it is located by the sea and offers beautiful views of the bay, but also because its route concentrates a great variety of restaurants, bars, art galleries, jewelry stores, shops, sculptures and attractions that make it a favorite place for visitors and locals alike.

Marina Vallarta Located just minutes from Puerto Vallarta's International Airport, the modern and sophisticated marina offers visitors a wide variety of attractions. A world-class golf club, an exclusive hotel zone, a marina that attracts luxury yachts and boats from around the world, a boardwalk with a variety of restaurants and an incredible Lighthouse that offers a spectacular view of Puerto Vallarta. The Marina, both by day and by night, offers a luminous landscape full of glamour and elegance that you cannot miss when visiting this magnificent place. The Vallarta Botanical Garden An oasis on the outskirts of Puerto Vallarta. This garden offers its visitors the enjoyment of a wide collection of endemic plants and flowers, that is to say, native vegetation of this region, including a conservatory of orchids and vanilla. To mention just a few of the attractions, here you can also admire rose gardens, water plants, cactus, ferns, tropical fruit garden, and visit the picnic area, restaurant and shops. The Botanical Garden is located south of Puerto Vallarta. Olas Altas Beach A place where you can discover one of the most intimate places in Vallarta to share as a couple in the so-called "Romantic Zone". The location of this zone makes it a welcoming place for all its tastes, since we can find a great variety of restaurants, bars, clothing stores, spas, hotels and many other establishments that provide a first class attention to all its visitors in an effort to offer the tourist an unforgettable experience and make them feel welcome and welcome as in their own home. This beach is very close to the Cuale River and the Muelle de los Muertos, where you can enjoy a culinary feast with a variety of dishes ranging from local cuisine to exquisite delicacies with Mediterranean and Asian dyes. Las Animas Beach This wonderful beach is located south of Puerto Vallarta, in a quiet area with little waves ideal for children to enjoy without problems at the edge of the sea, is a favorite among local families in which, thanks to its clear and calm waters, you can enjoy snorkeling. You can also find several restaurants in Playa Las Animas with delicious dishes to satisfy your appetite. Conchas Chinas Beach Conchas Chinas is an area with rock formations that create small natural saltwater pools that represent a great attraction for tourists and locals, its charm lies in its location, because it is on the outskirts of the Romantic Zone of Puerto Vallarta, at the foot of the hills covered with a lush jungle that overlooks the sea, the waters here are crystal clear, so you can easily see small fish underwater. Las Gemelas Beaches This beach owes its name to the fact that it consists of two stretches of beach at the foot of the green mountains south of Puerto Vallarta, visited mainly by those tourists who want to relax in the sunshine during their vacation in Puerto Vallarta. The beach is quite wide, usually with few people on weekdays which makes it a lovely place to visit on those lonely days to get some great photos that do not appear intrusive interrupting the wonderful scene you manage to create. Las Caletas Beach If there is one place you must visit in Puerto Vallarta this is without a doubt Las Caletas beach, this small hidden bay is the place par excellence for diving, kayaking and snorkeling in Puerto Vallarta, since the crystal clear waters let you see the marine life among the rock formations near the shore. To get to this small paradise you will have to do it by boat, so we recommend you to plan your excursion to Las Caletas in advance, once you are in this beautiful tropical island you will be able to walk through the paths of the mountainous jungle. Adventure Park If you want to live an unforgettable experience you must visit the water park Aventura Park, where you can enjoy hours of fun where you can make use of incredible slides like the famous "Tooth Breaker", you can enjoy several rim attractions like the Octopus or for the more adventurous and adrenaline lovers the Happy Widow, one of the highest slides in this park, if instead you want a moment of relaxation you can spend an incredible time in the 160 mts. In this place it is also possible to enjoy the wonderful experience of interacting with the most intelligent marine mammals in the world, that's right, we are talking about the dolphins, here you can swim with them and create a bond with these wonderful creatures. Vallarta Art Walk If you want to live an unforgettable experience in contact with exhibitions of sculptures, paintings and curious local art items, then you can not miss the Vallarta Art Walk museum, located in the historic center of Puerto Vallarta. At its entrance, the palm trees remind us that we are in a tropical destination while inside a great amount of art pieces are exhibited for the enjoyment of visitors to this magical place. Without a doubt, Puerto Vallarta has a vibrant art scene, with a great amount of exhibitions of local, regional, national and even international artists, presenting not only works of Vallarta's history but also modern art. Puerto Vallarta Hotel Map If you made the decision to come to Puerto Vallarta we present you the hotel map so you can fall in love with life in this beautiful city of Jalisco. If you want to enjoy the original essence of Vallarta an excellent lodging option is the Rio Malecon hotel, located in the heart of the city, with an excellent location because of its proximity to the malecon, the beach, the pier and the infinite number of restaurants and bars that you can visit during your stay without having to travel long distances. If you are looking for a luxury place to stay then the Luxury Residences at Garza Blanca Preserve Resort & Spa is for you, a 5 star hotel located a mile from downtown, which is especially interesting for sun and sea lovers. With luxury rooms and first class common areas this hotel has a bar, swimming pool, outdoor jacuzzi, spa and an incredible ocean view that will allow you to live a dream adventure. Find local businesses and nearby restaurants, see local traffic and road conditions. Use this map type to plan a road trip and to get driving directions in Puerto Vallarta. Switch to a Google Earth view for the detailed virtual globe and 3D buildings in many major cities worldwide. Mercator map projection This map of Puerto Vallarta is provided by Google Maps, whose primary purpose is to provide local street maps rather than a planetary view of the Earth. Within the context of local street searches, angles and compass directions are very important, as well as ensuring that distances in all directions are shown at the same scale.

The Mercator projection was developed as a sea travel navigation tool. It preserves angles. If you wish to go from Puerto Vallarta to anywhere on the map, all you have to do is draw a line between the two points and measure the angle. If you head this compass direction, and keep going, you will reach your destination.
