

Identification Document ****Alert****

Mexican Consulate issues new Consular ID Card The new card implements more security features.

Date: November 26, 2014
Document Type: Mexican Matricula Consular Card
Category: List B Document (not to establish name and date of birth)

As part of the Mexican Government efforts to provide official and valid identification for their citizens; **as of October 23, 2014** some of the Mexican Consulates began issuing Matricula Consular ID cards in their new format while others will roll out deployment into the new year. The new consular ID or "Matricula Consular", incorporates several security elements such as laser printing, ghost image, biometric data and a microchip. The consular IDs with the previous design are still valid until the expiration date stated on the card.

Features of the New Mexican Matricula card:

FRONT:
