# HOW WE ARE DIFFERENT

We have a dedicated field sales force backed up by our friendly and efficient office team, together with a professional group of drivers, pickers and warehouse staff. We pride ourselves on the level of customer service and quality we are able to offer. Most of all, we have a personal touch and a genuine understanding of your business. This is how we do it:

## SERVICE

Everyone talks about “customer service”, “family values” and “going the extra mile” but these words are meaningless marketing jargon unless you can back it up with something exemplary.

Your Area Sales Manager can assist in any way that you require. From helping plan and budget menus, to troubleshooting on your behalf. They ensure that you get the right service – from day one.

Ordering is extremely easy, by calling our telesales department and placing your order with our professional telesales operators whom have first-hand knowledge of your account.

We can schedule a call with you on set days and times, so you don't have to remember to call us – we'll call you. This means no missed orders and no shortages in the kitchen.

In foodservice, it's easy to stay with the “tried and tested”; items that you know will sell well, but that can be a dull way to do business. Food is about innovation, trying new flavours and offering seasonal combinations. As a reflection of this, we carry various lines of products offering not only a variety of traditional entrées; but unusual and on-trend foods and ingredients. All of which are sourced from new and upcoming brands who we believe to be of excellent quality and “The Next Big Thing”.

Most importantly, we search out these new food-stuffs and secure them at competitive prices to pass along the savings to you. Just because it's new and exciting doesn't mean it has to be expensive.

## ONE SIZE FITS ALL?

It doesn't always work that way. Businesses are individual and their needs vary widely. From a restaurant that seats 200, to a café with just 10 tables, we understand that a certain amount of flexibility is required.

Some foodservice providers will only sell full cases of ambient and frozen products meaning you're stuck with far more than you currently require and are obliged to store the excess on your premises. In response to this, we offer split case products.

## SALES

Our telesales department is staffed by professionals familiar with your business.

After the order is placed, your items are picked in our warehouse overnight for delivery the next day. Throughout the process, the items are checked for accuracy twice before leaving our depot and again whilst being unloaded off the delivery truck. In the unlikely event of an error or damage, we will do our best to put it right as quickly as possible.

We operate a modern fleet of purpose built, multi-temperature vehicles ensuring your order reaches you in perfect condition. These are just some of the ways we're different from the competition.

## HALLETT'S THE BAKERS

Hallett's the Bakers is the leading supplier of craft baked bread and rolls in South Devon.

UN034	<b>Moët &amp; Chandon Brut NV</b> Vibrant, generous and alluring, the Moët Impérial style is distinguished by a bright fruitiness with notes of green apple and white flowers. The wine's enticing palate, redolent of white-fleshed fruits and citrus is enhanced by fine bubbles and its elegant maturity is revealed in notes of brioche and wheat. <i>France.</i>	6 x 75cl	£37.85	£227.10
UN035	<b>Bollinger Special Cuvee</b> A sophisticated and complex Pinot Noir dominated Champagne which has the distinctive toasty finish of the Bollinger House Style. Delightful pale gold in colour, the mousse is light and persistent. <i>France.</i>	6 x 75cl	£45.75	£274.50
UN037	<b>Lyme Bay Brut Reserve NV</b> Our Brut Reserve English Wine is a fruit-driven sparkling wine that displays refreshing lemon and green apple notes, with a vibrant and creamy mousse finish. Delicate mousse, pale lemon in colour. Clean, vibrant and bursting with lemon, green apples and freshly cut grass. Excellent depth of flavour with tantalising acidity and length. This wine shows balance and gives way to citrus and toast flavours. <i>England.</i>	6 x 75cl	£20.28	£121.70
UN038	<b>Lanson Black Label NV</b> Hints of spring flowers with a touch of toast and honey. This is followed by strong fruit and balancing citrus flavours. With a history dating back to 1760, Champagne Lanson is the third oldest house in Champagne and was awarded the Royal Warrant in 1860 by Queen Victoria. <i>France.</i>	6 x 75cl	£40.55	£243.30
UN039	<b>Dedicato Millesimato Bianco NV</b> Bright straw yellow with an ultra-fine persistent perlage. Strong floral notes are reminiscent of the aromatic hints of rosés. Fresh light and perfectly balanced in the mouth. <i>Italy.</i>	6 x 75cl	£7.21	£43.25
UN040	<b>Dedicato Millesimato Rosato NV</b> Intense and delicate perfumes, with pleasant fruity notes, scent of wild rosé and wild strawberries and a pleasant sensation of harmonious complexity. Dry taste, softened by a slightly sweet note and characterised by a fresh, velvet and fruity. Floral scents of wild rosé and fruity notes of cherry and wild strawberry. Full in the mouth with a long and persistent after taste. <i>Italy.</i>	6 x 75cl	£7.21	£43.25
UN041	<b>Hattingley Valley Classic Reserve NV</b> Our Classic Reserve is pale gold in colour with delicate and fine long-lasting bubbles. The beautifully complex bouquet combines aromas of green apples with creamy nougat, freshly baked brioche and delicate toasted notes from ageing in bottle. On the palate, the complexity continues with notes of soft lemon sherbet, biscuit and a subtle oak character. Refreshing and perfectly balanced, with a delightfully long finish. <i>England.</i>	6 x 75cl	£22.79	£136.75

### COFFEE

#### AURESCO FINE COFFEE

**No.9** 100% Arabica, expertly blended from Central and South American and African beans, present a caramel sweetness with a smooth body and medium acidity. Rich chocolate notes blend along with berries and tropical fruit, leaving you with a full flavoured coffee.

**No.17** A single origin Colombian bean roast that presents a caramel sweetness with a nutty undertone. A medium body with citrus like acidity results in a multipurpose coffee that works well both extracted as an espresso or as a filter or pour-over.

**No.27** Organically grown and sustainably sourced in Peru. Tasting notes include notes of Vanilla, Red Grape and Blackberry.

**No.31** Sourced from a 1,000 farmer family producer group in Peru called Sol & Caf. Organic and sustainable, with tasting notes include Dark Chocolate, Nougat and Toffee. Decaffeinated using the chemical and solvent-free Swiss Water Process, resulting in a 99.9% caffeine free coffee with all the flavour that nature intended.
