HOW WE ARE *different*

WE HAVE A DEDICATED FIELD SALES FORCE BACKED UP BY OUR FRIENDLY AND EFFICIENT OFFICE TEAM, TOGETHER WITH A PROFESSIONAL GROUP OF DRIVERS, PICKERS AND WAREHOUSE STAFF. WE PRIDE OURSELVES ON THE LEVEL OF CUSTOMER SERVICE AND QUALITY WE ARE ABLE TO OFFER. MOST IMPORTANTLY, WE OFFER A PERSONAL TOUCH AND A GENUINE UNDERSTANDING OF YOUR BUSINESS.

SERVICE

Everyone talks about “customer service”, “family values” and “going the extra mile” but these words are meaningless marketing jargon unless you can back it up with something exemplary.

Your Area Sales Manager can assist in any way that you require. From helping plan and budget menus, to troubleshooting on your behalf. They ensure that you get the right service from day one. Ordering is extremely easy, by calling our telesales department and placing your order with our professional telesales operators whom have first-hand knowledge of your account.

We also have trained chefs on staff who can answer any technical enquiries or offer insight on our new products. We can also schedule a call with you on set days and times, so you don't have to remember to call us – we'll call you. This means no missed orders and no shortages in the kitchen.

In foodservice, it's easy to stay with the “tried and tested”; items that you know will sell well, but that can be a dull way to do business.

Food is about innovation, trying new flavours and offering seasonal combinations. As a reflection of this, we carry various lines of products offering not only a variety of traditional entrées; but unusual and on-trend foods and ingredients. All of which are sourced from new and upcoming brands who we believe to be of excellent quality and “The Next Big Thing”.

Most importantly, we search out these new food-stuffs and secure them at competitive prices to pass along the savings to you. Just because it's new and exciting doesn't mean it has to be expensive.

One Size Fits All? It doesn't always work that way. Businesses are individual and their needs vary widely. From a restaurant that seats 200, to a café with just 10 tables, we understand that a certain amount of flexibility is required.

Some foodservice providers will only sell full cases of ambient and frozen products meaning you're stuck with far more than you currently require and are obliged to store the excess on your premises. In response to this, we offer split case products.

SALES

Our telesales department is staffed by professionals familiar with your business. Your telesales representative is dedicated to your specific account, which means that you will generally speak to the same person about your order and requirements.

After the order is placed, your items are picked in our warehouse overnight for delivery the next day. Throughout the process, the items are checked for accuracy twice before leaving our depot and again whilst being unloaded off the delivery truck. In the unlikely event of an error or damage, we will do our best to put it right as quickly as possible.

We operate a modern fleet of purpose built, multi-temperature vehicles ensuring your order reaches you in perfect condition. These are just some of the ways we're different from the competition.

ROLLED LAMB LEG BONED

An impressive centrepiece fit for any table and a Sunday lunch classic, our boned and rolled lamb leg makes for a versatile and easy to carve joint. Serve medium rare or slow roasted. Marinade, or barbecue for a delicious alternative on a classic cut.

new LAMB SHANKS

Generously meaty and cut from the hindquarter, lamb shanks are irresistibly tender and juicy when slow cooked or braised. The bone is left in for flavour and for a classic presentation; the meat flakes wonderfully from the bone.

JACKFRUIT

Jackfruit is a relative to figs and breadfruit and is found in the tropical areas of Southeast Asia, Brazil and Africa. A young, unripe jackfruit is neutral in flavour which means it soaks up herbs, spices and other flavourings greatly. Jackfruit has a stringy and meat like texture when cooked, making it the perfect meat replacement to be used in everything from curries to pulled pork burgers.
