Objective:

The objective of the program is to let the faculty participants know about various softwares like Mendeley, One Note, Grammarly, and SPSS for conducting research work in the field of pharmacy. The participants will be able to create accounts and use these softwares for their systematic research activities. The participants will also gain information regarding their applications in professional setting and personal organization.

About the FDP:

This FDP is organized with vision to gather the knowledge about various softwares required for conducting research in pharmacy. This FDP is about "SOFTWARES AIDING RESEARCH WORK" and was conducted from 14th – 18th October, 2019 by Joginpally BR Pharmacy College. Dr. Ch. B. Praveena Devi was asked to prepare a proposal for the same to take permission of the Principal. Mrs. G. Jemimah was the coordinator and interacted with resource person.

Outcome:

The faculty gained knowledge on introduction and applications of various softwares, such as Grammerly, One Note, Mendeley and SPSS. The faculty will be able to open account and sign up for these softwares and implement them for the assessment of their data.

Total no. of participants: 36
