

51. WATER POLLUTION

Welcome song

K: Welcome to our fun learning radio broadcast with Kiki and Mr. Suits! This program was created in collaboration with Azyzah Educational and Interactive Theatre.

S: Nice to meet you friends!

K: Our question today is from Lukáz who is 11 years old from Pelh imov in the Czech Republic.

S: Hi Kiki and Mr. Suits, could you tell us about water pollution?

K: Yes! Ready to learn about water pollution?

S: Let's go!

Theme

S: Kiki, I love scuba diving! Watching corals

K: and colorful fish. So beautiful! Let's go for a swim!

S: 3, 2, 1.

K: Wait, Mr. Suits, what does that sign say?

S: Do not feed the fish. Why? Maybe they are hungry.

K: Maybe. But fish are not human. Human food is very bad for them.

S: Eating fish food would make ME sick for sure.

K: Do not try that. . Let's go scuba diving!

S+K: 3, 2, 1. Jump off!

S: Wow, Kiki! This is amazing. Look, a jellyfish!

K: Wow! . Wait, Mr. Suits, that is not a jellyfish. It's a plastic bag!

S: Ew, gross.

K: Mr. Suits, look at the corals. Green, blue, red So pretty.

S: Woah, those are not corals. They are bits of glass. Be careful!

K: Oh, no. How did glass get here?

S: Someone did not recycle it.

K: That is not ok.

S: No. . Look, this seaweed seems fine.

K: Mr. Suits, that's a green chocolate wrapper.

S: Oh myō Kiki, the sea is full of trash. Where will fish and corals live?

K: Let's make room for them.

S: Yes! Let's clean up. . Whoa, Kiki, that was a lot of work.

K: But now I can see real fish.

S: And colorful corals.

K: High five!

S: Friends, how do you help to keep our water clean? Let us know and we can talk about it in another episode.

Story

S: Woo-hoo! It's story time.

K: Today's story is about the reason why the jellyfish has no bones. Long ago, in Ocean Kingdom under the sea, the Ocean Queen fell ill. They called a doctor.

(K)DOCTOR: Hm. She needs the liver of a live monkey.

(S)KING: There are no monkeys under the sea! . Jellyfish! You have four legs, you can walk on land. Bring me a live monkey.

(S)JELLY: Yes, king. . I have a plan.

K: The jellyfish swam to Monkey Island. She walked on the beach and saw a monkey in a tree.

(S)JELLY: Hello monkey, I am a jellyfish from the Ocean Kingdom. It is so beautiful. Would you like to see it?

(K)MONKEY: Oh, yes, yes, please!

(S)JELLY: Let's go! . Hm, monkey, do you have a liver?

(K)MONKEY: Yes, why?

(S)JELLY: Wellō The Ocean Queen is ill. Only your liver can save her.

K: The monkey had an idea.

(K)MONKEY: Oh, no. I actually forgot my liver at home. We have to go back.

K: But when they reached Monkey Island, the monkey ran up her tree.

(K)MONKEY: Haha! I'm not coming with you!

K: Back in Ocean Kingdom, the Ocean King was angry.

(S)KING: Argh! Beat all bones out of the jellyfish!

K: And ever since then the jellyfish has no bones.

THE END
