

Labtec® wireless laser mouse 1600™ for notebooks

The Labtec® wireless laser mouse 1600 for notebooks provides the features – and freedom – you want, for an outstanding value. 1600 dpi laser technology delivers precision tracking on virtually any surface.* A storable mini-receiver offers on-the-go convenience. And the low battery indicator and on/off switch ensure better power management. All this, plus guaranteed reliability.

*Laser sensor does not work on mirrors or clear glass.
