NOTES: The 2020 season was canceled following the conclusion of the Big 12 Indoor Championship, due to concerns surrounding COVID-19. Conference action for the men began in 1908 with the first outdoor meet, while indoor competition began in 1922. The men's NCAA competition began outdoors in 1921 and indoors in 1965. Women's conference indoor and outdoor competition began in 1976. Women's NCAA action began outdoors in 1982 and indoors in 1983. Prior to that, national competition was under the jurisdiction of the AIAW.
