04.14.2k21 ...First Virtual HCCW General Membership Meeting 2021 held @ 7 pm. Our HCCW 2020 - 2022 Elections were held in March of 2020. The State of Hawai'i Coronavirus-19 shut-down was ordered at the end of the same month. We were quiet for a year. Kūkaniloko remains **CLOSED** to the public. HCCW Board of Directors met on March 10, 2021 and voted to have an HCCW Virtual Meeting as our new fiscal year was to begin on April 1st. With AOHCC assist, Hawaiian Civic Clubs were given an opportunity to host virtual meetings. And we did! We opened with *Pule* by Uncle Pila followed by our Club *Mele, Pa'ahana* led by *Alaka'i Mele* Mālia Doo. This was the first meeting presided over by Pelekikena Noelani DeVincent. She introduced the Board of Directors, *Kahu, Mea Pule*, Sgt.

at Arms and *Alaka'i Mele*. There were 24 members in attendance. Off-island members were from Lanai, Vancouver, Washington and Union City, California. We used Microsoft Teams which provides the Secretary with the attendance report following the meeting. We still need to work on a few things but all in all it was a very good meeting. Good to see faces and hear voices. *Kahu* Peter Lonoae'a joined *Kupuna Mālia* for our closing *mele, Hawai'i Aloha. Maika'i kela!*

04.16.2021... kūkākūkā "The fate of the Eucalyptus trees" A few Hawaiian Civic Club of Wahiawā members met with OHA Land Specialists Lori Walker and Brutus LaBenz. We sat in the shade of the nearly 100 year old Eucalyptus trees planted in the early 1920's by then resident, George Galbraith. Tentative plans are to remove the first nine trees in June of 2021. Removal will continue until all trees are gone. Plans to replace them with one Niu - Coconut tree - for each tree that is removed is being considered. **Eucalyptus is a "moderate" invasive tree.** Once established, the trees alter local soil moisture, light availability, nitrogen mineralization rates and soil chemistry. Not good. All agreed at the close of the meeting, **...this signifies the end of one era, and the beginning of a new one. EŌ**

04.17.2k21... A Return to 3rd Saturday Kūkaniloko Community Clean-up Days. It has been a year since the last O'ahu Community Clean-up 3rd Saturday. It was nice to return to the nurturing of our *kūpunamā* and our *wahi kapu*. *Mahalo* to the six who came to help work. The C-19 Pandemic is still upon us and Kūkaniloko remains **CLOSED** to the public. Unfortunately, not only are there invasive weeds and grasses to remove but we are also challenged by *ōpala* left by careless humans. Cigarette

butts, soft drink cans, and coins are often left behind. Every so often, inappropriately, small *pohaku* of unknown origins are wrapped in ti - leaf and left hidden in places within the areas of posted "No Public Access" signs.

Auwē! Auwē, Auwē!

Updated information was shared as well as procedures to continue as a Vendor in their program. Unfortunately, Kukaniloko remains **CLOSED** to the public; and to groups over the minimum allowed through the State of Hawai'i Tier system. We were unable to host any *haumana* from HIDEOE schools because of the pandemic. Our outdoor classroom awaits. **Kukaniloko, a place of education & learning...EŌ**

04.21.2k21... Kūpuna visit Kūkaniloko today. A special visit to Kūkaniloko today by Kupuna Carmelita Dutchie Kapu Saffery of Moku o Keawe, Kupuna Yvonne Lee, and Kupuna Carmen Malunao, whose friendships span many decades. Their original group, Ke A Like Nāwahine O Kalani, started in 1996. Members included 11 women from different islands who travelled throughout Hawai'i together. Visits included historical and sacred places to honor royalty and ancestors, as well as, to learn about Hawaiian history and culture, plants, crafts, streams, and coastlines. Today, 25 years later, they came together to Kūkaniloko to spend a few hours in the shade with Kūka'awe Tom Lenchanko. Emotions

were stirred with tears of joy and feelings of honor to be at the place of the birth of our Ali'i for so many generations. Kūpuna were accompanied by friends from Wahiawā and Mililani, retired DOE teachers, Pat Arakawa and Marcia Keaulana. Joining them were retired UH administrator, Leimomi Chong Morgan and her husband Charles. A privilege to enter this sacred place and to grasp the importance of preserving Kūkaniloko forever as "a place for Ali'i" because it is "the piko of O'ahu, the center of the Hawaiian Archipelago, and the center of Oceania" and carries with it so much Hawaiian history and culture. We were all so very grateful for our visit and knowledge shared by Kūka'awe Tom Lenchanko and Ka Ho'pa'a Mo'olelo Jo-Lin Lenchanko Kalimapau. Mahalo nui. Aloha nō, Leimomi Chong Morgan
