ae! ae! ae!

Iānuali 22nd, 2k15...Vandals torch and mar our sacred pohaku piko o Kūkaniloko...

Sadly, an unscrupulous person or persons trespassed our *wahi kapu* and desecrated our *pohaku piko o Kūkaniloko*, torching and marring her face. Malice and transgression to our *pohaku* is malice and transgression to the family of this land, *kalana Kūkaniloko!* *'aha kūkaniloko koa mana mea ola kanaka maui...*

E pule kākou... Healing begins.

'aha kūkaniloko koa mana mea ola kanaka maui represents all those family members connected to and centered by Kūkaniloko... to include those members

of the Hawaiian Civic Club of Wahiawā who genealogically trace their genesis to our homeland, *ke au puni o Hawaii nei ko Hawaii pae aina*. We are guardians. For 55 years we individually and collectively have been responsible for the maintenance and care of Kūkaniloko Birthstones State Monument; and site interpretation of the 36,000 acres of *kalana Kūkaniloko*. Traditional comprehension reflects conscious preparation for the next seven generations. Every thought, word and deed has at its foundation *malama 'āina* - take care of your family, take care of the land - in anticipation of those who have yet to come! Every generation likes to think they are improving on the last. That progress is inevitable. That

"Gather every bit of your family's spiritual and emotional resources"

the future holds less suffering and misery than the past. But the truth is some things never change, especially those places made sacred by our ancients - forever! History has a way of repeating itself. It's just that most people don't live long enough to see it happen. Our *mo'olelo* - traditional comprehension - however, keeps alive the mandates of *kupuna ma* - those whom we choose to follow. Kūkaniloko echoes wisdoms of our ancients: ***Mai ma nei*** "listen, so you can see." We, the family of this land, *kalana Kūkaniloko*, consciously choose, without hesitation or doubt, "to guard the *kapu* of Kūkaniloko because we love them for all time..." for the next seven generations and thereafter, and thereafter. ***Malama o pa 'oe*** "A warning not to break the *kapu*, be careful, lest it be disastrous to you..."

1.14.2k15...The first HCCW monthly meeting of 2k15 was held at the Wahiawā Police Station Conference room. Everyone arrived a little earlier and participated in making more *ki‘eke pa‘akai pu‘upu‘u*. Preparation included *pule* after placing the *pa‘akai* in the center of the fabric pieces then ties were done with raffia with a gift tag added for the future. Two huge baskets of “break-room coffee needs” for the Wahiawā Police Department was delivered to their front desk. We appreciate the monthly use of their conference room accommodations for HCCW. Pelekikena Malia Doo brought a large pot of homemade stew, rice, Kim Chee and dessert to share with everyone. After a few minutes of *kaukau* and *kukakuka*, we got down to business. Our fiscal year ends on March 31st, 2k15. On November 10th, 2k14 the Hawaiian Civic Club of Wahiawā began its 55th year; and, 49th year Chartered by the Association of Hawaiian Civic Clubs. We look forward to another year in service to Wahiawā and her surrounding communities. *Mahalo piha kākou.*

Sequestration – a retirement; withdrawal; or removal into seclusion; *law* the act of confiscating or sequestering property...

01.22.2k15... Thursday evening, “*Ke Ea O Ka ‘Āina*” was held. This event was produced by Wai‘anae Legal Counsel, guest speaker HCCW *lala ‘ōiwi* Lopaka Iokepa Oliveira Jr. Lopaka, HCCW Public Relations Committee Chair, gave his well-executed presentation on Hawai‘i’s unique History of Independence and its relationship to the pending downsizing of Military presence at Schofield Wheeler Army Airfield and Fort Shafter military bases on O‘ahu. This was the first in a series of educational sessions sponsored by the Legal Mobilization Project in affiliation with the Hawaiian Civic Club of Wahiawā. It is our goal to bring a clearer understanding to the public about sequestration that directly affects our families and immediate communities. Two of our guests expressed interest in joining the Hawaiian Civic Club of Wahiawā. Thank you for your support. Looking forward to our next session and hopefully, with advanced notice well ahead of time, more HCCW members will take advantage of this educational process that may answer many of your own questions. *E hele mai kākou Kulanui ‘Ao Kūkaniloko...It Only Begins! eō*

Kahu Peter Lonoae'a welcomed our guests with *oli* and a traditional *lua* greeting. A blessing for each guest and sharing of *ki'eke pa'akai pu'upu'u* followed. 1.28.2k15...Downsizing US Army 6:30 Leilehua High School

More than 300 Wahiawa Community members and guests turned out for the U.S. Army Force Structure and Stationing Community Listening Sessions. Each member of the panel expressed appreciation for the introduction to our cultural traditions [at Kūkaniloko] that afternoon then proceeded to listen. Each speaker conveyed reaction to the potential reduction of Soldiers, family members, and civilian employees in Hawaii and the impact it would have on our community families, organizations and/or businesses. This session was recorded and footage will be aired on 'Ōlelo in the near future. *'Aha Kūkaniloko koa mana mea ola kanaka mauili* supports the U.S. Army Force Structure and Stationing - Military Downsizing.
