**English translation:**

- What religions are there in Turkmenistan?

- In Turkmenistan, generally Muslim...among Turkmens, usually Muslims, umm ... the religion of Islam. Besides that, there are Russians living in Turkmenistan or other nations; for instance, there is the Christian religion. However, not a lot of them [Christians] -- in general there are people who live there that are connected to Islam, because Turkmen's religion is Islam. One would hardly find a Christian Turkmen. Until now I haven't seen a Christian Turkmen person.

- For the people of other religions, are there places built for them to carry on their religious responsibilities?

- There are “churches”<sup>1</sup> for Christians and mosques for Muslims.

---

<sup>1</sup> Speaker is using Russian for the word “church.”
