

HP Color LaserJet 4700 series printer and 4730 MFP series

4700n • 4700dn • 4700dtn • 4700ph+

4730 MFP • 4730x MFP • 4730xs MFP • 4730xm MFP

Print office documents and marketing material in brilliant color with crisp detail on a range of papers, and watch productivity soar with print, copy, scan and fax¹ functions integrated into one reliable device.

Enhance productivity while conserving your budget

- **Enjoy fast speeds without sacrificing print quality.** Print color and black-and-white documents at speeds up to 31 pages per minute (ppm) with the HP Color LaserJet 4700 series printer and up to 30 ppm with the HP Color LaserJet 4730 MFP series. Save time with automatic two-sided printing at full engine speed.¹
- **Get the functionality you need at substantial cost savings.** Looking for a powerful device that benefits your workgroup and your pocketbook? The HP Color LaserJet 4730 MFP series delivers the same great printer capabilities as the HP Color LaserJet 4700 series printer, plus provides the added features your workgroups regularly use: scan, copy, send to e-mail, and analog fax.¹ The color laser MFP's 50-sheet automatic document feeder (ADF) supports two-sided copying and scanning of double-sided originals. Choose the device that best fits your business needs.
- **Take a break from reloading paper.** The HP Color LaserJet 4700 series printer offers an amazing input capacity of up to 2,600 sheets, and the HP Color LaserJet 4730 MFP series handles your busy workgroup with an input capacity of up to 1,600 sheets. Both products feature a 100-sheet multipurpose tray and 500-sheet input trays—use each tray for a different paper type to minimize interruptions.¹
- **Effortlessly deliver finished output.** With scalable finishing features your documents will look great. Add the stapler/stacker with job offset to the HP Color LaserJet 4700 series printer to staple your documents or separate print jobs. For the HP Color LaserJet 4730 MFP series, choose the 500-sheet stapler/stacker to staple up to 30 pages or the 700-sheet 3-bin mailbox to assign print, copy, and fax output to different mailboxes, or assign users to each tray.¹

Get more for your money

- **Simplify.** Your time is precious, so you're looking for an effortless all-around printing experience. This color device is radically simple to buy, install, use, and maintain. Purchase options are flexible, so you don't need to waste time on lengthy and expensive leasing options. An intuitive control panel and simple management tools improve usability, reduce training costs and increase productivity.
- **Count on best-in-class HP Jetdirect embedded networking.** Transfer information quickly and reliably. HP Web Jetadmin offers remote installation, configuration, and proactive management. The HP Embedded Web Server performs remote diagnostics, sends e-mail alerts, provides job tracking and accounting, and automates supplies ordering.
- **Experience legendary HP LaserJet reliability.** Depend on a familiar user experience and HP LaserJet quality. Enjoy added functionality in an integrated, compact design, along with the peace of mind you get from knowing you'll maximize your uptime.
- **Realize the advantages of vibrant, high-impact color.** Easily produce dazzling color documents with HP ColorSphere toner and ImageREt 3600, while managing color usage with HP Color Access Control. Automatic color calibration ensures consistent output every time you print.² It's easy to manage HP supplies with remote troubleshooting, print job tracking, proactive alerts for low print cartridges, and online ordering through HP SureSupply.³

HP printing and imaging systems help you create powerful, professional communications easily. Imaging devices, supplies, accessories, and services are designed together to work together and are invented to meet your business needs.

¹ Standard features vary according to model. For more information, see "Technical specifications" on page 5.

² Using genuine HP supplies ensures availability of all HP printing features.

³ Program features and availability may vary by country. For more information, visit www.hp.com/learn/suresupply.

HP Color LaserJet 4700 series printer

- 1 750-sheet stapler/stacker with job offset staples up to 30 sheets for instant reports or presentations
- 2 Automatic two-sided printing at full engine speed
- 3 100-sheet multipurpose tray handles heavy custom media up to 58 lb bond (220 g/m²)
- 4 Five universal 500-sheet input trays support paper up to 32 lb bond (120 g/m²)
- 5 Control panel simultaneously displays up to four lines of text and animated graphics
- 6 Front door allows convenient access to all four HP print cartridges and supplies
- 7 HP high-performance embedded hard disk
- 8 544 MB total memory quickly and easily handles complex print jobs
- 9 Hi-Speed USB 2.0 port
- 10 Host USB accessory port
- 11 Bidirectional IEEE-1284-C parallel port
- 12 HP Jetdirect Fast Ethernet embedded print server
- 13 Two open EIO slots

Series at a glance

HP Color LaserJet 4700n printer (Q7492A)

- 100-sheet multipurpose tray and 500-sheet input tray 2 for a 600-sheet capacity
- 500-sheet output bin
- 128 MB RAM
- One empty DIMM slot and two empty flash memory slots
- HP Jetdirect Fast Ethernet embedded print server
- Two open EIO slots

HP Color LaserJet 4700dn printer (Q7493A)

- HP Color LaserJet 4700n plus:
- Additional 128 MB RAM for 256 MB total memory
 - Automatic two-sided printing

HP Color LaserJet 4700dtn printer (Q7494A)

- HP Color LaserJet 4700n plus:
- Two additional 500-sheet input trays for a 1,600-sheet capacity
 - Additional 128 MB RAM for 256 MB total memory
 - Automatic two-sided printing
 - Printer stand

HP Color LaserJet 4700ph+ printer (Q7495A)

- HP Color LaserJet 4700n plus:
- Four additional 500-sheet input trays for a 2,600-sheet capacity
 - 750-sheet stapler/stacker with job offset in place of the 500-sheet output bin
 - 40 GB HP high-performance embedded hard disk
 - Additional 384 MB RAM for 512 MB total memory
 - Automatic two-sided printing
 - Printer stand

HP Color LaserJet 4730 MFP series

- 1 100-sheet multipurpose tray handles heavy custom media up to 58 lb bond (220 g/m²)
- 2 Side door allows convenient access to four, all-in-one HP print cartridges
- 3 50-sheet ADF scanner processes two-sided documents at full speed
- 4 Easy-to-use touch-screen control panel with 10-key number pad provides effortless interaction with the MFP
- 5 500-sheet stapler/stacker staples up to 30 sheets for instant reports or presentations
- 6 Automatic two-sided printing at full engine speed
- 7 Three universal 500-sheet input trays support paper up to 32 lb bond (120 g/m²)
- 8 Foreign interface harness for third-party paper-handling solutions
- 9 Host and device Hi-Speed USB 2.0 ports
- 10 Bidirectional IEEE-1284-C parallel port
- 11 HP Jetdirect Fast Ethernet embedded print server
- 12 RJ-11 fax port
- 13 One open EIO slot to add even more functionality, including Apple networking
- 14 40 GB HP high-performance embedded hard disk
- 15 320 MB total memory quickly and easily handles complex print jobs

- 500-sheet stapler/stacker in place of the 500-sheet output bin
 - HP LaserJet MFP Analog Fax Accessory 300

**HP Color LaserJet 4730xm MFP
(Q7520A)**

- HP Color LaserJet 4730 MFP plus:
- 700-sheet 3-bin mailbox in place of the 500-sheet output bin
 - HP LaserJet MFP Analog Fax Accessory 300

Save money and increase productivity with the best-in-class color laser solution that's right for your workgroup's demanding needs.

New HP ColorSphere toner

With HP ColorSphere toner and the HP Color LaserJet 4700 series printer and the HP Color LaserJet 4730 MFP series, your prints will shine with uniform gloss and a dynamic range of color. The new toner features gloss levels that are significantly improved over previous HP color toners when printing on glossy paper. Improved melting and fusing technologies work in sync with the toner to enable superior toner release and flow. The result is brilliant, intense colors and excellent photo quality output for your business documents.

HP ColorSphere toner is also designed to enable faster printing time. The toner particles are chemically grown around an optimally sized wax core, producing particle sizes that are designed to work with HP's fusing technology for faster printing without sacrificing quality.

HP Smart Printing supplies advantage⁴

HP papers and HP LaserJet print cartridges with HP ColorSphere toner are designed to work together with HP printing devices. HP Smart printing technology is activated every time you replace an HP print cartridge, allowing you to monitor your current supplies, order new supplies, and print successfully every time. And each HP print cartridge continually adjusts toner properties to ensure high-quality output over the life of the cartridge.

Intelligent printing

Designed with office workgroups in mind, the product is simple to install, use, and maintain.

- Integrate documents into workflows with the HP Color LaserJet 4730 MFP series. Building on the MFP's embedded scanning functionality, optional HP Digital Sending Software 4.0 facilitates document workflow and enhances business communications by enabling Optical Character Recognition (OCR), and sending to shared network folders and fax services, including LAN fax, Internet fax, and Windows fax services.
- The HP Color LaserJet 4730 MFP series touch-screen control panel has an integrated design to monitor and operate the device. Employed across several HP MFPs, this intuitive control panel provides a familiar walk-up experience. The HP Color LaserJet 4700 series printer control panel offers complete, timely information about the printer and print jobs. Designed for quick and easy troubleshooting, the control panel displays up to four lines of text and animated graphics simultaneously.
- An always-on, internal clock improves product availability for both the HP Color LaserJet 4730 MFP series and HP Color LaserJet 4700 series printer. Once you enter the date and time in the control panel, the product can be configured to automatically wake up from sleep mode so that it is ready to work when you are.

In-house color marketing

Print short-run color documents in-house, quickly and affordably. When you print materials in-house, you have control over the process: you ensure that printing is effective, efficient, and affordable, and that any private company information stays safe. Printing frequently updated materials on-demand means that you can make changes at a moment's notice. You also save the time and cost of inventory management.

Companies ranging from small to large report that HP's affordable, best-in-class color solutions deliver money to their bottom line. Some ways, such as improving your image and adding impact to marketing publications, are indirect, while others are direct and measurable, such as productivity gains and tangible cost savings with in-house color printing.

HP color management tools

The HP color access control solution makes color printing and copying more affordable than ever by helping you control who uses color and when they use it:

- **Control color copying.** Color copy lockout allows IT administrators to password-protect the HP Color LaserJet 4730 MFP series as a black-and-white-only copier, so you can control how color is used.
- **Assign color access to specific users or workgroups.** Use either your printer's embedded Web server or HP Web Jetadmin's fleet configuration capability to designate who has access to color printing.
- **Assign color access by application.** Designate certain applications for printing color and others for printing black-and-white to ensure that users only print color on their most important print jobs.
- **Shut down color completely or temporarily disable color capability** with the HP Web Jetadmin's Print Driver Pre-configuration Plug-in. IT administrators can disable color printing on shared printers—locking out all individuals and workgroups—so you can save your color resources for special projects or seasonal needs.
- **Track color use by job, by user, and by device.** Take advantage of real-time and periodic usage reports generated by HP Web Jetadmin's Report Generation Plug-in. Plus, you can allocate costs to individual departments.⁵

Top value and performance

Independent tests of multifunction printers prove the affordability and performance advantages of the HP Color LaserJet 4730 MFP series, which recently received four top industry awards, including Outstanding Mid-size Workgroup Color Multifunction Printer, Pick of the Year awards, Buyers Laboratory, Inc. (June 19, 2006) and Best overall print quality, spencerLAB Digital Color Laboratory (July 2006).

⁴ Using genuine HP supplies ensures availability of all HP printing features.

⁵ Billing solutions are an optional feature available at an additional cost through HP's solution partners.

HP Jetdirect ew2400 802.11g Wireless & Fast Ethernet external print server (USB Hi-Speed)	J7951G
HP Jetdirect en3700 Fast Ethernet external print server (USB Hi-Speed)	J7942G
HP bt1300 Bluetooth® Wireless Printer Adapter	J6072G
Memory and storage	
20 GB HP high-performance EIO hard disk	J6073G
128 MB 200-Pin DDR DIMM	Q7721A
256 MB 200-Pin DDR DIMM	Q7722A
512 MB 200-Pin DDR DIMM	Q7723A
Cables	
Parallel cable, 3-meter IEEE 1284 (a to c)	C2946A
Parallel cable, 10-meter IEEE 1284 (a to c)	C2947A
HP USB cable, 1.83-meter (a-b)	C6518A
Supplies	
Staple cartridge (5,000 staples) for stapler/stacker with job offset	C8091A
110 volt image fuser	Q7502A
220 volt image fuser	Q7503A
110 volt image transfer kit	Q7504A
Service and support	
3 year warranty service, 4-hour response, standard business hours (9x5)	U3795E
3 year next business day response	H3113E
Networked hardware installation and configuration	H2872E
