THE KHWE PEOPLE OF NORTHERN BOTSWANA—speakers of Khwedam—have been marginalized because of their small numbers and minority status. The Khwedam Panoramic Bible Translation Project is bringing people into a Christian relationship with God and expanding social empowerment. They learn their worth in the eyes of our Creator. Even those in remote villages are being touched by God's Word through print and audio Scripture.

The Khwedam Panoramic Bible utilizes portions of both testaments to illustrate God's plan for the salvation of all people. The Khwe are eager to learn more and are enthusiastically participating in a growing literacy program in anticipation of the Bible's publication.
