## Cotton Seed Oil Soap Works.

### TO THE PUBLIC.

There has for many years existed a want for a superior quality of soap, free from all deleterious chemicals or adulterations, and of such quality that it will not only be a very superior laundry soap but be as good for TOILET, SHAVING, HOTEL or BATHING purposes as any soap made.

OUR COTTON SEED OIL SOAP not only supplies this long felt want, but it will wash as freely in HARD WATER as in soft.

IT WILL REMOVE

### Paint, Tar, Pitch or Grease,

And Make Woolen Goods and Silks, when washed,

### LOOK LIKE NEW.

Ask your Grocer for SCOTT'S COTTON SEED OIL SOAP. It has No Other Name.

# Hedekin House

A. FREEMAN, Jr., Proprietor,

(FORMERLY OF THE EXCHANGE.)

Having leased the above Hotel, I intend to make it one of the Best in the city of Fort Wayne. The Hotel has been thoroughly renovated, refurnished and put in First-Class shape, and is in fact the travelers' and farmers' perfect home. Commodious Stabling for 50 Horses, with plenty of water. The only Hotel in the city with good stabling connected. The table will always be supplied with the best the market affords, and the beds second to none in the city. The patronage of travelers and farmers solicited, and I assure them gentlemanly treatment.

# HOFFMAN'S PATENT

## BAND SAW-MILL FOR SAWING LOGS.

Among the many advantages this Mill has over Circular and Muley Mills we mention :

1st.—**SAVING OF LUMBER.** Ordinary saws cut five-sixteenths of an inch saw-kerf; our Band Saw takes ONE-TWELFTH. This makes a saving of 229 feet of lumber on each 1,000 feet of inch boards sawed.

2d.—**SAVING OF POWER.** Twelve-horse power will cut 8,000 feet of lumber per day.

3d.—**MAKING BETTER LUMBER.**

4th.—**FREEDOM FROM DANGER.**

We are also prepared to furnish our Improved Patent

### BAND SAW MACHINES FOR SCROLL SAWING

A Mill and the small Machines can be seen in operation at our Factory in Fort Wayne. Manufactured only by J. R. HOFFMAN & CO., Fort Wayne, Ind.
