ADDRESS TO INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION

Morris E. McCarty

Mr. Arthur L. Trester is gone. His greatness, his vision, his honesty, and his alertness will live forever. Mr. Trester's last words about his beloved organization were "Good-bye, I. H. S. A. A." Those words are a challenge to all who now must carry on the work of the Indiana High School Athletic Association. We accept this responsibility with a prayer in our hearts that the play of the thousands of Indiana boys and girls will continue to be fair and a joy to them. In those of us upon whose shoulders now is placed the immediate task of bridging over the activities of the association there is this sincere hope that we may in some way have caught the vision of Mr. Trester.

To those of us who knew him well, who labored by his side and who believed in him day by day, it is difficult to realize that he is not here as the commissioner. It seems that all of us believed that Arthur L. Trester would live on after all of us were gone. His great work, the Indiana High School Athletic Association, now is and will forever be a living monument to this great man.

In his desk after he was gone were found numerous unpublished writings of his. Here is one most typical of Mr. Trester, for he never took credit for building a great organization, yet all of us knew that it was his successful creation. Thousands of Indiana school people thought of the I. H. S. A. A. and Mr. Trester, never of one and not of the other; and because of this kind of unity in thought and in deed, Indiana high schools now enjoy the enviable position of being a place where athletics are activities of the schools and where the motto is "More students and more teams in more sports."

WHO MADE THE I.H.S.A.A.

"We made it and we make it and it's ours.
We shall maintain it. It shall be sustained."

—Stephen Vincent Benet.

"The above quotation has application and real meaning to the I. H. S. A. A. and the member schools. School men set up the I. H. S. A. A. in 1903 and school men have maintained it through more than forty years. The association belongs in a real sense to the member schools. They organized it, they have maintained it and they will sustain it. The member schools are proud of the I. H. S. A. A. and they have a right to be proud. It has served them well in a very worthy purpose.

"The association protects the schools, the students, the communities, the teachers and good school work. It has never allied itself in opposition to any of these and it has been positive and militant in

support of all of them. The I. H. S. A. A. has no ideas, ideals, standards or policies that are foreign to good school work. It is of the schools, by the schools and for the schools at all times.

"Protection always comes at a price. It is never free. It costs something. This means support of the organization that makes protection possible and available. The I. H. S. A. A. owes its forty years of existence to the undivided support of the member schools. The I. H. S. A. A. will continue to live and to serve the schools and their students as long as it is loyally and courageously supported by the member schools. Snipers with their guerilla warfare never organized the I. H. S. A. A. and have never supported the I. H. S. A. A. in any worthwhile way, but they have accepted the protection and privileges of the I. H. S. A. A. A few, a very few, continue to bite the hand that feeds them, but their tribe is small and steadily diminishing.

"What does it cost to secure the protection of the I. H. S. A. A.? Here are some of the specific things a high school gives up when it joins the association:

1. It gives up the right to do as it pleases in inter-school athletics.
2. It gives up the right of using students in athletics who are not eligible for any reason.
3. It gives up the right to secure or purchase players wherever they may be found.
4. It gives up the right to withhold its loyal support of the association. This does not mean, however, that it gives up the right to offer constructive suggestions to improve the association.
5. It gives up the right to give credits to students who have not earned them.
6. It gives up the right to use ignorance of facts and conditions as a form of bliss.
7. It gives up the right to turn thumbs down on public opinion that is sound.
8. It gives up the right to be unfair, unclean and disloyal.
9. It gives up the idea that the rules and regulations govern the other school, but do not govern itself.

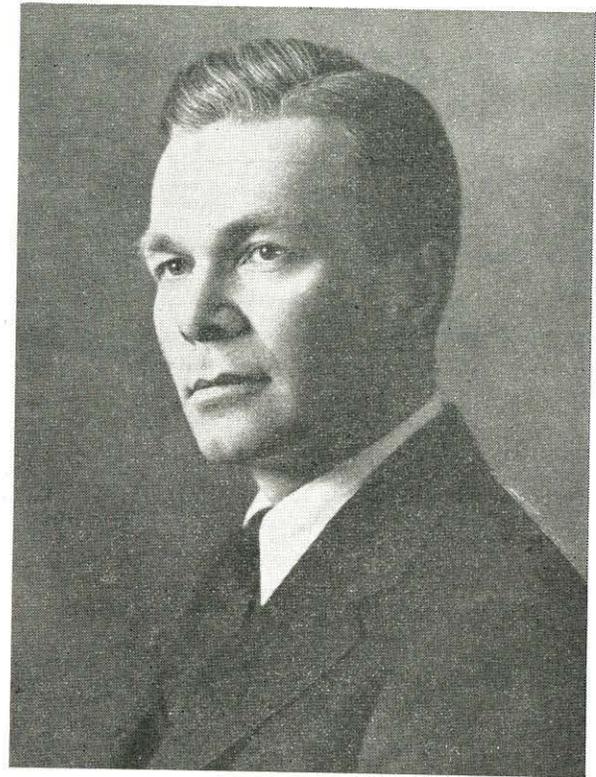

"What are some of the specific things a high school secures by joining the association:

1. It secures protection for its students, itself and its community.
2. It secures an opportunity to compete in athletics on equal terms and under the same rules and regulations with proper enforcement.
3. It secures a chance for its students to be social and to secure the benefits of social living. In all probability, we are not born social. This must be acquired.
4. It secures standards and criteria to measure what is and what ought to be in athletics.

5. It secures the satisfaction of belonging to something whose ideals and practices are high and worthy.
6. It secures the benefits of joint and united action and support when non-school people desire to run the athletic activities of the schools.
7. It secures the right to say "no" with the backing of the association when this answer could not be given and supported otherwise.
8. It secures the right to carry out programs and to make decisions regarding athletics that could not be carried out or made with the sole authority of the individual school.
9. It secures the benefits of the high morale in the association brought about by good schools over the state.
10. It secures a share in the funds, awards and championships of the I. H. S. A. A.
11. It secures the inheritance of standardized practices and procedures in the management of high school athletic activities.
12. It secures all of the privileges of participating in an athletic association that is truly a representative democracy.

"The privilege and opportunity of belonging to an organization such as the I. H. S. A. A. places directly upon the member the obligation of supporting the organization loyally and courageously. Schools exercise their right of choice when they request and accept membership. Schools and individuals are expected to be loyal to their choices. The state association through its representative bodies assumes the right to make rules and regulations governing the member schools and it thereby obligates the schools to support the rules and regulations that they have claimed the right to make. These statements hold good not only in athletics, but in all civic, social and governmental affairs.

"None of these statements implies that the support of the I. H. S. A. A. should shut out constructive suggestions, carefully thought out, clearly worded and having all factors in mind in the thinking and in the wording. The machinery for doing away with objectionable rules and regulations and the securing of good rules and regulations in the I. H. S. A. A. is ready at all times for the schools in the membership. The Athletic Council and the Board of Control welcome suggestions. The more than 800 schools in the membership can and should make any changes considered necessary in their own association. The morale of the I. H. S. A. is high because of the suggestions and support of practically every high school in Indiana."

ANNOUNCEMENT OF SECTIONAL, REGIONAL, SEMI-FINAL AND FINAL BASKETBALL TOURNEYS

THE THIRTY-THIRD ANNUAL

The Board of Control has completed the details for the State Championship Basketball Tourneys and announces the scheme in full; with the distinct understanding that the Board of Control reserves the right to readjust the scheme and arrangements for any and all tourneys if conditions arise making changes advisable or cancellations necessary.

SECTIONAL TOURNEYS

February 24, 25 and 26

The following bases were used in selecting sectional, regional and semi-final centers:

(1) Location,—geographical and with reference to schools desiring to participate. (2) Transportation facilities. (3) General conditions,—attitude of local authorities, floors, seating capacities and entertaining facilities. (4) Rotation. (5) Success and satisfactory management of previous tourneys. (6) Invitations.

Schools have been assigned by counties with a few exceptions and these exceptions are clearly indicated. The name of your county locates your center unless assigned otherwise. The scheme is arranged to have no less than 8 teams and no more than 16 teams in each tourney and the assignment of all schools is given below. The numbers indicate the number of schools that probably will enter the tourneys. No doubt these numbers will be very nearly correct for this year. Correct information will not be available until the entry blanks have been received and accepted by the Board of Control. The numbers herein are tentative only. The winners will constitute the teams in the Regional Tourneys according to assignment. Entry blanks are necessary. An entry blank is enclosed.

MANAGEMENT—The exclusive control of these tourneys rests solely with the Board of Control according to the I. H. S. A. A. Constitution. Local arrangements have been delegated to the Center Principals. Officials for each tourney will be selected and assigned by the Board and every attempt will be made to choose none but fair, disinterested and competent men. Two officials will be assigned to tourneys having 8, 9, 10, 11 or 12 teams, and three officials will be

assigned to tourneys having 13, 14, 15 or 16 teams. Two officials will work each game, alternating as referee and umpire. Each official is obligated to be ready for work throughout the tourney. All schedules of hours, floors, teams and officials will be made out and printed by the Board. All schedules will be drawn by lot by the Board of Control in the presence of representatives of the Indianapolis Star, Times and News; Associated Press, United Press, and International News Service, and no changes will be made in them.

DECISIONS—The assignment of officials and the decisions of the officials will be considered final. Schools entering the tourneys enter with this understanding. Give this information to your students and fans now and as often as necessary.

TOURNEY REQUIREMENTS—A High School shall not be considered eligible for entering a sectional basketball tourney in the I. H. S. A. A. in any year unless the team known as the first team and representing the High School, has played eight (8) inter-scholastic games during that season. Schools holding less than full membership are not eligible.

ENTERTAINMENT—Teams are limited to ten men and these ten men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. The Center Principals have contracted with the Board of Control to entertain twelve men (which must include the faculty manager) from each competing school according to the following scheme:

1. Entertainment for all teams in all tourneys will end not later than 10:00 P. M., Saturday, February 26.
2. Entertainment for all teams will begin as follows:
 - a. In 8 and 9 team tourneys,—5:00 P. M., Friday, February 25.
 - b. In 10, 11 and 12 team tourneys,—12:00 Noon, Friday, February 25.
 - c. In 13, 14, 15 and 16 team tourneys,—5:00 P. M., Thursday, February 24, for teams playing on this evening and 8:00 A. M., Friday, February 25, for other teams.
3. In 8, 9, 10, 11 and 12 team tourneys, one extra round-trip transportation and one extra meal will be given to the teams playing Thursday evening, February 24.
4. All tourneys will begin at 7:00 P. M., Thursday evening, February 24. There will be no games Saturday morning in any tourney. There will be no games Friday morning or Friday afternoon in 8 and 9 team tourneys; and there will be no games Friday morning in 10, 11 and 12 team tourneys. Principals may arrange their school work accordingly.

Printed schedules will be sent to each competing school by the Center Principal in plenty of time to arrange for making the trip. Fairness by all parties must prevail in this matter of entertainment. Money spent for entertainment decreases the amount to be divided among the schools. All competing schools are requested to ask for no longer entertainment than is necessary.

The Center Principal may pay the participating schools for meals and lodging taken at home in lieu of such as would be necessary at the tourney center with the following understandings: (1) the Principals of the participating schools shall make definite arrangements with the Center Principal to this effect on or before Tuesday, February 22 (2) transportation only, one round trip, may be paid in lieu of each night's lodging. The transportation here considered shall in no case exceed the amount for lodging should the Center Principal provide lodging, (3) no more than the regular tourney allowances shall be paid for meals taken at home, (4) rest rooms for the day, when lodging is taken at home by a school, shall be an expense of the school securing such and not an expense of the tourney, (5) teams arriving late or leaving a tourney early should not expect full tourney entertainment.

EXPENSES—An entrance fee of one dollar (\$1.00) for each team must accompany the entry blank, which money will go into the treasury of the I. H. S. A. A. to defray expenses of the tourneys incurred by the Board of Control. The Center Principals have contracted to make settlement out of the receipts of the tourneys according to the following scheme and in the following order:

(Economy will be exacted regarding all expenses)

1. All legitimate expenses, such as revenue tax, meals, officials, etc., except for transportation and lodging, shall be paid from the gross receipts, if sufficient. If gross receipts are not sufficient, legitimate expenses shall be considered an obligation of the Center Principal.
2. The Center High School shall receive one hundred dollars (\$100).
3. The transportation shall be paid. (The Board of Control has decided on three (3) cents per mile per man for the round trip. Mileage should be considered as the most direct distance between the school building of the participating school and the gymnasium in which the tourney is held.)
4. The lodging shall be paid.
5. The Center High School shall receive one hundred dollars (\$100).
6. The I. H. S. A. A. shall receive one percent (1%) of the fifth balance.
7. One-half of the sixth balance shall be divided pro-rata among the participating schools, the Center School sharing.
8. One-half of the sixth balance shall be divided on the basis of season ticket sales in the local communities on or before 5:00 p. m. Thursday, February 24. Season tickets sold after this hour and date can not be counted in finding the share of any one school. Keep the two lists separate at all times.
9. The Board of Control shall pass on all reports by the Center School and all reports by the participating schools.

10. The Center School shall furnish a complete financial report to the I. H. S. A. A. and to each participating school soon after the tourney.

Note—The amounts provided for the Center School shall not be divided among the participating schools as a bid for a tourney or in payment for the support of these schools. The expenses of a Manager, if any, belong to the Center School and not to the tourney.

PRIVILEGES—All competing players, one Coach and one faculty manager for each team (twelve in all) shall be admitted free to all games.

ELIGIBILITY—The eligibility of each player must be certified by the Principal of the School sending the team. Certificates must be made on the regular blanks furnished by the Commissioner and all data must be given as indicated. Entries will close Friday, February 11. These blanks should be sent between February 3 and 10. Do not mail entry blanks later than February 10. Blanks mailed according to these instructions should reach the I. H. S. A. A. office in time to be accepted. All students must be eligible when they participate as well as when they are certified, so entry blanks should not be sent too early. Late entry blanks will not be accepted. The Board of Control has so ruled.

ADMISSION FEE—The admission fees in all tourneys shall be as indicated below and the tickets shall be printed with the following information on them:

1. Session ticket (All tourneys):	
Established Price	\$.36
Tax04
Total40
2. Season ticket:	
a. Four-session tourney:	
Established Price	\$1.00
Tax10
Total	1.10
b. Five-session tourney:	
Established Price	\$1.27
Tax13
Total	1.40
c. Six-session tourney:	
Established Price	\$1.50
Tax15
Total	1.65

Tickets shall not be sold for more or less than the prices here given. No more tickets shall be sold than the seating capacity of the house will justify. Standing room shall not be sold or used. All requirements of the State Fire Marshal and the City Fire Marshal shall be met in all tourneys.

PRIZES—No prizes of any kind are to be awarded to any school or individual from any source.

DISTRIBUTION OF TICKETS—An equitable distribution of season tickets shall be made among the competing schools based on distance, enrollment in High School and probable attendance from the competing schools. Season tickets should be ready for distribution on Monday, February 21. Much ticket information can be secured prior to this date. Center Principals and participating Principals should communicate with each other on Monday morning, February 21. This responsibility is mutual. All Principals have duties in this matter. Any unfair methods or prices higher than those mentioned in this announcement should be reported to the Board of Control with evidence. The division on season ticket sales shall be made on the basis of such tickets being sold and paid for on or before 5:00 P. M. Thursday, February 24. All schools must observe this provision. Season tickets sold after this hour and date should not be credited to any one school in the sharing and should be reported separately.

TYPE OF BALL—The molded type of basketball tanned in natural leather color shall be used, if available.

RADIO SERVICE—Stations in Indiana may broadcast I. H. S. A. A. tourneys provided the requirements in the I. H. S. A. A. rules and regulations governing broadcasting are observed. The managers of the stations and the Tourney Principals will have copies of these rules and regulations.

SOUVENIR PROGRAMS—Souvenir programs other than those provided by the I. H. S. A. A. shall not be distributed or sold at any tourney, and no solicitation of advertisements shall be made. All principals should notify their business men now.

PICTURES—Flashlight pictures of the players shall not be taken during the progress of the games. This ruling is meant to protect the vision of the players.

GOVERNMENT TAX—The tax on all tickets in all tourneys will be assumed and paid by the tourney management out of tourney receipts. Ticket prices were determined with this in mind.

SUGGESTIONS —Center Principals and participating Principals should work with each other prior to the tourney, during the tourney and after the tourney. A conference several days prior to the tourney of all Principals would result in an agreement on all points such as meals, lodging, transportation, rest rooms, seating, tickets, reports, etc., etc. Agreements reached prior to tourneys prevent difficulties during and after tourneys. Make and keep copies of all agreements.

WARNINGS—Entries close Friday, February 12, and can not be changed or received afterwards. An entrance fee of one dollar (\$1.00) must accompany each entry blank. Special privileges will not be granted to anyone. Send all entry blanks and checks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given on entry blank. Get all right the first time and on time, but do not send blanks too early. Late entry blanks or incomplete entry blanks can not be accepted.

FINAL TOURNEY COLISEUM, FAIR GROUNDS, INDIANAPOLIS

March 18

ENTRANTS—The four (4) winning teams of the Semi-final Tourneys shall constitute the participants in the Final Tourney. The schedule will be drawn by lot by the Board of Control according to the sectional tourney scheme.

ENTRIES—Teams are limited to ten men and these men may play. Twelve men may be certified but two of these men must be scratched prior to the opening game of the tourney. These teams may or may not be made up of the same men that participated in the other tourneys. Certificates must be made on the regular blanks furnished by the Commissioner, and all data must be given as indicated. These are due in the hands of the Commissioner on Monday, March 13, complete in every detail. If you desire to change your Semi-final Tourney blank, send a definite telegram giving all data on or before this date. One entry fee covers all tourneys. The Semi-final entry blank will suffice for the State Tourney and will be used as made unless you instruct us otherwise on Monday, March 13.

ENTERTAINMENT—Twelve men will be entertained on each team (which number must include the faculty manager) from each school. If the proceeds of the tourney permit, each school having a team playing in the tourney will receive the following: \$48.00 for lodging, \$48.00 for meals, \$300.00 for bonus, 12 season tickets and transportation to and from Indianapolis. Three cents per mile per man for the round trip for twelve men will constitute the basis of figuring transportation. The transportation mileage shall be considered the most direct and reasonable distance by automobile from the High School of the participating school to the Circle in Indianapolis.

ADMISSION FEE—The admission fees shall be as indicated and the tickets shall be printed with the following information on them:

1. Session ticket:	
Established Price	\$1.13
Tax12
Total	1.25
2. Season ticket:	
Established Price	\$2.00
Tax20
Total	2.20

(See Sectional).

PRIZES—The winning school will be awarded a shield, cup or similar trophy, and each member of its team an individual trophy. A trophy will be given to the runner-up team and individual medals to its team members.

CONDUCT OF PERSONS DURING STATE TOURNEY—Decision to continue I. H. S. A. A. efforts to secure proper conduct of all persons attending the tourney, while in hotels and elsewhere, but to stress the idea among Principals, Superintendents, Coaches, teachers, parents and communities that the receipt of tickets by their High School Principal places the direct and immediate responsibility on them for the conduct of the persons attending the tourney.—Athletic Council, Dec. 19, 1931.

Management—The Board of Control has designated the Commissioner as Manager, and Fred R. Gorman, Technical High School, as Assistant of this tourney. The phone numbers are as follows:

Commissioner—Market 9793

Gorman—Market 6331

Press reservations will be handled by Fred R. Gorman, Technical High School, Indianapolis, if requests are made several days in advance of the tourney. An identification scheme will be used for Press representatives, who must be properly certified by their Managers at the time requests are made.

Tickets—All tickets will be handled through the I. H. S. A. A. office according to the following scheme:

1. Season tickets and these only will be sold prior to Saturday, March 18, 1944. In recent years all tickets were sold prior to this

date. If the capacity of the house is not sold in season tickets, session tickets will be sold on the day of the tourney. The seating capacity this year is about 10,700, thus necessitating again reduction in allotments.

2. Tickets will be sold only through the Principals of the High Schools belonging to the I. H. S. A. A. and having teams entered in the sectional tourneys, obligating them to distribute these tickets properly to persons in their own school districts before distributing any tickets elsewhere. Each Principal will be required to keep on file the full names and addresses of all ticket purchasers for the information of the Board of Control, should such be desired for checking purposes. Orders placed otherwise will not be honored. Tickets distributed by Principals in an improper way or at a price higher than the price on the ticket will jeopardize the standing of their school.

3. Tickets will be sold by mail order only. Telephone, telegraph and personal call orders will not be honored. A ticket order blank is enclosed with this bulletin. It is official and you should use it according to instructions. The I. H. S. A. A. does not agree to honor second orders. Principals should order their quota the first time.

4. Ticket orders must be specific as to number of tickets and a check for the correct amount of money made to Arthur L. Trester, Commissioner, must accompany each order. **Tickets purchased can not be returned.** Please do not send money. The limitations below must be observed as given:

(a) Orders for tickets having official Post Office stamp marks on the envelopes including and from Monday, February 28, to and including Wednesday, March 8, will be accepted if received not later than Thursday, March 11. The I. H. S. A. A. reserves the right to check the mailing of all ticket orders and to act on their findings.

5. Each High School Principal, having a team entered in an I. H. S. A. A. Sectional Basketball Tourney for 1944, and each High School Principal holding a modified membership in the I. H. S. A. A., may order tickets to three (3) per cent of his High School enrollment as of September 22, 1943, and as submitted to the Inspection Office of the State Department of Public Instruction last September for the school years 9, 10, 11 and 12. A fraction of one-half or more may count for a ticket. Post graduates should not be counted. You were requested to preserve a duplicate copy of this report. Principals should carefully observe the limitation here placed. **If there are questions, ask them now.** All enrollments will be checked with the report herein mentioned. **Be sure you are right.**

6. All tickets remaining unsold after the High School Principals have ordered, according to the privilege of their enrollment quota, will be distributed pro rata among the Principals of the 64 sectional tourney winning schools if ordered by them. These Principals should state on their letter, ordering their quota of tickets according to enrollment, whether or not they will accept and pay for any tickets that

may be distributed to them as sectional tourney winners. The check for these tickets should be sent upon receipt of the tickets only. No tickets, other than the tickets remaining after the enrollment quota orders are honored, are offered in this paragraph. There may be no tickets or only a few tickets so remaining. None are guaranteed. Tickets purchased can not be returned.

7. In order that all may know how ticket orders are filled, the following statements are made:

a. Ticket orders from Principals are due any time from February 28 to March 8, inclusive. Post office stamp marks will determine.

b. Upon receipt of ticket orders in the I. H. S. A. A. office, they are checked. All correct orders are arranged alphabetically according to the name of the school, numbered and filled in this order.

c. Incorrect orders are returned with instructions.

d. The method of filling ticket orders is a method entirely by lot and the scheme automatically assigns the seats. The location of seats of any particular school depends upon a number of things,—date of receipt of order, number of orders received in same mail, number of tickets covered by the orders received in the same mail, alphabetical order of the school name among the orders received, accuracy of ticket order, station reached in the drawings determined by the orders received, etc.

WARNINGS—Entries are due Monday, March 13, and can not be changed afterwards. Special privileges will not be granted to anyone. Send all entry blanks to Arthur L. Trester, 812 Circle Tower, Indianapolis, Indiana. All data must be given. The management, protests and privileges will be governed according to the regulations pertaining to the Sectional Tourneys.

MISCELLANEOUS

1. All seats will be reserved and tickets sold to Principals will be drawn by lot as outlined above.

2. Blocks of seats, when sold, will be arranged from front to back rather than around the playing floor, about ten percent of the number in each block being assigned to the front of the block.

3. No pass-out tickets will be issued. Holders of tickets may leave the Coliseum when they choose in any session, but they can not re-enter until the next session. The seats will be cleared between sessions.

4. All tickets will be printed in coupon form, carrying the statement that coupons will not be good if detached. The I. H. S. A. A. tickets will be printed in a way that will make duplication very difficult, but a warning is given against bogus tickets.

5. Ticket holders will be seated prior to the opening game in each session, between halves and between games only. All persons must

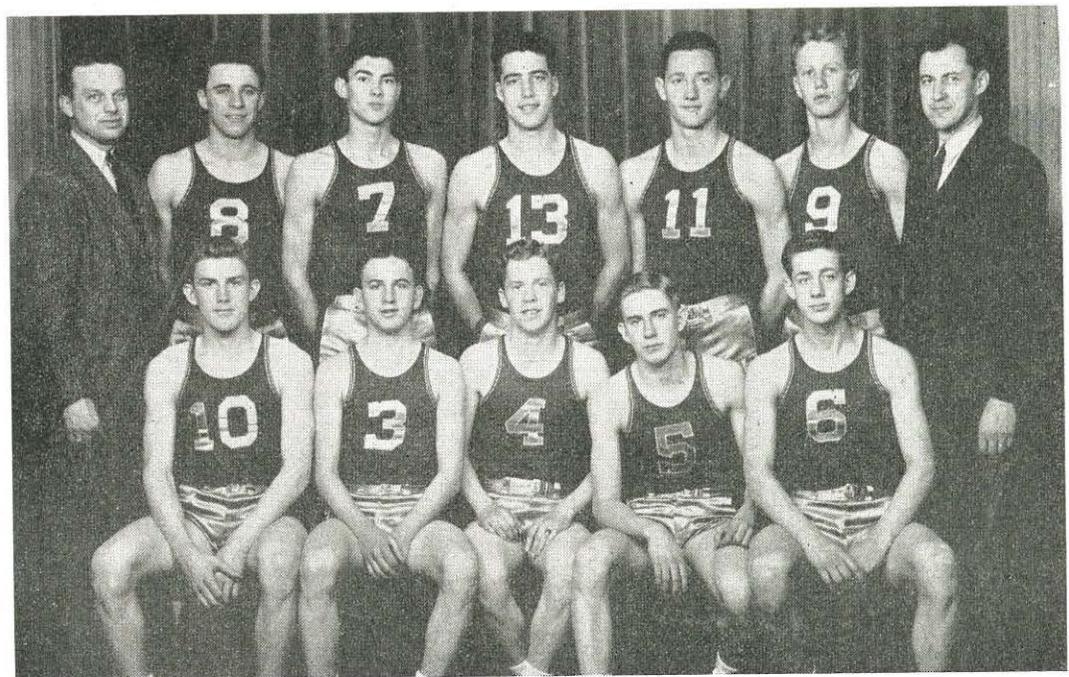

remain seated in their own seats during the games. All games will be started on scheduled time and will be played in quarters of 8 minutes each.

6. Comfort accommodations will be found at each end of the Coliseum.

7. Tickets will indicate the Gate, Section, Row and Number. As you approach the Coliseum look for the Gate Number above the door corresponding to the one on your ticket.

8. Two blocks of seats in the middle on the north side of the playing floor and two blocks in the middle on the south side of the playing floor, having 675 seats to the block, will be reserved for the four schools whose teams are in the tourney until Monday, March 13. Twelve blocks of seats, immediately around the playing floor and with 100 seats to the block, will be reserved for the other twelve schools participating in the semi-final tourneys. The High School Principals whose teams are represented should get in connection with the I. H. S. A. A. Office on Monday, March 13, and make definite arrangements about these tickets or they will be sold to other parties. These blocks will be assigned by lot by the Board of Control.

9. First Aid Rooms are located in the west end of the Coliseum. Look for the sign. A tourney physician and a nurse will be available.

MEDAL FOR MENTAL ATTITUDE

The Gimbel Medal for Mental Attitude was given each year by Mr. Jake Gimbel, now deceased, until the 1943 State Basketball Tourney. The I. H. S. A. A. purchased the medal in 1943 and in 1944 and plans to purchase it as long as it is given.

In the future, therefore, this medal will be known as the "I. H. S. A. A. Medal for Mental Attitude."

It is an exceedingly difficult job for the Board of Control to select one boy out of forty good boys as a recipient of this medal. All of these forty boys are not equal in mental attitude or in any other attitude. They are not equal in skill and performance. The large majority of the boys, however, are good boys and many of them could be chosen for the mental attitude award. In the choosing of one boy several good and deserving boys are left out.

The I. H. S. A. A. Board of Control used the following data card this year to assist them in selecting the winner of the I. H. S. A. A. Medal for Mental Attitude.

By High School Principal By High School Coach

The Principals and coaches of the four schools filed with the I. H. S. A. A. these cards for their players before the tourney was held. The Board of Control did not see the cards until Saturday afternoon

after the second game of the Final Tourney when they had observed the playing of all of the teams. In the meeting to select a winner of the mental attitude award the data cards were studied carefully and were given careful consideration along with the opinions of the Board of Control members as a result of their observation of the playing of the boys in the afternoon. Several boys received very favorable consideration but only one could be selected as the winner.

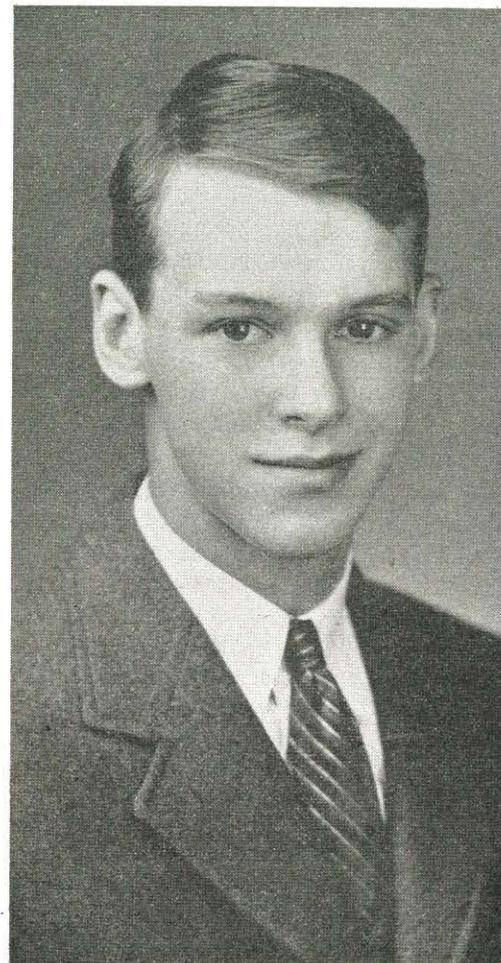

Walter McFatrige, of Kokomo, was the unanimous choice of the Board of Control, provided his record was excellent in the evening game. A poll of the Board members was taken just prior to the end of the evening game and the decision of the afternoon was unanimously affirmed. There seemed to be no reason for changing the selection.

Contrary to the opinions often expressed this medal has not been given as a consolation prize through the years. It is true that few, if any, boys on the winning teams have secured the prize but it is not true that the I. H. S. A. A. has ever had a policy of giving the medal as a consolation prize. Such a policy would remove the value of the award and would make the winners feel that they had not won anything. The winners of the award have legitimately won the award and have the right to be proud of it. It will be interesting to follow these boys down through the years. Schools should take an interest in these boys, as the I. H. S. A. A. desires to be proud of them always.

The following boys have won the prize:

Our thanks are extended again to Hanover College for the use of their facilities.

The fine co-operation of the helping officials from the various schools is sincerely appreciated.

The exceptionally heavy rain largely made the Track slow, so no records were broken, but we feel that we had a successful meet nevertheless. George McAlevy did a good job as Referee and Starter.

Secretarially yours,

J. A. MOHLER

BRIEF HISTORY OF I. H. S. A. A.

The first attempt to organize the High Schools of Indiana in a single organization for the purpose of handling athletic activities was made in a meeting of the Northern Indiana Teachers' Association held at Richmond, in April, 1903. At this time there was a conference of High School Principals, and the conference ended with a body of suggested rules and regulations, called the Richmond Agreement. Due to the fact that there was no central organization having executive power, the Richmond Agreement did little more than point the way toward something better.

Principal J. B. Percy, of Anderson, issued a call for a meeting of High School Principals interested in a State Athletic organization for December 5, 1903. At this meeting a provisional constitution was adopted. At a similar meeting on December 29, 1903, a final constitution was adopted and a Board of Control of three members was chosen to administer the affairs of the I. H. S. A. A.

The first Board of Control was made up of Principal George W. Benton, Shortridge High School, Indianapolis; Superintendent Lotus D. Coffman, Salem, and Principal J. T. Giles, Marion. These men thought and planned well, and we are enjoying the fruits of their vision.

There were fifteen (15) High Schools belonging to the I. H. S. A. A., March 1, 1904, and now there are eight hundred and eight (808) High Schools belonging. The membership has had a gradual growth through the years, and now the limit is recognized as the limit in the number of High Schools in the State.

A study of the men who have served on the Board of Control through the years will show clearly that the activities of the I. H. S. A. A. have been in good hands. The titles and addresses are given as they were when the men were board of control members. A complete list of the several Board members of the I. H. S. A. A. follows:

In the beginning, one member of the Board of Control served as Secretary, but it soon became very evident that this office furnished enough work for a special man. It was also seen that the future of the organization demanded that the office of Secretary be made more permanent than the office of Board Member. Accordingly, at the annual meeting in 1906 the office of Permanent Secretary was established, and Principal J. T. Giles was chosen by the Principals to be the first Permanent Secretary. Principal Giles resigned on December 26, 1912, and Principal Isaac E. Neff was chosen by the Principals to succeed him. Principal Neff resigned March 15, 1913, and the Board of Control appointed Principal Arthur L. Trester to serve as Permanent Secretary until the next annual meeting in December, 1913. At this meeting, Principal Trester was chosen by the Principals as Permanent Secretary.

The Board of Control consisted of three members, chosen by the Principals in their annual meetings, until the annual meeting of October 27, 1916. At this meeting it was decided to divide the State into five districts for administrative and representative purposes, and that each district should have one representative on the Board of Control, chosen by mail ballot from his own district by the Principals of his district.

In September, 1925, by a referendum vote the Principals passed a legislative body proposal calling for four members from each of the five (5) I. H. S. A. A. districts. The five members of the Board of Control and the fifteen other members elected by the Principals in a mail vote constituted this legislative body. Prior to this scheme all legislation was done at the annual meeting or by referendum voting by mail. This Legislative Body of twenty members passed on all proposals submitted by the High School Principals. It was the law making body of the Association. The scheme was considered a step in advance in state administration and legislation in athletic activities.

On December 13, 1930, the Legislative Body considered and passed without a dissenting vote the provisions for an Athletic Council. The scheme in full continued the five I. H. S. A. A. districts in the state and arranged for five representatives on the Athletic Council from each district by classes determined by enrollments in the High Schools, thus making the Athletic Council a body of twenty-five members representing all sizes of High Schools and all districts of the state at all times and elected by the High School Principals in the membership. A provision was included for the selection of a Board of Control from the membership of the Athletic Council by the membership of the Athletic Council. The Athletic Council took over the duties of the former Legislative Body and is considered the law making body of the Association.

The primary purpose of the organizers of the I. H. S. A. A. to manage and to foster High School athletics on a high plane has been

held up as an ideal by the Association through the thirty-four years of the life of the I. H. S. A. A. New and advanced steps have been taken whenever conditions made them necessary. It became increasingly evident as time went on that the I. H. S. A. A. should assume a larger and larger initiative in real physical education for all boys and all girls, and that physical education should be interpreted in the light of other educational aims and ideals. Accordingly, the I. H. S. A. A. now has a program, not only for the managing and fostering of High School athletics, but for the stimulation of communities and schools to the end that real physical education be given all boys and all girls throughout the grades and the High School.

The title "Permanent Secretary," established in 1906, was changed to "Commissioner of High School Athletics" in October, 1929, by the Legislative Body, and the Commissioner was granted the powers and duties belonging to a Commissioner of Athletics.

I. H. S. A. A. BOARD OF CONTROL MEETING

Bloomington, November 20, 1943.

Present: President Ralph P. Sparks, H. E. Sanford, Robert S. Hinshaw, L. V. Phillips and Commissioner Arthur L. Trester.

GIMBEL MEDAL

It was decided to continue the scheme of giving a medal for mental attitude to a player in the State Final Basketball Tourney, to be purchased by the association.

In order that the Board of Control may have on file at the time of the selection of the winner of this award, it was decided to secure from the Principal and Coach of each team in the Final Tourney definite information about each of the ten boys on the team. A form letter and a form blank on which this information may be filed were worked out and the Commissioner was instructed to have printed sufficient copies for this work.

NOBLESVILLE

A copy of a plan to be used in awarding to a student in the Noblesville High School the Richard L. Zechel Memorial Award each year was studied and it was the opinion of the Board of Control that the plan does not violate any of the rules and regulations of the I. H. S. A. A.

AMATEUR PROPOSAL

At the last meeting of the Athletic Council, the Board of Control was instructed to present a definitely worded proposal to the Council at their next meeting, covering the participation of high school students in professional athletic activities.

The following proposal was worked out and will be presented for the consideration of the Athletic Council:

"A high school student shall be considered as violating his amateur standing who participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport."

KNIMAN (WHEATFIELD)

This high school was discontinued for the present school year, and indefinitely. A distribution check, dated September 10, 1943, for \$50.00 was made out by mistake to the "Kniman (Wheatfield) High School" and sent to the Principal of the Kniman High School at Wheatfield. It was endorsed as follows: "Payable to the DeMotte State Bank for deposit to the Kniman School Fund, Mary E. Starzer (treas)." The check itself provided for the following endorsement: "Endorsed For _____ High School By _____ High School Principal." There was no Kniman High School and there was no Kniman High School Principal at the time the distribution was made and the check was sent.

The Board of Control instructed the Commissioner to check the legality of this whole procedure and report his findings at the next meeting of the Board of Control.

I. H. S. A. A. STATE MEETS

It was decided to request the Athletic Council to discuss at their next meeting the advisability of holding state meets in Swimming, Wrestling and Golf, or to permit the holding of Invitational meets in these sports with financial assistance by the I. H. S. A. A.

URBANA

Principal Albaugh requested information about the eligibility status of John R. Paul, who changed high schools from Union Township to Urbana without a change of residence of his parents.

The father and mother filed a petition asking that the boy be placed in the custody of John R. Weller and Betty L. Weller, sister and brother-in-law of the boy. Judge Burr Glenn of the Circuit Court of Huntington County, Indiana, sustained the petition and granted the authority as prayed for in the Cause No. 11,134.

Decision—John R. Paul considered just as eligible for athletics in the Urbana High School as he would have been had he remained in the Union Township High School, provided no undue influence is attached to the case in any way by any person in school or out of school.

MUNCIE (CENTRAL)

The correspondence regarding the eligibility status of Kenneth Quire was read and discussed. It was decided that the Commissioner had given the correct answers to the questions in this case under the rules and regulations of the I. H. S. A. A.

SHERIDAN

Charles Kaufman lived with his parents and attended the Sheridan High School until October 29, 1943. The parents changed their place of residence to Union City on or about November 2. The boy enrolled in the Union City High School on or about November 3. On or about November 10, the boy re-entered the Sheridan High School without a change of residence of his parents from Union City to Sheridan. Under date of November 18, Reverend E. E. Kaufman, father of the boy, wrote: "Since writing you the other day we have about decided that Mrs. Kaufman should establish quarters in Sheridan to make a home for Charles. We do not like the idea of him being on his own over there." The boy practiced basketball with the Union City High School team a few times. All of the correspondence and information on file in this case was read and considered carefully.

The Board of Control considered that the change of high school rule in the I. H. S. A. A. Constitution is binding on the Board and on others in this case, according to the correspondence and information. The boy would have been eligible at Sheridan had he remained there without entering and attending the Union City High School, and he would have been eligible had he remained in the Union City High School after he enrolled there.

The Board of Control adjourned to meet at ten o'clock Saturday morning, November 27, 1943, and also immediately following the Athletic Council meeting Saturday, December 18, 1943. It was decided to invite the new members of the Board of Control to be present at the meeting on December 18, 1943.

RALPH P. SPARKS, President,
ARTHUR L. TRESTER, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, November 27, 1943.

Present: President Ralph P. Sparks, H. E. Sanford, L. V. Phillips, Robert S. Hinshaw and Commissioner Arthur L. Trester.

SHERIDAN

The correspondence and information on file in this case were presented at the last meeting of the Board, November 20, 1943, and a decision was reached at that time.

Reverend Kaufman called on the Commissioner November 22; Principal Miller telephoned November 23, and a letter from Principal Harader of Union City, under date of November 23 was received. All of this information was considered. The Commissioner had invited Principal Miller and Reverend Kaufman to attend the meeting of today, but neither of them appeared.

The decision of the Board of November 20, 1943, was affirmed as sent to Principal Miller November 22, 1943.

KNIMAN (WHEATFIELD)

This matter was considered at the last meeting of the Board, and the Commissioner made a report on his findings since that time. It was decided to turn back an I. H. S. A. A. check No. 789 for \$50.00 in favor of Kniman (Wheatfield) High School to the Fletcher Trust Company for collection since the check was endorsed in an irregular and improper way by a person to whom it was not sent by the I. H. S. A. A.

PARENT AND PHYSICIANS' CERTIFICATES

Consideration was given to the Board's recommendation that students, who are rejected for physical reasons by the Army, Navy or Air Service, be denied participation in inter-school athletics even if a civilian physician signed a certificate for participation. The Board still stresses and supports the recommendation, but will consider and act upon cases individually upon presentation and support of data and information by the High School Principals concerned. It must be distinctly understood that the I. H. S. A. A. does not accept responsibility in these cases.

AUDIT

A copy of the audit of the I. H. S. A. A. financial books and holdings by Ernst & Ernst, National Accountants, for the calendar year ended November 14, 1943, was given to each Board member. A study of the Audit was made and, since the receipts and expenses of the I. H. S. A. A. vary very little from year to year, the audit was considered in the light of a budget for the present calendar year, pending any unusual circumstances that may arise.

BASKETBALL TOURNEYS

The tourney invitations on file were considered, the conditions regarding tourney centers were discussed, and the assignments of schools and centers was studied in a tentative way, but definite decisions were postponed to a later meeting when complete information is on file.

ROMNEY-DAYTON

The correspondence on file regarding statements made by Principal Jackson of Romney regarding the condition and the officiating of Marvin J. Tilford in a game at Dayton November 12, 1943, and regarding the statements made by Mr. Tilford, Principal Landis and Coach Parker of Dayton, was considered.

Decision—Principal Jackson, who is also Coach at Romney, Principal Landis and Coach Parker of Dayton and Mr. Tilford requested to meet in a conference and reach a settlement in this matter and to send a jointly signed statement to the I. H. S. A. A. on or before December 7, 1943. If no such statement is received

by the I. H. S. A. A. as requested, then all of the parties mentioned are requested to meet with the I. H. S. A. A. Board of Control at 2:00 o'clock Saturday afternoon, December 18, 1943, in the I. H. S. A. A. office, 812 Circle Tower, Indianapolis. It is considered the duty of all of the parties mentioned to cooperate in scheduling the meeting for the conference as requested.

GRAYSVILLE-FLAT ROCK (ILLINOIS)

This case concerns the cancellation of two contracts for basketball games. The correspondence and information were considered. The Commissioner had written to Principal Clayton of Graysville under date of November 17, 1943, as follows: "The I. H. S. A. A. will expect a statement signed by the High School Principals concerned on or before November 24, 1943, to the effect that a settlement has been reached." The Commissioner had given his opinion to Principal Clayton that he, and his Coach, should seek the settlement since they cancelled the games. No such statement as requested had arrived.

Decision—The opinions of the Commissioner were approved, and the Board of Control not only requests an explanation from Principal Clayton as to his failure to comply with the request of the Commissioner, but now affirms this request as a request of the Board, and asks for a statement signed by the High School Principals concerned on or before December 7, 1943, to the effect that a settlement has been reached. The Board of Control considers that the initiative in reaching this settlement should be taken by Principal Clayton, since he and his Coach cancelled the games. It is considered also that both schools are obligated to reach a settlement.

The Board of Control adjourned to meet immediately after the Athletic Council Meeting December 18, 1943, and at ten o'clock December 29, 1943.

RALPH P. SPARKS, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., December 18, 1943.

Present: President Ralph P. Sparks, H. E. Sanford, Robert S. Hinshaw, L. V. Phillips and Commissioner Arthur L. Trester.

REORGANIZATION

The newly elected Board of Control members met with the present Board. The new Board elected Morris E. McCarty President for 1944 and set the following meeting dates:

1. Saturday morning, January 8, 1944 at 10:00 o'clock.
2. Friday morning, February 18, 1944, at 9:30 o'clock.

SMITHVILLE-UNIONVILLE

This case concerns the difficulties connected with a game at Unionville November 19, 1943. Principal Weathers, Principal Anthony, Trustee Riddle, Coach Hill, Coach Christie, Deputy Sheriff Hawley, Teacher Whaley, and Timer Godseys were present and gave evidence. The correspondence and information on file was presented. All witnesses testified that the game was very unsatisfactory and was no credit to high school athletics.

Principal Weathers, of Unionville, stated that he thought the scheduled game between the two schools for December 22, at Smithville, should not be played. Principal Anthony, of Smithville, said that he thought the game should be played. The game on November 19 was ended a few minutes prior to the end of the game, at the request of Principal Anthony and Coach Hill, of Smithville.

Decision—The Board of Control deploras the mismanagement or lack of proper management of the game. One Principal was Timer and the other was Scorer when they should have been, according to the Board, free to provide proper management of all affairs connected with the game and the crowd. The Smithville High School placed on probation in the I. H. S. A. A. until June 1, 1944, because instigation of the trouble seemed to belong to Smithville. The game scheduled to be played between Smithville and Unionville at Smithville December 22, 1943, is ordered cancelled.

STINESVILLE-GOSPORT

On the day of a game, November 19, 1943, at Gosport, four senior boys of Stinesville skipped school in the afternoon. Principal Breeden found them and took them back to school. He discussed their case with Coach Young, Miss Denny and Mrs. Breeden, and decided that these boys should not play in the game, or, at least, should not play the first half of the game. The evidence shows that some of the Stinesville fans insisted, during the intermission, that Principal Breeden permit the boys to play the second half. The boys were permitted to dress and to play. Principal Holden, of Gosport wrote: "The temper of these Stinesville people during this intermission was of such a nature that I, not knowing what turn the game might take as it proceeded, called the State Police at Spencer." Principal Breeden, of Stinesville, wrote: "The Gosport officials and fans did not take any part in the affair whatsoever and are absolutely free from any blame."

Decision—Principal Breeden and Coach Young are requested to take immediate and effective steps to be sure that they, and not the fans or players, have complete charge of the players and others connected with the athletic activities of their high school. The Principal is considered the responsible party in athletics and should have authority commensurate with the responsibility.

PLAINVILLE

Principal Daugherty wrote: "Bob Hardy was some behind in a course of Aeronautics when school closed. I made an outline of

work to do and this was completed during the summer." The boy carried only three subjects last semester, English, History and Aeronautics. He passed in English and History with low grades and needed the credit in Aeronautics for eligibility purposes.

Decision—Plainville High School placed on probation in the I. H. S. A. A. until June 1, 1944. Principal Daugherty required to follow at once the instructions in "Some Steps to Take in Ineligibility Cases" as given in Bulletin No. 1, of Sept. 1, 1943. The Board of Control is opposed to the giving of credits to students who fail in a subject for a semester, then take an examination with or without additional work during the summer for credit toward eligibility in athletics.

ELECTION

The ballots, correspondence, information and tabulation regarding the elections between December 1 and 10, 1943 were canvassed by the Board of Control and the tabulations were considered correct as follows:

District III, Class 3—H. E. Sanford, the only candidate, received 83 votes.

District IV, Class 4—Robert S. Hinshaw, the only candidate, received 112 votes.

District V, Class 5—L. V. Phillips, the only candidate, received 93 votes.

Each of these men was elected to serve five years on the Athletic Council beginning January 1, 1944. The ballots, correspondence, information and tabulations were ordered filed for the inspection of any interested party.

ROMNEY (DAYTON)

A decision in the case was reached at the last meeting. The following statement was filed on time in the I. H. S. A. A. office in compliance with the decision.

"We, L. N. Jackson, Principal and Coach at Romney, C. R. Landis, Principal at Dayton; Paul Parker, Coach at Dayton and Marvin J. Tilford, referee at Lafayette, have met in a conference and have reached a satisfactory settlement regarding the difficulty between Principal L. N. Jackson and Marvin J. Tilford at half time of the Dayton-Romney basketball game played at Dayton on November 12, 1943.

"The settlement reached at this conference is satisfactory to all and we sign to that effect and will consider the case closed.

(Signed) L. N. Jackson,
(Signed) C. R. Landis,
(Signed) Paul Parker,
(Signed) Marvin J. Tilford."

GRAYSVILLE-FLAT ROCK (ILLINOIS)

The correspondence in this case was presented to the Board by the Commissioner and it was decided to require Principal O. D. Clayton of Graysville to appear before the Board of Control at two o'clock, Wednesday afternoon, December 29, 1943, in the I. H. S. A. A. Office, 812 Circle Tower, Indianapolis, Indiana.

SHORTRIDGE (INDIANAPOLIS)

Determination of the eligibility status of Robert L. Stevenson was requested. This boy lived with his mother and attended the Fishers High School for the last two years. He came to Indianapolis to live with his father last summer and enrolled in the Shortridge High School. A decree was entered in this case by the Judge of the Hamilton Circuit Court, reading in part as follows: "It is therefore considered, ordered and adjudged that said Robert L. Stevenson may go into the home of defendant for residence temporarily and until the court may determine whether the custody of said child shall be permanently changed * * *." The mother gave her address as Route 5, Noblesville, Indiana, on December 7, 1943.

Decision—It is the opinion of the Board of Control that the change of high school rule in the I. H. S. A. A. Constitution is binding on all parties in this case. The decree gives *permission* for the boy to go into the home of his father for residence *temporarily*.

PALMYRA

Determination of the eligibility status of William Junior Heintz was requested. This boy had infantile paralysis a few years ago and was rejected by the Armed Forces at Louisville, Kentucky, on July 17, 1943. Dr. Frank A. May, M. D., of Palmyra, wrote that the exercise of basketball will be of benefit rather than a detriment and that he is physically fit to play basketball.

Decision—A parents and physicians' certificate, with no exceptions listed, may be attested by the Principal and will be accepted by the Board of Control with the understanding that they assume no responsibility at all in this case.

WABASH VALLEY TOURNEYS

The Commissioner was authorized to sanction the Wabash Valley Basketball Tournaments scheduled for January 20, 21 and 22 and January 27, 28 and 29, 1944.

KNIMAN (WHEATFIELD)

The Commissioner reported that the Fletcher Trust Company of Indianapolis had given their check for \$50.00 to the I. H. S. A. A. to take care of the check that was sent to the Principal of the Kniman High School and endorsed in an irregular way by another person. The Commissioner also reported that Superintendent Ira Huntington had telephoned about this matter recently and wanted the Commissioner to honor the I. H. S. A. A. check or to write

a new one to take its place. The Commissioner told Superintendent Huntington that he would present all information to the Board of Control. Superintendent Huntington was invited to present the case to the Board of Control in a written way or in person. No additional information was received from Superintendent Huntington, and he did not appear at the meeting.

No action was taken by the Board as none seemed to be necessary, according to the information on file.

The Board adjourned to meet at 9:30 o'clock Wednesday morning, December 29, 1943.

RALPH P. SPARKS, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., December 29, 1943.

Present: President Ralph P. Sparks, H. E. Sanford, Robert S. Hinshaw, L. V. Phillips and Commissioner Arthur L. Trester.

GRAYSVILLE-FLAT ROCK (ILLINOIS)

Principal O. D. Clayton and Coach James Fleming appeared before the Board by request, to give evidence regarding the cancellation of two basketball games with Flat Rock, Illinois, and to explain why they had not reached a satisfactory settlement with Flat Rock.

Decision—Principal Clayton required to call a conference, reach a settlement and send a jointly signed statement to this effect to the I. H. S. A. A. office, on or before January 6, 1944. The statement is to be signed by both Principals and both Coaches.

VAN BUREN (NASHVILLE)

Principal Roland requested the determination of the eligibility status of Russell Carmichael, who reached 18 years of age last summer, and who was given deferment to work on a farm until December 21, 1943, provided he passes in three regular high school subjects for the present semester.

Decision—Russell Carmichael may be considered eligible for semester two of the present school year, provided he has done the work required by the teachers and passes his three regular high school subjects for the present semester at the end of the present semester.

It was decided that the members of the Board of Control and the Commissioner could attend the meeting of the National Federation in Chicago on January 6 and 7, 1944, with their legitimate expenses paid by the I. H. S. A. A.

The correspondence on file regarding some miscellaneous matters was read and discussed.

BASKETBALL TOURNEYS

1. Centers for the sectional, regional and semi-final tourneys were selected and schools were assigned to these centers after all available information had been considered carefully.

2. The tourney bulletin of last year was studied and sanctioned with certain changes that will appear in the tourney bulletin for 1944.

3. The Commissioner was instructed and authorized to complete the detailed arrangements for all tourneys and to make minor adjustments if such are considered necessary after a careful study of all factors and situations is made.

4. No information shall be given out about tourney centers and assignments until the tourney bulletin is released by the I. H. S. A. A. office.

The Board adjourned.

RALPH P. SPARKS, President.

Commissioner.

GIMBEL MEDAL

Information was given out about the procedure to be used in selecting the winner of this medal by the Board and a copy of a data card was given to each member. It was decided to give this medal in 1944 and to purchase it out of the Association funds.

SMITHVILLE

The Board of Control held a hearing and reached a decision December 18, 1943, in the Smithville-Unionville difficulties in connection with a game at Unionville. Copies of the decision had been sent to the Principals of both schools soon after the hearing. Principal Anthony, of Smithville, sent a letter to the Board of Control under date of January 5, 1944, making a number of statements regarding the hearing, the evidence and the decision by the Board. He requested the Board to re-open the case.

Decision—The letter of Principal Anthony and the decision of the Board on December 18, 1943, were read to the Board of Control. The correspondence in the case was reviewed. Careful consideration was given to all of this material. It was decided that no additional evidence of a meaningful nature was given in the letter by Principal Anthony and that the decision of the Board on December 18, 1943, should stand as the final decision of the Board. The Board was unable to understand how a re-opening of the case could be justified.

STATE BASKETBALL TOURNEY

The arrangements for the Final Tourney were reviewed and sanctioned. The contract with the Coliseum of last year was reviewed and the Commissioner was instructed to secure contracts to be signed for 1944. The list of complimentary tickets was discussed and the Commissioner was authorized to proceed in the same manner as last year with a few omissions and changes.

SECTIONAL TRACK MEETS

It was decided to require these meets to be held Friday afternoon or evening, May 12, 1944, or Saturday afternoon or evening, May 13, 1944.

TOURNEY OFFICIALS

The procedure in selecting officials for the Tourneys was discussed and it was decided to make definite selections at a later meeting after all information is available.

Methods of procedure in conducting meetings of the Board were considered carefully.

The Board of Control adjourned to meet at 10:00 o'clock, Saturday morning January 29, 1944.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., January 29, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

COLISEUM CONTRACT

The contract covering the lease of the Coliseum at the Fair Grounds Indianapolis for the 1944 State Basketball Tourney was studied, and the President and Commissioner were instructed and authorized to sign it. The contract had been signed by the proper parties offering the lease.

KNIMAN (WHEATFIELD)

This case had been considered two or three times by the 1943 Board of Control. Information up to date was extended to the 1944 Board of Control and the procedure was sanctioned.

MEETS IN TENNIS, GOLF, SWIMMING AND WRESTLING

Some questions had arrived regarding the rule passed by the Athletic Council December 18, 1943 and published in Bulletin No. 4, January 14, 1944. It was decided after careful consideration that the rule covering Meets in Tennis, Golf, Swimming and Wrestling is clear and binding on the Board of Control as well as on the member schools.

STINESVILLE

The parents of Ervin Rumble moved from Stinesville to Bloomington October 29, 1943. The boy, a senior, continued to attend the Stinesville High School. He rode to and from school with Coach Ralph Young, who lives in Bloomington. On January 19, 1944 Principal Breeden and Coach Young presented this case to the I. H. S. A. A. office and said there had been some discussion about the possible use of undue influence in retaining the boy as a student after his parents changed their place of residence. The Commissioner suggested that the boy refrain from participation in athletics until the Board of Control reviewed the case and passed on it.

Decision—Ervin Rumble may be considered eligible for athletics, provided there is no undue influence attached to the case. The Board of Control looks with disfavor on a situation in which a player rides with the Coach to and from school when the parents live in another city. The Board reserves the right to re-open this

case if charges of undue influence with convincing evidence are presented.

FINAL TOURNEY AND MEET PRIZES

It was decided that the I. H. S. A. A. would supervise purchase and give any and all medals, prizes, awards and gifts in connection with State Final High School Meets and Tourneys, and that such awards would not be accepted or permitted from other sources.

LATE ENTRY BLANKS

Bulletin No. 4 and the Basketball Tourney entry blank for 1944 carry information that late entry blanks will be rejected. A "Reminder" card will be sent to all Principals a few days before entry blanks may be submitted. The Commissioner was authorized to reject all late entry blanks and to retain evidence that they were mailed late for a review of the Board of Control.

TOURNEY TICKET PRICES

Ticket prices for all Tourneys were reviewed in view of the probability that the Federal Congress will increase the tax on tickets prior to the Tourneys in 1944. It was decided to add the additional tax, if any, to the already printed prices of tickets. The Commissioner was instructed and authorized to inform all member schools and Tourney Center Principals of the new prices, if such are necessary according to law.

SELECTION OF OFFICIALS

The applications, recommendations, records and qualifications of officials were carefully considered and a sufficient number of officials contingent upon war conditions, was selected for the sectional, regional and semi-final tourneys, with the understanding that no information would be given out until the contracts are consummated. The Commissioner was authorized to negotiate contracts and to make adjustments in the selections, if conditions and information necessitate changes.

TOURNEY LIMIT DATE

The Commissioner was authorized to continue to give opinions to the effect that the section in the Constitution reading, "All Basketball Tourneys other than the State Tourneys shall be held prior to February 1 of each year" applies to student participation in High School Tourneys only for the calendar year 1944.

The Board adjourned to meet at 9:30 o'clock Friday morning, February 18, 1944.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., February 18, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

BASKETBALL TOURNEYS

1. The necessary transfer of schools as provided in the Tourney Bulletin were made.
2. The entry blanks were checked and none were considered late.
3. The assignment of officials to all Sectional Tourneys was made.
4. The drawings of the Sectional, Regional, Semi-Final and Final Tourneys were made by the Board of Control in the presence of representatives of the three Indianapolis papers and the three Press Associations in Indianapolis.
5. Officials, regular and reserve, for the Final Tourney were selected with the understanding that officials would not work if their own city had a team in the Final Tourney.

CENTERVILLE-FOUNTAIN CITY

James Ruby, a student at Centerville, was placed on probation in the I. H. S. A. A. for all of the present school year for his conduct in connection with a game at Fountain City December 17, 1943. The Board of Control thinks this case should have been reported earlier.

FRANCISCO

The Board was requested to determine the eligibility status of Robert McCandless. No decision was reached and the Commissioner was instructed to secure additional evidence.

SESONDARY SCHOOL ASSOCIATION

The Commissioner was authorized to assist this Association in holding their annual meeting in October, 1944 to the extent of Fifty Dollars.

SPRINGFIELD TWP. (BROOKVILLE)

Principal Landreth requested permission to place the name of James Kinnear on his sectional tourney entry blank. This boy changed high schools from Harrisburg to Springfield Twp. February 16, 1944. The request could not be granted because the date for changing entry blanks had passed.

VAN BUREN

Principal Hodson requested permission to substitute the names of three boys on his entry blank for three boys who had broken training rules recently. The request could not be granted because the date for changing entry blanks had passed.

The Board adjourned to meet at the I. H. S. A. A. office in the Coliseum immediately following the afternoon game, Saturday, March 18, 1944, with the understanding that the Commissioner, after consulting with the President, be authorized to call an emergency meeting.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., March 18, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

PRIZES AND AWARDS

It was decided to permit the Principal of the State winning basketball team to accept and give under his supervision to each of the members of the team one medal or award in addition to the trophies given by the I. H. S. A. A., provided this additional award is reasonable, and also, provided the I. H. S. A. A. is informed definitely regarding the award by the Principal.

It was also decided that the rules and regulations of the I. H. S. A. A. regarding prizes and awards should be followed as worded in connection with players and teams other than the State championship team.

POST-SEASON GAMES

It was unanimously decided that the long standing and firmly established rules and regulations of the I. H. S. A. A. prevent the playing of post-season games by players or teams in any basketball game, tourney or series of games for any purpose. It has been considered for years that high school students have played enough basketball during the regular season and during the tourneys arranged by the I. H. S. A. A. The best interests of the health welfare of the players and the educational welfare of the schools support this viewpoint.

AMATEUR RULE

A request to use a pitcher, a catcher and a batter from the Junior Baseball League to take part in the opening day ceremonies at Victory Field for the Indianapolis team and the opponent team of the American Association was carefully considered.

It was decided that these boys would not violate their amateur standing in the I. H. S. A. A. if they take part in the opening day ceremonies as outlined, provided they do not ally themselves with either professional team, and also, provided they do not wear the uniforms of either team.

OUT-OF-SEASON PLAYING

Some reports were considered and the topic was listed for additional consideration at the next meeting of the Board.

MEDAL FOR MENTAL ATTITUDE

The data cards signed by the Principal and Coach of each of the players on each of the four teams in the final basketball tourney were considered carefully. This information was given weight along with the opinion of the Board Members gained from observing the forty players in the afternoon games.

Walter McFatrige, of Kokomo, was the unanimous choice of the Board of Control unless his record in the evening game should be such as to change the selection. A poll of the Board members was taken toward the end of the winning game and the selection of the Board was affirmed as made.

The Board adjourned to meet at 10:00 o'clock Saturday, April 1, 1944.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., April 1, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

FINAL BASKETBALL TOURNEY

The ticket orders, ticket sales, ticket distributions, finances and other important matters concerning the State Final Basketball Tourney Saturday, March 18, were examined carefully and considered correct by the Board of Control. The records on file in the I. H. S. A. A. show the exact number of tickets printed, the names of the purchasers, the number of complimentary tickets given, the number of tickets on hand and the number of tickets sold. The cash book and the bank book show the deposits for the tickets sold. The reports will be kept on file for the observation of any interested party.

SECTIONAL, REGIONAL AND SEMI-FINAL TOURNEYS

The management officiating and financial reports of these Tourneys were checked and no reason was found to investigate any of these Tourneys in addition to the checking that has been done already. All reports are on file in the I. H. S. A. A.

TRACK MEETS

It was decided to hold the State Final Track Meet at Technical High School, Indianapolis, Saturday morning and afternoon, May 20, 1944. The invitations on file to hold Sectional Meets on Friday, May 12 or Saturday, May 13, were considered and 15 Sectional Centers were selected together with the schools assigned to these Centers. It was decided to charge no more than 30 cents admission including the tax for the Sectional and Final Meets. The financial and medal arrangements of last year were approved for 1944 and the Commissioner was authorized to complete all arrangements for the Meets.

OFFICE LEASE

The Commissioner was authorized to continue negotiations for the lease of the present office space of the I. H. S. A. A. and to report the results.

COLISEUM OPTION

The Commissioner reported that he had held a conference with the management of the Coliseum at the Fair Grounds regarding the holding of the State Basketball Tourney there Saturday, March 17, 1945, and that a definite statement would be offered by the Coliseum management soon.

FINANCES

The Commissioner gave information in detail about the finances of the I. H. S. A. A. and the finances of the Sectional, Regional, Semi-Final and Final Tourneys. The advisability of a distribution of money among the member schools on or before October 1, 1944, was discussed but final decisions were postponed until the next meeting.

ANDREWS-HUNTINGTON

Both Principals, both coaches and the father of Rex Meyers were present and gave evidence. County Superintendent Little had been invited but was not present.

The parents of Rex Meyers formerly lived in Dallas Township, Andrews, and the boy attended the Andrews High School. The boy entered the Huntington High School at the beginning of the school year last September and played football and basketball on the Huntington High School team.

Principal Austill, of Andrews, claimed that the parents did not actually change their place of residence from Dallas Twp. to Huntington. Principal Johnson and the parents claimed that this change of residence was made. There was no direct charge of the use of undue influence, although it was mentioned several times in the hearing.

Principal Austill, of Andrews, stated that a light was seen in the home of the Meyers family in Dallas Township several evenings last winter and that Mr. Meyers received his ration book at Andrews last fall. He also presented copies of Huntington newspapers that mentioned the probability that Rex Meyers would enter the Huntington High School. Mr. Meyers said that he and his wife did stay in his former home several nights last winter.

Principal Johnson, of Huntington, presented an affidavit signed by Mr. and Mrs. Meyers saying that they established residence in Huntington on September 6, 1943. Mrs. C. G. Thorn stated over her signature that she rented an apartment to Mr. and Mrs. Meyers in Huntington on September 6, 1943, and that this family was still occupying this apartment January 31, 1944.

Decision—It is the opinion of the Board of Control that, although there are some arguments on both sides of the question, Mr. and Mrs. Meyers did establish their residence in Huntington as far as the rules and regulations of the I. H. S. A. A. are concerned. Proof of undue influence was not presented.

The Board of Control also thinks that Principal Johnson should have checked this change of residence more carefully last fall in

Huntington and at Andrews before he used the boy in athletics. In addition, the Board of Control thinks that Principal Austill should not have waited to present this case until January 21, 1944, when he knew about it last fall.

The Board of Control reserves the right to re-open this case if there is evidence of the use of undue influence by Huntington in securing the boy as a student or his parents as residents of Huntington.

GARY (HORACE MANN)

This case was postponed by request until the next meeting of the Board and the Commissioner was instructed to invite Principal Trump to the next meeting with the understanding that he could bring with him persons who have evidence to present.

WAYNETOWN

Principal Ingersoll asked if Robert Snelling, who is not enrolled in high school, could make up work outside of high school to complete the work he had done between September 6 and November 29, 1943, when he withdrew from school. It was decided that this method of make-up work would be considered irregular and invalid in the I. H. S. A. A. to count towards eligibility in athletics.

BLOOMINGTON (UNIVERSITY HIGH SCHOOL)

Bruce Kinsey participated in a swimming meet held at the University by the A. A. U. Asst. Principal Davidson says that Coach Royer, of the University, called him several weeks ago about entering Bruce Kinsey in invitational meets and that he questioned the proposal at that time. The A. A. U. meet was not sanctioned for any high school students.

Decision—Bruce Kinsey considered ineligible for swimming for all of the present school year. The University High School is requested to check carefully in the future so that I. H. S. A. A. rules and regulations may not be violated in any way.

RULE BOOKS

The Commissioner was instructed to continue the practice of purchasing rule books in the several sports for free distribution among the schools and officials.

PURCHASE OF BONDS

The Commissioner reported that he had purchased U. S. 2½ per cent Treasury Bonds as follows:

March 16—\$20,000.00 par value.

March 24— 20,000.00 par value.

The meeting was adjourned to meet at 10:00 o'clock Saturday morning, April 29, 1944.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., April 29, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

GARY (HORACE MANN)

On February 7, 1944, Principal Trump reported by letter that they had just discovered that Bill Flynn had played in two basketball games under an assumed name as a member of the Holy Angel Team in the C. Y. O. League at the K. of C. Gymnasium in Gary on December 6, 1943, and January 19, 1944. Principal Trump said that he had declared the boy ineligible for basketball during the remainder of the season, and that he had sent letters to seven schools against whose teams the boy had played while ineligible. On the basis of Principal Trump's statements, the Commissioner told him that the boy made himself ineligible for all athletics for playing under an assumed name.

On February 21, Principal Trump requested a re-consideration of this case because they "had found upon further investigation that the use of the so-termed assumed name 'Shanty' was, in actuality, a nick-name often applied to him (Bill Flynn) by people outside the school."

Coach Keith Crown, Bill Flynn and Director Rocco V. Schiralli of the C. Y. O. in Gary presented evidence and answered questions. The testimony left no doubt at all that Bill Flynn did participate in the non-high school basketball games under the name of "Shanty" and also participated in high school games afterwards.

Decision—Bill Flynn considered ineligible for all high school athletics for the present school year after he participated on the high school team following his non-high school participation, and placed on probation in the I. H. S. A. A. until January 1, 1945. This boy came very close to making himself ineligible for all high school athletics for all time in the I. H. S. A. A. Benefit of the doubt regarding participation under an assumed name was given to the boy.

It is sincerely hoped that the school officials and the officials outside of school can work out cooperative relationships such that similar situations may not arise. The main situation confronting all of us is to provide athletic opportunities for many students, rather than provide duplicate opportunities for the same student.

MENTAL ATTITUDE MEDAL

On November 20, 1943, it was decided to continue the scheme of giving a medal for mental attitude to a player in the State Final Basketball Tourney, the medal to be purchased and given by the association. The I. H. S. A. A. purchased the medals in 1943 and 1944.

It was officially decided to call this medal "The I. H. S. A. A. Medal for Mental Attitude" in the future, and to purchase it and any similar prizes out of I. H. S. A. A. funds.

The Commissioner was instructed to send this information and action to the Trust Officer of the Bank of America in Los Angeles having the Trusteeship of Mr. Jake Gimbel, deceased.

COVINGTON

Supt. Sanford presented the case of Virgil Sweet who desires to play baseball this spring and summer on a team in the Illinois-Indiana League. The contract which the boy and the parent or guardian would be required to sign was studied carefully. The "Player Agreement" and the "Player Release" are formal, definite and binding with a penalty on the boy for a violation of the contract. The player and his parent or guardian are asked to "remit, release and forever discharge" the League from all right of action or damages on account of any injury. The only thing granted to the boy is that he will be a member of the "Williamsport Lions" unless he is released by the sponsor.

Decision—The Board of Control considers that such an arrangement and contract as indicated by the stipulations would be, if consummated, a violation of the spirit and purposes, if not the exact wording, of the rule in the I. H. S. A. A. reading as follows:

"A high school student shall be considered as violating his amateur standing who participates in athletic activities, schools, tryouts, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport."

KNOX

Principal Songer reported the case of Richard Barrett who entered the Knox High School from the Evanston Township (Illinois) High School about the middle of February.

The parents were divorced about two years ago and the boy lived with his father in the Y. M. C. A. in Evanston. The father was taken into the military service, and the boy moved to live with his grandmother in Knox.

Decision—Richard Barrett considered eligible for athletics in the Knox High School as far as the change of high schools from Evanston Twp. to Knox is concerned. The decision is based on the information given by Principal Songer and the grandmother.

OFFICE LEASE

The Commissioner was instructed and authorized to continue the lease of the present offices of the I. H. S. A. A. for three calendar years beginning May 1, 1944, at a monthly rental of \$180.00. This action was taken after consideration of the investigations of other rental locations in the city by the Commissioner.

I. H. S. A. A. MEMBERSHIP

The rules and regulations of the I. H. S. A. A. governing memberships were carefully considered and it was unanimously decided that the Board of Control had no authority to permit memberships or athletic contests not in strict compliance with these rules and regulations in the constitution of the association.

The fundamental consideration in this whole matter is the one of all members being required to accept membership on the basis of rules and regulations that are binding on all schools in like manner in order to assure fair competition to all schools and to all students.

GOLF PARTICIPATION

The participation of members of High School Golf teams in the Indianapolis District Golf Tournament and other similar tournaments before school closes was carefully considered.

It was decided that the present and past rules, policies and regulations of the I. H. S. A. A. permit participation by high school students in such tournaments if their high schools have closed for the school year, if the Golf Schedules in their high schools have been completed, or if their high schools have no golf team.

In these and similar athletic events, the I. H. S. A. A. has rules and regulations preventing competition by high school students for prizes such as merchandise, merchandise certificates, cash, bonds, stamps, etc. Suitable medals and trophies, having symbolic value only, may be accepted or designated as prizes in the competition.

MONEY SURPLUS DISTRIBUTION

It was decided to make a distribution of money according to the constitution on October 1, 1944. The Commissioner was instructed and authorized to make this distribution according to the following regulations:

1. The maximum amount apportioned to any school shall be Fifty dollars (\$50.00) on the basis of I. H. S. A. A. membership in 1944, and Fifty dollars (\$50.00) on the basis of sectional basketball tournament participation in 1944.
2. Memberships resulting in suspension during the year shall count as nonmemberships for the year in this distribution.
3. A Modified membership shall count as membership.
4. A combination or consolidation of two or more high schools shall count as one school only in this distribution. The one check for one share of money shall be sent to the Principal of the new or resulting high school.
5. A school must have been a member of the I. H. S. A. A. on or before October 1, 1944, in order to qualify, and a school must be a member on October 1, 1944, in order to receive any amount of money in this distribution.

6. The check shall be made out to the High School, sent to the High School Principal, and endorsed for the High School by the Principal and the regularly appointed Treasurer.

HOBART

Principal Aylesworth requested information about the athletic eligibility status of some boys, now completing their Junior year in high school, in case they are given the privilege of taking part in the High School graduation exercises this spring in the following way:

"These boys would sit on the platform with the graduates but they would not be given diplomas. Their names would not appear on the list of graduates but in a separate list and with the explanation that they would not be eligible to receive their diplomas until they had been inducted into the armed forces or had fully completed the requirements for graduation as outlined by the State Department. Furthermore, they could not actually graduate under the rules because they would not have met the state requirements. The point is that had no such recognition been given, they would normally graduate in 1945, without any question as to their eligibility next year."

Decision—The Board of Control finds itself unable to approve, from a school standpoint, the scheme and arrangements outlined by Principal Aylesworth, but it is the opinion of the Board that, technically speaking, there is no rule in the I. H. S. A. A. preventing the participation of the boys in question in the graduation exercises this spring when they are Juniors, according to the scheme and arrangements as outlined.

The Board has no desire to set a precedent in this decision. Similar cases will receive careful consideration as they may be presented. As usually understood by the public, participation by students in the graduating exercises at Commencement is considered very close to the graduation of the students so participating. The participation under consideration evidently was considered somewhat irregular from an athletic eligibility standpoint by the school officials of Hobart, else the question would not have been raised at all.

The Board adjourned to meet at 11:45 o'clock Saturday morning, May 20, in the Cafeteria at the Technical High School, Indianapolis.

MORRIS E. McCARTY, President,
ARTHUR L. TRESTER, Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., May 20, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

POST-SEASON BASKETBALL

Consideration was given to some situations in which high school seniors had participated in basketball games after the season had closed in their high schools. The evidence shows that with the possibility of one exception all schools had informed and warned their students about the rule in the I. H. S. A. A. against such playing.

The correspondence in the cases was ordered to be filed for future reference and it was decided that approved officials in the I. H. S. A. A. should be placed on probation for one calendar year if the evidence shows that they participate in such games with knowledge of the I. H. S. A. A. rule against such playing by high school students. Approved officials agree when they make application for approval to support the rules and regulations of the I. H. S. A. A. Principals are obligated to inform and warn their students.

KNIMAN (WHEATFIELD)

This case concerns the irregular endorsement of a distribution check for \$50.00 sent to the Principal of the Kniman High School last September. This high school failed to open for the school year of 1943-1944 but the I. H. S. A. A. did not have this information until the distribution checks were mailed to the member schools. The I. H. S. A. A. still retains its former opinion about the irregular endorsement, but the Commissioner was instructed and authorized to make the proper settlement with the Fletcher Trust Company of Indianapolis.

COVINGTON

This case concerns the request of Virgil Sweet of Covington to play baseball this spring and summer on a team in the "Illinois-Indiana League" or "The I. I. League" and still retain his eligibility in high school athletics.

The Board of Control considered this situation May 1, 1944, and stated that the arrangement and contract as set out would constitute, if consummated, a violation of the spirit and purpose, if not the exact wording, of the rule in the I. H. S. A. A. against the participation of high school students in athletic activities held or sponsored by professional athletic organizations, clubs or their representatives.

Superintendent Sanford wrote, after receiving the decision of the Board of May 1, 1944, that the Vice-President of the Illinois-Indiana League told the boy that they would waive the signing of a contract by him.

The case was reconsidered at length with all available information in evidence, and the former decision of the Board of Control was affirmed. The Board feels that the mere waiving of the printed contract would not change the arrangements outlined in the contract and in the Constitution of the Illinois-Indiana Baseball League both of which are on file and were studied in detail. The protection of the amateur standing of high school students so that there may be no

questions raised by anyone about their high school athletic participation is at the bottom of this consideration and decision. Superintendent Sanford did the right thing in requesting a decision about the case under consideration before the boy participated in the Illinois-Indiana Baseball League rather than after such participation.

A. A. U. TRACK MEET

Some questions had just arrived about the participation of high school students in this meet scheduled to be held at Muncie, Saturday, May 27, 1944. The Commissioner was instructed to secure definite information and to act on his findings, if possible, with the understanding that the protection of the athletic eligibility of high schools be considered paramount.

TELL CITY

Principal Lee asked in a letter about the participation of high school boys on the "Tell City Greys" which he called a semi-pro baseball team. The Commissioner had requested additional information on May 11, 1944, but it had not been received.

The Board authorized the Commissioner to decide this case, if possible, after a careful consideration of the additional information is received, keeping in mind the anti-pro participation rule in the I. H. S. A. A. and the considerations of the Board in similar cases.

PRIZES AND AWARDS

The Board affirmed former decisions and interpretations to the effect that the rules of the I. H. S. A. A. prevent the competition of high school students in athletics for prizes such as merchandise, merchandise certificates, bonds, cash and articles having intrinsic rather than symbolic value.

OFFICE LEASE

The lease of the present offices of the I. H. S. A. A. was considered and signed by the President. It begins May 1, 1944 and expires April 30, 1947, the monthly rental being \$180.00.

Consideration was given to the re-instatement of students, who violate their amateur standing, after one calendar year but no action was taken.

The Board adjourned to meet at 10:00 o'clock Saturday morning, June 10, 1944.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., June 10, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

RE-INSTATEMENT TO AMATEUR STANDING

The long standing policy of the Board of Control to the effect that once a high school student violates his amateur standing he is considered a professional and hence ineligible for future high school athletics in the I. H. S. A. A. was carefully considered and it was thought that an opportunity for re-instatement of a violator would serve all purposes in a better way.

The following regulation was unanimously passed:

"A high school student, who has violated his amateur standing according to the rules and regulations of the I. H. S. A. A. may apply to the I. H. S. A. A. Board of Control for reinstatement as an amateur in the association one calendar year after the date he was declared ineligible on account of the violation, provided he has been in school throughout the year.

The application shall be signed by the student and his high school principal and shall certify that one calendar year has elapsed since the student was declared ineligible and that the student has not violated his amateur standing during that calendar year."

TRACK MEET DATES AND EVENTS

It was decided to hold the Sectional Track Meets on Friday or Saturday, May 11 and 12, 1945, and the Final Track Meet on May 19, 1945.

Consideration was given to the advisability of holding the Broad Jump, Pole Vault, High Jump and Shot Put in one session in the afternoon in the State Final Track Meet, but no definite action was taken.

BASKETBALL TOURNEY SCHEDULES

Some consideration was given to the hours and sessions in these schedules for all tourneys. Copies of the schedules were furnished the Board Members for study so that final decisions could be made at a later meeting.

ANNUAL MEETING

The program of the Annual Meeting of the I. H. S. A. A. October 26, 1944 was discussed. Suggestions regarding speakers were made and the Commissioner was instructed to complete arrangements for the meeting.

PENSION SCHEME

The Board of Control had, at a former meeting, instructed its President to make an investigation regarding a pension scheme for the Commissioner of the I. H. S. A. A. President McCarty made an extended report. Consideration and discussion were given to the topic and to the financial and other details of different plans.

The Board of Control went on record unanimously to the effect that a pension scheme for the I. H. S. A. A. Commissioner be worked out soon and made effective. The President of the Board was instructed to continue his investigations by giving careful attention to the financial arrangements of a plan through an annuity purchased by the I. H. S. A. A. for a guaranteed income for the Commissioner, and to make a full report at the next meeting of the Board.

The meeting adjourned to meet at the home of President McCarty in Lafayette at ten o'clock, Saturday morning, August 12, 1944, with the understanding that the President and Commissioner could call a meeting earlier if thought necessary by them.

MORRIS E. McCARTY, President.

Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Lafayette, Ind., August 12, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel, J. L. Tierney and Commissioner Arthur L. Trester.

NON-HIGH SCHOOL PARTICIPATION

Extended discussion was given to the eligibility status of high school students who participate on athletic teams other than their own high school teams. The rules, regulations and policies of the I. H. S. A. A. and the Board of Control were considered in detail as they concern specific situations. It was decided to continue to enforce these rules, regulations and policies.

It was the opinion of the Board and Commissioner that considerable progress had been made in recent months in establishing the proper lines between professional athletics and high school athletics resulting in benefit to both types of activities.

PART-TIME TEACHERS WHO COACH

It was decided to continue the policy of granting permission to such teachers to coach athletic teams in cases where full-time teachers cannot be secured, provided the cases are presented to the I. H. S. A. A. for consideration and also provided such teachers have made the necessary arrangements with the State Department of Education regarding their qualifications.

BASKETBALL TOURNEY OFFICIALS

Consideration and discussion were given to the number and wages of these officials in all tourneys, but the topic was postponed until a later meeting when other tourney arrangements are being made.

"ALL-STAR" GAME PARTICIPATION

It was thought that Section 22, Article VIII in the I. H. S. A. A. Constitution covers this matter in an excellent way with the possible

exception in definite wording to cover the participation of high school students as individuals.

The Board of Control made the following interpretation of the section under consideration:

"It shall be understood and so considered in cases coming under Section 22, Article VIII that it prevents the individual participation of high school students in 'All-Star' athletic games."

It was decided to recommend to the Athletic Council that this interpretation and temporary regulation be incorporated in Section 22, Article VIII by inserting the word "playing" between the words "player selection" and "coaching" in the section.

BLOOMINGTON (UNIVERSITY SCHOOL)

On April 3, 1944, the Board of Control declared Bruce Kinsey ineligible for swimming for all of the school year 1943-1944 on account of his participation in a swimming meet held at Indiana University by the A. A. U.

Director Moore of the University School recently requested an opinion regarding the eligibility status of this boy in case he participates in the National A. A. U. swimming contest the latter part of the present month.

The Board of Control decided that Bruce Kinsey would make himself ineligible for swimming in high school for all of the school year 1944-1945 by participation in this meet, and that he would endanger his eligibility status further if he should violate his amateur standing according to I. H. S. A. A. rules.

ANNUITY

On June 10, 1944, the Board of Control considered and discussed a report of their President who had been instructed at an earlier meeting to make an investigation regarding a pension scheme for the Commissioner of the I. H. S. A. A. The Board went on record at that time to the effect that a pension scheme be worked out soon and made effective. The President was instructed to continue his investigations by giving careful attention to the financial arrangements of a plan through an annuity purchased by the I. H. S. A. A. for a guaranteed income for the Commissioner and to make a full report at the next meeting of the Board.

President McCarty made a full report regarding his investigations, and all points were carefully considered and discussed. The Board of Control unanimously passed a motion that President McCarty, acting for the Board of Control, sign an application and purchase soon out of I. H. S. A. A. funds for Commissioner Arthur L. Trester a single Premium Annuity Policy of the Indianapolis Life Insurance Company in an amount, approximately \$10,724.00, sufficient to provide at least \$80.00 per month for the said annuitant. The age of 70 was set for the determination of the amount of the single premium.

The Board also decided to study provisions for a pension scheme for future Commissioners and to make recommendations to the Athletic Council regarding the whole matter.

ENTERTAINMENT

A formal vote of thanks and appreciation was unanimously passed for the welcome and entertainment extended by President McCarty and his good wife to the Board members, Commissioner and their wives. Congenial hospitality was the order of the day. The Commissioner was instructed to send a letter of appreciation to Mrs. McCarty for a good chicken dinner and an enjoyable day in her home.

The Board adjourned to meet at ten o'clock, Saturday morning, November 25, 1944, in the Union Building, Purdue University, and at ten o'clock Saturday morning, September 16, 1944, in the I. H. S. A. A. office.

MORRIS E. McCARTY, President.
Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., September 21, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel and J. L. Tierney.

The members of the Board of Control opened the meeting by standing in a moment of silent tribute to Mr. Trester.

SWEETSER

The Board of Control was asked to determine the eligibility status of Robert Biggs in Sweetser High School. Robert Biggs had entered Jefferson High School in Lafayette in January, 1943, but later in that year was sent to White's Institute. After the completion of one year in White's Institute he was placed in the home of a farmer in Sweetser.

Decision—Robert Biggs will be eligible for athletics in Sweetser High School after the satisfactory completion of one semester in this school. The work completed at White's Institute was not of a high school level, and the work done in Jefferson High School at Lafayette was incomplete. The change of residence rule does not apply in this case due to a court order in the change of residence.

ACTING COMMISSIONER

The Board of Control unanimously passed a motion that President McCarty sign all correspondence, checks, etc., in the absence of a Commissioner and until a Commissioner is selected.

The following Resolution was unanimously adopted:

"RESOLVED, that Morris E. McCarty, President of the Board of Control, temporarily serve as Acting Commissioner of the In-

diana High School Athletic Association and be hereby entitled to sign all checks, correspondence and conduct such other duties as are normally conducted by the Commissioner."

JULIUS PINNELL

Principal Poer had written to Mr. Trester inquiring about the eligibility status of Lyle Edenburn whose parents are separated. The boy lived in Anderson with his father last year and attended school there, but this year he has come to live with his mother in Lebanon. Mr. Trester wrote Principal Poer that the change of high school rule would be binding in this case. However, Principal Poer felt that perhaps all the facts had not been presented clearly and he requested a reconsideration of the case.

Decision—The Board of Control discussed this case and decided that the answer given to Principal Poer by Mr. Trester was correct.

HUNTINGBURG

Principal Loehr had written to Mr. Trester regarding the eligibility status of Russell Springston, Jr., who came to Huntingburg from Tennyson. His parents had been divorced and he had made his home with his grandparents in Tennyson. Last fall his mother was re-married and moved to Huntingburg. Russell remained with his grandparents in Tennyson. However, in April, 1944, his grandmother died and at that time Russell came to Huntingburg to live with his mother.

Mr. Trester wrote Principal Loehr that the change of high school rule would be binding in this case. If the boy had changed high schools from Tennyson to Huntingburg at the time his mother married and moved to Huntingburg, he would have been as eligible there as he was in Tennyson. However, he remained in Tennyson and attended the Tennyson High School both semesters of last school year.

Principal Loehr wrote the I. H. S. A. A. office again with further information about this case and it was considered by the Board of Control.

Decision—The Board of Control affirmed the decision of Mr. Trester. Russell Springston, Jr., will be eligible for athletics in Huntingburg High School after one calendar year has elapsed.

Representatives from the local newspapers and press associations were called to the I. H. S. A. A. office to discuss with the Board of Control the problems involved in the selection of a Commissioner.

The meeting adjourned to meet at 10:00 o'clock Saturday morning, October 7, 1944.

MORRIS E. McCARTY, President and Acting Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., October 7, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel and J. L. Tierney.

The kind and generous letter from Mrs. Trester was received and placed on file. The Board of Control decided to reply to Mrs. Trester by sending her the October Bulletin. This Bulletin contained the latest writings of Mr. Trester.

The following Resolution was unanimously adopted by the Board of Control:

"WHEREAS, Arthur L. Trester, through his brilliant and faithful service for many years as commissioner of the Indiana High School Athletic Association, has endeared him to all who knew him and whose devotion to duty and sympathetic understanding of the complexities of life has contributed immeasurably to the advancement of high school athletics, and

WHEREAS, his untimely death has not only interrupted a brilliant career of public service but has brought about irreparable loss to the people of the State of Indiana,

NOW, THEREFORE, BE IT RESOLVED, by the Board of Control of the Indiana High School Athletic Association that we acknowledge by these resolutions our high regard for this distinguished public servant; the loss which his demise has brought to all who knew him, and our deep sympathy for his family, his associates and his many friends."

The Board of Control considered and discussed a time calendar to be used in examining the applications for commissioner of the I. H. S. A. A. The following calendar was accepted:

Wednesday, October 25, 10:00 A. M.—Agreement upon one, two, three or more applicants for a further and a later consideration by Board.

Friday, October 27—Interviews of previously selected candidates by Board after I. H. S. A. A. office summons them. Possible selection of additional candidates.

November 4 or 25—A cooling and thinking period—important. Formal selection of a commissioner. In case council changes its athletic set-up, Board can be so governed.

Release of nominee from his present position—I. H. S. A. A. office notification. Ready to assume duties during holiday period and officially begin contract January 1, 1945.

PROPOSAL

It was decided to propose and submit to the Athletic Council an amendment to the I. H. S. A. A. Constitution for approval at the

Council's October meeting. This amendment would permit the Board of Control to appoint an assistant to the commissioner.

The meeting adjourned to meet at 10:00 o'clock Wednesday morning, October 25, 1944.

MORRIS E. McCARTY, President and Acting Commissioner.

I. H. S. A. A. BOARD OF CONTROL MEETING

Indianapolis, Ind., October 25, 1944.

Present: President Morris E. McCarty, Floyd A. Hines, C. D. Manhart, Donald Reel and J. L. Tierney.

The minutes of the meeting on October 7, 1944, were corrected to read "November 4 to 25" instead of "November 4 or 25" as stated in the time calendar to be used in examining the applications for commissioner of the I. H. S. A. A.

The Board had before it a list of nineteen applications for commissioner of the I. H. S. A. A. These names had been submitted by themselves or their friends. Other names had been submitted by the Board members.

HAMMOND

Principal R. B. Miller of George Rogers Clark High School had asked permission for his school basketball team to participate in the Basketball Tourney at Waukegan, Illinois, on January 1, 1945.

Decision—The Board of Control affirmed former decisions to abide by the rules of the National Federation of High School Athletic Associations prohibiting inter-state tourneys.

Requests for the holding of meets in wrestling and swimming were received by the Board of Control. These requests were referred to New Rules in Bulletin No. 5, issued April 10, 1944, which gives the following rule passed by the Athletic Council on December 18, 1943:

"Meets in Tennis, Golf, Swimming and Wrestling shall be limited to Invitational Meets held and sponsored by a member school or member schools of the I. H. S. A. A."

Eleven members of the Indiana Secondary Schools Principals' Association (officers and executive committee) met with the Board of Control and spoke to the Board urging the I. H. S. A. A. to look forward to the time when complete control of all high school activities would be placed under one management.

Problems discussed were securing approval of principals and member schools, making constitutional changes in the I. H. S. A. A. administration, fees, memberships, activities, contests, advantages and disadvantages of centralized and unified control and methods which the Principals' Association might use in publicizing such a program. It was felt that the responsibility for such publicity work should rest with the Principals' Association.

Secondary Principals appearing before the Board were Connor Salm, Madison; R. D. Shaffer, Muncie; John M. French, LaPorte; Alden Reynolds, Carthage; R. F. Robinson, Washington School of East Chicago; Harry Wampler, Washington; Loren Chastain, Columbus; R. J. Miller, Sheridan; C. W. Sharpe, Howe School of Indianapolis; R. H. Rayburn, Ambia, and R. J. Wershing, Paragon.

The meeting adjourned to meet at 10:00 o'clock Saturday morning, November 18, 1944.

MORRIS E. McCARTY, President and Acting Commissioner.

The following rule was passed by unanimous vote of the Council:

Section 3. No games shall be played without the sanction of the Principal.

Section 4. The eligibility of all contestants shall be certified to by the Principal of the school in accordance with the rules hereby adopted. Such statements shall be presented in writing within ten days before any contest. In case of disputes the Principal must furnish the Board of Control the following data in regard to each contestant: The date secondary school athletic team; date and place of

birth; average mark of last enrollment; the number of years he has been a member of a school in each study for the last preceding semester in school; average mark in each study from the beginning of the current term and semester. A school which does not furnish this data shall be denied championship honors, and may be excluded from all games, tourneys and meets.

Section 5. The Principal has power and is advised to exclude any contestant who, because of bad habits or improper conduct, would not represent his school in a becoming manner.

Section 6. It is recommended that principals, in arranging for games, provide a forfeit of \$10.00 to be exacted should there be a failure on the part of either party to carry out the arrangements made. Should such forfeitures be stipulated and not be paid during the same season, the Board of Control, after hearing both sides, shall have authority to expel the delinquent school from the association. Notification of such expulsion shall be published in the papers with cause therefor.

Interpretation—

(a) It is recommended that Principals take the proper measures to control the crowd and the players at all contests. Failure to do so shall be considered sufficient reason for suspension from the association.

(b) Visiting schools shall be held responsible for the conduct of visitors from their home city regardless of the place of the contest.

(c) As the Principal is the responsible party in High School athletics, it is recommended that he carry on all correspondence with the Board of Control and the Commissioner.

(d) The Principal of each school or a teacher in his school delegated by him in writing shall represent such school at all meetings of the Association.

(e) Mutual agreements to violate the rules of this association shall result in suspension of all schools concerned.

ARTICLE V COACHES

Section 1. **Paid Coaches**, other than those regularly employed as teachers by the trustees of the school, are prohibited. The expression "Paid Coach" refers to any person who receives, directly or indirectly, remuneration of any kind—money, traveling expenses, gifts, etc., in return for services rendered in instructing or coaching any High School athletic team.

Section 2. No High School shall be permitted to employ a coach or athletic director who receives any extra pay, salary, gifts, trophies, trips or presents from any outside sources.

Section 3. The Board of Control shall drop from the approved list of officials any persons who are palpably unfair and incompetent in their officiating or who do not serve the ideals and policies of the I. H. S. A. A. Disbarment cards shall be given to such officials and their names shall be published in the Bulletins of the Association.

ARTICLE VII CONTESTS

Section 1. All inter-school athletic contests shall be subject to the rules of the I. H. S. A. A. and the Board of Control.

Interpretation—

Schools may have as many teams in the same sport as they desire, and all rules apply to all teams and all individuals on all teams.

Section 2. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S. A. A. must be held under the direct supervision, management and auspices of the High Schools concerned or under the direct supervision, management and auspices of the I. H. S. A. A.

Section 3. Meets in Tennis, Golf, Swimming and Wrestling shall be limited to Invitational Meets held and sponsored by a member school or member schools of the I. H. S. A. A.

(Note—These Sections apply to games, meets, tourneys and inter-school athletic contests within and without the state.)

ARTICLE VIII RULES FOR CONTESTS

Section 1. N. C. A. A. Official Football Rules shall govern in football. (National Federation's Six-man Football Rules shall govern.)

Section 2. National Committee's Official Basketball Rules shall govern in basketball.

Note—Rule 1, Section 4 in the Official Basketball Rules for 1933-1934 was changed to read as follows by the Athletic Council on December 16, 1933, and it was voted that the change should go into effect upon information being extended to the Principals:

"The court shall be divided into two parts by extending the diameter of the center circle in both directions until it intersects the side lines; except, that, if the court is less than 80 feet long, it shall be divided by drawing two lines parallel to the end lines, each 40 feet from the farther line. If, however, this would cause these lines to be inside the free throw lines, the court shall be divided by extending the free throw lines until they intersect the side lines. These lines shall be painted in the same color. The line (or lines) described in this section shall be termed the Division Line."

Section 3. N. C. A. A. Track and Field Rules shall govern with the following exceptions:

a. Rule 2, regarding a Games Committee shall be void.

b. Scoring:

Three places shall be counted in all meets except the state final meet and the places shall count 5, 3 and 1. In the 1924 annual meeting it was voted to score as follows in the state final meet: First, 5 points; second, 4 points; third, 3 points; fourth, 2 points; and fifth, 1 point. Places in the relay races may count for points. In case of a tie in any event the points shall be divided and the place awarded by lot.

c. Events:

The events in all meets shall be 100 yard dash; 220 yard dash; 440 yard dash; half-mile run; mile run; 120 yard high hurdle; 200 yard low hurdle; running high jump; running broad jump; pole vault; putting 12-lb. shot; mile relay and half-mile relay.

Section 4. The Official Basketball Rules for Women shall govern girls' games with the following exceptions:

a. The three-court plan shall be used unless there is mutual agreement to use the two-court plan.

b. Under no conditions may girls play basketball according to boys' rules.

Section 5. The Official Rules in Baseball shall govern in baseball.

Interpretation—

The baseball season is defined as beginning and ending with the school year.

Section 6. No inter-school basketball games shall be played by students or schools prior to November 1 of each year or after the beginning date of the sectional tourneys of the State Basketball Championship Series each year, except by such students and such schools as are participants in the tourneys of the State Basketball Championship Series; and the close of the basketball season for these students and schools shall be not later in any event than the date of the Final Tourney or not later than the elimination of the school in one of these tourneys if earlier than this final tourney date. (The penalty is suspension.)

Section 7. The maximum number of games for the regular schedule of any team or any player in basketball shall be eighteen. (The penalty is suspension.)

Section 8. Teams and players may play in two basketball tourneys in addition to the tourneys of the State Basketball Championship Series and in addition to the eighteen games on the regular schedule, provided the games in one of these "two tourneys" shall be counted in the eighteen games permitted for the regular schedule of a team or player. (The penalty is suspension.)

Section 9. All basketball practices by players or teams shall be limited to the period beginning with the opening day of the school year and ending with the close of the school year.

Section 10. There shall be ten days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in a game in basketball.

The penalty to a school for playing football after November 30 of any year shall be suspension, and the penalty for a student so playing shall be ineligibility for all inter-school athletics until March 1 of the following year.

Section 13. All football practices by players or teams shall be limited to the period beginning August 20 and ending June 1 of each school year.

Section 14. Football practices shall be held on the regular practice or play field and under the direct supervision of the high school coaching staff.

Section 15. There shall be ten days of organized practice under the direct supervision of the high school coaching staff by each player preceding participation in a game of football.

Section 16. The maximum number of inter-school games for any player or any team in football shall be ten.

Section 17. No games may be played prior to the opening of the school year in the fall.

(Note—This section refers to inter-school games and the opening of school as here used is defined as the first day of regular class room instruction.)

Section 18. There shall be no inter-school athletic contests played on Sunday.

Section 19. No games shall be played with public high schools of this State not belonging to this association. This rule does not prevent a member of the association from playing high schools outside of the State nor from playing non-high school teams within the State, provided all players on the I. H. S. A. A. teams are eligible in every way and also provided there are no public high school students of Indiana on the opposing teams. No athletic contest shall be held with any high school of another state that is not a member in good standing of its State High School Athletic Association, if eligible for membership.

Section 20. The I. H. S. A. A. deprecates the action of anyone withdrawing a team from an athletic contest. Such action will jeopardize the standing of the school taking such action in the I. H. S. A. A.

Section 21. A high school shall not be considered eligible to enter a sectional basketball tourney in the I. H. S. A. A. in any year unless the team representing the high school has played eight (8) inter-scholastic games during that season.

Section 22. Participation, directly or indirectly, in the officiating, management, supervision, player selection, coaching or promotion of all-star high school teams, high school championship teams or similar teams in contests in any sport, having or not having definite seasons in the I. H. S. A. A., unless under the supervision and auspices of the I. H. S. A. A. by member schools, by their school officials or by their teachers, shall be considered a violation of the spirit and purpose, if not the actual wording of these rules and regulations; and schools violating the spirit, purpose or wording of these rules and regulations as indicated herein shall cause their school to be suspended from the I. H. S. A. A. for such length of time as the I. H. S. A. A. Board of Control deems advisable. Approved officials shall be suspended for promoting or officiating in such contests.

Interpretation—

It shall be understood and so considered that this rule prevents the individual participation of high school students in All-Star Games.

Section 23. Boys and girls shall not be permitted to participate in inter-school athletic games as mixed teams, nor shall boys' teams and girls' teams participate against each other in inter-school athletic games.

ARTICLE IX ELIGIBILITY RULES

Scholarship

Section 1. Each contestant must have and be maintaining for the current semester, a passing grade in each of three or more studies requiring a minimum of fifteen regular High School recitations per week, exclusive of rhetorical, physical training, military drill and deportment; in his last preceding semester in school he must also have met the same requirements throughout the entire semester.

Interpretation—

The part of Section 1, Article IX, under Scholarship in the I. H. S. A. A. Constitution reading, "—a passing grade in each of three or more studies requiring a minimum of fifteen regular high school recitations per week" is interpreted to mean—"a passing grade in each of three regular high school subjects having a full semester credit value and for which a full semester credit is given." The combination of two subjects, not excluded in this Section in the Constitution, whose total credit value is equal to one full semester credit, may be counted toward eligibility for one and only one of the three regular high school subjects of full semester credit value, provided the two combined subjects remain the same subjects throughout the semester in which they are counted."

Section 2. Students enrolled for the first time must comply with the requirements of the rules, the average standing required for the preceding semester being obtained from the records in the last secondary school attended.

Section 3. Back work may be made up, provided that it is done in accordance with the regular rules of the school and becomes a matter of final record before the opening day of the next semester.

Interpretations—

(a) In each of the studies representing the minimum requirement of work specified above, the following shall govern: (a) For the current semester the average of the period grades up to the time of certification must be passing; (b) For the current or school grading period the average of the daily or weekly grades must be passing; (c) If the average of the period grades at the beginning of any grading period is below passing in any study, the pupil is ineligible as far as that study is concerned for the entire grading period.

(b) For athletic purposes the record at the end of a semester shall be final. Deficiencies in one semester can not be made up in a subsequent semester for qualification purposes during that semester. An incomplete or condition at the end of a grading period or semester counts as a failure. Back work may be made

up and counted toward eligibility during the summer provided it is done and becomes a matter of final record prior to the opening day of the next semester.

(See Questions and Answers under Summer School Work.)

(c) By passing work is meant work of such character that credit should be entered on the school records were credit given at the time of certification.

(d) Any student who carries at least 15 hours of regular High School work is a High School student, provided such a student has been promoted to High School in the regular way and according to good school procedure.

Enrollment

Section 1. No student, who has been enrolled as a High School student in any High School, shall be permitted to participate in any inter-high school contest as a member of another high school until he has been enrolled in such high school for one calendar year, unless the parents of such student actually change their residence to the second school district. In the latter case, the student will be as eligible as he was in the school from which he withdrew.

Interpretation—

- (a) A student enrolled in one High School of a City or School corporation shall not be eligible in another High School of the same city or school corporation until he has been enrolled in the other High School for one calendar year, unless there are definitely marked school districts and his parents actually change their residence to the new school district.
- (b) Students finishing the courses offered in high schools maintaining less than four years of High School work are not bound by this section.
- (c) The fact that a transfer has or has not been issued or that the student pays or does not pay his tuition, has no bearing on this section. (See undue influence rule.)

Section 2. No person, who has been enrolled as a student in an institution of college standing, and has done work which may be counted toward a degree in that institution, shall be eligible as a member of any athletic team under I. H. S. A. A. rules in any game with any other team, either within or without the State of Indiana.

Section 3.

a. Any student, who has been enrolled twenty (20) or more days between September 1 and December 1 for four times, shall be ineligible for football.

b. Any student, who has been enrolled twenty (20) or more days between December 1 and March 1 for four times shall be ineligible

for basketball, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game during this semester, shall not be ineligible for basketball until he has been enrolled thereafter twenty (20) or more days between December 1 and March 1 for four times.

c. Any student, who has been enrolled twenty (20) or more days between March 1 and June 1 for four times, shall be ineligible for baseball and track, except a student who entered high school for the first time during the second semester of a school year and who did not participate in any game or meet during this second semester shall not be ineligible for baseball and track until he has been enrolled thereafter twenty (20) or more days between March 1 and June 1 for four times.

Section 4. A student withdrawing permanently from school within the first twenty days of a semester shall not be regarded as having an opportunity to engage in athletics that semester unless he has already played in one or more inter-scholastic games, in which case he shall be regarded as having engaged in athletics for that season.

Section 5. The eligibility rules of this association shall apply to students taking part in all contests, whether with schools inside or outside of the State of Indiana.

Section 6. In order to be eligible for athletic competition during any semester a student must have entered some High School within the first twenty school days of the semester in which the contest occurs.

Interpretation—

Students, whose parents change their place of residence during a semester, may complete the semester in the school in which they have been enrolled, then enter the new school in the district in which their parents reside with eligibility in each school during enrollment therein.

Participation

Section 1. Any student of a High School who participates in an athletic contest as a member of any other similar team the same season, shall be ineligible to compete under these rules for the remainder of that season.

Section 2. A student, who has played in one or more inter-scholastic games in any season shall be regarded as having engaged in athletics for that season.

Parents and Physicians' Certificates

Section 1.

a. A student who practices for any interscholastic athletic contest shall have on file in the Principal's office for each school year a certificate of physical fitness and a certificate giving the written

consent of the father, mother or guardian for such athletic participation. The physical examination shall be made prior to the student's first practice for any interscholastic athletic contest by a regularly licensed physician (M.D.).

b. Previous to the student's first practice, the Principal shall certify to the I. H. S. A. A. that the certificates required herein are on file in his office.

Section 2. A student properly certified to participate in interscholastic athletic activities, who is absent from school for five consecutive days due to illness or injury, must present to his Principal a statement from a regularly licensed physician (M.D.) that he is again physically fit to participate in interscholastic athletics.

Remuneration

Section 1. No High School student shall be eligible to participate in any inter-school contest under the rules of the Indiana High School Athletic Association, if it shall be shown that he or any member of his family is receiving any remuneration, either directly or indirectly, to influence him or his family to reside in a given school district in order to establish eligibility on the team of said school, and any school permitting such participation shall, upon satisfactory evidence, submitted to the State High School Board of Control, be suspended by them from membership in the I. H. S. A. A. for a term of not less than one year. This rule shall not interfere with the right of High School pupils to work during vacation or during out of school hours in order to earn their way through High School. It shall apply to the use of any funds created by gift or by subscription with the intent of offering them or parts of them for the free use of the player or any member of his family as an inducement to get them to change their residence to the district of the said school and to maintain residence therein.

Undue Influence Rule

Section 1. The use of undue influence by any person or persons to secure or to retain a student or to secure or to retain one or both of the parents or guardians of a student as residents, may cause the student to be ineligible for High School athletics for a period subject to the determination of the Board of Control and shall jeopardize the standing of the High School in the I. H. S. A. A.

Interpretation: The undue influence rule is applicable to the retention of a student as well as to the securing of a student.

Post Graduates

Section 1. Post graduates are not eligible but students graduating from regular courses of less than four years in length shall not be deemed post graduates.

Section 2. A student is a post graduate of a High School when he has completed the work required for graduation by that school and

has received his diploma provided the school offers four years of work.

Section 3. Students meeting requirements for graduation in three and one-half years in a High School with a regular four-year course shall be eligible to participate in school athletics the last half of the fourth year, provided they meet all other eligibility rules of the I. H. S. A. A.

Age

Section 1. Students shall be ineligible for any athletic competition upon reaching twenty years of age.

Amateurism

Section 1. All contestants in the I. H. S. A. A. must be amateurs.

Section 2. Professionalism is defined in the I. H. S. A. A. as accepting remuneration, directly or indirectly, for playing on athletic teams, for officiating in athletic games or for managing athletic teams; or playing, officiating or managing under assumed names. Reasonable meals, lodging and transportation may be accepted, if accepted in service and not in any other way.

Section 3. A high school student shall be considered as violating his amateur standing who participates in athletic activities, schools, try-outs, practices and games held or sponsored by professional athletic organizations, clubs, or their representatives during the season of a sport or between the seasons of a sport.

Conduct

Section 1. Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible.

Married Students

Section 1. Married students shall not be eligible for participation in inter-school athletic competition.

(Note—Students who have been divorced or whose marriages have been annulled are bound by this rule.)

ARTICLE X

Injunction Suits

The Athletic Council deplors the action of any individual or individuals in resorting to court action in seeking redress in High School athletic difficulties in the I. H. S. A. A. and unanimously decides that the Board of Control should secure legal advice and fight such cases through the Supreme Court of Indiana if deemed necessary.

ARTICLE XI

Prizes and Awards

Section 1. Only one sweater, jersey, jacket, blanket or similar article may be given in each sport to a high school student for participation in athletics in high school.

Section 2. The giving and receiving of prizes, awards, gifts and articles shall be kept within reasonable bounds and such as are given or received shall have symbolic value only.

Section 3. The giving and receiving of prizes, awards, gifts and articles shall be done by and with the consent and under the supervision of the high school principals concerned.

Interpretations—

(a) "One award such as a metal football, metal basketball, metal track shoe or similar article may be given in lieu of but not in addition to the one award permitted in section one, provided the cost of the award shall not be more than the cost of the award in section one. Athletic insignia, emblems and tokens of athletic achievement may be given and received."

(b) "The word 'reasonable' shall be understood to mean 'sound', 'sane', 'sensible', 'moderate', 'proper' or 'fitting' as these words apply to good school procedure."

(c) "The word 'symbolic' shall be understood to refer to a symbol, an emblem, or a token rather than to an article having intrinsic value. A diamond ring, a gold watch, an automobile or similar awards do not fall under the term 'symbolic' even if the award is duly inscribed. An inscription cannot validate such awards in the I. H. S. A. A."

(d) "The giving and receiving of awards by and with the consent and under the supervision of the high school principals concerned shall mean that the high school principal in each school shall have real control and supervision without pressure of any kind from outside persons or groups of persons."

(e) "Individual or group action in securing contributions by solicitation or in securing funds for the purchase of awards by such means as dances, shows, entertainments, sale of refreshments, etc., will be considered a violation of these sections."

(f) "The Board of Control shall have the authority to designate, give and control the medals and trophies to be given to the schools and to the individuals on state championship teams in any sport with the understanding that these be kept within reasonable bounds and confined to those having symbolic value."

(g) "Prizes, awards, gifts, medals, recognitions and honors shall not be accepted by players or schools from colleges, univer-

sities and higher institutions of learning or their alumni, the argument being that high school athletes should be permitted to complete their high school careers without being molested by outside sources."

ARTICLE XII

Finances

Section 1. There shall be the accumulation and establishment of an adequate working balance in the I. H. S. A. A. treasury, this amount to be established and maintained as a guarantee that existing obligations will be met; that expansions in the program of service may be made if thought desirable; and that any emergencies in the future may be solved.

Section 2. There shall be a distribution on an equitable basis among the High Schools in the I. H. S. A. A. membership of the amounts accumulated above the adequate working balance and above the amount legitimately necessary for the running expenses of the I. H. S. A. A., these distributions to be made on October 1, 1932, and on October 1 of and for each three-year period thereafter.

Section 3. There is granted power and authority to the I. H. S. A. A. Board of Control to make the financial adjustments in contracts for inter-scholastic games, tourneys, meets and athletic contests that are deemed necessary through the years and to administer, execute and control all receipts, expenditures and holding of moneys in connection with the I. H. S. A. A.

ARTICLE XIII

Definition of Game

Section 1. Participation of students in an athletic contest with or against players not belonging to their high school constitutes a game. A "scrimmage" by students with or against teams or players not belonging to their high school is considered a game.

QUESTIONS AND ANSWERS REGARDING THE RULES, REGULATIONS, INTERPRETATIONS AND STANDARDS OF I. H. S. A. A.

In order that the rules and regulations of the I. H. S. A. A. may be as clear as possible, it has been thought advisable to print for general distribution these questions and answers. The correspondence of the I. H. S. A. A. has been gone over carefully and has furnished these questions and answers almost entirely. The questions are real ones, as they have been asked by High School principals, coaches, superintendents, teachers and school board members, who are on the firing lines in their respective communities and schools. **The answers**

have been given according to the rules of the association and the interpretations of the several Boards of Control. It is hoped that these statements will clarify our rules and regulations, as well as establish working ideals and policies for the I. H. S. A. A.

If the parents do not actually change their place of residence to the new school district, the students will be eligible after they have been enrolled one calendar year in the new school, provided no undue

* * * *

Wherever and whenever in the I. H. S. A. A. membership the conditions are found to be such that the High School Principal is not the administrative head in name and in fact of the inter-school athletic activities of the high school and of the students in the high school, the Board of Control will consider that the member school has broken its agreement with the I. H. S. A. A. and has in fact removed itself from the membership in the Association.

The I. H. S. A. A. Board of Control will assess at its discretion, after a careful investigation has been made, the penalties deemed necessary in all cases in which it is found that the High School Principal is not the administrative head, in name and in fact, of the inter-school athletic activities of the high school and of the students in the high school. JUNIOR AND SENIOR HIGH SCHOOL TEAMS AND PLAYERS

I. Junior and Senior High School Athletic Regulations

(These regulations were in force prior to the provision made in 1938 by the Athletic Council for modified memberships and they are still in force for schools and school systems having no modified memberships).

1. The Indiana High School Athletic Association covers the students (boys and girls) in the 9th, 10th, 11th and 12th years of school work.

2. The High School Principal in any high school belonging to the I. H. S. A. A. is considered the responsible party in athletics as far as the I. H. S. A. A. is concerned.

3. The I. H. S. A. A. considers it the duty and responsibility of the Senior High School Principal or Principals to extend the rules and regulations of the I. H. S. A. A., with such explanations as may be necessary to all Principals in the school system having 9th grade students enrolled and whose schools do not belong to the I. H. S. A. A.

4. A High School student is one who carries at least 15 hours of regular High School work, provided such a student has been promoted to the High School in the regular way and according to good school procedure.

5. The I. H. S. A. A. requests Principals having 9th grade students enrolled to confer and co-operate with the Senior High School Principal or Principals regarding the participation of 9th grade students in inter-school athletics.

6. The I. H. S. A. A. does not attempt to determine or classify Junior High Schools and Senior High Schools. The State Organization is interested in the athletic activities of the 9th, 10th, 11th and 12th year students in inter-school games and contests.

7. A 9th grade student, in whatever type of school enrolled, is subject to the rules and regulations of the I. H. S. A. A. when participating in inter-school athletics.

8. A 9th grade student may participate on the Junior High School team or on the Senior High School team in a sport during the season, but he can not participate on both teams in a sport during the season.

9. A ninth grade student may participate on a team made up of 7th, 8th and 9th grade students, or on a team made up of 8th and 9th grade students, and these teams may play against similar teams from other schools provided the games are under the supervision of the responsible Principals. This statement covers only those 9th grade students enrolled in high schools not belonging to the I. H. S. A. A.

10. Students below the 9th grade are never eligible for high school teams whose schools are members.

11. The I. H. S. A. A. has no jurisdiction over students below the 9th grade.

12. The I. H. S. A. A. believes that 9th grade students belong in athletics to the schools, Junior or Senior, in which they are enrolled, but the above regulations have been made to meet the many situations presented by the several school arrangements in the state causing the 9th year student to be enrolled in 8-4, 6-6, 6-3-3, 6-2-4, etc., schemes.

13. The I. H. S. A. A. believes that a system of schools should have rules and regulations in inter-school athletics that are somewhat uniform. There are good reasons for introducing and requiring in the Junior High School rules and regulations in athletics required in the Senior High School.

14. The participation of a 9th grade student in inter-school games as well as his enrollment in the 9th year must be considered and evaluated in the same way whether he be enrolled in the Junior High School or in the Senior High School.

15. All 9th, 10th, 11th and 12th grade students must have been regularly promoted from the 8th grade in order to be considered eligible for athletics.

16. Ninth grade students, who are members of teams made up of 7th, 8th and 9th grade students, or 8th and 9th grade students, are not permitted to enter tourneys and meets in which more than two teams compete, except in play days, etc., held in same city school system. This exception shall not be interpreted as giving sanction to regular athletic tourneys and meets.

17. All I. H. S. A. A. supplies and publications will be sent to Junior High School Principals upon request.

18. See modified membership regulations immediately following.

II. Modified Membership Regulations

Section 3, Article II, reads: "Modified membership may be extended to any public high school offering and maintaining less than

three years of high school work with the understanding that modified membership shall extend the privilege of participating in single athletic games and contests with other schools belonging to the I. H. S. A. A. but not in meets and tourneys in which more than two teams participate except in meets and tourneys in which only the teams from the high schools of the same city participate."

It must be clearly understood that a modified membership is a membership in the I. H. S. A. A. that requires the Principal to subscribe to all of the rules and regulations of the Association.

Some questions and answers regarding modified memberships follow:

* * * *

1.

Q. What type of school may hold a modified membership?

A. A High School offering and maintaining less than three years of high school work.

* * * *

2.

Q. Is it necessary for a Junior-Senior High School, having grades 9, 10, 11 and 12, to secure a modified membership and a full membership?

A. No. A full membership meets the requirements.

* * * *

3.

Q. May schools holding modified memberships use grade students on their athletic teams in inter-school games and contests?

A. No. Schools holding modified or full memberships are required to use students in the 9th, 10th, 11th and 12th years of school work.

* * * *

4.

Q. May schools holding modified memberships compete with High Schools who do not hold membership in the I. H. S. A. A.?

A. No. Permission granted members to compete with non-members eligible for membership would eliminate the argument for membership.

* * * *

5.

Q. Are 6th, 7th and 8th grade students eligible for teams in schools holding modified memberships?

A. No. These students are not eligible for any teams in high schools holding any type of membership in the I. H. S. A. A.

6.

Q. May a 9th grade student, who is enrolled in a Junior High School, participate on the Senior High School team?

A. No. If the Junior High School holds a modified membership. Yes, if the Junior High School does not hold a modified membership.

BASEBALL

1.

Q. Does a high school student violate the rules of the I. H. S. A. A. by playing independent baseball (hard or soft) during the summer?

A. High school students may play independent baseball during the summer months when school is not in session without jeopardizing their standing in high school, provided they do not accept remuneration, directly or indirectly, and also provided they do not play under assumed names. Reasonable meals, lodging and transportation may be accepted by such players if accepted in service and not in any other way. All such playing should be checked carefully by Principals. I. H. S. A. A. information certificates will be furnished upon request.

See Section 3 under Amateurism in Constitution.

(Note: This answer applies to other summer sports, not having definite seasons, provided other rules and regulations of the I. H. S. A. A. are observed.)

* * * *

2.

Q. Is a student, who plays on an independent baseball team during semester one, ineligible for high school baseball during semester two?

A. Yes. Such a student is ineligible for baseball for semester one, also, as baseball is a school year sport.

* * * *

3.

Q. If a student plays on an independent team in either hard or soft baseball during the school year, does he make himself ineligible for both hard and safe baseball in high school?

A. No. He makes himself ineligible only in the sport in which he participates on an independent team, provided he does not violate his amateur standing in some way.

* * * *

4.

Q. Are soft baseball and hard baseball considered separate sports?

A. Yes, except that an official who is approved in "Baseball" may be considered eligible to officiate either soft baseball or hard baseball.

(Hard Baseball and Soft Baseball)

The following statements have been authorized by the Board of Control:

a. High school students may play on independent baseball teams during the summer when school is not in session without jeopardizing their standing or the standing of their school in the I.H.S.A.A. provided they do not play under assumed names and also provided they do not accept remuneration, directly or indirectly, for their playing.

b. Reasonable meals, lodging and transportation may be accepted by the students if such are accepted in service rather than in money or in some other material form. The I.H.S.A.A. expects all High School students to so conduct themselves at all times that they, their High School and the State Association will be honored.

c. All such playing should be checked carefully and frequently. The requirements should be extended to all students. Managers of independent teams should be warned of the dangers of using High School boys on baseball teams. A professional in one sport is a professional in all sports as far as eligibility in the I.H.S.A.A. is concerned.

d. High School students, who play on baseball teams other than their High School teams during the school year, make themselves ineligible for baseball in High School in that school year.

e. High School students, who play on baseball teams other than their High School teams during the school year, must have written permission of their High School Principal on file in the I.H.S.A.A. office prior to the participation. The responsibility of securing and filing this written permission rests with the student, the manager of the non-High School team and finally with the High School Principal. See Note.

f. The I.H.S.A.A. considers that a High School is entitled to the High School students in baseball during the school year and that participation in baseball elsewhere should not take place except by the written permission of the High School Principal in each case. See Note.

Note: Permission granted by a Principal to a boy to play baseball on a team other than his High School team during the school year makes the boy ineligible for the High School team in baseball. No permit can be issued to violate any of the rules of the I.H.S.A.A. The purpose of the permit is to keep the Principal informed about his students.

SUMMER SCHOOL WORK

1.

Q. Does summer school work in a school other than his home school jeopardize the standing of a student?

A. No, provided the home school authorities recognize the work of a non-home school for credit and also provided the work does not count toward a College Degree. In fact, the I. H. S. A. A. recommends summer school work of an approved type for students needing credits.

* * * *

2.

Q. If a student fails to pass in three regular High School subjects during semester two, may he count work done in summer school toward eligibility?

A. Work during the summer may be counted toward eligibility provided: (1) it be done according to the regular rules of the school and according to good school procedure (2) no more than two credits be given for work done during the summer months (3) all work be done and the credits be made a matter of final record in the Principal's office prior to the opening date of the semester in which eligibility is desired (4) all work and credits be bona fide in every way and certified as such by the High School Principal.

* * * *

3.

Q. What attitude is taken by the Board of Control regarding make-up work?

A. Tutorial work, front porch recitations and shade tree siestas to make up work during the summer months are not looked on with favor in the I. H. S. A. A. Board of Control. The Board is opposed to the giving of credits to students who fail in a subject for semester two of a school year, then take an examination, with or without additional work during the summer, for credit toward eligibility in athletics for semester one of the following school year.

Work done by a student in a regularly accredited summer school may be counted toward eligibility to the extent of two credits only for any one summer.

* * * *

4.

Q. When should a student receive a credit in a subject?

A. A student should pass and receive credit in a subject at the end of the semester in which the work is done if it is desired to count this subject toward eligibility in athletics for the next semester, with the understanding that a student may count as many as two credits toward eligibility if made in a regularly sanctioned summer school.

MISCELLANEOUS

1.

Q. May a High School schedule and play games during the week?

A. The I. H. S. A. A. has no ruling in regard to this matter, but recommends that games be not so scheduled and not so played except in emergencies.

* * * *

2.

Q. May schools hold or sanction Sunday practices?

A. The rule reading "There shall be no inter-school contests held on Sunday" includes games and practices as well as inter-school contests.

* * * *

3.

Q. May students, who are ineligible for the first team, play on teams of lower ranking?

A. No. Ineligibility for one team means the same for all teams.

* * * *

4.

Q. Is a Parents and Physicians' Certificate required of a student each school year prior to his first practice for any interscholastic athletic contest?

A. Yes. This one certificate will satisfy the requirement of the rule for the school year in all interscholastic athletic contests except a student who is absent from school for five consecutive days due to illness or injury must present to his Principal a statement from a regularly licensed physician (M. D.) that he is again physically fit to participate in interscholastic athletics.

* * * *

5.

Q. Does the I. H. S. A. A. stipulate any price for tickets to other than tourneys and meets held strictly under the supervision of the Board of Control?

A. No. Other than a recommendation that reasonable prices be made at all times for all games.

* * * *

6.

Q. Is a student, who is expelled from High School one semester, eligible for the following semester?

A. The I. H. S. A. A. has no jurisdiction unless its rules and regulations are broken. Expulsion and suspension from school are

usually not athletic matters at all. All rules of the I. H. S. A. A. are binding on a student under expulsion or suspension. See conduct rule, scholarship rule and enrollment rule.

* * * *

7.

Q. May a High School support a grade team in the same school system out of its athletic funds?

A. Yes.

* * * *

8.

Q. May two or more High Schools combine to form one athletic team?

A. No. This is not permitted under any conditions, unless they legally consolidate and become one school.

* * * *

9.

Q. Does the I. H. S. A. A. have a rule regarding the use of tobacco?

A. No. Other than that the I. H. S. A. A. considers the conduct of players as an element in their eligibility. This matter properly belongs to the High School Principal.

"Any student, whose conduct or character is such, in the judgment of the Board of Control, as to reflect discredit upon his High School or upon the I. H. S. A. A., is not eligible."

* * * *

10.

Q. May the rules of a school be changed or special examinations be given in order to make students eligible?

A. The I. H. S. A. A. expects its members to observe not only the letter but the spirit of its rules and regulations. Changing of school rules and special examinations are not looked on with favor. The I. H. S. A. A. recommends no spites and no favors for athletes.

* * * *

11.

Q. Does wrestling come under the rules of the I. H. S. A. A.?

A. Yes. All "inter" athletic participation comes under the I. H. S. A. A.

* * * *

12.

Q. May High Schools belonging to the I. H. S. A. A. take part in a track meet or tourney games outside of Indiana?

A. All games, meets, tourneys and inter-scholastic athletic activities participated in by the High Schools belonging to the I. H. S.

A. A. must be held under the direct supervision, management and auspices of the member High Schools concerned, or under the I. H. S. A. A. Inter-state basketball tourneys are forbidden by the National Federation to which Indiana belongs.

* * * *

13.

Q. May High School students take part in tourneys, games and meets held under auspices other than the High Schools concerned or the I. H. S. A. A.?

A. No. Not during the school year. Students may participate in track and baseball during the summer months in meets and games held under non-High School or non-I. H. S. A. A. auspices, provided they do not violate their amateur standing in any way, and provided they secure permission of their Principal. See regulations for baseball in this handbook. Also read the sections governing Prizes and Awards.

* * * *

14.

Q. This question is often asked: "What will be the penalty for violation of such and such a rule?"

A. Penalties in the I. H. S. A. A. are not assigned in advance, as this democratic organization is built on the idea that the observance of its rules and regulations is more to be desired than the enforcement of them. The I. H. S. A. A. believes that the essence of proper and willing observance is higher than enforcement and that we should resort to enforcement only when observance falls down.

* * * *

15.

Q. What is considered the school year?

A. A school year covers all time from the first day to the last day of the school year, including vacations.

* * * *

16.

Q. Are tourney schedules drawn or arranged?

A. All tourney schedules in the I. H. S. A. A. are drawn by lot by the Board of Control and no schedule has ever been arranged or "fixed."

* * * *

17.

Q. Does the Commissioner have a vote in the Board of Control and in the Athletic Council?

A. The Commissioner is not a member of either group and has no vote in any of their deliberations.

192

18.

Q. May a married student be considered eligible?

A. No, see rule.

* * * *

19.

Q. If a student is expelled from High School during a semester and does not finish the semester, could he be considered eligible for the next semester?

A. No. Such student is a failure for his last semester in High School.

* * * *

20.

Q. How are the funds of the I. H. S. A. A. invested?

A. In U. S. Government Securities.

* * * *

21.

A. Burglary and Robbery Insurance are carried on the bank vault box and the Commissioner carries a Fidelity Bond.

* * * *

22.

Q. Who examines the financial books of the I. H. S. A. A.?

A. Ernst and Ernst, Public Accountants, the Board of Control and any High School Principal so desiring.

* * * *

23.

Q. Who audits the financial books of the I. H. S. A. A.?

A. Ernst and Ernst, Certified Accountants.

* * * *

24.

A. Any bona fide faculty representative of a High School belonging to the I. H. S. A. A.

193

26.

Q. How are Board of Control members selected?

A. By the members of the Athletic Council from their own membership.

* * * *

27.

Q. Do Board members represent districts?

A. Not necessarily. They represent enrollment classes of High Schools.

* * * *

28.

Q. Do Athletic Council members represent districts or classes?

A. They represent classes and districts.

* * * *

29.

Q. When and how may Principals submit proposals for the consideration of the Athletic Council?

A. Principals may submit such proposals at any time in a written way to the Commissioner who will submit them to the Athletic Council for consideration and action.

* * * *

30.

Q. What constitutes the use of undue influence in the I. H. S. A. A.?

A. An all-inclusive answer for all time and under all conditions can not be given, but the use of any of the following inducements may come under the rule:

1. Offer or acceptance of money or other valuable consideration.
2. Reduction or remission of regular tuition.
3. Waiving the requirement of legal transfers according to law.
4. Offer or acceptance of board, room or clothing.
5. Offer or acceptance of remuneration for work in excess of amount regularly paid for such service.
6. Free transportation.
7. Transportation by Coach, Principal, teacher or school official.
8. Offer of acceptance of school privileges or considerations not granted to other students.
9. Making home with Coach, Principal, teacher or school official.
10. Free rent or reduced rent for parents.
11. Offer or payment of moving expenses of parents.

194

31.

Q. Why should a school be penalized because some person outside of school uses undue influence?

A. In the first place, a school is not penalized unless it uses the student in question in athletics. In the second place, the results are the same whether some person in school or some person outside of school uses undue influence. An athlete has been retained or secured through the use of undue influence and the school that uses such an athlete on teams in inter-school athletic competition profits by the use of undue influence.

* * * *

32.

Q. Is it the duty of the I. H. S. A. A. to prove that undue influence has been used?

A. No. The High School Principal has agreed to conduct his athletic activities according to the rules and regulations of the I. H. S. A. A. When there is a question, it is the duty of the High School Principal to meet the question. He can not certify that his students are eligible unless he knows that they are eligible.

* * * *

33.

Q. Are all students, who attend school outside the school district in which their parents live, required to present legal transfers or pay the regular tuition?

A. Check this matter with the Fiscal Officer of the State Department of Public Instruction. The report on aggregate attendance calls for definite information about transfers and tuition cases.

* * * *

34.

Q. What steps should be taken in ineligibility cases?

A. In cases in which an ineligible student has been used in inter-school athletics the following steps should be taken immediately by the High School Principal:

1. Inform the I. H. S. A. A. office definitely by giving the name of the student, the list and scores of contests in which the student participated when ineligible and full particulars about the circumstances surrounding the case. The I. H. S. A. A. should be informed as to how the error was made.

195

2. Send definite and explanatory letters to the opponent Principals of contests in which the student participated when ineligible, forfeiting the points, games and honors won and requesting these Principals to notify the I. H. S. A. A. office as soon as they receive these letters.

3. Consider and so declare the student not only ineligible for all athletics for the current semester but also for all of his next semester following.

The I. H. S. A. A. reserves the right to request additional information and to make final decisions after a careful investigation has been made.

* * * *

35.

Q. What is considered the first day of school?

A. The first day on which regular classroom instruction is offered.

* * * *

36.

Q. Would a student jeopardize his eligibility status by participating in a bowling league in which cash awards, merchandise awards or certificates, or refund of fees are given?

A. Yes.

* * * *

37.

Q. Do seniors have any rights and privileges in athletics not granted to other students?

A. No. In fact, seniors should appreciate the opportunities that have been extended to them for four years and should be very loyal to the rules and regulations of their high school and of the I. H. S. A. A. in which their high school holds membership.

* * * *

38.

Q. What constitutes a regularly employed teacher in the I. H. S. A. A.?

A. The Board of Control has ruled that a regularly employed teacher is, and shall be, a regularly licensed teacher rendering full time service as a teacher on a full time contract and regularly paid out of school funds. Specific questions require specific answers.

* * * *

39.

Q. Does the rule requiring football practices to be held on the regular practice or play field under the direct supervision of the

196

high school coaching staff prevent summer football camps for high school teams and players?

A. Yes.

* * * *

40.

Q. Is it necessary for a high school to meet and maintain the policies, regulations and standards for the accreditation and classification of high schools in Indiana in order to be a member of the I. H. S. A. A.?

A. Yes.

STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION
INDIANAPOLIS, INDIANA

November 14, 1944

The Indiana High School Athletic Association,
Indianapolis, Indiana.

We have examined the statement of cash receipts and disbursements of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ending November 14, 1944, and have examined or tested the Association's accounting records and other supporting evidence by methods and to the extent we deemed appropriate.

The following comments relate to the scope and nature of our examination:

Cash on deposit at November 14, 1944, in the amount of \$7,518.79, was reconciled with the amount reported directly to us by the Fletcher Trust Company, Indianapolis, Indiana. The recorded cash receipts for the year were reconciled with deposits as evidenced by bank statements submitted for our inspection. Cancelled checks returned by the bank for the year were compared with the record of cash disbursements. We examined invoices, expense reports, and other data supporting the recorded cash disbursements.

The receipts and disbursements recorded from the state final basketball tourney are stated as reported by the Commissioner to the Board of Control, without independent examination of ticket sales and supporting expense data. We confirmed the recorded income from the sectional, regional, and semi-final tourneys, with reports signed by the high school principals on file from the tourney centers. The income recorded as fees and dues was reconciled with published lists of the number of registered officials, tourney entrants, and member schools.

We inspected the United States Bonds on hand at November 14, 1944, as shown by an appended schedule.

Insurance in force at November 14, 1944, was as follows:

Larceny and embezzlement bond—Morris E. McCarty, Acting Commissioner	\$ 40,000.00
Burglary and robbery—safe deposit box—each risk.....	112,000.00
Public liability—owners, landlords, and tenants.....	20/100,000.00
Workmen's compensation	All employees

The recorded minutes of the meetings of the Board of Control and of the Athletic Council were reviewed by us.

Opinion

In our opinion, the accompanying statement of cash receipts and disbursements presents the recorded cash transactions of THE INDIANA HIGH SCHOOL ATHLETIC ASSOCIATION for the year ended November 14, 1944.
