	DEPARTMENT OF CONSERVATION AND LAND MANAGEMENT
	South Coast Region Draft Management Plan—Extension of Public Submission Period
	THE Department of Conservation and Land Management has extended the public submission period on the Draft Management Plan for the South Coast Region from 31 July 1989 to 29 September 1989.
	The South Coast Region is one of the eleven administrative regions of the Department of Conservation and Land Management. It stretches from the Irwin Inlet, west of Denmark, through to Eucla on the Western Australian/South Australian Border in the east. The region presently includes 13 national parks, 2 timber reserves, 4 forest blocks and over 100 nature reserves.
	The draft management plan, released 2 May 1989, identifies the conservation, recreation and commercial values of the Region, and details management issues and strategies.
	Copies of the draft may be purchased for \$10 from the Department of Conservation and Land Management State Operations Headquarters, the South Coastal Regional Office at Albany, and the Esperance District Office. Reference copies are available for inspection at these offices, at CALM Regional Offices and at local authorities and libraries throughout the region.
	Submissions should be directed to—
	The Regional Plan Co-ordinator, Department of Conservation and Land Management, 44 Serpentine Road, Albany WA 6330.
