ANNUAL ADDRESS OF GRAND MASTER

To the Officers and Members of the Most Worshipful Grand Lodge of the State of Louisiana, Free and Accepted Masons.

Greetings, my beloved brethren:

A brief year ago, or to be exact, on February 14, 1945 this Grand Lodge bestowed upon me the highest honor in your power to bestow upon any Mason—that of electing and installing me as Grand Master of the Masons of the State of Louisiana. I come now to render an account of my activities during my term as Grand Master.

First, I welcome you and each of you to this 135th annual communication of this Grand Lodge. It is with much pleasure that I call to your attention the fact that this is the first peace-time Grand Lodge session that we have been privileged to hold in five years. Let each of us again thank the Supreme Architect of the Universe that we were able to prosecute to a successful and victorious conclusion the wars of Europe and the Pacific. Once again we are privileged to carry on

as Masons in a world free from war. Even though we have many problems confronting us in this post war period, we do have the satisfaction of knowing that we have great leaders at the head of our Government and with our cooperation as men and as Masons our leaders should be able to adjust the many problems that usually follow wars.

From the beginning I have contended that it was not the purpose or intent of this Grand Lodge to elect a man as Grand Master for the purpose of honoring the individual but instead to elect and install men as Grand Masters and expect of them leadership and accomplishment. Taking this position I have endeavored to head this Grand Lodge in such a way that my report will be acceptable to the brethren here assembled.

It is not an easy job to be a Grand Master and any mistakes that I have made have certainly been from the head and not from the heart. It is with much personal satisfaction that I have been able to give our Grand Lodge all of my time during my term as Grand Master. Permit me to call to your attention the fact that in February 1942 this Grand Lodge honored me by electing me Grand Junior Warden without opposition. Shortly thereafter I was called to active duty as an officer in the United States Navy. Again in 1943 in my absence you again honored me by elevating me to the high office of Grand Senior Warden. Then in 1944 in my absence you again honored me by electing me Deputy Grand Master. Shortly before the scheduled annual communication of this Grand Lodge in 1945 I was placed on inactive duty by the United States Navy returning to my home state placing myself in position to receive the high honor of serving this Grand Lodge as Grand Master, should the brethren decide to elect me to this high position. A few days before our scheduled annual communication it was necessary on account of the war for the Office of Defense Transportation to issue a directive, prohibiting meetings where the attendance would be in excess of fifty. This, of course, necessitated calling off of the annual Grand Lodge session by Most Worshipful Grand Master W. S. Kingrey. Most Worshipful Brother Kingrey informed me that at the end of his term as Grand Master he would relinquish the Grand Lodge to me as Deputy Grand Master and according to the constitution and general regulations of the Grand Lodge I would have been acting Grand Master, enjoying all the privileges, powers and prerogatives of a duly elected Grand Master. However, I was not agreeable to accepting this high position and high honor without an expression of confidence from my brethren and without being duly elected as all Grand Masters had been from time immemorial. Upon declining to accept the leadership under such circumstances, Brother Kingrey after much counsel and deliberation decided that an election should be held by mail and authorized the printing and mailing of

ballots to each delegate in this Grand Jurisdiction. It was indeed gratifying that after the final canvass of votes, I received all the votes cast with the exception of four. This expression of confidence from my brethren gave me the courage and confidence to accept the high position of Grand Master. Even though I have labored under many handicaps and have been deprived of much of the frills and thrills that have been enjoyed by other Grand Masters I was willing to carry on to the extent of my ability realizing that our country was torn by war and strife.

You have been most charitable and considerate because you have been willing to overlook whatever faults that I may have. The Grand Master represents in the absence of the Grand Lodge, the Grand Lodge itself. His duties are many and varied. He has unlimited powers and his word is absolute law during the interval of the sessions of the Grand Lodge. It is a great compliment for a Grand Master to have such powers placed in his hands because it shows unlimited confidence on your part and in the 135 years existence of this Grand Lodge there is no record where a Grand Master has abused such privileges and powers placed at his disposal.

Being in position to give practically all of my time to the affairs of this Grand Lodge I have analyzed quite thoroughly our over-all activities covering the past 20 years, using such information and experience of others so as to represent this Grand Lodge in an intelligent manner.

In reality your Grand Lodge has two separate and distinct functions—namely, our fraternal function as a Grand Lodge; secondly, our commercial function of the Grand Lodge. I have divided my time representing each branch to the extent of my ability. I have several recommendations to make to this Grand Lodge and you are assured in advance that such recommendations are made only after much counsel and deliberation with hundreds of Masons throughout the State of Louisiana and I trust that you will weigh them carefully and consider them on their own merits.

There has been much activity during my term as Grand Master. Some of the activities have special significance and will be explained in sufficient detail as to warrant your expressions. If perchance you find something worth while, something of lasting value, be assured I claim no reward other than the continued love and esteem of the Masons of this Grand Jurisdiction. The service has been a labor of love and one that I have enjoyed much and I pray that it may be the will of the Supreme Architect of the Universe that I may be permitted to render further service to the Grand Lodge and Masons of this State.

It is only natural that in addressing you I mention I only too often but by way of correction let me assure you that a Grand Master alone could accomplish very little without the cooperation and assist-

ance of the other members of the official family and the Masons of the State. I would be an unappreciative individual should I neglect to mention many by name who have so generously and ably assisted me. I have received the whole-hearted support of all the Grand Lodge officers. May I especially mention Right Worshipful Brother D. Peter Laguens, Jr., who has at no time been lacking in his willingness to cooperate.

NECROLOGY

(APPROVED. See page 167.)

As we gather here for another Communication of the Grand Lodge, we cannot help but feel very keenly the absence of many brethren whose presence we have enjoyed for many past Communications, but who are with us no more. Many of them have been called into the eternal presence of the Supreme Architect of the Universe, but their masonic lives will continue to be an inspiration to all of us.

On October 3, 1945, the news reached me that Most Worshipful Brother Archibald Thomas Higgins, Past Grand Master, was called from his earthly labor into the presence of the Supreme Grand Master. When the news of his death first reached the Masons of this state, the predominant feeling was that not only a great leader of the Craft had passed away, but a good and true brother who was loved and cherished by his many friends and brethren was gone. While his work of many years is written very deeply in the history of Free Masonry in this Grand Jurisdiction and throughout the nation, it is the man himself who will be long remembered. It can be truly said that he was a man and Mason. I performed the last sad rites of our order on October 5, 1945 in the City of New Orleans.

We record also with sorrow the passing of Brother Morris Marx who for many years was chairman of our Committee on Credentials and performed a remarkable work in that respect; Brother W. D. Goff who for many years was a member of our Masonic Law & Jurisprudence Committee; and Brother Louis Eschenbrenner, our Grand Tyler for many years and within the past three years Grand Tyler Emeritus.

We shall miss all of these brethren from our councils.

Our Committee on Necrology will more fully report in regard to the many fine services performed by these brethren for our Grand Lodge in the State of Louisiana.

OFFICIAL VISITS

(APPROVED. See page 162.)

I shall not detail all of my official visits by Lodge and by number. I have visited 141 of the constituent Lodges, attended 21 District meet-

ings and have attended at least 1 District meeting in 16 of the Masonic Districts. I am happy to report that most of the meetings were well attended with a real Masonic spirit prevailing.

I was privileged to visit with Minden Lodge on their 100th anniversary, Mansfield Lodge on their 50th anniversary and Humble Cottage Lodge on their 125th anniversary.

Without exception, I was well received by the brethren upon all of my visitations and my many visits carried me to every section of the state.

I cannot refrain from mentioning two outstanding meetings; that of Franklinton Lodge 101, Franklinton, Louisiana, and Center Lodge 244, Bogalusa, Louisiana. There was special significance to these two meetings because this was the parish in which I was born and reared and it did my heart good to return to my old home place and be received by so many of the brethren.

During my term as Grand Master I have made 21 trips into New Orleans for the purpose of keeping in close contact with the affairs of the Grand Lodge and to render whatever service that would be of value to the fraternity.

I received many invitations to visit other Grand Jurisdictions. I was not in position to accept many of the invitations because I felt that it was more important that I spend most of my time in our own Grand Jurisdiction offering my services and cooperation to the constituent Lodges of this state.

VISITS TO OTHER GRAND JURISDICTIONS

(APPROVED. See page 168.)

Visit to Grand Lodge of New York

Accompanied by M. W. Brother J. Luther Jordan, Past Grand Master, R. W. Brother D. Peter Laguens, Jr., Grand Secretary, and W. Brother R. D. Farr, Grand Senior Deacon, an official visit was paid to the Grand Lodge of New York under date of November 19. We were shown every hospitality by the brethren of New York.

Visit to Grand Lodge of Maryland

Accompanied by M. W. Brother J. Luther Jordan, Past Grand Master, R. W. Brother D. Peter Laguens, Jr., Grand Secretary, and W. Brother R. D. Farr, Grand Senior Deacon, an official visit was paid to the Grand Lodge of Maryland under date of November 20 and 21. We were shown every hospitality by M. W. Grand Master Daniel Hope and members of his official family. My report of this visitation would not be complete should I not state that this was one of the most enjoyable and enlightening Masonic sessions I have ever been privi-

leged to attend. Upon our arrival in Baltimore, we were met by Brother Schultheis, Grand Representative of the Grand Lodge of Louisiana near the Grand Lodge of Maryland. Brother Schultheis was most attentive and courteous and spent much of his time accommodating the members of the Grand Lodge of Louisiana as well as familiarizing them with the many functions of the Grand Lodge of the State of Maryland.

I have nothing but praise for M. W. Grand Master Daniel Hope of the Grand Lodge of Maryland. He is a good man and true Mason. He presided splendidly, peace and harmony prevailing at all times. Even though it was quite a busy session, Grand Master Hope recognized all distinguished guests and extended an invitation individually to each of them to address the Grand Lodge of Maryland. The several members of my official family availed themselves of the opportunity and made brief addresses. On November 20, we were invited by Most Worshipful Brother Hope to visit Maryland's Masonic Home at "Bonnie Blink", Cockeysville, Maryland. This proved to be an enjoyable visit. Upon our arrival at "Bonnie Blink" we were amazed to see such a wonderful Masonic institution. The guests of this magnificent home are a very happy group of men and women. They have their own lounges, lobbies and libraries. Each couple is assigned private quarters with a beautifully furnished bed room and living room. They are served excellent food in regular home fashion. "Bonnie Blink" has its own chapel, individual, but yet a part of the magnificent building with a pipe organ installed therein. Much to our amazement, we found in this institution a dental clinic with all the equipment, a barber shop, and all the facilities necessary to make life pleasant and agreeable for their many guests.

While in Baltimore, I spent much time with the trustees and members of the official family and was given some very valuable information with reference to the fine businesslike manner by which the Grand Lodge of Maryland operated under the able leadership of M. W. Grand Master Hope.

Maryland with a Masonic membership of approximately 32,000 Masons is truly outstanding. Even though their Masonic charities are large and well supported, their business management is such that the Grand Lodge is quite wealthy with adequate income and cash reserves to maintain their many Masonic charities.

In concluding my remarks with reference to this visit, I should like to reiterate that we were shown every hospitality while in Baltimore. We were also privileged to be present and see M. W. Brother Hope installed Grand Master for a second term.

RULINGS

(ALL RULINGS APPROVED. See page 136.)

1. March 6, 1945, Ida 324. Question: Can an applicant with one of his feet in such a shape that he has to wear a steel brace, receive the degrees?

I ruled that if the applicant met all other physical qualifications, that he was eligible to receive the degrees in Masonry.

2. April 17, 1945, Marthaville 258. Question: If a member had been found guilty and penalized by the Courts of Louisiana for defrauding the government, does the Lodge have the right to expel him without a Masonic trial?

I ruled that no Lodge has the right to automatically expel a member without a Masonic trial.

3. April 28, 1945, Center 244. Question: An applicant has been elected and received the E. A. Degree. It was discovered later that he had been convicted of a crime and served a year and a day in the Federal Penitentiary, but did not state this fact on his petition.

I ruled that the applicant's name should be stricken from the rolls of the Lodge and his fee returned.

4. May 23, 1945, St. James 47. Question: May the Lodge make a contribution of \$4,000.00 to the Baton Rouge General Hospital to be operated for pay?

I ruled that this did not come under charity purposes in general, therefore, before the Lodge could make the \$4,000.00 contribution to the Baton Rouge General Hospital, all members within hail should be duly notified by having notices mailed to their last known addresses and that the resolution be passed by a unanimous vote of all those present at the meeting.

5. May 28, 1945, St. Johns 153. Question: Can St. Johns Lodge accept a petition of a resident of Gretna, who was serving in the United States Navy, without a waiver from William D. White 408?

I ruled that if the applicant's permanent address before joining the Navy was Gretna, Louisiana, and if he still maintains a residence in Gretna, and will return to Gretna, after he is released from the Armed Forces, he is under the jurisdiction of William D. White 408 and St. Johns Lodge could not receive the petition without a waiver of jurisdiction from William D. White Lodge.

6. June 5, 1945, Ida 324. Question: Can a Lodge receive a petition of one who has lost his left hand near his wrist?

I ruled that if the applicant met all other physical requirements and could conform with resolution No. 3 of the Grand Lodge 1944 Proceedings that he would be eligible.

7. June 13, 1945, DeQuincy 279. Question: Can we receive a petition from one who had been absent from the state for a period of 5 years and had moved back to his original home?

I ruled that the applicant was not eligible until he had been a resident of the state for a period of one year and in the jurisdiction of DeQuincy Lodge for a period of 6 months.

8. July 18, 1945, Union 172. Question: What disposition should we make of the petition of an applicant who had permanently moved from the state, making it impossible for the committee to make its report?

I ruled that since the applicant had moved his residence from the State of Louisiana that he was no longer under our jurisdiction, and that his petition and fee be returned for lack of jurisdiction.

9. July 18, 1945, Live Oak 346. Question: The Live Oak Lodge No. 346 received a petition from a resident of Jennings, Louisiana.

I ruled that a resident of Jennings, Louisiana, is under the jurisdiction of Jennings and that his petition must be presented to the Jennings Lodge.

10. July 31, 1945, Anchor 261. Question: We received a petition from an applicant with his left leg off about one-half way between the ankle and the knee, who sometimes wears a peg and also a cork foot.

I ruled that if he met all the other physical qualifications that under resolution 3 of the 1944 Grand Lodge Proceedings, he would be eligible to receive the degrees.

11. July 31, 1945, Springhill 348. Question: Can we receive the petition of an applicant with his left hand cut off even with his thumb?

I ruled that if he met all other physical qualifications that according to resolution 3, page 125, of the 1944 Grand Lodge Proceedings he was eligible to receive the degrees.

12. August 13, 1945, W. H. Booth 380. Question: We received a petition of a profane for initiation. The committee was appointed and reported favorable. The ballot was spread resulting in election. When presenting himself for the degrees, we found that the first joint on his right thumb was missing.

I ruled that if he met all other physical qualifications and could qualify under resolution No. 3, page 125, of the 1944 Grand Lodge Proceedings that he was eligible to receive the degrees.

13. August 6, 1945, Fellowship 217. Question: We have a petition where the applicant had been rejected. Six months thereafter we took a new ballot on the old application.

I ruled that the second ballot was null and void and of no effect because a rejected petitioner must repetition at the expiration of 6 months.

14. August 6, 1945, N. H. Bray 208. Question: Is Zinneman Camp under the jurisdiction of N. H. Bray 208 or Fellowship 217?

I ruled that since the distance from N. H. Bray 208 to Zinneman Camp is 19 miles and the distance from Fellowship 217 to Zinneman Camp was 33 miles and with the highways being in a similar state of repair the Zinneman Camp was under the jurisdiction of N. H. Bray 208.

15. August 6, 1945, N. H. Bray 208. Question: We have a petition from a profane who was rejected by Fellowship 217, but who is now living in the jurisdiction of N. H. Bray 208.

I ruled that N. H. Bray 208 may receive the petition from the rejected profane provided that a waiver of jurisdiction was granted by Fellowship 217.

16. September 6, 1945, Marthaville 258. Question: We received the petition of a profane who served a sentence on a parish road gang 20 years ago for bootlegging and who is now living a clean and upright moral life.

I ruled that the petition from an applicant who had served a parish sentence for bootlegging 20 years ago was not barred from petitioning for the degrees of Masonry, however such a petition would warrant a thorough investigation by the lodge.

17. September 20, 1945, Hiram 70. Question: We have a petition from a profane who is using his stepfather's name and not his legal name.

I ruled that the petitioner should sign his application using his legal name rather than his stepfather's name since he had never legally had his name changed to that of his stepfather.

18. October 4, 1945, Goldonna 243. Question: We have an applicant who was convicted and sentenced for a crime in 1932 who did not serve his full term having been pardoned and his citizenship restored. He is a good, moral man and citizen.

I ruled that Goldonna 293 could receive an application from an ex-convict, but suggested that a reinvestigation be made as to his worthiness.

19. October 11, 1945, Ferriday 390. Question: We have a petition from a profane who has lost his left leg, but who has an artificial one. May we receive this petition?

I ruled that if he met all other physical qualifications and could comply with resolution No. 3, page 125 of the 1944 Masonic Proceedings that he was eligible to receive the degrees.

20. October 23, 1945, Leesville 240. Question: We have a member who has been initiated, passed and raised, but we now discover that he signed a fraudulent application having been convicted of numerous

charges ranging from disturbing the peace to counterfeiting five dollar bills. What disposition should we make of the member?

I ruled that since the member signed a fraudulent application and that the Lodge had conclusive proof that he had been convicted of numerous crimes and did not so state on his petition, then he is not a Mason and his name should be erased from the rolls of the Lodge.

DISPENSATIONS GRANTED

(APPROVED. See page 136.)

I have granted 207 dispensations. Most of them were for Lodges conferring the three degrees upon brethren who are in the Armed Forces of our country. We owe to the brethren who were serving their country every consideration. GRAND LECTURER

(APPROVED. See page 169.)

Being interested in the esoteric work of our Grand Lodge I have been in close touch with Right Worshipful Brother R. C. Leeves, Grand Lecturer, throughout the year. I am happy to report that Brother Leeves is doing an excellent job putting his heart, his time, and much of his own means into the work that he loves and enjoys.

Since we had only one Grand Lecturer, during my term as Grand Master I deemed it proper and to the best interest of Masonry to appoint Deputy Grand Lecturers for each of the 18 Masonic districts to assist Brother Leeves in carrying on his work. Without exception, the 18 district Deputy Grand Lecturers have worked diligently and assisted Brother Leeves in carrying on his work.

I should like to see future Grand Masters continue the use of a Deputy Grand Lecturer in each of the Masonic districts. Since these good brethren served without compensation, it is worthy of our best consideration to continue the practice.

MASONIC TEMPLE RENTAL CONTRACT

(APPROVED. See page 162.)

Latter and Blum, Inc. had a contract with the Grand Lodge for the rental and management of our Masonic Temple. This contract had an expiration date of September 1, 1945, and after much discussion, your Grand Lodge Hall Board thought it for the best interest of Masonry and our investment to renew the contract with Latter and Blum, Inc.

A great deal of credit is due Brother Harry Latter who has given much of his time to the affairs of our Masonic Temple Building. Brother Latter has been most cooperative. It is a matter of record that Latter and Blum, Inc. have made a concession in the fee charged for the management of our Temple Building to the extent that the 2% charged for management was not sufficient to cover the actual cost of the management. They are, however, agreeable to continuing even at a loss.

Brother Harry Latter has been untiring in his efforts to work out and consummate a lease with the United States Government covering a period from October 1, 1945 through October 1, 1950. The contract covers all of the office space in our Masonic Temple Building. He secured this contract at a very favorable rental.

There were many clauses favorable to the Grand Lodge in the Government lease; namely, that any alterations for the office space were to be made at the Government's expense; also, the Government

accepted the space with a clause stating that no added facilities such as air conditioning would be requested.

We should take into consideration that Latter and Blum, Inc. are specialists in rentals and management. Our reports will disclose what an excellent job they have accomplished in the rentals and management of our Temple Building.

With the Grand Lodge having only one tenant; namely, that of the United States Government, it places the management in position to show a favorable return on our investment in the future.

FINANCES

With the cooperation of the Masons of this State we have our financial house in order. With close attention and strict adherence to good business management our future is a very bright one.

I shall not detail a lot of figures in this report because such would be a duplication of work. By simple subtraction our progress for 1945 can be easily understood by checking the following paragraph.

On February 15, 1945 the indebtedness of our Grand Lodge amounted to \$856,341.67. On February 1, 1946 this indebtedness had been reduced to \$672,998.70. We have liquidated all of the indebtedness with the single exception of the amount owing to the members of this fraternity on the non-interest-bearing bonds.

The Grand Lodge's records will disclose that on February 15, 1945 we owed to the New Orleans and Shreveport Consistories, El Karubah Temple, and the Grand Chapter R. A. M. principal and interest totaling \$90,030.30. Believing it possible to retire this obligation in its entirety during 1945, as Grand Master I addressed a letter to each of these bodies asking them to waive all interest in favor of the Grand Lodge after June 30, 1945 providing the Grand Lodge retired the indebtedness by January 31, 1946. As a matter of record the Grand Consistory at New Orleans agreed to this proposal, El Karubah Temple and the Shreveport Consistory declined to waive the interest. Realizing that such a concession would be of financial help to our Grand Lodge, I asked the two Shreveport bodies to re-consider their action and permit me to appear before them and explain in detail the reason for the request. They granted my request and after a complete explanation to the committee they rescinded their action and agreed to waive the interest providing we retired the indebtedness by January 31, 1946.

This Grand Lodge should be grateful for the consideration given to us by these Masonic bodies because it was a substantial saving and our Grand Lodge profited by their action.

Our future is a bright one. We can now look forward to having our temple free of debt in the not too far distance after which we can use our revenue for the many Masonic charities in this State.

SERVICE DEPARTMENT

(APPROVED. See page 162.)

The Service Department is rendering a great service to the constituent Lodges within the jurisdiction of Louisiana. The Lodges of this state have been able to purchase Lodge supplies at a substantial saving and through the large volume of retail sales to individual Masons, it has been able to show a substantial profit for the Grand Lodge. The Service Department is under the very able management of Mrs. E. J. Carr and it would be of interest to the Masons to know that much of the Lodge paraphernalia is actually made by hand under the able direction of Mrs. E. J. Carr.

We commend the Service Department to all the Lodges of this state and to the many Masons who are desirous of making purchases of Masonic jewelry.

The Service Department is of a real asset to the Lodges of this state, not only from a standpoint of substantial savings, but prompt and courteous service as well. Therefore, your Grand Lodge will appreciate your patronage of the Service Department.

MASONIC HOME FOR CHILDREN

(APPROVED. See page 163.)

If there is one work that the Masons of this state should justifiably feel proud of, it is the Masonic Children's Home. Every Mason in this state should take personal pride in what Masonry is doing for the children of our deceased brethren. I urge you, my brethren, to familiarize yourselves with the work of this great Masonic institution.

The population of our home is very small at this time, but there is no question that when this cycle moves around and the present prosperity disappears, we shall have many applicants knocking at our doors and we will again be filled to capacity. Let us amply prepare for that time.

Our home is in a very fine position financially, but this should not lead us into unnecessary expenditures because we must be prepared to meet any emergency that may arise.

Our Christmas Gift Educational Fund is growing. This fund is to be used after our children finish high school, giving them an opportunity to go to college and receive a higher education. This fund warrants your continued support.

MASONIC EMPLOYMENT BUREAU

(APPROVED. See page 163.)

Upon taking office as Grand Master I was desirous of trimming our budget in every way possible consistent with good business and yet not effect our fraternal obligations. I felt that in this period of prosperity that there was very little need for a Masonic Employment Bureau. Not having the right or desire as Grand Master to abolish the Masonic Employment Bureau, I did feel however that the appropriation could be cut \$100.00 annually, so in my official capacity, I reduced the appropriation of this bureau by \$100.00, after which the duly appointed committee informed me that they would resign unless I reinstated the \$100.00. Again, consistent with good business and without any damage to our fraternal obligations, I declined to reinstate the \$100.00. The committee did resign. I did not feel justified in replacing them. Such being the case, I authorized the building manager of the Grand Lodge to tender the office space previously occupied by the Masonic Employment Bureau to the United States Government. This they did for which we have received a substantial rental.

If this Grand Lodge feels that my action was not in keeping with the best interests of Masonry, then, I should be punished to a degree proper for the action committed, asking you to consider, however, that my actions had been considered thoroughly before putting them into effect.

GRAND MASTERS' CONFERENCE

(APPROVED. See pages 167, 168.)

I have no report to make on the Grand Masters' Conference because there was none held during my term as Grand Master because a directive issued by the Office of Defense Transportation necessitated the cancelling of the Grand Masters' Conference. This is another experience your Grand Master was deprived of. During my term as Deputy Grand Master I could not attend because I was an officer of the United States Navy. I have, however, kept in close contact with the functions of this organization and I strongly endorse it as an organization functioning for the good of Masonry.

LOUISIANA RELIEF LODGE

(APPROVED. See page 163.)

This is a great organization. It is composed of the Masters, Wardens and Past Masters of all New Orleans Lodges. For this reason it has been mainly supported by the Masons of New Orleans but in my humble opinion, its many services benefit the other sections

of the state more than the City of New Orleans. It does relief for brethren hailing from the 4 corners of the earth. Men who come to New Orleans and suffer either from sickness or are summoned to their last reward require attention. I should like to request that each constituent Lodge in this state read the interesting reports of Worshipful Brother Louis Walsdorf, Master of Louisiana Relief Lodge and Worshipful Brother Charles E. McHale, Secretary, Louisiana Relief Lodge. I should like to ask that the Lodges throughout this state lend their support to the Louisiana Relief Lodge. It merits your support because you will find here Masons doing their work which is indeed truly Masonic. Even though I was desirous of trimming our budget in every way possible and consistent with sound business judgment, I deemed it proper and to the best interest of Masonry to increase the appropriation of the Louisiana Relief Lodge out of the Grand Lodge Funds. If you are not familiar with the many services being rendered by this unique organization, I invite you to secure full information and be guided accordingly.

DEDICATION OF LODGE HALLS

(APPROVED. See page 163.)

Under date of December 16, 1945, I was privileged to dedicate the Lodge Hall of N. H. Bray Lodge No. 208.

The brethren of this Lodge are to be congratulated for the fine Masonic work that they have done in building up Masonry in their community and for their physical evidence of zeal and determination.

The meeting was well attended with the Lodge Room filled to capacity. Interesting remarks were made by several members of the Grand Lodge.

Full details of this dedication are covered in the emergent communication minutes presented at this Grand Lodge session.

DISTRICT DEPUTY GRAND MASTERS

(APPROVED. See page 163.)

The position of a District Deputy Grand Master is an important one because the Grand Master depends to a very large extent on the District Deputy Grand Masters to maintain peace and harmony in their respective districts and to keep him posted as to the activity in their respective districts. I am happy to report that without exception I have received the whole-hearted cooperation from all of the 18 District Deputy Grand Masters.

STATE OF THE ORDER

(APPROVED. See page 163.)

I am very happy to report that peace and harmony prevails throughout the State. With few exceptions our Lodges are active and well attended. One of the aims which I had at the beginning of the year was to maintain the excellent condition of peace and harmony which has existed in our Grand Lodge from the time of its creation.

Believing that the Constituent Lodges of this Jurisdiction and the Masons of this State are lacking in their knowledge of the many functions of the Grand Lodge, I have in all my contacts with the constituent Lodges advised them that the Grand Lodge gives to each Lodge a copy of its proceedings in which is written all the transactions of the many functions of the Grand Lodge covering the Masonic Children's Home, the actions of the board of directors, complete accounting of revenues and expenditures. I believe that a separate financial report covering all the transactions of the Grand Lodge would be of much value to the Masons of this Grand Jurisdiction. Even though all transactions are recorded in the proceedings, I find that many officers of the constituent Lodges have not familiarized themselves with the financial affairs of the Grand Lodge. They feel that such information is wrapped up in the proceedings and that it is difficult to segregate and break down the many pages of figures.

It is with much pleasure to report that we do not have any delinquent Lodges in the State and may I add, without exception the constituent Lodges have cooperated on all matters of interest to the Grand Lodge.

Our suspension list is small. It is indeed gratifying to see so many suspended members reinstating. Even though our purpose is to put more Masonry into men rather than more men into Masonry, we have had during the past 12 months a very substantial increase in membership.

It is indeed gratifying and encouraging to see so many of our Lodges throughout the State in the process of erecting new temples. Many of them are constructing temples strictly for fraternal use while others are constructing or considering constructing buildings for the use of fraternal purposes with the ground floor being for rent as a commercial enterprise. I am of the firm opinion that it would be well for the officers of the constituent Lodges to consult the Grand Lodge before getting into any commercial enterprise. The Grand Lodge's records will disclose many instances where commercial ventures on the part of constituent Lodges have brought them much grief and great financial loss as well as loss in membership.

Our Grand Lodge is in an excellent condition financially. This shall be covered in a more detailed report.

GRAND CONSISTORY OF LOUISIANA

(APPROVED. See page 163.)

I would be an unappreciative individual should I not detail certain information with reference to the fine cooperation extended to your Grand Master by all officers of the Grand Consistory at New Orleans.

I have nothing but praise for Past Grand Master of Kadosh, Brother Martin Kranz. From the beginning of my term as Grand Master, Brother Kranz offered his cooperation. During the year the Grand Consistory headed by Brother Kranz sponsored eleven meetings. They were not lacking in their Publicity Department because all of the meetings were well attended; many of them numbering hundreds.

I wish to take this opportunity of thanking the present Grand Master of Kadosh, Brother D. Peter Laguens, Jr. for the cooperation that he has extended to your Grand Master since he became Grand Master of Kadosh. Such cooperation between your Grand Lodge and the other Masonic bodies of this state is a true Masonic spirit and one that I hope will prevail forever.

GRAND MASTER'S APPEAL FOR MASONRY RELIEF

(APPROVED. See page 163.)

Early in the year of 1945, it was called to my attention by many Masonic leaders throughout the nation that there was an urgent need for financial assistance for our distressed brethren throughout the foreign lands.

Upon requesting and receiving detailed information from the Grand Master of California and from Most Worshipful Brother Carl Claudy of the Masonic Service Association it was obvious that we were being given an opportunity to put into effect some of the great teachings of Masonry by going to the rescue of our many suffering and distressed brethren of Europe and the Philippine Islands.

Realizing that our Grand Lodge was not in a position to take from its treasury any substantial sum, I decided to go direct to the members of our fraternity and so I addressed a letter to approximately 30,000 Masons of this state asking for a free-will contribution and I am very happy to give you my report as to the results.

Number of pledges received from Masons.....	3,680
Number of pledges received from Masonic Lodges.....	143
Number of pledges received from other Masonic Bodies.....	29
Number of pledges received from out of state Masons.....	26
Number of pledges received from other sources.....	29
Total number of pledges received.....	3,907

Percent of members pledging.....		14.5%
Percent of Lodges pledging.....		59%
Total amount received.....		\$32,800.11
Expense of Grand Lodge reimbursed.....	\$1,658.49	
Uncollected items	222.68	
		<u>1,881.17</u>
		\$30,918.94

Distributed as follows:

Philippine Islands	\$12,000.00
Holland	4,000.00
Greece	3,500.00
Norway	3,500.00
Czechoslovakia	1,500.00
Austria	1,500.00
Netherlands E. Indies	1,500.00
Finland	1,500.00
Italy	1,000.00
Belgium	500.70
Germany	418.24
	<u>\$30,918.94</u>

I believe that my decision to raise this large sum of money was a worthy one. It had the endorsement of all interested Masons throughout the State. The total amount received was indeed gratifying but it was just as disappointing to note that only 14½% of the Masons of this Grand Jurisdiction responded to the opportunity. Charity being one of the principles upon which the super structure of Free Masonry is erected, we would do well to familiarize ourselves with this sublime principle and teaching of Masonry.

RECOMMENDATIONS

It is my duty before closing my report to submit for your consideration several recommendations that should be of interest to this Grand Lodge.

1. That the fraternal and the commercial functions of this Grand Lodge be segregated. This recommendation has much merit. Such is especially true when we consider the large commercial investment that we have in our Masonic Temple Building. I believe that from the beginning it was the intent of this Grand Lodge that Grand Masters devote their time to Masonry throughout the State. We should take into consideration that most Grand Masters are either professional or business men devoting much of their time to their own business enterprise. Very few, if any, of our Grand Masters have been able to give all of their time to the affairs of Masonry.

Permit me to call to your attention that a Grand Master has many problems that are his alone to solve pertaining to the fraternal functions of the Grand Lodge and so that you may have some knowledge of the activities of the Grand Master I should like to call to your attention that during my term as Grand Master I issued 207 dispensations; rendered 20 rulings; handled 231 long distance telephone calls; received 703 personal letters; mailed 1,114 personal letters; drafted, printed, and mailed a total of 33,000 form letters; visited 141 of the constituent Lodges, attended 21 district meetings. In addition, there have been many other important fraternal matters to handle. This part of my report pertains strictly to the fraternal affairs of the Grand Lodge. We should recognize the enormous amount of work placed upon the shoulders of the Grand Master and consider amending our general regulations so that future Grand Masters may be able to devote their time to Masonry in this State. I recommend that this Grand Lodge dissolve the present Grand Lodge Hall Board and elect a Temple Board to administer the affairs of our commercial enterprise, that this Board function along similar lines to that of the present Grand Lodge Hall Board. I further recommend that no future Board be given the power to make capital investments but will have the power to recommend to the Grand Lodge in regular session such capital improvements as they deem would be sound commercial investments for the Grand Lodge.

(APPROVED. See RESOLUTION No. 3, pages 134, 135, which WAS ADOPTED. See page 142.)

2. I recommend that so as to expedite the retirement of our non-interest-bearing bonds that we hold four drawings annually, paying on the bonds each quarter all funds on hand over and above \$5,000.00. I make this recommendation because the present law is that the Grand Lodge is obligated to pay only \$25,000.00 annually at one annual drawing.

(APPROVED. See RESOLUTION No. 4, pages 135, 136, which WAS ADOPTED. See page 136.)

3. I recommend that consideration be given to adjust upward the salaries of the Grand Secretary, Grand Treasurer, and Grand Auditor. I make this recommendation after taking into account the increased cost of living and the tremendous amount of responsibility that these brethren have.

(PARTLY APPROVED. See RESOLUTION No. 15, page 153, which WAS ADOPTED. See page 153.)

4. I recommend that the Grand Lodge create an endowment for the perpetual care of our Masonic Cemeteries; that this endowment be set at \$75,000.00 and at each annual communication the Grand

Lodge supplement the fund from the sale of lots so as to make the annual amount towards this endowment \$5,000.00. Furthermore, that this fund be set into a separate account and that the sale of Cemetery lots be supplemented from the Grand Lodge and the interest accrued thereon accrue until the \$75,000.00 endowment has been reached. Thereafter, the interest from the \$75,000.00 be used for the perpetual care of our Cemeteries. The perpetual care of these Cemeteries is a responsibility of the Masons of this State and if you approve this recommendation, it is one more step towards getting this Grand Lodge on a business basis.

(APPROVED. See RESOLUTION No. 19, page 174, which WAS ADOPTED. See page 174.)

5. I recommend that the Service Department be made a separate function of this Grand Lodge; that it maintain a separate set of books with a separate bank account; that the Grand Lodge furnish capital totaling \$10,000.00 for the Service Department. The Service Department has earned a substantial profit for the Grand Lodge and will continue to do so but it is sound business that it should function separately and independently because it is an organization of its own and should be so recognized.

(APPROVED. See RESOLUTION No. 5, pages 137, 138, which WAS ADOPTED. See pages 138-153.)

6. I recommend that the Committee on Work and Returns of Lodges under Dispensation and Committee of Lodges under Charter be consolidated into one committee. I call your attention to the fact that the work of these two committees is quite similar. Many times we go for years without any work for the Committee on Lodges U. D. This will effect a saving for the Grand Lodge and in no way handicap the functions of the committee.

(APPROVED. See RESOLUTION No. 17, page 164, which WAS ADOPTED. See page 176.)

7. I recommend that the Service Committee be reduced to a number of 3. At this time the Service Committee consists of 10 which is out of proportion to the small amount of work to be accomplished by this committee.

(APPROVED AS AMENDED. See RESOLUTION No. 11, page 151, which WAS ADOPTED. See page 151.)

CONCLUSION

Now, my brethren, I have reported to you such of my official acts that should be of interest to this Grand Lodge. I have condensed many of my reports so as to effect a substantial saving in printing; yet I

have been complete to the extent that all information of value has been covered in my report.

At the beginning of my term I was determined to liquidate all interest bearing indebtedness of the Grand Lodge as well as any other obligations outstanding. That we have accomplished and since we are now in position to state that all of the indebtedness has been liquidated with the exception of the \$672,998.70 owing to the members of this Craft, I urge your cooperation in seeing that safeguards are placed around our commercial investment so as to insure early retirement of the bonds held by the brethren.

A final word—

“I’ve tried to do my best each day,
 My best was poor enough.
 I may have faltered on the way - -
 At times the road was rough.
 I rejoice to know that I’ve struggled through
 Each sorrow, task and test.
 I’ve sought to keep a purpose true,
 I’ve tried to do my best.
 We’ve talked and laughed together
 We enjoy the selfsame things,
 We’ve known the happy feeling
 True understanding brings;
 And with all my heart I’m hoping,
 That whatever God may send,
 Throughout the years that lie ahead,
 I’ll have you for my friends.
 Friends like you are wonderful
 So loyal and sincere;
 So quick to share what life may bring
 So helpful and so dear.
 And there’s no gift more precious
 To treasure all life through
 Than the joy that comes from having
 Brethren like you.”

Faternally submitted,

OTTO E. PASSMAN,

Grand Master.

REPORT OF GRAND SECRETARY

The Grand Secretary, Bro. D. Peter Laguens, Jr., made the following report, which was received and ordered printed in the proceedings.

This office is again privileged to render a report of the year's activities and the accomplishments of the Fraternity in our State.

Reports Published

Because our scheduled Annual Communication in 1945 was cancelled, it was necessary to publish Reports instead of the usual Annual Proceedings. This was done and a copy sent as per usual to all Grand Lodge Officers, Past Grand Masters, Committee members, and to each of the constituent Lodges in the State, as also to the Grand Lodges in fraternal relations with us.

Rosters

Our present law provides for the printing of the full roster every five (5) years, and in the year 1945 this was done in accordance with requirement of the law.

We found that so many corrections were necessary because of the lapse of time in between the printing of these rosters that I believe the Grand Lodge should authorize the printing of the Rosters annually instead of every five (5) years, therefore a resolution to that effect will be offered for your consideration.

District Deputy Grand Masters

By authority of our Grand Master, the usual Commissions for the District Deputy Grand Masters throughout the State, were issued by this office.

Certificates

Certificates were authorized issued to all elected and appointed officers, as well as committeemen and holders of proficiency certificates, indicating their election or appointment as such.

Twenty-five and Fifty-Year Certificates

By authority of the Grand Lodge, our Service Committee prepared gold and silver certificates for brothers entitled to same and requested by the lodges interested. We would call attention to this service which is available to all the lodges without cost. All that is necessary is to send in the name, the date of raising, which will be checked in this office and the certificates furnished through the courtesy of the Service Committee.

Monthly Circular

The customary Monthly Circular to cover reports from the secretaries of the work done by the various lodges throughout the State has been regularly issued. Special items or notes of interest to the Craft have been added to these reports and we call attention to the necessity of furnishing this office promptly with a report of the work performed by the lodge at the end of the month so that the information may be sent throughout the entire State, which we believe is of value to all. I Repeat:—Many of the secretaries feel that it is unnecessary to send the report at all and wait until the end of the year but include this information in their Annual Returns. Our law clearly states this information should be furnished monthly and this office must have the record in order to pass it on to the lodges for their information. We again call your attention to the necessity of furnishing age information which is of value when this office is obliged to furnish such information to a brother to support his age information for Social Security or Old Age benefit purposes.

Commissions Issued and Received

The Grand Master's report will give you a complete list of all Commissions issued and received by this Grand Lodge during this Masonic year.

Certificates of Good Standing

Certificates of good standing have been issued on request to members of defunct lodges.

New Lodges

By authority of Grand Master Passman dispensations have been granted to the following Lodges, and which have been operating under Dispensation during the past year, their labors ending on December 31, 1945:

April 23, 1945—Orange Lodge U. D. at Anacoco, La., recommended by Anacoco Lodge 147, Jarvis Westbrook, D.D.G.M. 8th Masonic District.

September 19, 1945—Dubach Lodge U. D. at Dubach, La., recommended by Bernice Lodge 239, E. M. Shirley, D.D.G.M. 3rd Masonic District.

November 16, 1945—Ashland Lodge U. D. at Ashland, La., recommended by Goldonna Lodge 293, W. B. Hunter, D.D.G.M. 6th Masonic District.

November 30, 1945—T. B. Gilbert Lodge U. D. at Wisner, La., Recommended by Dan Gilbert Lodge 405, D. B. Coor, D.D.G.M. 4th Masonic District.

These dispensations were completed in this office and delivered by Brother Passman when the Lodges were instituted.

Lodges Delinquent

None.

Lodges Failing to File Returns

None.

Visitations

It was a pleasure to visit many of the Lodges in the City of New Orleans thruout the year, as also in several sections of the State.

The Grand Consistory of Louisiana was host to several interesting meetings held in all of the Districts in the City of New Orleans, as also the outlying Districts near New Orleans. Special programs were presented and in each instance our Grand Master was present and was able to make a report of the State of the Order of Masonry in Louisiana. I was also privileged to speak at these meetings.

It was my pleasure to journey with our Grand Master to visit the Annual Communication of the Grand Lodge of New York, on November 19, 1945, and also the Grand Lodge of Maryland at their 159th Annual Communication on November 20, 21st, 1945. These visitations will live long in my memory as it furnished a splendid opportunity to meet in fellowship the brethren of these two Grand Jurisdictions, where we also met the leaders from several other Grand Jurisdictions in the United States. Both of these trips were made thru the personal generosity of our Grand Master which I deeply appreciate. Brother R. Dean Farr, our Grand Senior Deacon, and M.W. Brother J. Luther Jordan, Past Grand Master, were with us on both of these trips.

We had scheduled visitations to the Grand Lodges of Texas and Tennessee, but business conditions affecting our Temple intervened and we were denied the pleasure of visiting with these Brethren.

Because of war conditions at the time, the usual Conferences to be held in Washington, D. C., were cancelled during February 1945, and we of course were glad to co-operate with our Government and refrain from making any trips which would hamper the war effort.

State of the Order

We are happy to again report an increase in our membership. The Lodges thruout the State have been constantly busy with Degree Work and from the reports received this condition will continue for the future.

The following tables are submitted for your information:

Statistics for Louisiana for 1945

Degrees Conferred:

Entered Apprentice	3,080	
Fellow Craft	2,588

Conclusion

My thanks are extended to all the brethren throughout the State for their cooperation during the past year. I have been consulted on various occasions and have tried to advise on all questions propounded which was given for the interest of the brethren above anything else.

Because of our scheduled 134th Annual Communication of 1945 being called off, the various Reports of the Officers and Committees were incorporated in a booklet in lieu of the Annual Proceedings and mailed out last year, and this office has had these Reports printed in a separate booklet for formal presentation at this Session for action and it is being delivered to each of the Representatives in attendance. Your co-operation in facilitating the transaction of business at this Session is earnestly solicited as we must of necessity take action on matters scheduled for the 1945 Session and also those which are scheduled for this Session.

By direction of our Grand Master, this Session is being called for 11:00 A.M. in order to facilitate the work of this Session and the various Committees to whom Reports will be referred. This will again be a three-day Session and in order to further facilitate the work of this office if you have any Resolutions to present please

follow the law and have them prepared in duplicate and we would also ask that they be typewritten if possible.

We will continue the custom of having the minutes printed at the conclusion of each Night Session thru Tuesday night. The minutes of the Wednesday Session will be printed shortly after the close of the Grand Lodge Communication.

Fraternally submitted,

D. PETER LAGUENS, Jr.,

Grand Secretary.

Brother D. Peter Laguens, Jr. was elected for the three year term on the Masonic Educational Foundation, Inc. Board.

Other business routine.

March 11, 1945.

Brother Latter, representing our rental agents, appeared before the Board to discuss in full the proposed leasing to the United States Government all of the offices and commercial portions of the Temple from the 2nd to the 18th floors inclusive with a few minor exceptions and for a term of five (5) years beginning October 1, 1945. A motion was adopted to authorize the Grand Master to sign a specific offer and if the offer is accepted, authority was given for such minor changes as may be necessary and that the Grand Master be further authorized to sign and execute said lease and all the documents necessary to effectuate this authorization.

A standard form on contract for Perpetual Care and Agreement for Restricted burial in our Masonic Cemetery was authorized.

Authority was given the Grand Master and the Grand Secretary to purchase two (2) used Air Conditioning units for the Grand Lodge Office.

Subsequently, the Grand Master and the Grand Secretary found it impracticable to purchase these used Units and thru a friend of the Grand Lodge were able to purchase a new Unit by supplanting the authorized amount with a sufficient amount of funds to purchase a new Unit of a larger capacity.

The Secretary reported some damage to the Auditorium organ occasioned by leaks in the roof above the organ. Authority for the sale of the organ which was granted at a previous meeting of the Board was continued.

Authority was given for the increase in the salary of the Sexton of our Masonic Cemetery, as also his assistant.

June 30, 1945.

A Special Committee reported that an agreement was reached with the Guaranty Bank & Trust Company regarding the disputed charges for handling our Bond issue and a complete list of the charges effective in the future were filed and the agreement signed with the Bank by Grand Master Passman was approved.

The Grand Master reported progress on his recent appeal to the Masons of Louisiana for his Masonry Relief Fund.

The Secretary reported that the lease with the United States Government for all commercial space above the ground floor had been consummated, same to be for a five (5) year period beginning October 1, 1945.

A contract with Latter & Blum, Inc. for the rental and management of our Masonic Temple Building for a five (5) year period was approved.

Some further adjustments were authorized in the salary schedule of the Masonic Cemetery. We were also authorized to join the Cemetery Association of New Orleans.

Some extensive repairs to the switchboard in the basement were authorized.

Our rental and management agents were instructed to secure the services of a full-time Building Manager in lieu of the Manager working at the present time on a part-time schedule.

Authority was given for the assignment of quarters to Ivanhoe Commandery No. 19, K. T. on the nights requested by them, same to be effected after a change in the meeting night schedule of Manetho Shrine No. 1, W. S. of J. could be arranged.

The removal of Port Security Coast Guard Offices from the ground floor location was reported, and the Grace Lines had an option to take over this space immediately.

It was reported that the last note due the Guaranty Bank & Trust Company was paid. The same was cancelled on the mortgage books of the City of New Orleans. All of the present holders of the Grand Lodge Bonds are now first mortgage bond holders.

A report was made that the Social Room on the second floor would be available on January 1, 1946, and authority was given for the removal of the Club Room quarters on the 18th Floor to the front end of the small Social Room on the 2nd floor. It was further reported that the 18th Floor space must be vacated on October 1, 1945, and temporary quarters would be assigned the Club Room Group on the 19th Floor provided the 2nd Floor space would not be available at that time.

Some major repairs were authorized to the main switchboard in the Engine Room.

Other business routine.

October 7, 1945.

Brother Latter reported that he had employed Brother Chris B. Kerner as a full-time Building Manager beginning on October 1, 1945.

The sale of a 30-horsepower excess motor in the Building was reported.

The work on needed repairs to the upholstery in the Library and Grand Lodge Office was postponed.

Grand Master Passman reported that he had received a contribution of \$1000.00 from the Grand Consistory to his Masonry Relief Fund.

It was reported that the Grace Line Steamship Company had exercised their right of option to the ground floor corner space and a lease was signed for a five (5) year period.

It was reported that some of our tenants whose leases had expired had refused to vacate and the matter was referred to our Attorney with full power to enter legal proceedings against these tenants for the space.

The liability item on our books to the Masonic Cemetery Special Fund was authorized cancelled and it was recommended, and a motion was so adopted, that a permanent Trust Fund be set up and kept in a separate account, the funds so dedicated out of the net proceeds of all sale of lots in the Cemetery until the Fund shall have reached the sum of \$75,000.00, the interest only from the investment of this Fund to be used for the maintenance of the Cemetery, and a motion was further adopted that this Board recommend to the Grand Lodge that the Grand Lodge appropriate the sum of \$5,000.00 per annum to this Special Fund, the income from which shall be used as set forth in the Board resolution.

The Grand Master reported that he had authorized the full payment of the note to the Grand Chapter of Royal Arch Masons in the sum of \$3700.00, as also the interest in full to June 30, 1945, the time when the note was paid.

Brother Passman reported that he had received a favorable reply from the Grand Consistory of Louisiana and expected to receive a like reply from the Bodies in Shreveport.

It was reported that M. W. Brother Archie T. Higgins, Past Grand Master, and a former member of this Board had died on October 3, 1945. The members of the Board stood for a moment in silent tribute to his memory and suitable Resolutions were adopted for incorporation in the minutes.

We paid the interest due on Mortgage Loan. We have paid interest to the New Orleans and Shreveport Consistories, El Karubah Temple, A. A. O. N. M. S., and the Grand Chapter, R. A. M. of La. in full to June 30, 1945.

The principal in full due the Grand Chapter of R. A. M. was paid during 1945 and \$25,000.00 was paid to the Consistories and El Karubah Temple. These Bodies were very gracious to the Grand Master when they cancelled the 1/2 year's interest due on the outstanding \$60,000.00 loan on December 31, 1945. By this gracious act the Grand Lodge saved \$1,275.00. The remainder of the amounts due the two Consistories was paid since the first of January, 1946, and at the presentation of this Report all of the unsecured debts have been paid in full and likewise the loan to the Guaranty Bank & Trust Company of Alexandria so that the only debt outstanding is the first mortgage bonds held by the members of the Fraternity. We have also paid the Masonic Home for Children a long standing obligation of \$11,315.88 which item has been due them since the present Building was erected.

Conclusion

The foregoing report and statement is submitted that you may see what has been done with your money from the erection of the present Temple to date.

All accounts have been audited by M: W: Brother George A. Treadwell, C. P. A., appointed by the Grand Master, and full report will be made of this audit.

REPORT OF THE BOARD OF TRUSTEES OF THE MASONIC HOME FOR CHILDREN

The Chairman of the Board of Trustees of the Masonic Home, M:W: Bro. Edwin F. Gayle, P. G. M., made the following report, which was received and ordered printed in the proceedings.

To the Most Worshipful Grand Lodge of the State of Louisiana, Free and Accepted Masons.

As Chairman of the Board of Trustees of the Masonic Home for Children, I beg to report that the past year has not been very eventful. Conditions at the Home have been good, the health of the children has been excellent, as will be more particularly shown by the report of the Superintendent of the Home.

Conditions have arisen requiring that the Board adopt a more liberal policy toward applicants for admission to the Home. Action in

these matters was governed by the fact that the number of guests in the Home have not been more than enough to fill the Home to about one-third of its capacity. In one or two instances we have accepted children in the Home whose father was living and able to support these children but the nature of his work and the lack of anyone to care for the children in his own home, required some relief and since there was plenty of space in the Home for the care of these children, and since the overhead expense is the same whether there are thirty children in the Home or one hundred children in the Home, these children could be cared for at very little additional expense.

A case arose with reference to the children of a deceased brother Mason, whose membership was in New York, although the brother's family was living in Louisiana at the time of his death and the widow's home had always been in Louisiana. We took the matter up with the Grand Master of the State of New York and with the Trustees of the Children's Home in the State of New York and while they were willing to accept the children if they were sent to the New York Home, they were unwilling to make any provision for the children if they remained in the State of Louisiana or if they were accepted into the Masonic Home for Children in Louisiana. Since it would have worked a very great hardship on the mother to live at such a great distance from her children and since our Children's Home had ample room for them, and since they could be cared for without a great deal of additional expense, we have accepted the children into the Home as a courtesy to the Grand Lodge of the State of New York. Although our Home Board may in this case be subject to some criticism in extending our rule for admission, nevertheless we feel that our action was justified and that possibly at some future date we may have the orphans of a brother Mason of Louisiana stranded in New York or some other State, in which case we would be very grateful to the Grand Lodge of such State if they extended to us a reciprocal courtesy.

The case above referred to is that of the children of Mrs. Lillie Hurlstone, whose deceased husband, Brother Ivan Elroy Hurlstone, was a member in good standing of Knickerbocker Lodge No. 642, F. & A. M., of the State of New York. Our Grand Master, Otto E. Passman, wrote to the Grand Master of the State of New York as follows:

Monroe, La., September 6, 1945.

Mr. Charles W. Froessel, Grand Master,
Grand Lodge State of New York, F. & A. M.,
160 11th 89th Avenue,
Jamaica 2 Masonic Hall,
New York 10, New York.

Dear Brother Froessel:

It has been called to my attention that a Mrs. Lillie Hurlstone living at 5753 West End Boulevard, New Orleans, Louisiana, is very

much in need of financial assistance for herself and three children, namely, Edith Mavis Hurlstone, age 5 years, Ivan Elroy Hurlstone, age 7 years, Alice Angel Hurlstone, age 10 years.

Mrs. Lillie Hurlstone is the widow of Ivan Elroy Hurlstone, deceased, a member in good standing at the time of his death of Knickerbocker Lodge No. 642, New York, New York.

Mrs. Hurlstone has requested admission of her three children to the Masonic Home for Children of this State and before taking any action we deemed it advisable to correspond with your office.

We are desirous of cooperating fully and with a fraternal spirit. It occurred to the writer that you may have a reciprocal agreement whereby you could authorize the Grand Lodge of the State of Louisiana to admit the three children in question to our Masonic Home in Alexandria, Louisiana, paying to our home the per capita cost of your own Masonic Children's Home in New York State.

If you desire any additional information, same will be furnished on request. However, in the interim we will give all the assistance possible to this distressed Masonic widow and her children.

I would appreciate hearing from you at your convenience.

Fraternally yours,

(Sgd) Otto E. Passman,
Grand Master.

The following reply was received from the Grand Master of the State of New York:

Jamaica 2 New York, October 2, 1945.

M: W: Otto E. Passman
P. O. Box 1833
Monroe, La.

My dear Brother Passman:

Supplementing my reply of the 18th ult. to yours of the 6th, with reference to Mrs. Lillie Hurlstone, would say that I have since taken up the matter with the Trustees of the Masonic Home and Asylum Fund, who have complete jurisdiction in matters of this character for our Grand Lodge. Their President, R. A. Mansfield Hobbs, advises me that they have had interviews with the officials of our Knickerbocker Lodge as well as correspondence in this matter with the Superintendent of the Masonic Home for Children at Alexandria, La. and Brother Charles E. McHale, 300 Masonic Temple, New Orleans, La. He further advises me that, at the last meeting of the Trustees on September 8th, this case was thoroughly discussed with a view to determining what might be done; that they offered to take these children into our Home at Utica (and we have ample room for them

there and are anxious to take children of our brethren) if the facts of eligibility are, on investigation, found present; that the Trustees have no money that can legally be used for the support, care and maintenance of any children outside of the Utica Home where we have an excellent plant for their care and which is being maintained at substantial expense; and that, to delegate the care and custody of children of our brothers outside of the Home would create many difficulties and would be contrary to their Charter and Rules.

I want you to know that we are deeply grateful for your cooperation and the fraternal spirit which you have shown, and I have explored this matter with a view to finding a solution. Under the circumstances, however, it would seem that the best course of procedure for Mrs. Hurlstone is to have the Lodge make application to have these children taken into our Home where, I can assure you, every care, consideration and attention would be bestowed upon them.

With best wishes to you and fraternal regards, I am

Very sincerely yours,

(Sgd) Charles W. Froessel,
Grand Master.

Brother George B. Summers, Superintendent of the Masonic Home for Children of Louisiana, wrote to the President of the Board of Trustees of the Masonic Hall and Asylum Fund of the State of New York, and received the following reply:

New York 10, New York, September 18, 1945.

Mr. George B. Summers, Superintendent,
Masonic Home for Children,
Alexandria, Louisiana.

Dear Brother Summers:

In Re: Children of Brother Ivan E. Hurlstone
Knickerbocker Lodge No. 642, New York City.

Answering your letter of September 6th, 1945, re above sent to Mr. W. J. Wiley, Superintendent, Masonic Home, Utica, N. Y. All communications with regard to admission of applicants or requests for aid from our organized charities of the Grand Lodge of the State of New York should be addressed to this Board. For your information, Brother Wiley retired as our Superintendent July 1st last. He is succeeded by Dr. William T. Clark.

We have had correspondence with Brother Charles E. McHale, 300 Masonic Temple, New Orleans 12, La., and the Secretary of Knickerbocker Lodge No. 642, of this City, and have advised the latter if it wishes to file applications for these three children, aged four to eleven, we would send them the blanks to have properly filled out, this of

course for admission to our Masonic Home at Utica, and not to your Home as like you our rules for eligibility require the father at the time of his death to be a member in good standing in a Lodge of this jurisdiction. We have no funds and lack authority to maintain children in any Home other than our own Masonic Home at Utica, New York.

Fraternally yours,

(Sgd) R. A. Mansfield Hobbs,
President.

Brother Charles E. McHale, Secretary of Louisiana Relief Lodge No. 1, F. & A. M., interested himself in the matter of the Hurlstone children and wrote to the Master of Knickerbocker Lodge No. 642, F. & A. M. and received the following reply:

New York 10, New York, August 8, 1945.

Mr. Chas. E. McHale, Secretary,
Louisiana Relief Lodge No. 1, F. & A. M.,
300 Masonic Temple,
New Orleans, La.

Dear Brother McHale:

Your letter of August 3rd has already been answered by our Secretary, but as Master of the lodge I would like to express to you our appreciation for anything that you may do for Mrs. Hurlstone and the children of our late Brother.

Although I was not a personal friend of the Hurlstones in their life outside the Lodge, there were many pleasant meetings at various affairs of which I have none but pleasant memories.

Brother Ivan E. Hurlstone always attended Lodge when he was able and was always a good Mason and supporter of the Craft and well liked by all the Brethren. Brother Hurlstone and I took our First and Second Degrees together and would have been raised at the same time except that he was out of town at the time.

Were Mrs. Hurlstone in New York we would make every effort to have the children admitted to our Home in Utica if that were her wish, and as she wishes to have them in Louisiana, I sincerely hope that you will be able to do something for them there.

In closing let me thank you again on behalf of the Brethren of the Lodge and myself as Master.

Fraternally yours,

(Sgd) Frank A. D. Fleischer,
Master.

The above correspondence is given with a view to completing the record in connection with this case. Not only Brother McHale, but a number of other New Orleans brethren, were deeply interested in these children and urged upon your Board of Trustees the waiver of our rules in this connection. Your Board of Trustees, after much and serious consideration, came to the conclusion that under the circumstances we would be warranted in suspending our rules in this case and we accordingly have received the Hurlstone children into our Home. But since we have extended our own rules and regulations in this respect, we feel that we should ask the approval of the Grand Lodge of our action in this case.

I have long felt that we are prone to dispense our Masonic charity in a somewhat selfish manner. Many of us are quick to extend the hand of Masonic relief to the brothers in our own Lodge and extend charity to brethren of a neighboring Lodge with some degree of reluctance. We find other brethren who feel the charitable impulse towards brother Masons of our own jurisdiction but feel some degree of reluctance in giving aid to brethren of a neighboring jurisdiction. Some of us respond with a degree of liberality towards all brother Masons but are slow to extend relief to those who are not Masons, forgetting that all men are brothers and entitled to our assistance when in distress. In 1927, during the incumbency of the writer as Grand Master, and appeal for the relief of flood sufferers of Louisiana, Mississippi and Arkansas, met with a response of more than \$600,000.00 from the Masons of every jurisdiction in the United States. During the year just ended, in response to the appeal of Grand Master Otto E. Passman, the Masons of Louisiana responded with contributions amounting to \$30,918.94 for the relief of our Masonic brethren in the war devastated areas of Europe and the Philippine Islands and such appeals were met with a similar response from practically every Grand Lodge in the United States.

Brother Frank A. Tucker and his wife, May Whisler Tucker, residents of the State of Florida, made a bequest now aggregating more than \$56,000.00, to the Masonic Educational Foundation, Inc., the benefits of which were to be especially dedicated to the education of the children of our Home.

Mrs. Ida M. Looney, a resident of the State of Texas, and whose husband was a member of a New York Lodge, has donated approximately \$25,000.00 dedicated especially to the education of the children of our Masonic Home. All of these gifts illustrate the true spirit of Masonic charity and impress us with the fact that Masonry is not confined to a single Lodge or a single Grand Lodge or to the Lodges of a single country, but is world-embracing in its benevolence and in the dispensation of its charity.

In view of the facts above set out, I cannot but believe that your Board of Trustees was justified in making an exception and taking under its protection, the children of our deceased Brother, Hurlstone, even though his membership was in Knickerbocker Lodge No. 642 of the State of New York, and I therefore appeal to this Grand Lodge to approve our action.

On motion ADOPTED, this action WAS APPROVED.

I wish to call to the attention of this Grand Lodge, the fact that the children of our Masonic Home are indeed blessed. They have a Home equipped with every modern convenience, with superlative conditions as to health, sanitation and opportunities for an education. For a number of years it has been the earnest desire of the writer to build up an educational fund for the children of the Home and with this in view, the monies donated by the various Lodges and Chapters of the Order of the Eastern Star and contributions from other sources for Christmas offerings to the children of the Home, have been set up as a Christmas and Educational Fund and all monies in excess of the amount necessary to provide the children with gifts and entertainment at Christmas time, has been dedicated to educational purposes. On December 31, 1944, the Christmas and Educational Fund of the Masonic Home for Children amounted to \$12,346.55. On December 31, 1945, the amount in this Fund was \$29,246.62. You will see from this that every child in our Home will have the opportunity, not only of completing his education in high school at Alexandria, but will have the opportunity of completing his education in any school or University in the country and that his educational possibilities are only limited by the desire and the capability of the child. At the present time, both the principal and interest of this fund is available for the educational needs of the children at the Home. I look forward to the time when we shall build this fund up to such an amount that the principal of the fund may be invested and the interest alone will be sufficient to supply the educational needs of our children. Can you wonder then, when I make the statement that a child is indeed fortunate, even though it has been deprived of the tender care and love by the loss of its parents, in finding a refuge in our Children's Home?

During the last two or three years, while the number of guests in our Home has been greatly reduced, the income for the Home has been much increased so that the Home now has a surplus of approximately \$70,000.00, which the Board of Trustees has invested in United States Bonds and is holding in reserve for such a time as the needs of our children may require additional buildings and accommodations. We are at this time passing through a period of prosperity for which the war is largely responsible, but who knows when a depression may

follow the present period of prosperity and the number of children requiring assistance may be three or four times as great as at the present time. Your Board of Trustees is doing its utmost to conserve the resources of the Home so that should occasion arise, we shall be in a position to meet the emergency requirements.

We therefore urge the brethren to continue the magnificent contributions to this worthy and noble cause and suggest to those who may have in mind a bequest to charitable purposes, to include in their last will and testament, a bequest to the Masonic Home for Children.

Fraternally submitted,

EDWIN F. GAYLE,

Chairman, Board of Trustees
Masonic Home for Children.

REPORT OF SUPERINTENDENT OF MASONIC HOME FOR CHILDREN

The Report of Brother George B. Summers, Superintendent of the Masonic Home was received and ordered printed in the proceedings.

It is our privilege and duty to present the twentieth annual report of the Masonic Home for Children.

The health of our children has continued good, but with the admission of younger children and the approach of winter we felt it necessary to re-open our hospital and, therefore, on December 1st a full-time nurse was secured. There were no serious illnesses among the children during 1945. Dr. H. A. White has made the necessary routine examinations and came when called, but we are happy to report that we have made a minimum demand for his services during the year when our town was over-crowded as a result of the war, and the doctors in Alexandria were so over-worked. Dr. M. F. Jarrell has continued to watch carefully the teeth of our children, coming on Saturday mornings, when necessary, to care for their needs.

In spite of the food rationing, we have been able to maintain a well-balanced diet for the children and this we believe has had much to do with the maintenance of the good health of our family. Most of our meat supply was produced at home, as well as an abundance of milk, butter, eggs and also some vegetables. Our good friends of the Eastern Star and other organizations saw to it that the sweet tooth of our children was satisfied and through jams and jellies showers in the various chapters and the use of the honey, syrup, preserves etc. sent in by these good friends, the sugar limitations were overcome.

All of the war-time problems confronted us, just as any other home. Many of them will be with us for some time to come, but we have made every effort to face them and our children have suffered no privation. In fact, it is our feeling that they have been better provided with the three fundamentals—food, shelter and clothing—than a large majority of children in private homes, and their welfare has been watched carefully by a small staff of devoted people.

The children attend church and Sunday school regularly and their records at Bolton High School and Bush Avenue Grammar school continue to compare favorably with those of their school friends. Geraldyn Woodall Cassidy, who entered Southwestern Louisiana Institute in February, 1943, and who expects to graduate in February, 1946, has been selected as one of the fourteen outstanding students at Southwestern to be represented in the 1945-46 edition of Who's Who in American Colleges and Universities. We are proud of the record

which Geraldynne has made, especially in view of the fact that she will be the first to graduate from college since the establishment of our Educational Fund. The record which she has made should be an inspiration and encouragement to her "sisters and brothers" who follow her.

Our recreational program has been adequate. Through the kindness of Mr. Don George of the Don Theatre in Alexandria, the children have enjoyed a picture show each week and they were also given the privilege, by the City authorities, of going swimming in the City pool each week during the swimming season. Outstanding in the minds of all the children in the Home is the week spent at Magnolia Park during August, through the courtesy of Mr. H. D. Foote, Sr. of Alexandria, who provided a cabin and all the necessary fees for the entire group for this delightful outing. Golden Link Chapter of Boyce, in spite of rain and high water, as has been their custom since the Home was opened, provided for the Easter Egg Hunt and refreshments on Easter Sunday afternoon. Other parties, picnics and outings have provided much entertainment for the children. The Grand Chapter of Louisiana, Order of the Eastern Star, led by Mrs. Birdie Mae Mulhern, Worthy Grand Matron, and Mr. Fred Culver, Worthy Grand Patron, sponsored a Christmas party for the children and distributed the gifts from the various Eastern Star Chapters sent for the children and gave other gifts for the Home. The Dahraf Ladies of New Orleans again sponsored a pre-Christmas party and brought Santa Claus with them. We celebrated Christmas Eve with a quiet family Christmas Tree, at which time a number of the children's parents and relatives were with us and it was at this time that the children received the gifts from their relatives and those provided through our Christmas Fund.

Piano lessons are provided for a number of our children who appear to have talent. A teacher comes to the Home on Saturday mornings to give these lessons.

During 1945, sixteen children were admitted, which is the largest number to be admitted in any year since 1927, except in 1931 when seventeen were taken in. Three were discharged, one of whom had passed the age limit and went to live with his mother; the other two also returned to their mother who had remarried and requested the return of her children, stating that she had re-established her home and was now able to care for them properly. On December 31 there were thirty-five children on the roll, fourteen boys and twenty-one girls. Since 1934 there had been a downward trend in the population of the Home, but during 1945, mainly in the last part of the year, the trend was reversed.

The spirit of the Masonic Home has been carried to the four corners of the earth during the war and we feel that the world has

been made a better world because of the influence of the Masonic Home through our boys and girls who have served, or are serving, in the armed forces of our country. We proudly give you the names which appear on our Honor Roll so that they may be inscribed in the permanent records of the Grand Lodge of Louisiana.

So far as we have been able to ascertain, there have been no casualties among our group.

To all who have in any way remembered to lend a helping hand, we are deeply grateful. I wish that I might thank each one personally. I trust that there may come to each that inner satisfaction in the knowledge that he has been of service to his fellowman and has shared in making the world brighter for others.

The income for the year was \$6,133.81 more than for the previous year and the expenses (exclusive of depreciation) decreased by \$5,881.90, a total improvement of \$12,015.71. It will be noted from the following tabulation in detail of the increases and decreases that the increase was mainly due to augmented income from per capita tax and degree fees, while the decrease in expenses was mainly in respect of repairs and replacements.

It should be also noted that the donations in cash to the general and the educational fund combined totalled \$22,615.26 as compared with \$10,996.45 for the previous year.

REPORT OF AUDITOR

The Grand Lodge Auditor, M:W: Bro. George A. Treadwell, P. G. M., presented his report which was received and ordered printed in the proceedings.

In pursuance of my appointment as auditor by the Most Worshipful Grand Master, I have examined the statement of assets and liabilities of the Grand Lodge of the State of Louisiana as at December 31, 1945 and the statements of revenue and expenses for the year then ended, and have examined or tested the accounting records and other supporting evidence by methods and to the extent which I deemed appropriate, with the exception that I have accepted the figures in respect of the details of operation of the Temple building as shown by the records maintained by the building agent-manager, which records are regularly examined by other certified public accountants.

In my opinion, the accompanying statements of assets and liabilities and the related statements of revenue and expense present, fairly, the position of the Grand Lodge of the State of Louisiana at December 31, 1945 and the results of its operations for the year 1945, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

REPORT OF THE COMMITTEE ON FOREIGN CORRESPONDENCE

The Chairman of the Committee on Foreign Correspondence, M:W: Bro. Edwin F. Gayle, made the following report, which was received and ordered printed in the proceedings.

Your Committee on Foreign Correspondence has been among the first to recognize the several Grand Lodges of Mexico, taking the view that recognition of the York Grand Lodge of Mexico did not preclude the recognition of other Grand Lodges in that country.

Back as far as 1912 and prior thereto, Louisiana Grand Lodge has recognized and exchanged representatives with "Grand Lodge Valle de Mexico," "Grand Lodge Oaxaca," "Grand Lodge Nueva de Leon" and "Grand Lodge Cosmos."

For a time, due no doubt, to trouble growing out of the disruption of the York Grand Lodge and Grand Lodge Valle de Mexico, recognition was withdrawn. Grand Master Hollis H. Bain visited Mexico and made a report on the condition of Masonry in Mexico with special reference to the controversy between York Grand Lodge and Grand Lodge Valle de Mexico. Happily these differences have now been adjusted and there is an exchange of visitation between members of the York Grand Lodge and the members of other Grand Lodges in the several states of Mexico.

The York Grand Lodge claims and exercises the right to organize and charter Lodges of English speaking Masons in any Mexican State where there is available material. The other Grand Lodges of Mexico, including the Grand Lodge Valle de Mexico, now recognize and acquiesce in this claim and thus amity is restored. The several Grand Lodges of this country are very jealous of their jurisdiction and claim and maintain exclusive jurisdiction, but joint jurisdiction is not unknown in European and Latin American countries.

Aside from the York Grand Lodge, Mexican Masonry is adopting the principle of exclusive jurisdiction and to that end, Grand Lodge Valle de Mexico, which formerly exercised jurisdiction over the greater number of the States of Mexico, is surrendering its jurisdiction in states in which new Grand Lodges are formed. The United States of Mexico is composed of thirty-one States, in eighteen of which a Grand Lodge has been formed. In States where no Grand Lodge has been formed, jurisdiction is retained by the Grand Lodge Valle de Mexico, or assigned to the Grand Lodge adjacent thereto. If we include the York Grand Lodge, there are nineteen Grand Lodges in Mexico, as follows: York, Benito Juarez, Campeche, Chiapas, Cosmos, Del Pacifico, El Potosi, Guadalupe Victoria, Hidalgo, Neuva Leon Oaxaca, Occidental Mexicana, Oriental Peninsular, Queretero, Restauracion, Temaulipas, Baja California, Unida Mexicana and Valle de Mexico. The Grand Lodge of Louisiana now recognizes all of these except: Campeche, Guadalupe Victoria, Hidalgo, Oaxaca and Queretero. With a view to their recognition, your Committee has given due consideration to each of these Grand Lodges and reports as follows:

Campeche, located at Campeche in the State of Campeche, Mexico, has been in existence since 1885, is recognized by the other Grand Lodges of Mexico, has five subordinate Lodges and a membership of two hundred. Address: Apartado No. 17, Campeche, Campeche, Mexico. Perez Mendez, Grand Master, and Carlos Matos Escobedo, Grand Secretary.

Guadalupe Victoria, located in the State of Durango, in the City of Durango, Apartado No. 108, Andres Caneda Neri, Grand Master, and Andres Blancarte, Grand Secretary, has eleven subordinate Lodges and

a membership of three hundred fifty. This Grand Lodge was organized July 8, 1923, and is recognized by the other Mexican Grand Lodges.

Hidalgo, in the City of Pachuca, State of Hidalgo, Apartado No. 75, was organized June 22, 1940, Alfonso M. Ortez, Grand Master, and Jesus Echeverria Florez, Grand Secretary. It has four Lodges and a membership of one hundred ten.

Oaxaca, Apartado No. 184, in the City of Oaxaca, State of Oaxaca, Mexico, was organized February 5, 1886, and Ing. Benigno Campas y Cueva, is Grand Master, and Octavio R. Ruedo is Grand Secretary. It has fourteen subordinate Lodges and a membership of four hundred. It is recognized by the other Mexican Grand Lodges.

Queretaro, Apartado No. 13, in the City of Queretaro, State of Queretaro, Mexico, was organized November 10, 1934. It has three subordinate Lodges and a membership of one hundred twenty. It is also recognized by the other Grand Lodges of Mexico.

Since we have recognized all the other Grand Lodges of Mexico, there is no good reason why we should not recognize these five. We therefore recommend that the Grand Lodge of Louisiana extend recognition to the above named Grand Lodges and that an exchange of representatives be invited.

At the meeting of this Grand Lodge in 1943, upon the recommendation of this committee, relations were severed between this Grand Lodge and the Grand Lodge Nuevo Leon in the City of Monterrey, State of Nuevo Leon, Mexico. In 1945, we ascertained that the causes which brought about the severance of fraternal relations, had been remedied or ceased to exist and we hastened to recommend the re-establishment of friendly relations, which was accomplished by a proclamation of Grand Master Otto E. Passman, there being no communication of the Grand Lodge in 1945.

We now recommend the approval by this Grand Lodge of the recommendation of the Committee and the proclamation of the Grand Master restoring fraternal relations between the Grand Lodge of Louisiana and the Grand Lodge Nuevo Leon.

We wish to thank, and at the same time congratulate, Brother Ray V. Denslow, Foreign Correspondent of the Grand Lodge of Missouri, for having prepared one of the most interesting and complete reports on Masonry in Mexico, and we recommend its careful consideration by all who may be interested in Mexican Masonry.

Brother Denslow presents a very strong case for the forming of or chartering of Lodges to Spanish speaking citizens of the several jurisdictions in the United States and cites New York as a jurisdiction where foreign language Lodges are chartered by that Grand Lodge. This idea is not new to Louisiana Masons. The Grand Lodge of Louisiana has chartered Lodges working in the French, Italian, Span-

ish and German languages and is rather proud of the fact. These foreign language Lodges have a membership composed of zealous Masons, whose loyalty and patriotism rank among the highest in the Craft.

We have the application for recognition and an exchange of representatives by the Grand Lodge of Bolivia. Casilla No. 564, La Paz, Bolivia. This Grand Lodge was organized November 20, 1929. It has established the basic principles universally observed by Masonry throughout the world, enjoys fraternal relations with Chile and other Latin American Grand Lodges and has been recognized by the Grand Lodge of England, Scotland, Ireland, New York, Kentucky, New Jersey and Massachusetts. The Grand Master is Rodolfo V. Flor and the Grand Secretary is Isaias Pacheco Jimenez.

We recommend that the Grand Lodge of Bolivia be recognized and an exchange of Representatives be invited.

We learn from a series of circulars from the Grand Lodge of Peru that fraternal strife and discord has arisen resulting in the election of two sets of Grand Lodge Officers. Our old friend, Grand Secretary Jose Polar Ramos, advises us of the election of Augusto Solari Saco as Grand Master, while Brother Carlos E. Espinosa, Grand Secretary, advises us of the election of Edmundo Haya de la Torre as Grand Master. It seems that the last named officers are occupying the Grand Lodge offices at Lima, while Brother Ramos has moved his office to Callao, Post Office Box 216. We hope that our good brothers of Peru will soon patch up their differences. In the meantime we must wait and see.

Equador: Brother Jose Antonio Camposano Sanchez, Grand Master of Equador, enters a protest addressed to all the Masonic Jurisdictions of America against the Spanish persecution of Masonry. Brother Sanchez sends us a list of his Grand Lodge Officers and the Post Office Address of each of the four subordinate Lodges at Guayaquil, Equador, and invites friendly correspondence. The Grand Master sends a message of condolence to all Grand Lodges of the United States for the death of our distinguished Brother Franklin D. Roosevelt on April 12, 1945. On May 15, 1945, Brother Sanchez issued a proclamation of joy and congratulation at the termination of the European war and expressed a hope for the early and victorious termination of the war with Japan. Such expressions of fraternal interest and affection should awaken in us a responsive chord and draw us closer in amity with our brethren in Equador.

Inter-American Conference: This movement, originated by the Grand Lodges of Argentina, Chile and Uruguay, has made some progress. Brother Hermajenes del Conto Aguirre, has been elected President and Brother Rene Garcia Valenzuela, Secretary General.

Communications will reach the President or Secretary General at Casilla 2868, Santiago, Chile.

The Grand Lodge of Spain, Grand Oriente Espanol, in exile, has taken up its residence in Mexico City, Mexico, Apartado 2314, and solicits recognition. From the information at hand, we are unable to determine the status of the Grand Oriente Espanol. We do not know of any Lodge under its jurisdiction. We are not certain of the relation between the Grand Lodge Valle de Mexico and this Grand Lodge. Under the circumstances we are unable to make a definite recommendation and ask that the request for recognition be held over for further consideration.

Grande Loja Do Estado De Sao Paulo, P. O. Box 2611, Sao Paulo, Brazil. One June 26, 1945, Brother Laguens received a letter from Brother O. M. de Fleury, Secretary of Foreign Relations of the Grand Lodge Sao Paulo, suggesting that he, Brother Fleury, be appointed Representative of Louisiana near the Grand Lodge of Sao Paulo. This has been done and Brother R. Norman Bauer of Patterson, Louisiana, has been appointed Representative of Sao Paulo near the Grand Lodge of Louisiana.

Serenisima Gran Logia Nacional de Columbia, Apartado 16, Cartagena, Columbia, S. A., Alfonso Romero Aguirre, Grand Master, and Julio Sarmiento, Grand Secretary. A letter from the Grand Secretary, dated August 12, 1945, gives us a list of the officers elected and installed for the year 1945 to 1946. He says in part:

"Nothing would be more appreciated than to know your ideas and sentiments regarding the changes, socially, financially, economically, and spiritually, brought about by the termination of the war". He continues: "Many are the problems that confront us, which can only be solved by complete universal harmony. This can best be accomplished by the study and cooperation by the different branches of our fraternity working together for human welfare".

Grand Lodge of the United States of Venezuela, Caracas, Venezuela. Dr. Buenaventura Briceno Belesario, Grand Master, and Moises S. Frija, Grand Secretary. Under date of September 16, 1945, we are in receipt of Resolutions condemning Spain and the Dictator, Francisco Franco, for the persecution of Masons. His recitation of the many crimes against humanity, concludes by urging the Government of Venezuela and other American Republics, to break relations with Spain and the Franco Government and to recognize the Spanish Government in Exile.

Our Latin American brethren are letting us have more and more information and reports as to their activities, purposes and ideals. York Grand Lodge of Mexico is doing much to harmonize and bring about a spirit of amity, friendly relations and cooperation among the

Masons of Mexico, and is paving the way toward a more general recognition of the Mexican Grand Lodges by the several Grand Lodges of the United States. Among the periodicals and Bulletins coming to our desk from Latin America, we wish to express grateful acknowledgment of the following: "Revista Masonica" from the Grand Lodge of Peru; Decrees of the Grand Lodge Valle de Mexico; "Grand Oriente Espanol en Exile"; "Simbolismo" from Grand Lodge "Unida Mexicana" of Vera Cruz; "Fiat Lux" from the Grand Lodge "Unida Mexicana" of Vera Cruz; "Hermes" from the Grand Lodge "Cosmos" of Chihuahua; "Shittah" from Grand Lodge "Cuscatlan" of San Salvador; "El Nivel" from the Grand Lodge of Argentina.

We have the 1944 Report on Freemasonry in Mexico, of the Committee on Foreign Relations of the Grand Lodge of Massachusetts, of which Brother Melvin M. Johnson is Chairman, recommending the recognition of practically all of the Grand Lodges of Mexico, and the very exhaustive and comprehensive 1945 Report of Brother Ray V. Denslow, Chairman of the Committee on Foreign Correspondence of the Grand Lodge of Missouri, recommending the recognition of the Grand Lodges of Mexico associated in National Masonic Congress of Mexico. Brother Denslow records the fact that the Grand Lodge of Louisiana established three Lodges in Mexico under the following names and numbers: "Los Amigos Reunidos No. 8, established at Vera Cruz on April 30, 1816". "Reunion a la Virtu No. 9, established in Campeche on April 12, 1817". "Aurora de No. 18, established at Merida, Yucatan." While these Lodges have long been extinct, Louisiana is rather proud of the fact that she shared in the honor of planting the seeds of Masonry in our sister Republic.

Owing to the ban on travel, most of the Grand Lodges of the United States held annual conferences rather than annual communications, and the Grand Officers carried over for a second year. War continued the most vital concern of Masons as it was of every man who cherished freedom, culture and civilization. Men from every walk in life, civil or military, knocked on the door of Masonry seeming to feel that they would therein find the principles, the teachings, the brotherhood, the loyalty, the strength and the courage to meet the confusion and chaos resulting from a world at war, in which the very foundation of our civilization was at stake. So Masonry in this country has increased in numbers as never before in its history. Masonry is the solid rock to which men may cling in this troublous time of uncertainty and doubt. Masonry was crushed in Axis Europe because Masonic ideals of world brotherhood, freedom of thought, freedom of worship, was a bar in the path of the Dictators, Hitler, Mussolini, and Franco, and their ideals of dictatorship, bigotry, racial hate and enslavement. The reports show that Masonry went all out for the war effort because the Allies were fighting for the

sacred principles for which Masonry stands. The Masonic Service Association appointed a committee headed by Brother Ray V. Denslow, Past Grand Master of Missouri, General Grand High Priest of the General Grand Chapter of the United States, and composed of other prominent Masons, which visited Europe and has made a report on conditions there. Every Grand Lodge of the United States has joined in a movement to raise funds for the relief and rehabilitation of Masonry in the war devastated countries. Louisiana, under the leadership of Grand Master Otto E. Passman, has raised approximately \$32,000.00, which has been allocated as shown in his report. Brother Denslow's report will be a guide to the intelligent allocation of funds raised in this country for the relief of our European brethren and in the Philippines. Thus, as reflected in the reports, we find Masonry at work, ever thoughtful, ever zealous, ever earnest in its efforts to alleviate suffering, restore peace, and preserve the freedom of mankind.

EDWIN F. GAYLE, P. G. M., Chairman,
Committee on Foreign Correspondence.

REPORT OF THE GRAND LECTURER

The Grand Lecturer: R:W: Brother Robert C. Leeves, made his report, which was received and ordered printed in the proceedings.

Brethren:

This is the report of my stewardship to this Grand body for the year 1945.

Many of the wonderful things I would like to say are dampened by the sad thoughts due to the loss to this fraternity of a grand old worker, who served as Grand Lecturer 28 years. Bro. Jesse A. Taylor was called from his labor in this life January 3rd, 1945, and the brethren truly mourn his passing. He gave of himself unselfishly all those years, and we pray he is reaping his reward. Due to his loss the work of visiting the entire state fell upon me, and in order to try and cover the entire state it was necessary for me to arrange district meetings, and with the help of the District Deputy Grand Lecturers, who were appointed by the Grand Master, I believe a fine work was accomplished over the state.

I held district meetings in each district of the state, and the work was well received and welcomed by the brethren attending these schools of instruction. To the brethren in south Louisiana, I want to express my thanks for the kind reception given me and the many

kind remarks of appreciation relative to the work. Truly I enjoyed working with these lodges and am grateful for the privilege of meeting and knowing many fine brethren, I never would have known as I now know them.

I found almost all the lodges over the state in a healthy condition, with peace and harmony prevailing. Many petitions being received and much work done as well as a substantial number of re-instatements. The brethren over the state are deeply interested in the esoteric work, and the holders of certificates are largely responsible for the good work being done and I am thankful to them for their help.

Also want to thank the certificate associations for their fine co-operation and work. Have also held school of instruction with the New Orleans lodges from January 28th through February 7th, 1946, which classes have had a fine attendance from the brethren, and good work accomplished. I am very thankful to the New Orleans Certificate Association for their deep interest.

It would be amiss if I failed to express my thanks for the fine fellowship, and co-operation given me by all the Grand Lodge Officers during this year. Bro. Pete Laguens, our Grand Secretary is always more than co-operative and I am grateful to him for his kind counsel also.

To our Grand Master Bro. Otto Passman, I especially want to express my thanks for his fine co-operation, it has been a great pleasure to be a member of you official family.

With peace prevailing over the world as best it can under the after effects of such a destructive conflict, I pray our Grand Lodge session this year will be filled with co-operation and harmony, and that this Grand Fraternrity will go forward to new heights in a manner that God will cast on us His blessing.

Fraternally submitted,

R. C. LEEVES,
Grand Lecturer.

REPORT OF LOUISIANA RELIEF LODGE No. 1

The W: Master of Louisiana Relief Lodge, W: Brother Louis T. Waldsdorf, made his report, which was received and ordered printed in the proceedings.

"Light is the task when many share in the toil" is a bit of philosophy credited to Homer hundreds of years B.C. I like to think of

this when preparing my annual report, as it applies so much to the Officers of our lodge. They have been very cooperative and faithful in the performance of their duties. At no time have they lacked patience and willingness to assist in carrying our aim to serve sojourning brethren and out-of-town lodges. I am deeply grateful to my officers.

To mention the many sick calls made, and the lodges served, would require greater space. Aside from sick calls and funerals, other cases come to our attention demanding time and patience and considerable correspondence. Some cases are unique and cause some of the officers to assume the role of amateur detectives.

Through our efforts, six children of Master Masons were placed in the home at Alexandria. In one instance three of the children were orphans of a brother who gave his life at sea during the war in the performance of duty. I urge the Officers of all our city lodges to attend our quarterly meetings when such cases are reported in detail. A summary report of our activities will be found in these proceedings.

By vote of the lodge, our secretary and myself were granted the privilege of attending the bi-ennial meeting of the Masonic Relief Association of the U. S. and Canada at Louisville, Kentucky, November 12 and 13, 1945. We were accompanied by our Grand Secretary R:W: D. Peter Laguens, Jr. At this meeting members of the various Boards of Relief from many sections of the U. S. and Canada convened to discuss problems of relief, report cases of unusual interest, and make recommendations for the good of the order. It was a most inspiring meeting. Louisiana Relief Lodge was singularly recognized as being unique among the various other Boards of Relief.

I would like to express my thanks to the lodges that have shown appreciation in our behalf by their financial contributions, and to the Grand Lodge of Louisiana for its annual donation. We welcome their moral support.

The Relief Lodge is dedicated to "serve." The type of service we do is not always of a pleasant nature, but our labors afford us a certain sense of gratification and the realization that we are exemplifying that great lesson of charity so profoundly impressed on the candidate in the Entered Apprentice Degree.

REPORT OF MASONIC DIGEST COMMISSION

Consider this the report of the Masonic Digest Committee.

No amendments were made to the Masonic Code during the year 1945 for the reason that the Grand Lodge did not meet during that year, and hence the rulings of the Grand Master have never been approved by the Grand Lodge.

Your Committee, after the 1946 Session of the Grand Lodge, will bring the Masonic Code up to date and include therein the Grand Master's rulings of 1945 and such other matters as transpired at the Grand Lodge meeting of 1946 therein.

REPORT OF COMMITTEE ON HISTORY

In winning the most cruel and bloody war a great many members of our fraternity had a prominent part, and their achievements should be recorded in our Proceedings. At our 1941 Grand Lodge Communication, a Resolution was adopted ordering this to be done by our Committee on History, gathering the information through the secretary of each Lodge. Now since the war is past and virtually all of the brethren, who participated, except those who gallantly paid the Supreme Sacrifice, are back home, this will be done and your Committee will send individual questionnaires to the Secretaries of our Lodges requesting them to answer the questions as far as possible. This will be quite a job for the Secretaries of the larger Lodges and we ask the members of these Lodges to assist the Secretaries in this work.

The Masonic Fraternity hates war, but when forced on us, we are proud of the accomplishments of our brethren who heeded our Country's call.

REPORT OF COMMITTEE ON DELINQUENT LODGES

In accordance with the provisions of Resolutions 37 of 1936 and of Resolution No. 3 of 1939 Annual Communications, authority was given our Committee to extend the time of past due delinquencies of indebtedness of Lodges at the time and to make any compromise settlements which might be for the best interest of the Lodges and the Grand Lodge.

Our Committee is now pleased to report that GIBBSLAND LODGE No. 304 has made settlement of \$100.00 as a compromise settlement with the remainder of the account being written off.

With this final payment, the activities of this Committee are concluded as there are no more delinquent accounts.

REPORT OF THE SERVICE COMMITTEE

The Service Committee in presenting its tenth annual report, desires to express their appreciation to the Grand Lodge, and to the Grand Master for their whole-hearted support and cooperation.

Due to the fact that there was no Grand Communication of the Grand Lodge in 1945, the annual meeting of the committee could not be held. However, February 12th, 1945 a meeting of the New Orleans members of the committee was held, at which time the work for the year was outlined. The minutes of this meeting were sent to out of town members.

The services rendered by the Committee falls under two general heads, first, the free services rendered to Lodges and Brethren and second, the work of the department of lodge supplies.

Under the heading of free service may be listed:

Supplying the individual lodges with annual dues cards in 1944 —two years supplies, 1945 and 1946 were sent out.

Supplying the individual lodges with 25 and 50 year certificates for their members as requested;

Certificates furnished during 1945, and to date:

25 year certificates.....	(1945) 493.....to date 5079
50 year certificates.....	(1945) 12.....to date 143

In addition to the above services to the lodges, consultation services were available concerning materials in the service committee files. Such as plays, special programs, talks on special subjects, etc.

For the brethren in New Orleans, use of the library facilities, including magazines, proceedings of this and other jurisdictions, Masonic books, files of old short talk bulletins were available.

Owing to the influx of candidates and the fact that the Grand Lodge has subscribed to the Masonic Service Association, there is less need for supplying special programs and other materials of a kindred nature. When candidates were few and far between the Master needed more special material to keep an interesting trestle board.

The second part of the services rendered are most important. Lodge supplies, like many other things have been hard to obtain, and it has been a great advantage to the lodges to be able to write or call at a central place for their various supplies. In spite of the greatest efforts shortages have occurred from time to time, and orders in some cases have not been filled as promptly as the committee desired.

The auditors' report concerning the department of equipment and lodge supplies is printed in full elsewhere in these proceedings. However, certain items are worthy of special note here. The gross sales were \$27,132.94 for 1945, and the net profit from these sales after all expenses are deducted is \$3,307.78. To date the department has earned \$10,399.58 in the almost five years of its existence.

This fine showing is due to the energy, ability, interest and hard work of Mrs. E. J. Carr, who is in charge of the department, and has been since its inception in April 1941. The committee takes this occasion to commend her for her fine work. Many secretaries and brethren have expressed their appreciation for this service.

There will be an annual meeting of the committee held during the Grand Communication of the Grand Lodge, at which time plans for the coming year will be discussed.

The committee also wishes to thank the lodges and brethren for their cooperation and support, and in conclusion hopes that during 1946 more and better services may be rendered.

REPORT OF MASONIC EDUCATIONAL
FOUNDATION, Inc.

REPORT OF PRESIDENT

On behalf of the Board of Directors of the Masonic Educational Foundation, Inc. I am pleased to report that there appears to be a growing appreciation of the importance of the Educational Foundation as factor in carrying out the aims of Masonry in promoting the cause of education and enlightenment. A reference to the reports of the Secretary and Treasurer attached hereto will show that the John T. Monroe Foundation has been increased by \$13,496.04 resulting from the sale of land and from rentals under oil leases, and that the Tucker Foundation has been increased by a further distribution by the executors of the Estate of Bro. Frank A. Tucker in the sum of \$1,600.00. Interest on the investment of the funds of the Tucker Foundation amounted to \$2,222.50 and interest on the investment of the funds of the John T. Monroe Foundation amounted to \$260.00. The principal of these and other donations and bequests is held intact, while the interest accruing from the investment of these funds is available for student loans. The amount of the principal in each of the Foundations so far established is as follows:

Frank A. Tucker Foundation.....	\$56,000.00
John T. Monroe Foundation.....	22,091.60
Edwin F. Gayle Foundation.....	1,800.00

Total principal\$79,891.60

There is now a balance on hand available for student loans, the sum of \$9,721.94 which sum is the interest accumulated from the investments of the above funds. The Board of Directors re-invest this interest accumulation with the exception of such amount as may be necessary to meet current requirements. During the past year loans have been extended to D. Fenwick Bain who was attending the University of Michigan and Wilma Lee Jackson who was attending the S. W. Louisiana Institute. Loans are extended to deserving students without interest for five (5) years from date of loan. After five (5) years loans bear interest at the rate of 5%. During the past year five students have repaid their loans in full aggregating \$640.00. We have outstanding at the end of the year, loans to twelve (12) beneficiaries aggregating \$3,080.00.

Owing to war conditions and the liberal provisions by the Federal Government for the education of veterans, we have not had a great demand for student loans, but we feel that with changing conditions the demands will increase and that the calls for assistance will tax our available funds to the limit.

Donations and bequests are accepted and administered by the Masonic Educational Foundation, Inc. in accordance with the stipula-

tions and directions of the donor or testator. For example, the beneficiary of the Tucker Foundation may aid any deserving boy or girl regardless of Masonic affiliation. The aid extended from the funds of the John T. Monroe Foundation is limited to children in the Masonic Home and is in the nature of a gift, repayment not being required. The Masonic Educational Foundation, Inc. is a duly incorporated institution, qualified under the law to receive and administer donations and bequests and is under the management of a Board of Directors composed of three (3) members elected by the Grand Lodge, three (3) members elected by the Grand Lodge Hall Board and three (3) members elected by the Board of Trustees of the Masonic Home for Children. The Board of nine (9) Directors so constituted elect its own President, Secretary, and Treasurer.

REPORT OF MASONIC SERVICE COMMITTEE, U. S. ARMED FORCES

This Committee has the privilege of submitting the following report:

The functions of this Committee were carried on through 1945 in accordance with the purpose for which the Committee was organized in 1942. However, with the large number of men being separated from the several services and the reduction in some of the military establishments in this area, applications to the Committee have been reduced in number, and no doubt this trend will continue. Of course, there will remain in New Orleans certain permanent establishments, such as the Naval Repair Base in Algiers, the Air Force Training Station on Lake Pontchartrain, and possibly a portion of Camp Plauche at Harahan, in addition to certain other smaller establishments.

During 1945, at the request of foreign jurisdictions 45 contacts were made with sojourning Brethren or relatives who were in the military service in this area. In addition, this Committee contacted by mail or otherwise 21 of our own Brethren who were located in Alabama, California, Georgia, New Jersey, North Carolina, and Texas. Also regular visits were paid to those Brethren hospitalized at the La-Garde General Hospital and the other hospitals in New Orleans. In addition, instruction was given to certain Entered Apprentices and Fellowcrafts.

It was found necessary to make one request for additional funds from the local Lodges during the fall of 1945, and this request was readily complied with, for which cooperation the Committee is indeed grateful.

One special service rendered by the Committee at Christmas time was the assistance in furnishing decorations for the Christmas trees at Camp Plauche and also furnishing of funds for long distance telephone calls to men who would otherwise have been unable to make such calls at that time.

Valuable assistance was rendered by our ever available Grand Secretary, Bro. D. P. Laguens, Jr., and by the personnel of his office,

as well as by Bros. Louis Walsdorf and Charles McHale, the Master and the Secretary, respectively, of Louisiana Relief Lodge No. 1. In addition, other Brethren have rendered assistance whenever it was in their power to do so.

The financial statement of this Committee is herewith submitted:

We, your Committee on Mileage and Per Diem, beg leave to report that the pay roll and checks for Mileage and Per Diem incident to this Grand Communication are prepared, and that checks will be disbursed at the conclusion of these Grand Lodge Sessions.

REPORT OF THE COMMITTEE ON NECROLOGY

Your Committee on Necrology fraternally submits the following report:

During the last Masonic year, four members of our Grand Lodge family have been called to their eternal rest, and many of our brethren of constituent Lodges have answered the final and inevitable summons to that "Bourne whence no traveler ever returns". While our hearts are filled with sorrow by this sad dispensation of Divine Providence, we bow in humble submission to the will of "Him Who doeth all things well", and offer our sincere sympathy and condolence to their loved ones left behind, and commend them to the infinite mercy and compassion of Him who alone can assuage the poignant grief, heal the wounds, and alleviate the anguish of surviving friends, families and loved ones.

Memoir of Brother Morris Marx

W. Brother Morris Marx was born in New Orleans, Louisiana, some sixty-five years ago and spent most of his life in that city. However, he moved to Baton Rouge in his early manhood, and took an active interest in Masonry during his brief residence there. He was especially active and zealous in organizing Baton Rouge Lodge No. 372, of which he was a charter member, and its first Worshipful Master. He was later made a Life Member, and retained his affiliation with that Lodge until his untimely passing in New Orleans May 26, 1945.

He was also a member of Jerusalem Temple A. A. O. N. M. S. and of the Grand Consistory of Louisiana A. & A. S. R. 32°.

Several years ago, he was made Chairman of the Committee on Credentials in which capacity he served with commendable zeal and efficiency until his passing to the Great Beyond.

His memory is affectionately cherished by the members and visitors of the Grand Lodge.

Memoir of Brother W. D. Goff

Brother William Davis Goff was born in Bienville Parish some sixty years ago, and spent all of his active and useful life in that parish. He died at his home in Arcadia September 8, 1945.

Brother Goff was one of the best known attorneys in the state and, at the time of his demise, was Assistant Attorney General, which office he had held before as Assistant to Attorney General Eugene Stanley.

He was raised to the sublime degree of Master Mason December 19, 1908; affiliated with Arcadia Lodge No. 126 on December 6, 1913. He was a member of Masonic Law and Jurisprudence Committee since 1935; was Past Grand Patron of the Order of Eastern Star; Past

High Priest of Arcadia Chapter No. 46, R. A. M.; Past Illustrious Master of Arcadia Council No. 29, Royal and Select Masters, Jonesboro, Louisiana.

Memoir of Brother Archie T. Higgins

M: W: Brother Archibald Thomas Higgins was born in Algiers, Louisiana, October 31, 1893. He died at his summer home in Covington, Louisiana, October 3, 1945.

S. R. 32° and 33° Honorary and of Jerusalem Temple, A.A.O.N.M.S.

He was elected Grand Junior Warden of the Grand Lodge in 1934, advancing each year until 1937 when he was elected Grand Master.

Brother Higgins was endowed with that vibrant energy, which impelled him always to press forward, and assume an active and intelligent leadership in all matters, civic, political and fraternal.

Memoir of Brother Louis Eschenbrenner

Brother Louis Eschenbrenner was born November 11, 1859. He died in New Orleans, November 16, 1945.

He was made a Master Mason in Perfect Union Lodge No. 1, New Orleans, Louisiana, August 17, 1905, and was a charter member of Euclid Lodge No. 394, New Orleans.

He was appointed Grand Tyler of the Grand Lodge in 1929, and served continuously in that capacity until 1942, and was Grand Tyler Emeritus 1943-1945.

He was Grand Sentinel of both the Grand Chapter, Royal Arch Masons and the Grand Council, Royal and Select Masters for many years.

Brother Eschenbrenner is lovingly remembered by members and visitors to the Grand Lodge for his unflinching courtesy and faithful attention to his duties.

The passing of these faithful Brethren has cast a gloom over the Masonic Fraternity throughout the State, and their genial presence

and fraternal fellowship will be greatly missed at our Grand Lodge sessions.

RESOLUTION No. 2

By W. D. HAAS, Past Grand Master.

RESOLVED by the Grand Lodge of the State of Louisiana that it is the concensus of their opinion that there should be no memorial to any individual placed within the Washington Memorial Temple erected to the memory of George Washington, nor should any headquarters be provided for meeting places of any other Masonic Organizations in said Memorial Building except those regular Masonic Bodies in Alexandria, Virginia of both the York and Scottish Rite. That there is no objection, however, to an individual or organization giving an article or furnishing a room and then placing a plaque saying such was the gift of the Grand Lodge of any of the States of the Union.

IT IS FURTHER RESOLVED that the representatives of the Grand Lodge of the State of Louisiana be with full authority to present a similar resolution at the meeting of the George Washington National Memorial Association to be held in Washington on February 22nd, 1946.

REPORT OF COMMITTEE ON MASONIC CODE OF 1933

SPECIAL NOTE:—NONE OF THE RECOMMENDATIONS CONTAINED IN THIS REPORT WERE ACTED UPON DURING THIS SESSION. THEY HAVE BEEN REFERRED TO THE 1947 GRAND COMMUNICATION.

The rewritten articles referred to in No. (1) of the following report will be printed in a special supplement to the 1946 Proceedings.
New Orleans, Louisiana, February 11, 1946.

To the Members of the Grand Lodge of the State of Louisiana, F. & A. M., New Orleans, Louisiana.

Dear Brethren:

Your Committee on the Masonic Code of 1933, appointed by action of the Grand Lodge at the 1944 Grand Communication for the purpose of presenting a clarified and simplified schedule of the present Masonic Law in Louisiana, has proceeded with this task.

We have carefully checked all of the contents of the Digest of Edicts contained in the Louisiana Masonic Code of 1933 and in the 1933-1944 Supplement; have eliminated all duplications; have eliminated all edicts which have been annulled or voided by later edicts or by amendments to the Constitution and General Regulations; have combined those edicts which in the past have separately treated the same general subjects; have reinterpreted, by unanimous opinion of the members of the Committee, some edicts whose meaning may have been obscure; and have endeavored to rephrase all law now in force in such a manner as to be easily interpreted by the members and officers of the constituent lodges.

No attempt has been made to treat portions of the law which are so plainly stated in the Constitution and the General Regulations as to make this unnecessary.

We therefore, beg to report as follows:

- (1) We recommend that the rewritten articles which have been delivered to the Grand Secretary in loose sheet form, numbered page 1 to page 717, inclusive, be printed in the * proceedings of this Grand Communication, in order that they may be available for reading and study by the Lodges throughout the State during the present Masonic Year; in order that any errors of commission or omission in the work of your Committee may be discovered; and that, on the basis of such additional checking, this work be referred to the 1947 Annual Communication of the Grand Lodge for formal action in regard to its adoption as the Law of this Grand Jurisdiction, the manner of printing, indexing and distribution.

- (2) We recommend for adoption at this Session the following Article on the General Subject of the Use of Lodge Halls; to replace the present articles on Halls, Joint Occupancy, Lodge Room, etc.:

"Lodge Halls are defined as the rooms in which Masonic meetings are held, and the integral part thereof, including the ante-room, preparation room, and the tyler's room, and are dedicated to Masonic purposes only.

"Certain organizations, while not Masonic, such as the Eastern Star, The White Shrine of Jerusalem, Shrine Clubs, Scottish Rite Clubs, shall be permitted to use the Lodge Halls with the consent of the Lodges expressed by majority vote thereof at any regular meeting. The two youths organizations, the Order of DeMolay for Boys, and the Order of the Rainbow for Girls, shall also be permitted to use Lodge Halls with the consent of the Lodges.

"Public wedding ceremonies, funeral ceremonies, and baptisms may take place in the Lodge Hall, with the approval of the Master of the Lodge. Lectures and educational programs, civic and patriotic ceremonies and programs may be conducted in the Lodge Hall while the Lodge is at refreshment, provided that there be no religious or political discussions connected therewith and the consent of the Lodge is obtained.

"The social and other separate rooms may be used for wedding receptions, for members, for dancing, for parties, for banquets and similar purposes. And the Lodge may also permit the use of such rooms by civic and patriotic organizations, such as the Red Cross, Community Fund, U. S. O., and the like, at all times, however, retaining sole and exclusive jurisdiction and control of the premises.

"A Lodge may not join with patriotic organizations making available its reception rooms to a joint civic organization committee for entertainment of Service Men but it can use its recreation rooms as it sees fit so long as these rooms and all that goes on within them are within the sole and exclusive jurisdiction and control of the Lodge."

- (3) We recommend for adoption at this Session the following Article on Procedure of Advancement after Elapsed Time:

"An applicant who has received the Entered Apprentice Degree shall have the right to sit in the Lodge of his Degree for the period of one year after receiving such Degree; to visit other Lodges of his Degree with consent of the lodge for the same periods; and to receive instruction in the lecture thereof until he is proficient in the same; but, if he permits one year to elapse before presenting himself for examination, it shall be necessary for him to petition for advancement, which petition must take the regular course and be referred to a Committee. When and if the Committee makes a favorable report, the Candidate shall be permitted to sit in the Lodge for the purpose of being examined in the lecture and, if the Lodge, by a majority vote, accepts the examination, the Candidate shall be balloted upon for advancement. If the examination is not accepted, no further action shall be had until he makes himself proficient. If the Candidate is advanced, he shall have one year in which to present himself for the Degree. If he fails to do so, it will be necessary for him to again petition for advancement, whereupon the same course shall be pursued. If the ballot is dark, he shall have the right to petition for advancement after six months. The same procedure shall be followed in the case of a Fellow Craft Mason seeking advancement under similar conditions. No Entered Apprentice or Fellow Craft shall be permitted to sit in a Lodge of his own or Inferior Degree for more than one year after being initiated or passed."

- (4) We recommend for adoption at this Session the following Article on Return of Fees:

"Any Candidate elected to but not receiving a Degree, for any reason whatever, shall have the fee for the Degree which he did not receive returned to him upon request upon the expiration of one year from the date of his election, or sooner if he becomes financially distressed, physically or mentally incapacitated or if he removes permanently from the State of Louisiana."

- (5) We refer for your action, without any recommendation on our part, the following Articles upon which your Committee has not unanimously agreed:

- (a) Charges in General, Page 136, (8), reading as follows:

"Where two brothers, related by blood, are on unfriendly terms on account of family quarrels, refuse to be reconciled, the Worshipful Master should admonish them; should either refuse to be reconciled, charges should be preferred against him for unmasonic conduct; should both refuse, charges should be preferred against both, and thus get rid of them,

for Masonry cannot afford to harbor such a scandal in her bosom."

Is it necessary to retain the specific Article in the Code?

(b) Communications, Page 147, (2)

"The Constitution, General Regulations, Edicts and all communications from the Grand Secretary and Grand Master to the brethren should be read in open Lodge to the brethren. This should be done as soon as possible after the copies of the proceedings of the Annual Communication are received."

The Constitution and General Regulations are not read in open Lodge to the brethren after the proceedings of the Annual Communication are received.

(c) Signs, Page 301, (1) and (2)

"While it is customary to give the proper sign when balloting, it is not absolutely necessary.

"There is nothing in law or usage that requires that the Worshipful Master should salute the Senior Warden before casting his ballot, and that three officers leave their seats, salute before casting ballot, as there is nothing in law or usage that makes any particular mode of casting ballot obligatory."

Customs vary in different Lodges; perhaps a regular procedure should be outlined and taught by the Grand Lecturers.

(d) Solicitation for Membership, Page 302, (1)

"While the Lodge is in session, or while called from labor to refreshment, there should be no appeal made in the Lodge Room that could be construed as a request or any invitation to join the Grotto, or any other organization of like nature."

This article, aimed at the Grotto, might be construed as prohibiting solicitation for the other York and Scottish Rite Degrees.

It is with great sorrow that we report the death of two members of our Committee since this work was begun. W: Brother W. D. Goff, of Arcadia, and M: W: Brother Archie T. Higgins, P. G. M., went to their Eternal Home during the calendar year, 1945, leaving our Fraternity saddened by this irreparable loss. Much of the work of this Committee was performed by these beloved Brethren and their counsel assisted greatly in the work that has been accomplished. We shall miss these Beloved Brethren.

ORATION

Grand Oration by Most Worshipful Brother Harry L. Robinson, Past Grand Master of the Grand Lodge of Maryland.

To the Most Worshipful Grand Master and Brethren of the Grand Lodge F. & A. M. of Louisiana:

The origin of Masonry is one of conjecture. It may have grown out of the mysteries of ancient Egypt which produced such wonders as the Pyramids, the Spinx and the cities of the Nile, unrivalled in splendor and beauty. The art of building, perhaps was carried therefrom by Moses as he led the children of Israel out of bondage. We read in the Holy Writ they were forced to make brick without straw

and, no doubt, were skilled as artisans in building. Suffice it to say the Temple of Solomon unsurpassed in splendor, costliness and beauty is a never-ending wonder even in this day of accomplishment, and was a monument of their skill as builders.

The art was by them in turn imparted to the Greeks and Romans. The latter as they spread over the known world imposed their government on the conquered and carried with them this accomplishment. Out of the building program developed the College of Builders as early as the 7th century, B. C. and from which organization later came the Cathedral Builders.

In 43 A. D., the Romans introduced the art of building into England and the City of York is said to have been the first Roman City there. Through the Cathedral Builders came the Guilds and then the Masonic Societies of England and Scotland. These guilds were formed to protect the craftsman and assure quality of workmanship, and thrived until the completion of the great Cathedrals about the beginning of the 18th Century. Masonry as exemplified by lodge formation flourished from about 926 A. D., when a charter was granted by King Athelstan to his brother, Prince Edwin, to form a Grand Lodge at York, until the completion of St. Paul's about 1700 A. D., when it lost much of its force and vitality, and lodges of operative masons as such were at about their end.

In 1703 A. D., St. Paul's Lodge, composed of workmen engaged in the building of the Cathedral of that name, enlarged the privileges of membership to "Freemen of all professions". Due to lack of unity among the four lodges then in London, and the bitter opposition of Sir Christopher Wren, architect of the structure, nothing was accomplished in revitalization of the lodge until after Sir Christopher Wren's death in 1716 A. D. Soon after, on St. John's Day 1717, the Grand Lodge of England came into being. It is worthy of note that the first Grand Master and the Grand Wardens were not operative masons. In the meantime, masonry had spread to the colonies and continental Europe and grew rapidly.

Franklin, first Grand Master of Pennsylvania, through his masonic connections had long urged a union of the colonies; but the Puritans of New England were suspicious of the Established Church of the other colonies. They had the town meeting for their government, and could not, or would not, meet those of the parish system of the southern colonies. Therefore, Masonry was the only common ground on which the leaders of the colonies could meet.

When in 1774, the First Continental Congress met at Philadelphia, delegates came from all the colonies. Nearly all were masons, and were presided over by Peyton Randolph, then Grand Master of Vir-

ginia. In 1775, the Second Continental Congress met in Philadelphia, and was presided over by John Hancock of Massachusetts, also a mason. This Congress elected George Washington, a mason, as Commander-in-Chief of the American Army. The Boston Tea Party was organized in St. Andrew's Lodge of Boston. Paul Revere was Junior Warden of his Lodge when he made his famous ride. At least fifty of the fifty-six signers of the Declaration of Independence were masons, and everyone on the committee who drew up the document were masons.

A few of the most important military leaders who were members of the Craft were: General Joseph Warren, who fell at Bunker Hill, Grand Master of Massachusetts; General John Sullivan, Grand Master of New Hampshire; General James Jackson, Grand Master of Georgia; General Aaron Ogden, Grand Master of New Jersey; General Mordecai Gist, Grand Master of South Carolina; Generals Israel and Rufus Pittman, Montgomery, Nathanael Greene, Ethan Allen, Anthony Wayne, Richard Henry Lee, John Stark, Francis Marion, Colonel William Moultrie, Baron von Steuben, Baron de Kalb, and Marquis de Lafayette. Statesmen of the period who were masons include Franklin, Peyton Randolph, Edmund Randolph, Hancock, Otis, Roger Sherman, John Jay, Robert Morris, Robert Livingston, Thomas Jefferson, Alexander Hamilton and John Adams. The most noted of the naval heroes, John Paul Jones, was a mason.

In 1787 after four months of careful deliberation, the Constitution of the United States was drawn up and signed. Thirty-four of the thirty-nine signers were masons. Under it a new government was to be formed, and a President elected. Only one name was considered, and Washington became the unanimous choice of the electors. One masonic authority has stated that "When the framers of the Constitution met four major problems confronted them. The new form of government must create unity without identity; it must establish equality without uniformity; it must provide individual well being without class stratifications; and it must make possible freedom without anarchy." Even the delegates to the convention had grave misgivings about the outcome of their work. History has revealed how well the effort succeeded. Many persons were concerned as to the cause of its success. A committee composed of men who were not Americans and headed by DeTocqueville, a Frenchman, and one of Europe's outstanding political philosophers reported that the real source of America's success was to be found in its spiritual resources; its fundamental morality, and the point of view of its citizens, that is to say on its spiritual foundations.

They were laid long before the Constitutional Convention. They went back to the men and women who settled on our shores bringing

with them a specific belief in God, and established a religion based on the economic principles of industry, sobriety and thrift; and the social principle that rights and privileges carry with them obligations and responsibilities. The Masonic lodge shared with the Church in shaping the thought and action of the colonists. In the lodge on the altar was the Bible serving as a symbol of divine guidance and intelligent power of the Supreme Architect in laying down on the trestle board plans for the development of life. It was a constant reminder of the blessings of religious liberty and freedom of conscience guaranteed within the lodge. Their eyes rested on the square, compasses, level and plumb, all symbolic of the social relationship of man: the square as a symbol of morality; the compasses of duty; the level of equality, and the plumb, integrity.

The influence of the Church and Masonry has continued during the years in laying a firm foundation upon which has been built our leadership among the Nations. As Masons during the formative period of our government contributed so much to its stability, so all down through our national life have they assisted in keeping it in the position it now occupies in international affairs. Today, we are reminded of the part played by General Andrew Jackson, who repulsed an attack on your fair city in 1814. In 1822, he became Grand Master of Tennessee. We in our Grand Jurisdiction are justly proud of the part played by Stephen Decatur and Joshua Barney who were Masons. Names of Masons famous in the history of our Country are too numerous to mention; suffice it to say that the chiefs of staff of the army and navy during World War II were Masons, as also the two War Presidents and many of their cabinets. In the Halls of Congress can be found Masons who have and are now putting into practice their Masonic teachings in molding the policies of our government.

Let us analyze what has been responsible for Masonry's position in world affairs. Possibly, the solution may be found in our ritual to which all Masons must subscribe. You are familiar with the Charge that "Three are three great duties which as a Mason you are charged to inculcate; to God, to your neighbor, and to yourself: To God, in never mentioning his name, but with that reverential awe which is due from a creature to his Creator, to implore His aid in all your laudable undertakings, and to esteem Him as the Chief Good; to your neighbor, in acting upon the square, and doing unto him as you wish he should do unto you; and to yourself, in avoiding all irregularity and intemperance which may impair your faculties or debase the dignity of your profession." A zealous attachment to these duties will insure public and private esteem.

Our obligations are threefold in purpose: First, that pertaining to the Lodge wherein we promise to keep secret and inviolable the

mysteries of the Fraternity and to give obedience to its rules and regulations; Second, as a citizen wherein you are charged to be a quiet and peaceful subject, true to your government and just to your Country. You are not to countenance disloyalty or rebellion, but patiently submit to legal authority and conform with cheerfulness to the government of the Country in which you live; third, in upholding spiritual values. On our Altars will be found the open Bible. We are taught that "Masonry is so interwoven with religion as to lay us under obligation to pay that rational homage to the Deity which at once constitutes our duty and our happiness. It leads the contemplative to view with reverence and admiration the glorious works of creation and inspires him with the most exalted ideas of the perfection of his Divine Creator".

In a survey made by Bucknell University in response to a question as to "Why in time of war, religious interest deepens and at the same time there is a lowering of moral standards?", it was found that 15% of the men in large concentration areas such as camps, when free, sought wholesome recreation; that 15% immediately sought the entertainment offered by the saloon and other questionable places of amusement; leaving the remaining 70% to be influenced by the first invitation. With this in mind who can evaluate the influence for good of the various welfare activities of the Masonic bodies as they sought to carry out the tenets of their profession, Brotherly Love, Relief and Truth. Wholesome entertainment without cost was at hand; service centers at convenient places furnished a homelike atmosphere; contacts in this Country and abroad were maintained; and services to dependents in need of assistance were available. The complement to all this was the many Masonic Clubs formed by our brethren in military service, and fraternal good will through these channels made itself felt throughout the world even to the far-flung and scattered islands of the Seven Seas. We can with pride point to Masonry's achievements during the war just ended.

There remains much to be done. Many of our brethren will need hospitalization over long periods, and must be contacted and looked after during their rehabilitation. Their dependents will need advice and assistance in many cases. Those of our brethren returned to civil life will find readjustment a trying period. They will need our friendly help and sympathetic understanding in solving their problems. We cannot be unmindful of the needs of our brethren in lands devastated by war. Their properties have been destroyed, and in most cases their records lost. Unfortunately, due to different requirements for establishing fraternal relations with foreign Masonic jurisdictions, this is going to be a difficult problem to solve, unless through the concerted and united action of the several Grand Juris-

dictions in our Country some medium, possibly a committee, is formed to handle this phase of Masonic welfare.

We are in a period of economic and political unrest. Suspicion of motives is met at every turn. The so called "cooling off" period advocated by some is repudiated by others. The willingness to see some good in another is a rare virtue.

Just as Masonry in colonial days was the medium used to bring about agreement among those who differed so much in their approach to the problems of those days, so today, if the principles of Masonry could be carried into the arbitration of the disputes, and brotherly love be the keynote of negotiation, the problems of today would soon be solved. It may well be that Masonry is the leaven that will lighten the loaf.

This splendid oration was received with keen enthusiasm and at the close, the Grand Master thanked Brother Robinson for his very interesting address.

1. In the case of Conly Lodge No. 241 of Hall Summit, La. vs. Brother.....charged with aggravated assault, the Lodge found the Brother NOT GUILTY. Due to the evidence in the record which definitely said that the Brother was guilty, but because of lack of sufficient evidence, we recommend that the Brother be reprimanded in open lodge.

We recommend the reinstatement of the above named brethren and a certificate of good standing be furnished them.

DISTINGUISHED VISITORS

Our distinguished visitors from the Grand Lodge of Maryland were again presented to the Grand Lodge, when M:W: Brother Daniel Hope, their Grand Master delivered a most inspiring message to the Brethren.

Most Worshipful Grand Master and my Brethren of Louisiana:

We are most happy and delighted to have this opportunity of visiting your fair City and being permitted to attend your Grand Lodge and enjoy the fellowship of the Masons of Louisiana. Last November, we were highly honored and made very happy by a visit of your Most Worshipful Grand Master, your Grand Secretary, Past Grand Master Jordan and Brother Farr. We were greatly cheered by their visit and our hearts were warmed by their display of sincere friendship. When your invitation came for us to journey to New Orleans and enjoy your most cordial and warm hospitality, we lost no time in accepting.

I was denied the privilege of hearing Most Worshipful Brother Passman deliver his address to you this afternoon, but I have had the opportunity to read it and feel greatly flattered by his glowing tribute to his brethren of Maryland. I feel deeply chagrined that I have no prepared address for you this evening. My predicament recalls to my mind an advertisement which I once read in a county newspaper. It seems that a farmer had become rather prosperous in his neighborhood and after many years of successful farming, decided that he would utilize a very fine stream of water which ran through his prop-

erty by damming the stream and erecting a grist mill with which he might grind his own grain and also gain a revenue by doing similar work for his neighboring farmers. The mill was quite successful and operated for many years, but one cold wintry night, a fire completely destroyed it. The gentleman in question decided that he was at too late a period in life to worry with the rebuilding of his mill, but decided to sell what was left. Therefore, he placed an advertisement in the paper which read: For Sale: One fine dam by a mill site, but no mill by a dam site. I am in the same position so far as a speech is concerned.

I remember one character in the pioneer days of our American history who wandered about through the West, stopping where he could and with whom he could and receiving the hospitality of those who were charitably inclined. He had no money with which to pay, but before leaving each hospitable home, he placed in the ground a few seeds and went on his way. After some years, over the path this lone traveler pursued, there were thousands of fine apple trees, furnishing their shade and their luscious fruit to the folks who had befriended him. This is the story of Johnny Applesseed; and this evening, I will merely recall to you some thoughts of Masonry, hoping that I, like Johnny Applesseed, might plant a few seeds here and a few thoughts there which may take root in the hearts and minds of my brethren of Louisiana and provoke in their minds thoughts which will develop the delicious fruit of Masonic experience.

Brother Passman, in his address, spoke beautifully of our Masonic Home. We are deeply proud of it. We have not only endeavored to make it a showplace, exhibiting the beauty of its architecture and the grandeur and magnificence of its location, but we have given it our best efforts in making it a place of comfort and happiness for those of our dependents who have found it necessary to accept our hospitality. We are today interested in adding to that institution an infirmary, through which we might care for some of those incurables for whom there is no place today. The brethren of Maryland have been most liberal in their contributions and in the past thirteen or fourteen months have sent me cash contributions of over \$129,000.00 for this project. We are believers in operative as well as speculative Masonry in Maryland. Our operative Masonry does not stop with the building of a Masonic Home, but we have been exceedingly interested in building a blood donor list of something over 1,200 donors who are ready and willing at a moment's notice to go to the relief of a brother or one of his dependents. Seldom a week passes but that some of our brethren go to a hospital to contribute a pint of blood for the help of someone in distress.

During the past two or three years of war effort, we have given every possible attention to assisting our Government in winning the

war and in building the morale of our members and their sons and daughters who have been scattered all over this world in the service of our Country. Our leading newspaper in Baltimore publishes in each Sunday's edition, a small newspaper in which is contained the news of the week in condensed form. As soon as their papers are off the press, they give us the plates from which these service editions are printed and we have sufficient copies made so that within the space of a year, we have mailed upward of 300,000 copies of this little newspaper to our men and boys and girls who have been on every battle front and in all the seven seas, fighting for the freedom of mankind. It has been my personal privilege to write as many as 18,000 letters in the course of a year to these boys and girls in the service. This is the type of work that is so pleasing for us to do in Maryland; and I am sure my brethren in Louisiana are actively engaged in similar enterprises.

It is so difficult sometimes for us to take an inventory of our own activities; to have a clear picture of what our Masonry represents, and it is so enlightening to hear the words of one who looks in from the outside and gives an appraisal of the fraternity we love so much. The Grand Lodge of Maryland is about 159 years old. In 1887, it celebrated its 100th anniversary. Masons gathered for that celebration from all over the known world and so great and inspiring was this assemblage of Masons that the Mayor of Baltimore, who was not a Mason, was called upon to give an address of welcome. In that address, he portrayed a vision of what our Masonry is, or should be, such as few of us could express in our own words. Those words of that Mayor of Baltimore, who had never been initiated into our degrees, I wish to give to you. In his address he said,

"In vain may you multiply your precautions and make more stringent your obligations; the great secret of Masonry cannot be hid. It is known by intuition to hundreds and to thousands who never receive grip nor password, who never passed the guarded portal of your mystic Lodge. It is known to widows and to orphans, to the friendless and afflicted of all lands. It is inscribed in letters of light over the doorways of many an edifice devoted to the relief of suffering and the shelter of helplessness. It is whispered in the still small voice of many silent deeds of beneficence and mercy. And on that great day when all secrets are revealed, then shall the great secret of Masonry be proclaimed before no less an audience than all the inhabitants of the earth, and all the assembled angels in Heaven. And what of that great secret? 'I was naked and ye clothed me; I was sick and ye visited me; I was in prison and ye came to me'."

This is a vision, brethren, a vision of Masonry that I wish every Mason of my Grand Jurisdiction might have and that also the Masons

of Louisiana might take as a true picture of what our great fraternity should be.

That to me is truly Freemasonry. But though we all belong to the same fraternity and have received the same degrees, there is such a vast variance in our conception of the actual meaning of Freemasonry. A man cannot submit to the Master Mason Degree, if there is a soul within him, without asking himself as he goes along his way, "What does it mean to be a Master Mason?" Well, I remember that night so many years ago, when I had the privilege of receiving that degree. We dramatize the degree in Maryland as I believe you do in Louisiana. As the legend unfolded and a certain character was depicted, I searched my mind for some remembrance of such a character in the scriptures, but my knowledge was not sufficient to recall that personage to my mind. I went home and searched the Book and found the character was authentic, but not as His story was unfolding to me in my degree. I was born in a christian home and attended a christian Bible School and my knowledge of the scripture was sufficient to bring to my mind one other who was the son of a widow, from up at Nazareth in that locality occupied in the days of Israel by the tribe of Naphtali. * * * (This section of the address applies to the secret work of the ritual and may not be printed. Every representative at Grand Lodge should be able to inform any brother desiring the information.)

That is the vision of the Master Mason Degree as it unfolded to me. Then will you ask me, what it means to be made a Master Mason? It means but one thing—to act like the Master.

Freemasonry must have that vision, for Freemasonry has an important place in the affairs of the world today. During these war years, we have urged on our men on the fighting fronts, praising their fight for freedom, glorifying their battle to bring us peace. Today those boys are coming home—to what! Strikes, turmoil and strife. Is this the freedom for which they fought, is this the peace for which they saw their buddies die? What means this confusion? Brethren, you hold the answer and sometimes, I think, only Masons have the answer. You have the opportunity to give that answer, for as the cry comes to you, "What means this confusion, why are not the workmen at their task as usual?", there is but one answer—"The Master is missing". It is decidedly our duty as Master Masons to bring our message to initiate and profane alike, for though diplomats and nations may struggle for a solution, there can be no lasting peace until the peoples of this war sick world accept as their leader the Prince of Peace and are willing to abide by His teachings of brotherly love and the Golden Rule which are the fundamental principles of Freemasonry.

The continuous applause which followed this masterful address gave evidence to our distinguished visitor that his Brethren of Louisiana appreciated his inspirational message.

R:W: Brother Harry L. Huether, Deputy Grand Master, and R:W: Brother Claud Shaffer, Grand Secretary of Maryland, delivered short talks which were enjoyed by the Brethren.

ELECTION OF SIX MEMBERS TO THE BOARD OF DIRECTORS OF THE GRAND LODGE HALL

R:W: Brother Theo. F. Mathes praised the wonderful work of Grand Master Passman during the past year, and because of his keen interest in the welfare of the Grand Lodge, made a motion which was unanimously adopted, that Brother Passman appoint a nominating committee who are to present to the Grand Lodge the names of six Brethren for consideration as members of the Board, it being emphasized that any Brother had a right to submit a Brother's name to the committee or to the Grand Lodge direct.

REPORT OF COMMITTEE ON THE STATE OF THE ORDER

Your Committee on State of the Order to whom was referred that portion of the Grand Master's annual address pertaining to the State of the Order beg to report as follows:

We are glad to note from the Grand Master's report that our Lodges throughout the State have made much gain in membership during the past year. We are also very happy to know that the financial condition of the Lodges in the State has greatly improved.

It is of much satisfaction to note that peace and harmony prevails among the membership of our State.

Our Lodges, with few exceptions, show quite a nice gain as quoted below: "The membership on December 31, 1944 was 26,126, whereas on December 31, 1945, we had 29,125, a net gain of 2,999."

Your Committee concurs with the Grand Master that a separate financial report should be issued to the constituent Lodges in order that the brethren may be readily informed as to the financial condition of our Grand Lodge.

We wish to commend our Grand Master, Brother Passman, for devoting his time to the Lodges of our State instead of visiting other Grand Jurisdictions. This again shows his close attention to Masonic duties at home.

We heartily approve of the Grand Master's action in negotiating the rental contract on the Masonic Temple, and the new "set-up" in our Service Department.

The Masonic Home for Children, at Alexandria, should be more deeply imbedded in the hearts of every Mason in the State of Louisiana and we urge that every Mason in the State visit the Home and see the wonderful work being done there for the children of our deceased brethren.

We approve of the action of our Grand Master regarding the Masonic Employment Bureau.

We concur with M:W: Grand Master Otto E. Passman in the increased financial support of the Louisiana Relief Lodge No. 1, and this Lodge merits the support of the Constituent Lodges throughout the State.

We note that the Grand Master dedicated one new Lodge Hall which signifies that our brethren are anxious to have a place to carry on their Masonic work.

We wish to commend our M:W: Grand Master Passman on his untiring efforts and financial success in his Masonic Relief program for distressed Masonic brethren throughout the world.

We feel that the position of District Deputy Grand Master is very important in carrying out peace and harmony throughout the State and we are very proud of the efficient work being done by the District Deputy Grand Masters in Louisiana.

In conclusion, we recognize and appreciate the fine co-operation given our Grand Master by the Grand Consistory at New Orleans and we feel that the incoming Grand Master will receive the same fraternal co-operation.

We note that the financial condition of our Grand Lodge is in excellent condition, and all interest bearing bonds have been liquidated and the only obligations now outstanding are the non-interest bearing Bonds.

Fraternally submitted.

CHAS. F. RATCLIFF, P. G. M., Chairman,
P. H. FARMER.

The report of the Committee WAS ADOPTED.

REPORT OF THE COMMITTEE ON FOREIGN
CORRESPONDENCE

We, your Committee to whom was referred that portion of the Grand Masters' Report having reference to the Grand Master's Conference, deplore the fact that our Grand Master, Deputy Grand Master

and Grand Secretary were unable to attend this Conference which due to war conditions was not held.

We desire to express our conviction that attendance by our Grand Master, Deputy Grand Master and Grand Secretary at the various National Conferences results in much benefit to the Masons of Louisiana and to Masonry in general.

Fraternally submitted,

EDWIN F. GAYLE, P. G. M., Chairman,
Committee on Foreign Correspondence.

The report of the Committee WAS ADOPTED.

REPORT OF THE COMMITTEE ON FOREIGN CORRESPONDENCE

We your Committee on Foreign Correspondence to whom was referred that portion of the Grand Master's report, having reference to visitations to Foreign Jurisdictions and Commissions issued and received, hereby recommend that visitations such as that of the Grand Master and the Grand Secretary to the Grand Lodges of New York and the Grand Lodge of Maryland be encouraged and approved.

We further recommend the approval of the Commissions issued by the Grand Master to the Representatives of the Grand Lodge of Louisiana near the Grand Lodges of Foreign Jurisdictions as well as the Commissions issued by the Grand Lodges of Foreign Jurisdictions to their Representatives near the Grand Lodge of Louisiana.

Fraternally submitted,

EDWIN F. GAYLE, P. G. M., Chairman,
Committee on Foreign Correspondence.

The report of the Committee WAS ADOPTED.

GUADALUPE VICTORIA, HIDALGO, OAXACA and QUERETARO, be extended recognition by our Grand Lodge, and that an exchange of representatives be invited. We further request that our recommendation regarding the restoration of recognition of the Grand Lodge of NUEVO LEON and the proclamation of Grand Master Passman, restoring fraternal relations with this Grand Lodge be approved. We further request the approval of our recom-

mentation that that Grand Lodge of BOLIVIA be recognized and an exchange of Representatives be invited.

REPORT OF PERMANENT COMMITTEE ON WORK

We, your Committee to whom was referred that part of the Grand Master's Address pertaining to Grand Lecturers, beg leave to report that we unanimously approve it and especially do we approve his suggestion to continue the appointment of District Deputy Grand Lecturers in the 18 Masonic Districts. Our observation is that these District Deputy Grand Lecturers have done much toward promoting the work.

The report of the Committee WAS ADOPTED.

Resolution No. 7, by Brother Robert H. Brooks, P. G. M., to change the method of wearing the Apron in the Entered Apprentice, Fellow Craft and Master Mason Degrees and the explanations given as now taught back to the way it was taught prior to the passing of Resolution No. 5 at the Grand Lodge Session of 1937, is DISAPPROVED by a majority of the Committee with Brother Griffith as minority for approval.

A motion was made to adopt the minority report. A substitute motion was made to adopt the majority report. Past Grand Master Brooks explained his reason for offering his resolution, the chief of which was to eliminate the objectional authorized explanation of the method of wearing the Apron. After further explanation by the Grand Secretary a motion WAS ADOPTED to continue the present method of wearing the Apron in the three degrees, eliminating the present objectional explanation. Resolution No. 7 was NOT ADOPTED.

Resolution No. 12 by Brother Grady Maskew, Worshipful Master and Brother J. A. Shows, Secretary, of Center Lodge No. 244 to create and elect a third (3rd) Grand Lecturer for the 14th, 15th, 16th and 17th Masonic Districts is disapproved by a majority of the Committee.

On motion Adopted, the Resolution was rejected for the reason that it requires a constitutional amendment to make such a change.

Resolution No. 9, by Brother F. L. Miller D. D. G. M. of the 10th District, making a change in the wording of the Monitorial charge in the Entered Apprentice Degree, beg leave to report favorably with the understanding that if necessary Brother Miller will bear the expense of printing a fly-leaf to be added to the Monitor to take care of the change.

On motion Adopted, the recommendation of the Committee was not approved, and the Resolution was NOT ADOPTED.

This Committee begs leave to further report that we have reviewed the esoteric work and recommend the following changes:

Several changes were presented and explained by Brother Griffith, and after considerable discussion, all of the changes were DISAPPROVED, and the Recommendations of the committee were NOT ADOPTED.

Recommendation No. 2 of Past Grand Master Kingrey as reported by him in his address on page 34 of the 1945 Reports:

Our committee refers this recommendation back to the Grand Lodge without recommendation.

A motion was offered by Past Grand Master Wolf to reject Brother Kingrey's recommendation No. 2. Brother Frank Brigtsen offered a substitute motion to adopt the recommendation with a proviso that a compliance within six months be required.

After some discussion, the substitute motion was LOST. The original motion to reject was adopted, and the Recommendation was NOT ADOPTED.

REPORT OF COMMITTEE ON MASONIC LAW AND JURISPRUDENCE

RESOLUTION No. 8:

Your Committee on Masonic Law and Jurisprudence begs leave to report unfavorably on the Resolution recommending that the Master and Wardens of Louisiana Relief Lodge No. 1 be given the right to vote in the Grand Lodge for the following reasons:

1. The Constitution of the Louisiana Relief Lodge does not provide that the Master and Wardens of the Lodge be given many privileges which are given to constituent Lodges for the reason that it was not intended that that Lodge perform any other duties than those specifically given.

2. If the privilege requested were granted, it may happen that one or more of the officers may, at times, be exercising the right of voting as *officers of constituent Lodges*, and thereby giving to one or perhaps three of the said officers two votes instead of one each.

3. In order to grant the request contained in the Resolution, it would be necessary to amend the Constitution of the Grand Lodge, Article VII, Sections 4 and 8, and Article VIII, Section 1.

In addition thereto, it would be necessary to amend the General Regulations pertaining to membership in Louisiana Relief Lodge No. 1, the Charter of which has been in existence all of these years without any rights being bestowed for membership in the Grand Lodge with the privilege of voting.

(Signed) By the Committee.

The report of the Committee was approved and the Resolution was NOT ADOPTED.

RESOLUTION No. 6:

Your Committee on Masonic Law and Jurisprudence has given consideration to the Resolution which has for its purpose the granting of the option and privilege of paying assessments of the Grand Lodge in full on the basis of computations in accordance with the American Experience Table of Mortality, which, of course, would have the effect of paying to the Grand Lodge a total in amount less than the actual assessments.

The reason for reporting adversely is that the amounts received by the Grand Lodge on assessments are used in the payment of outstanding bonds due by the Grand Lodge, and that the said Grand Lodge cannot pay to the holders of the bonds any amount less than that represented by the bonds, and would have to find funds to make up the difference elsewhere.

Your Committee respectfully recommends against the granting of such a privilege.

(Signed) By the Committee.

The report of the Committee was approved and Resolution 6 was NOT ADOPTED.

RESOLUTION No. 16:

We, your Committee on Masonic Law and Jurisprudence, to whom was referred Resolution No. 16, proposing that an interpretation be made of Section 1 of Article IV of the Constitution of the Grand Lodge, reports that it would be better to have this Section of the Article amended rather than adopt a resolution of this nature, because this will have the effect of being a permanent record in the Grand Lodge and will do away with any interpretation in the future.

We, therefore, now submit the following amendment to the Constitution to be adopted at the next Annual Grand Communication:

RESOLUTION No. 18

Be it resolved that Section 1, Article IV, of the Constitution be amended so as to read as follows:

The officers of the Grand Lodge shall consist of the Grand Master, the Deputy Grand Master, Grand Senior Warden, Grand Junior Warden, Grand Treasurer, Grand Secretary, two Grand Lecturers, Grand Chaplain, Grand Marshal, Grand Senior Deacon, Grand Junior Deacon, Grand Sword Bearer, Grand Pursuivant, 18 District Deputy Grand Masters, Who shall also have the rank of Grand Steward, and Grand Tyler, the first four of whom must be Past Masters of regular Constituent Lodges chartered under this Grand Lodge; provided, before the Grand Lodge Lecturers shall enter upon their duties they shall receive the endorsement of the Committee on Work as to their proficiency and provided, further, that the Grand Lodge shall make an annual appropriation to maintain them. It shall be permissible to nominate an eligible member for any elective office in the Grand Lodge.

The report of the Committee was adopted and Resolution No. 18 was referred to the 1947 Grand Communication.

We, your Committee on Masonic Law and Jurisprudence, to whom was referred the portion of the Masonic Code of 1938 insofar as affecting law of this Grand Lodge as contained in said Report, reports that this matter should be referred to the 1947 Grand Communication, together with the Report of the Committee.

(Signed) By the Committee.

The report of the Committee was adopted and the entire Report of the Special Committee on Code Revision was referred to the 1947 Grand Communication.

RESOLUTION No. 13:

We report unfavorably on this resolution as we consider this an unwise change as it represents a usage which has been in effect for so many years.

The report of the Committee was adopted and Resolution No. 13 was NOT ADOPTED.

Fraternally submitted,

J. CHRIS NUNGESSER, P. G. M., Chairman,
WYNNE G. ROGERS, P. G. M.,
B. Y. WOLF, P. G. M.,
ROBERT W. CRETNEY, P. M.,
PAUL B. HABANS, P. M.,
E. D. SHIPP, P. M.,
B. S. McRANEY, P. M.,

Committee on Masonic Law and
Jurisprudence.

The report of the Committee WAS ADOPTED Seriatim, then as a whole.

REPORT OF COMMITTEE ON AUDIT AND ACCOUNTS

The Committee on Audit and Accounts, to which was referred Resolution No. 14, make the following report:

The resolution of 1938 referred to reads as follows:

Resolved that the Grand Lodge of Louisiana, F. and A. M. start a fund for the establishment of a "Masonic Old Folks Home" for the purpose of providing a home for our aged and disabled brethren and their dependents, such fund to be established by:

1. Receiving donations to this fund in any amount, either in cash or life insurance, or property or any form of valuables which the donor may desire to give.
2. That the control of this fund, and the Home when established shall be vested in the board of trustees of the Masonic Home for Children.
3. That the trustees be given absolute control of this fund and the home but not empowered to incur debt without the consent of the Grand Lodge.
4. That any excess funds accumulated may at the discretion of the trustees be turned over to the Masonic Home for Children at Alexandria.

The committee recommends, in lieu of the amendment offered, that paragraphs 2, 3 and 4 be rescinded and replaced with paragraph 2 as follows:

2. All donations received for the account of the Home and interest and returns accruing thereon, shall be placed in a separate fund, dedicated solely to that purpose.

Fraternally submitted,

GEORGE A. TREADWELL, P. G. M., Chairman,
 GEORGE DEATON, Jr., P. M.,
 KENNETH LEVINGSTON, P. M.,
 Committee on Audit and Accounts.

The report of the committee WAS ADOPTED.

REPORT OF COMMITTEE ON AUDIT AND ACCOUNTS

The Committee on Audit and Accounts to which was referred the Grand Master's recommendation No. 4, approves the recommendation and offers the following resolution for adoption.

RESOLUTION No. 19

BE IT RESOLVED, That this Grand Lodge create an Endowment Fund for the perpetual care of our Masonic Cemeteries.

That this Endowment be set at \$75,000.00, and at each Annual Communication of the Grand Lodge supplement the fund from the sale of lots so as to make the annual amount towards this Endowment \$5,000.00.

Furthermore, that this Fund be set into a separate account and that the sale of Cemetery lots be supplemented from the Grand Lodge and the interest accrued thereon accrue until the \$75,000.00 Endowment has been reached.

Thereafter, the interest from the \$75,000.00 be used for the perpetual care of our Cemeteries.

Biographical Sketch of

THEODORE F. MATHES

Grand Master, 1946

By ROBERT W. SMITH, Past Master, Louisiana Lodge No. 102,
F. & A. M.

"A thing is not just because God wills it; but God wills it because it is just."

After ninety-three years Louisiana Lodge No. 102, F. & A. M. was again honored by having one of her Past Masters elevated to the Grand East. A century is not too long to wait for this distinction.

Most Worshipful Brother Theodore F. Mathes was born in New Orleans, La., on December 6, 1900, the first son of Theodore Joseph Mathes and Annie Elizabeth Caulfield. He is the oldest of ten children, six boys and four girls.

Most Worshipful Brother Mathes received his education in the public elementary and high schools of New Orleans and is an honorary member of the Tulane Square of Tulane Square and Compass.

After leaving school we find "Ted", as he is affectionately known throughout the Masonic and business world, choosing "Lumber" as his life's work, and the success which he has achieved is evidence that he made a wise choice. For years he operated as a commission representative of many saw mills throughout the South, and at present he is Manager of U. S.-Mengel Plywood, Inc.

He is a Past President of the Lumberman's Club of New Orleans; Past Regional Director, National Association, Lumber Commission Salesmen; Member, International Concatenated Order of Hoo-Hoo; Member, National Home Planners Association; and Louisiana Building Materials Dealers Association.

On June 16, 1925 he married Florence Irma Heyd, and this union was blessed on August 23, 1930 with one child, a girl, Joyce Carol Mathes.

A seeker of "Light" it is only natural that the Masonic fraternity should attract "Ted" to its fold. That he has devoted much of his time, talents and energy to the craft is evidenced by the many honors he has received.

He is—

Past Master of Louisiana Lodge No. 102, F. & A. M.

Past President, Louisiana Chapter No. 33, National Sojourners.

Past President, Certificate Association of New Orleans.

Past High Priest, Babylon Chapter No. 66, Royal Arch Masons.

Past Commander, Eagle Council of Kadosh, Grand Consistory of La. 32°.
Knight Commander, Court of Honor, Grand Consistory of La., Scottish Rite of Freemasonry.
Past Potentate, Jerusalem Temple, Ancient Arabic Order Nobles of the Mystic Shrine.
Member, New Orleans Court No. 36, Royal Order of Jesters.
Member, Order of the Bath of the United States of America.

Truly it has been said that when work is necessary call on a busy man to do it and it shall be done.

Being civic minded and a lover of his City and State, he also finds time to fulfill his civic duties and so we find him holding membership in Rotary International; International Association of Lions Clubs; Young Men's Business Club of New Orleans; Bureau of Governmental Research; President, Friends of the Public Schools of New Orleans. He is also a member of Bethany Evangelical Church.

Since all men should take time out for "play and social refreshment", he is a member of the New Orleans Athletic Club; Tally-Ho Fishing and Boating Club, Colonial Country Club, Southern A. A. U. Officials Club and several Carnival organizations.

In the terrible war just concluded he served as a Lieutenant Commander (T) U. S. Coast Guard Reserve, and is an Associate Member, U. S. Naval Institute.

Louisiana Lodge is proud of "Ted", and we are certain that he will occupy the Grand East with equal credit to himself and honor to the fraternity.
