STARTING LINE depends on contributions of results, news, opinions and photos from all of our readers (athletes, coaches, officials, parents, and general followers of junior and age group track & field).

It is more likely that your contributions will appear in the pages of STARTING LINE if you adhere to the following guidelines when submitting material:

RESULTS

Include first and last name of at least the first three competitors in each event, along with hometown or team affiliation, time or distance of each competitor listed, type of track (dirt or all-weather), wind conditions (the more specific the better), height of hurdles, weight of implements (shot, discus, etc.). Also include heat or qualifying round marks (if better than final mark) and birthdates on top athletes would be helpful for best performance lists.

NEWS

General interest items (in contrast to news merely of your team or of one individual) are more useful. We want material on both boys and girls (such as schedules of upcoming events, new teams or programs), background info on area, athletes, etc.), especially from areas which haven't gotten much space before.

STARTING LINE IS PUBLISHED EVERY TWO MONTHS - FEBRUARY, APRIL, JUNE, AUGUST, OCTOBER AND DECEMBER.

On the Cover PHOTO CREDIT

John Robb, our newest and most welcome addition to the SL crew, was our photographer on the spot at the Girls Classic, at UCLA, and shot this dynamic photo of JENNY GORHAM of the Kansas City North Stars. 14 year-old Jenny was just super, taking a triple victory, overtaking fast fields in all three sprint events.

17 year-old DWAYNE EVANS of Phoenix, Arizona, is an example of a successful product of the age group movement. After numerous age group championship titles in the sprints, he made the big times this year, taking both sprints at the AAU Junior Nationals and earning a berth to the Olympic Games, by placing second at the trials in Eugene. Lanky and fluid, Dwayne promises to become one of the very best sprinter this country has ever had.

From the Publisher

After all the time spent (agreeable) at the Olympic trials and the Games, we are back to almost "normal". We had intended to include a Frosh/Soph report in this issue, but we just couldn't get the article together on time (for the reasons mentioned above), so it will have to be the next one.

Talking about the next issue brings up the subject of the need to receive some important information pertinent to this year's age group lists and Age lists.

In the September/October issue, we will be starting with our year-end statistical listing of best performances by age groups, for boys and girls.

As we compile the huge stocks of meet results already in our files, we attempt to include not only the athletes that make our normal age group cutoffs, but also the performances of the younger ages within that age group, for possible inclusion in our next Annual.

Naturally, in order to accomplish this, we must have some information about these athletes, particularly his or her birthdate.

An example of how the absence of this information affects the standings, can be demonstrated as follows:

Lets take, for instance, the boys Youth (or Junior) Division. This division includes all athletes born in 1962-63 (January 1, cut-off), meaning they could be age 12, 13 and even 14 on the day the mark was made.

Taking the 440 yd Dash as an example, our cut-off point for our listing in this age group is 58.0. We will not record any marks slower than that in this group, unless we know the boy's birthdate. We could then check the date, match it with the date of the meet, and if he was 12 years old at that time and had performed 60.5 or better he would have been recorded and included in this year's Age-12 list of best performers, which will be published in the 1977 SL Annual.

So you see the importance of receiving full data regarding birthdates, as it affects every event in every age. The easiest way to accomplish this end, would be for age group clubs to release their 1976 Roster, which would include birthdate and hometown information.

Meet Directors of important meets are our usual target, but we can't always depend that they have kept such records in their files.

We, of course, already have a rather intensive file on age group athletes that met our criteria in the past. But there are always many newcomers to the track scene, and we need all the help we can get to procure this critical information.

* * * * *

Every two years we come out with a Directory of Age Group Clubs, and 1977 is the year we are due.

We consider this a very important project. In the world of age group track there are constant changes and additions in the number and make up of clubs, and we feel that it is our responsibility to maintain and update such a list.

If there has been some changes in your club since 1975, when our last Directory came out, please forward this information as soon as possible. If your club is not listed at all in the book, write to us for a Club Questionnaire.

We could also use Black & White Photos of your club or team members, as well as of your coach or top officials.

Prints of some of your better athletes are always welcome for inclusion in the magazine or the Annuals.

Don't wait too long. Do it while it is still fresh in your mind. Do it this week...Thanks a lot!

NATIONAL POSTAL SIX-MINUTE RUN CONTEST

STARTING LINE announces the fifth annual Six-Minute Run Postal Contest for school teams and physical education classes. Its purpose is to stimulate physical fitness for boys and girls in elementary and intermediate schools.

Certificates will be awarded to the five members of at least the top three teams in each of the following divisions: (1) ELEMENTARY SCHOOL BOYS (2) INTERMEDIATE SCHOOL BOYS and (3) ELEMENTARY SCHOOL GIRLS.

Team winners in each division will be determined on the basis of the furthest total distance covered by five runners in a single six-minute timed run. All runners must attend the same school.

Contest entries may be sent at any time, but must be received by STARTING LINE no later than May 15, 1977, so we may have time to tabulate the results and mail the awards before the school term finishes.

Early entries are encouraged, and you may enter a school team more than once. ANY SCHOOL SUBMITTING AN ENTRY BEFORE DECEMBER 1, 1976, will receive a special prize.

School teachers or coaches may wish to have competition among their gym classes or even arrange a match with other schools. All you have to do is follow the rules and send us the results (you may write for a sample entry blank). GOOD LUCK!

CONTEST RULES

1. SCHOOLS ELIGIBLE are any public or private school in the United States (graded or ungraded schools). Note: Foreign entries will be accepted and listed for comparison purposes. They will not, however, be counted in the official year-end tabulation.
2. RUNNERS ELIGIBLE for a team must be in current attendance at a single school (AAU registered runners are eligible). In Elementary Boys Division, runners must be in the sixth grade or below and must have been born after 1963. Runners in Intermediate Boys or Intermediate/Elementary Girls Divisions must be in the eight grade or below and must have been born after 1961.
3. A TEAM consists of any five runners at the school, who run as far as possible within a single timed six-minute period on any regulation quarter-mile (or 400m) or 220 yard track - indoor or outdoor.
4. TIMING (of the six minutes) may be done with any acceptable watch with a sweep second hand.
5. MEASUREMENT of the distance covered is figured to the furthest 110 yard segment for each runner. A runner must complete 110 yards before the six-minute period expires in order to get credit for covering that distance. In case of team ties, the team with the youngest total age will get the higher place.

6. SCORING is done by taking the total distance covered by the first five runners on the team in the 6-minute span.

7. COMPETITION may be intra-mural (one school only, running by themselves) or inter-scholastic (two or more schools competing against each other). Different divisions may run separately or combined into one race. A school may submit an entry for more than one team in a division, and may enter any and all divisions. Schools may enter the same team any number of times (have several different races at different times, e.g.). However, all members of a team submitted as an entry must have run at the same time.

8. ENTRIES must be received by STARTING LINE Magazine, PO Box 878, Reseda, CA 91335, no later than May 15, 1977. Write for entry blanks or submit the following information:

(a) name of school, with address, (b) site of competition - name of field and city, (c) date of competition, (d) first and last names of the scoring athletes, plus grade in school and birthdate of each runner, (e) distance covered by each runner, to the furthest quarter-lap...e.g. 4½ laps, 3¾ laps, 3 laps, etc..., (f) the name and position of two verifying adults (one of which should be an employee of the school)...that's all folks!

RESULTS of OLYMPIC PUZZLE CONTEST

Among the many responses we received from Olympic Puzzle contestants (see March-April issue, page 5), four young readers, age 14 to 16, stood out as unquestionable experts.

16 year-old track "whiz" and distance runner KEVIN SAYLORS of Albuquerque, NM, found an incredible 115 correct names of Olympic medallists among the scramble words puzzle. Kevin had reported 117 names, but we had to remove the names of Bua (Aki-Bua/last name) and we could not find S. Aba who supposedly won a medal in the pentathlon in 1936 (as far we could see, there was no pentathlon event that particular year for either men or women).

He did, however, find ten additional names in the puzzle that our in-house specialist failed to notice:

Hjalmar Anderson (1912/8000m, X-C), Ove Anderson (1928/st), Buddy Davis (1932/HJ), Otis Davis (1960/400), John Eke (1912 8000m), Harry Kerr (1908/Walk), Esdward Owen (1908/5 mile), Tom Richards (1948/Marath), Valerio Ari (1920/Marath) and Elias Kats (1924/St). Congratulation to Kevin Saylor for an outstanding research job.

The competition was keen, as not far behind was 15 year-old JEROME PASSIERB of Lemont, IL, who found 110 names (Michael Ryan not Ryan was taken out). In third position was 15 year-old JOHN KEIZUR, the high jumping standout from Eugene, OR, with 105 correct answers, and closing the select group of 100 names and over, was PETER GREGORY of Long Beach, CA, with 100 medallists (Tom Richards of Canada named twice and Aki-Bua removed from his total of 102).

TOP TEN OFFICIAL RESULTS:

1- KEVIN SAYLORS (16), Albuquerque, NM, 115; 2- JEROME PASSIERB (15), Lemont, IL, 110; 3- JOHN KEIZUR (15), Eugene, OR, 105; 4- PETER GREGORY (14), Long Beach, CA, 100; 5- JIM CASH (9), Santa Rosa, CA, 88; 6- MARK McMILLAN (13), Waco, TX, 86; 7- ERIC SAPPENFIELD (14), Santa Barbara, CA, 83; 8- HARRY WONG, DDS, Sacramento, CA, 79; 9- SUSAN FOLLETT (14), Huntington Bch, CA, 67; 10- BRITT BREWER (12), Davis, CA, 57...Congratulations to all contestants!

NATIONAL AAU JUNIOR WOMEN CHAMPIONSHIPS

UCLA — Drake Stadium
Westwood, Calif.
June 14-15, 1976

COMMENTARIES BY BILL PECK

In many respects, this meet was an anticlimax. Coming after three days of the National Senior AAU Men and Women Championships, plus another day of an exciting girls age group meet, many athletes, officials and coaches were already drained.

In addition, several eligible "name" athletes such as CHANDRA CHEESEBOROUGH, SANDRA MOREHEAD, KATHY McMILLAN, DANA COLLINS, PAULA GIRVEN and PAM SPENCER among others, completely passed the meet to concentrate on the Olympic trials.

Many others were under par, or completely absent due to injuries. Spectators (other than coaches and immediate friends) were completely missing and officials worked with a skeleton crew.

Nevertheless, despite these drawbacks and the sometimes oppressive heat, competition was always interesting and occasionally exciting, particularly in the 100m hurdles.

The tartan track yielded a quota of fast times, though adverse winds spoiled some of the electronically timed marks. In the field events, high jumping was particularly excellent in terms of quality and depth.

100 METER DASH

KATHY CRAWFORD, consistently good since bursting on the national scene during the indoor season, showed her tremendous acceleration in the first 30 meters, to open up a wide margin. No one was able to challenge the marvelous New Jersey speedster, although collegian EVELYN ASHFORD made a late rush.

Virtual Neophyte PAM WATERS, the California High School champion, was left in the blocks, but came fastest of all at the end to nab third. Most of the top finishers passed up the European trip.

Texas high schoolers, in the absence of Cheeseborough and Morehead, took the top two spots. STEPHANIE BROWN of Houston bested GWEN SMITH in a heat, semi and final, all by about the same margin, with a strong stretch drive in each case.

Gwen had run 23.7 in her state high school meet. Californians FRIEDA COBBS and PAM WATERS were close to second. A strong adverse wind in the finals prohibited faster times.

400 METER DASH

"Veterans" SHARON DABNEY and ROBIN CAMPBELL were out fast and finished in that order. The latter, bothered by a stress fracture in the ankle, was not her usual self, but the winner had plenty to spare.

In a furious battle for third, Massachusetts' school champ CHRIS MULLEN came from far back to nip promising New Yorker KIM THOMAS. Following behind were the High School Champions of Iowa, Texas, California and Oregon in that order. Contender YOLANDA RICH was eliminated from the semi-finals on a technicality.

800 METER RUN

Former internationalist LYNN HOLLINS returned to the "wars" this year and won this battle after a very tough fight with former sprinter SUSAN VIGIL.

Lynn, after laying off in 1975 following two very successful years in 1973-73, trained with coach Brooks Johnson in Florida this year. Vigil, who has changed her tempo and body carriage drastically, is now looking like a fine potential distance runner. The final field was tightly packed, with two recent age groupers JULIE STIBBE and ANN REGAN pushing the older and more experienced two-lappers.

1500 METER RUN

This was an unusual race, with nagging injuries and the heat taking a toll.

The pace shared by JULIE SHEA and KATHY COSTELLO looked slowish because it was relatively even (3:30.8 at 3 laps). Then the "veteran" DEBBIE QUATIER took over, looking better than ever, and had the last lap to herself. Shea, the tall and slow striding Carolinian, hung on gamely and barely lost second to JOAN BENOIT, who closed fast along with Liberty AC teammate LYNN JENNINGS.

Costello faded on the last curve, the victim of internal ailments, while internationalist MARGARET GROOS had the same problems in the straight, obviously undertrained and suffering leg problems. ERYN FORBES was out of contention early, with a stress fracture of the foot, but petite 14 year-old TANIA WELLS was close to the top ones all the way.

100 METER HURDLES (33 inch)

This field was loaded with three junior internationalists and several previous place winners in this event.

Some of the more outstanding barrier toppers didn't make it past the semis. One of the best U.S. women, DEBBIE JACOBSON didn't beat a runner in the finals. DEBBIE KILHOFFER 14.29 (equivalent to 14.1 hand timed) didn't place in the top six.

The race for first, however, was no surprise. Super quick defending champion RHONDA BRADY got off to her usual rocket start and her perennial rival, last year's runner-up SONYA HARDY, couldn't quite make up the difference. Powerful speedster KAREN WECHSLER just held off quick and smooth LORI DINELLO. The first five were under the equivalent of 14.0 hand timed.

400 METER HURDLES

DEBBIE ESSER, the US best ever, though admittedly below par, was just too strong for the field. Much improved TERESA WIERSON was a solid second, with her combined distance running strength and short hurdling quickness.

STEPHANIE VEGA, of the strong Atoms TC contingent, like Wierson was under 60.0 in the heats, then held on for a fine third in the final. It took under 63 seconds to place in this rapidly improving event.

HIGH JUMP

Although many of the top eligible juniors skipped this meet, there seems to be a never ending influx of talent, as no less than 13 jumpers cleared 1.70 meters (5'7").

ANNE GILLILAND continued her remarkable consistency, winning on misses at 1.78 meter (5'10") over California high school champ KARI GOSSWILLER. Places third thru sixth (at 5-8½) were decided on fewer misses between four more high school products.

Such recognized names as PAM BLACKBURN, CHRIS REMMLING, BECKY DEETZ, internationalist SUE HACKETT and Olympian CINDY GILBERT went unplaced.

SHOT PUT (4 kg)

Several fine putters were off form, with some of them not getting past the qualifying round, making the final somewhat below expectations. However, KATHY DEVINE, now a college freshman, came up with a 50 footer in the second round, to best first round leader, tall and wiry MARCIA MECKLENBURG.

DISCUS THROW

Constantly improving DEBBIE STEPHENS, of the Kettering Striders, unloaded her first 150 footer in the qualifying round. She had more trouble in the final, needing every centimeter to edge MARY ANN STEVENSON from the southern Oregon wilderness.

Not far back were 15 year-olds GINA PIATT and CHRISTY PYLE. All told there were 11 throwers over 40 meters (131 feet), qualifying round included, which was even better than last year's much improved nationals.

JAVELIN THROW

CATHY SULINSKI, fresh from a 190 foot plus throw, was content with a more modest distance here. Still it was good for an easy win over Arizonian MARILYN WHITE.

The traditional dominance of western throwers was broken in part by New Jersey high schooler KERI CAMARIGG. The distances achieved this year were about the same as we have been accustomed to see for the past decade.

NATIONAL AAU JUNIOR MEN CHAMPIONSHIPS

COMMENTARIES & RESULTS
BY PETE CAVA

Knoxville, Tenn.
June 8-9, 1976

DWAYNE EVANS, a 17 year-old sprinter from Arizona, scored victories in the 100 and 200 meter events at the National AAU Junior Men's Track and Field Championships at the University of Tennessee in Knoxville, June 8-9.

Around 260 of the nation's top under-20 track prospects turned out for the meet, including many high school and first-year college performers. The event was a qualifier for Junior international competition in Canada and Europe.

Evans blazed to a 20.4 finish in the trials, setting a new meet record. The University of Arizona-bound Phoenix resident won the finals in 20.5.

Evans finished ahead of Auburn's HARVEY GLANCE in the 100, under extenuating circumstances. Two misfires on the recall after an apparent false start allowed the race to go on.

"I noticed people getting out ahead of me and they pulled me out with them," said Glance. "I heard the gun click and I thought they were going to call us back, so I slowed down. Everybody else kept running so I figured I'd better go, too." Glance, the college 100 and 200 champ and co-world record holder in the century, ran a 10.2, good for second place.

Record setting performances came in five more events.

TONY DARDEN, age 18, of Norristown PA, took the 400 title for the second year in a row, lowering the meet standard to 45.7.

JAMES WALKER, 18, of Atlanta, another Auburn flash, took the 110 meter high hurdles in 13.8 in the prelims, good for the meet record, and then went on to edge Philadelphia's KERRY BETHEL in the finals with a 14.0 time.

Oklahoma State freshman CHARLES ROBERT, 18, sliced a tenth of a second off the 400 meter intermediate hurdles with a 51.1.

A pair of national high school records fell in the meet as MANNY SILVERIO became the first prepster to reach 200 feet with the 16-pound weight in the hammer throw and JIM SHIELDS lowered the high school mark in the 3,000 meter steeplechase.

Silverio, a burly 18 year-old from Guttenberg, NJ, popped off a 202-11 on his second throw to better his own high school record, set last November.

Shields, 18, from Centre Park, L.I., NY, finished the steeplechase in 8:52.6 well ahead of the old mark of 9:06.4. The old record holder, JOHN GUSTAFSON of Eugene, OR, came in sixth in 9:06.2, two tenths of a second better than his prior personal best.

Of the 20 first place finishers, all but one declined the berth on the U.S. national junior team. First and second place finishers were eligible for the tour, which schedules competition in Tallin, U.S.S.R., on July 2-3 and in Leu-denscheid, W Germany, on July 7-8.

The results and highlights of these meets will be reported in the next issue of STARTING LINE.

/UCLA (tartan track); Weather - hot, cloudless, but hazy, mild wind gusts at times; Teams - 95; Meet Director: Beverly Drapeau/

It was this kind of track and field meet.....TERKELER SHEGOG, from Memphis, ran the fastest quarter-mile ever run by a nine-year old in 63.5 (30.7 first 220) sped to one of the ten fastest furlongs ever run for this age,

and ended up with one silver medal for her efforts...

JOETTA CAJERO, of Albuquerque ran an excellent sub-2:30/880, and it was only good for runner-up in the third(slowest??) flight in the Midget division (10-11)...

SUSIE RAY put 51-5 3/4 with a six pound shot, nearly two feet better than any other 13 year-old ever, but it was only her fourth best effort of the day...that's the kind of meet it was.

The Sunday competition was sandwiched between three days of NAAU Senior Men and Women Cham-

pionships and two days of NAAU Junior Women Competition, so the age group meet suffered a little of official "blahs".

However, the facilities were great, electronic timing was used in sprints and hurdle finals, and an unusually high percentage of the top age group girls were on hand for some of the darndest competition you've ever seen.... particularly in the youngest divisions.

A brief recap of the highlights by division and complete results follow:

BANTAM DIVISION

Albuquerque's JEWEL BATY, just turned 10, eked out a narrow decision over TERKELER SHEGOG and ANDREA ROLFE in a thrilling quarter-mile, as all were timed in 63.5, fastest ever in this division...six others were under 70 seconds...Jewel returned to a wind-hampered 220 victory, but was nosed out by New Orleans' LORRAINE HARTFORD in the 100...the Southern Cal Cheetahs blazed a sub 58 in the 440 Relay...MICHELE MILLER, just one month past her tenth birthday, ran a killing pace (30.6, 67.4) in the 880, and finished an all-time divisional best 2:27.4, relatively fresh (though her coach was pretty well spaced out)...very fast times were recorded by others who survived the torrid tempo...northern California's Michele also tossed the baseball over 150 feet...LISA JACOBS showed the traditional Oregon strength by easily outjumping the vertical leapers...

MIDGET DIVISION

It was a near replay of the bantam quarter, as three girls battled through the entire straight before perennial LATANYA DAWKINS nosed out northern california's SHERRILL MILLER (both under 60), with Mississippi's tall WANDA JONES just two strides back...four others were under 62.0...Latanya outsped a very strong 220 field, but met a rare defeat by BRIDGET BLACKBURN in the short sprint...VICKI COOK, now 12, took care of the distance leadership, hitting the wire first in the mile run and walk...she also set a nice tempo (66 second 440) in the half-mile, for a hard fought stretch battle between southern California's SHARON HATFIELD and northwest Washington's KARI JONASSEN in the fastest mass two lapper ever...though the meet management figured a 2:35 qualifying standard was plenty tough when it was set up, an amazing twenty girls were under 2:30 when the meet was over...PAT BROCKWELL of Albuquerque had two long jumps over 16 feet...LAURA HEIZMAN ran away from the top 50 yard hurdle field ever in the division...Arizona's LORI GARROW, Oregon's BONNIE LUND and Long Beach LISA STARY were well ahead of their fields in field event specialties...Rialto RR and Memphis-Shelby TC tangled in super fast 440 relays, while two Colorado squads (Mile High Denver and Colorado Flyers) ran a virtual tie in the medley relay...

YOUTH DIVISION

SUSIE RAY made her last hurrah a good one, with a prodigious 52-1½ heave with the shot on her third put, after having upped her personal and divisional all-time best on the first two (her "poorest" of six outs was 49-3)...non winners CHRISTY AULT, MARY MACIEJCZYK and BARRIE GREER, though outdistanced were nevertheless in the top ten all-time in the division...discus favorite Mary unfortunately couldn't keep the platter in the sector and Memphis' GAIL TURNAGE took advantage to post the win...MICHELLE GLOVER showed westerners what she had been showing easterners for two years, her heels...the 12 year-old powerful New Jersey gal took the wind-aided sprints over strong field with ease...LISA PETERS skied to an all-time 13 year-old high jump best of 5-7 3/4, leaving six other 5-2 or better jumpers behind...brilliant hurdle fields were upset twice by MARLENE HARMON of Oregon, while SHARON HULSE who was unsuccessful there ran away with the mile...nine of her pursuers were under 5:10...JOYCE BOWIE outdistanced other noted long jumpers with her usual consistency...

INTERMEDIATE DIVISION

Kansas City's Super JENNY GORHAM, age 14, showed her sprint strength in this meet for the second year, zooming by the quick runner-ups in all three dashes...MARQUITA BELK was not far back and gave her a good fight in the 440... AILEEN O'CONNOR and JILL HAWORTH of the District of Columbia CYO ran the mile with confidence, outdistancing REGINA FELIX who took a nice third...three javelinists were over 135 feet, led by JACKIE NELSON...GINA PIATT of West Penn pushed both weight event winners, AAU pentathlon titlist KERRY ZWART in the shot and Kerry's teammate CHRISTI PYLE in the discus... 300 meter hurdles were really up, with ALISON REED streaking to a 44.11 ahead of nine other timber-toppers under 47 secs...

NATIONAL AAU BOYS AGE GROUP TRACK & FIELD CHAMPIONSHIPS

CENTRAL STATE UNIVERSITY,
XENIA, OHIO
JUNE 25-27

RESULTS SUBMITTED BY MARK BECKER
COMMENTARIES BY MAX ZUCKER
PHOTOGRAPHY BY WILLIAM HOLDEN

In our reporting of last year's meet, we had made some remarks regarding possible sites of this year's National Boys meet. New Orleans and Philadelphia seemed to be strong contenders. But at the convention, out of nowhere comes Ohio with a strong presentation and walks away with the price and we must say that they did a great job of it.

With Norm Saettel directing and ably assisted by many officials of the Association, the meet turned out to be most successful, especially in terms of participation.

According to reports we received, only a few states were missing, in comparison with a grand total of 20 last year. We don't have an official count of the number of clubs present, but in the Intermediate Division alone, there were 42 scoring teams.

All the finals on Sunday were electronically timed, while all the prelims and semis were hand timed.

BANTAM DIVISION (born in 1966 & later)

The set of performances by WILLIAM MORTON of Hyattsville, MD, in this division, bordered the incredible. Running in three finals on Sunday (after 5 preliminary races the previous days), the Model Cities TC's standout just destroyed the his competition, taking national titles in all three sprints. The fields were very good, as witnessed by six runners under 68.0 in the quarter, but it was William Morton's day and no one could touch him.

All-around honors goes to CHUCK HAGGARD of Santa Rosa, CA, winning the high jump, taking the runner-up spot in the mile walk and placing a good third in the mile run.

Other highlights were the surprise win of CRAIG HOOKER in the mile, the confirmation of ERIC AFFHOLTER in the long jump the close call of PETER ROSANDICH in the shot and the well earned titles of MARK BRAHIM (Walk) and KEVIN CHENAULT (880).

This photo tells the story of WILLIAM MORTON's mastery of the quarter-mile.

MIDGET DIVISION (born in 1964-65)

You can take your pick between three outstanding athletes for the honor for the top performer in this division.

ROBERT McGRATH of Phoenix, AZ, was the double sprint champ, defeating some of the finest fields ever assembled. He also placed a commendable fourth in the shot, breaking 40 feet.

4 hundreths of a second separated THOMAS WILCHER of Detroit, MI, from being the outrighttop performer in the division, as he won the 440 easy, took a close one in the hurdles and was runner-up in the furlong by the margin mentioned above.

Last year's mile champ and runner-up in the 880, WAYNE WILLIAMS of Washington, D.C., did not let the double distance titles escape him this time, winning in great times, over fierce competition.

Other highlights: JANTZ FITZGERALD broke through in the shot at the right time, recording a personal best over five putters over 40 feet...JEFF ROSSMAN was true to form, taking the long jump over a group of 16 feet plus performers...BRAD RIEL did not have any problems in the high jump and DAVID SMATHERS gave a fine Race Walking exhibition.

YOUTH DIVISION (born in 1962-63)

This group saw some spectacular sprint duels between TED NEHRKORN of Sterling, IL, and ANTHONY GIBSON of San Fernando CA, with Nehrkorn taking both events by the most miniscule of margins. Anthony, however, did not have any problems at all in the long jump, repeating his '75 win, spanning over 23 feet, obviously a new meet record.

Ted wasn't finished either, taking a solid third in the 440, an event DARRYL GARDNER of Philadelphia made his own.

Versatile DENNIS KUITHE of the Alief TC was a very busy young man, edging BRAD DAVIS in the high jump on fewer misses, and taking a couple of 5th places in the long jump and the 220.

The 1974 national champion in the shot WARREN SAPP of West Vernon, CA, repeated his win in a promising fashion.

Other highlights: TRAVIS VEON, moved up a division this year, but it didn't affect him as he race walked to the title once again...his Maturango Miler Teammate JOHN CONDOS lost a close one to Florida's FRED CORLEY in the 2-mile...TIM HURTADO came on his own at last, defeating a top field that saw five athletes under 4:45...STEVE WASHINGTON, running for dear life, won a close one in the 880...GREG DUPLANTIS as expected from this fine pole vaulter took this event...the Supremes of New Mexico have a reputation for having good sprinters and distance runners, and now they are moving in the weights, as JOHN LONGEROT threw the platter over 150 feet for the win in the discus and local boy TODD RUHKAMP gave his coach a heart murmur, taking an excellent triple jump title.

Shot Put Champ WARREN SAPP of California.

INTERMEDIATE DIVISION (born in 1960-61)

This division was star studded and the performances were top level.

Detroit's STANLEY YOUNG took the measure in both sprints of his namesake CARLTON YOUNG of Philadelphia in close and hot duels. ROBERT MAROCCO (or is it Maiocco) edged out DAVID SAUNDERS in the quarter, with David breaking the Age-14 all-time record of Don Webster; this record had been in the books since 1959.

FRANK and CHARLES ASSUMMA went 1-2 in both distance runs, with Frank repeating his double win of last year. MIKE DEMENT, who was in contention in the mile to the end, was disqualified and ALAN SCHARSU, the Ohio 2-mile champ (as a freshman), just didn't have it that day.

TOM PETTY took both hurdle races, strongly challenged in both events by KEN McILWAIN.

The sensation of the meet may have been Illinois' GAIL OLSON, who took a couple of high jumps, scaled 7 feet and quietly walked away under the dismayed stares of the other competitors.

DAN KRUEGER of Virginia Beach, was too strong in the weight events, taking both with utmost ease. 1974 bronze medallist in the pole vault JEFF BUCKINGHAM, took this year's title home to Kansas as was expected.

Other highlights: BRIAN PHARR, in a sub-2:00 effort, won the 880 crown for the second year in a row...TRACY TEEGARDEN, growing into one of the finest Race Walking specialist, defeated last year's Youth Division champ ISAAC MILLER, who will be returning in this group in the coming year... '75 medallist in the high jump Idaho, s TODD HEINER pulled out a win in the long jump over a solid 21 feet plus group of jumpers...N. Californian teammates JEFF CLANAGAN and CLIFFORD SCOTT went 1-2 in the triple jump in excellent marks.

Good action shot of two-time National champ TOM PETTY

The incomparable FRANK and CHUCK ASSUMMA of Rialto, Cal

SENIOR DIVISION (born in 1958-59)

This was the first year in the five year history of the Nationals, that a Senior Division was included on the program.

Although the local talent attended in large numbers, 12 states did participate and the competition was quite good. As a matter of fact, half the titles went to out of staters.

The more outstanding performances were: Virginia's RONALD BROWN fine 880 performance, the excellent time of KEVIN KENNY of Kansas in the mile and MICHAEL PARKS' sub-14.0 in the high hurdles.

METAIRIE, LA - June 12 (from Wayne Vest)...with teams competing from Louisiana, Mississippi, Tennessee and Texas, the Mardi Gras TC won the team championships of its own summer Relays...there were 86 events (including prelims) and the meet was run on schedule, which is no small feat...DONALD KUITHE, of the Alief TC, may have been the outstanding athlete of the meet with a triple win in the youth division's sprints and high jump...other standouts in that group were host's RANDY VEST with a fine distance double, Red Stick TC's BERT CLATTENBURG who dominated the weight events, and his teammate ROBERT DUPLANTIS who set a new SAAU record in the pole vault...bantam (9-U) DOUGLAS ADKINS (Alief TC) took both distance events setting a SAUU record in the mile and ROMAN BATES of Memphis, the double sprint victor in the midget division, who was particularly effective in the furlong...

● Memorial Junior High School won the team title at the Orange County Jr High Championships, held at Evans high school on June 2.

The school was led to victory by 7th grade sensation, 14 year-old REGGIE PRESSLEY who won both sprints with 10.3 and 23.2 clockings. He also ran a super third leg on the record breaking 45.2 relay team.

His marks were very close to Orange County records of 10.2 and 22.9.

Other highlights of the meet were JOHN IRVINE's 2:03.5/880 and 4:36.0/mile double,

The high jumping was quite competitive with five jumpers clearing 5-8.

● Many clubs print Newsletters so that their members may be informed of what the club is doing, plus reports on all the local happenings.

The Huntsville Track Club of Alabama, has such a club magazine and it is truly excellent.

Edited by Harold Tinsley, Sr., it includes such things as profiles, race results (especially RRCA events) tips on proper foot wear, some medical advice and a lot of many interesting tidbits.

If you wish to be placed on their mailing list and receive six issues (the latest one had 24 pages), race entry forms and race results, just send in your name, address, plus \$2 please, to: Harold Tinsley, 8811 Edgehill dr., Huntsville, AL 35802.

DES MOINES, IA - May 21/22 (from Dave Miller)...the latest edition of the oldest and best organized girls high school state meets in the United States took an incredible 40 pages to tell about...in the finals, at the home of the Drake Relays, the greatest improvement was seen in the mile, led by BRIDGET SEIP...top field event mark was turned in by shot putter VICKI DAGEL...ninth and tenth graders were outstanding, including double sprint winner BONNIE DeBOER...the amazing compilation of the results included all competitors in all heats in track events, as well as all field event marks (nearly 60 competitors in each event) and complete series of top placers, plus split times on relays...the usual thorough job of the Iowa Girls Athletic Union...

Outstanding young MICHELLE MILLER, of the Appaloosa TC, Cal

Photo/JOHN ROBB

PACIFIC AAU AGE GROUP CHAMPIONSHIPS

SALINAS, CA - May 22/23 (from Dick Casper)...BENNY SELLS and OKEY EGU recorded excellent triple performances...Okey streaked to nearly unprecedented bantam division short sprint times (while brother ERNEST was outstanding in the midget division dashes)...Benny led the talented Sells family (Wendell, Theresa and Arlene were also prominent) with a nice hurdle/jump triple in the Youth division... MICHELLE MILLER ran the first ever sub-2:30 half-mile for girls and did it with plenty of time to spare...the usual depth of the area was apparent in all events... /Hartnell College (reslite track); Weather: cool, wind 10-15mph; Teams: 26/

VALLEY CONFERENCE CHAMPIONSHIPS

VALENCIA, CA - June 5 (from Bayard Lutzhoff)...Concluding a four month series of dual meets and league preliminaries, this highly productive league, with close to 2,000 athletes participating, showed its great depth as usual...covering the San Fernando Valley and vicinity, the conference operated generally by standard age group rules, except for the innovative additional events (4 pound shot for the youngest divisions) and March 1 cut-off date for determining ages...

the conference finals saw gusty winds hamper some events, but distance runners and field eventers had no problems and fared quite well...the performances in the boys divisions were national class in scope...triple winning performances were recorded by DON McDANIELS in the Midget (12-13) division distance runs and the perennial star of this conference ANTHONY GIBSON who dominated the sprints and the long jump in the Bantam (14-15) group...the girls section is improving rapidly to the same level as the boys...the best performance was the triple sprint win of MONICA BEDNAR in outstanding times.. /College of the Canyons (all-weather track); Weather: wind against sprints, jumps and hurdles; Teams: 13/

MARCHI WIERSON of the Portland TC

CALIFORNIA AAU BOYS CHAMPIONSHIPS

SALINAS, CA - June 19 (from Dick Casper)...this meet, assembling the best age group boys California has to offer, produced one of the most competitive and performance packed meet of the year, with most every event highly disputed...in the ban-tam division (9-U), 12.9/100, 68.6/440, 2:36.2/880 and 5:48.5/mile were only good enough for 6th place, with RICARDO MOORE and OKEY EGU recording double wins and TODD LICHTI just super in the high jump...

the midget group (10-11) saw the usual confrontation between DENNIS PRICE and ERIC COLEMAN in the sprints...three boys at 60.0 or better in the quarter and JEFF ROSSMAN's outstanding jumping double...in the youth division (12-13) we note the constant progression of WARREN SAPP in the shot put...the excellent hurdling form of DARNELL COLES, as well as the excellent depth in the distance events...

Photo/JOHN ROBE

Photo/JOHN ROBE

the intermediate division (14-15) displaced the beautiful running of MORRIS COLE in the sprints, challenged to the wire by DWAYNE TAYLOR...BENNIE BROWN took a hot one in the half-mile...PHIL and BURT SHIRLEY went home to N. Hollywood with their usual quota of medals...TRACY TEEGARDEN showed that he is fast becoming one of the finest age group Race Walker in the nation and SCOTT COX plus KEN FOWLER were untouchable in their respective jumping event...
