## **Der Paper+Design Lifestyle: mehr Ideen für den gedeckten Tisch**

Im Spring/Everyday 2019 zeigen wir in einem neuen Lifestyle-Magazin, wie Trends entstehen, wie sie ihren Weg auf den Tisch finden und welches Lebensgefühl sie vermitteln. Der Katalog bietet außerdem eine Aufteilung in zwei Hauptbereiche: Trend steht für frische Design-Kollektionen und Classic für beliebte Klassiker.

Unsere Basic-Produkte finden Sie im gleichnamigen Extrakatalog, der ein Mal im Jahr erscheint. Die Trennung ermöglicht vereinfachte Kombinationsmöglichkeiten zwischen Motivservietten und Basic-Produkten.

Wir wünschen viel Vergnügen beim Entdecken!

## **The Paper+Design Lifestyle: more ideas for the set table**

In Spring/Everyday 2019, we show in our new lifestyle magazine how trends occur, how they find their way on our table and which attitude to life they convey. Furthermore, the catalogue is now separated into two main areas: Trend represents fresh design collections whereas Classic shows popular classics.

Our Basic products can be found in a special catalogue of the same name which is published once a year. The separation allows simplified options to combine motive napkins with Basic products. Have fun discovering!

## **Le mode de vie de Paper+Design : toujours plus d'idées pour une table parfaite**

Pour Spring/Everyday 2019, nous nous dévoilons sous un nouveau jour dans un magazine de Lifestyle, où la plupart des tendances apparaissent et finissent par trouver leur chemin jusqu'à votre table, pour vous procurer un intense sentiment de vie ! De plus, le catalogue propose une répartition dans deux domaines principaux : Trend, qui représente les collections design et Classic, qui relate les classiques populaires et indémodables. Vous pourrez trouver tous nos produits Basic dans le catalogue du même nom qui sort chaque année. Cette séparation permet des combinaisons faciles entre des serviettes à motifs et des produits de la gamme Basic.

Nous vous souhaitons beaucoup de plaisir en découvrant nos catalogues !

# IMPERFECT BEAUTY

Für schöne Momente braucht es keine Perfektion. Mit unvollkommener Eleganz, zarten Pastelltönen und reduzierter Anmut wird eine Umgebung der Entschleunigung geschaffen, in der man sich auf Anhieb wohlfühlt. Das ist die charmante Poesie von Imperfect Beauty.

Beautiful moments don't need perfection. Imperfect elegance, soft pastel hues and minimised grace can conjure an environment of deceleration which creates a sense of well-being right from the first moment. This is the charming poetry of Imperfect Beauty.

Nul n'a besoin de perfection pour passer un bon moment. Dans une élégance imparfaite, aux tons pastel et au charme minimaliste, l'ambiance va s'apaiser et ralentir pour que l'on puisse se sentir immédiatement à l'aise. C'est la délicate poésie d'Imperfect Beauty.

*Ein Hauch von Pastell und Aquarell kreiert einen schwerelosen Look  
~ A touch of pastel and watercolour creates a weightless look ~  
Des soupçons d'aquarelle et de pastel perfectionnent un look si léger.*

*Blätter des Eukalyptus tragen mit sanften Farben zu einer entschleunigten Atmosphäre bei ~ The soft colours of the leaves of the eucalyptus tree contribute to a decelerated atmosphere ~ Les feuilles de l'eucalyptus y rajoutent leur grain de sel et apportent des couleurs douces à une atmosphère ralentie.*

*Wirkungsvolle Details auf dem Teller: zarte Aquarell-Noten, wolkige Farbverläufe und kleine Material-Einschlüsse ~ Effective details on the plate: tender notes of watercolour, cloudy colour flows and tiny material inclusions ~ Des détails édulcorés sur l'assiette : de tendres notes d'aquarelle, un dégradé de couleurs nuageux et de petites inclusions matérielles.*

*Servietten in Pastellfarben sind ein Kernelement für den Stil von Imperfect Beauty ~ Napkins in pastel colours are a core element for the style of Imperfect Beauty ~ Les serviettes dans des tons pastel sont les éléments phares du style d'Imperfect Beauty.*

## Die Schönheit des Einfachen

Imperfect Beauty verkörpert schlichte Raffinesse und die Eleganz der einfachen Dinge. Es ist ein lockerer Look mit Wohlfühl-Charakter, der Elemente aus japanischem und skandinavischem Design neu interpretiert. Zwischen Kirschblütenromantik, Japandi und Skandi-Chic setzt Imperfect Beauty stimmungsvolle Akzente. So wird ein Gefühl kreiert, das seine Perfektion in minimalistischer Unvollkommenheit findet. Mit dieser Reduziertheit harmonisieren gesetzte Pastell-Töne.

## The Beauty of the Simple

Imperfect Beauty symbolizes plain finesse and the elegance of the simple things. It is a laid-back and light-hearted look with feel-good factor which realises elements from Japanese and Scandinavian design in a fresh way. With cherry blossom romance, Japandi and Scandi-Chic, Imperfect Beauty sets atmospheric accents. Thus, a feeling, which generates its perfection from minimalist imperfection, is created. This reduction harmonises well with accented pastel hues.

## La beauté des choses simples

Imperfect Beauty incarne une subtilité modeste et l'élégance des choses simples. C'est un décor léger et facile, avec une sérieuse touche de bien-être, qui reprend des éléments scandinaves et japonais, vus sous un nouveau jour. Entre l'intense romantisme de la fleur de cerisier et le chic Japandi ou Scandi, Imperfect Beauty met l'accent sur une ambiance pleine de sensibilité. Ainsi, un sentiment se crée et trouve sa perfection dans l'imperfection minimaliste. D'autant plus avec les tons pastel qui s'harmonisent à merveille dans ledit minimalisme !

# LEMONADE

# INTO THE FRESH

Erfrischend, spritzig, eisgekühlt - Lemon macht lustig! Wenn die selbstgemachte Zitronenlimo in den Gläsern blubbert, kann niemand widerstehen. Diese facettenreiche Sommerfrische ist typisch für Into the Fresh.

Refreshing, tangy, on ice - lemon makes you happy! When home-made lemonade is sparkling in the glasses, nobody can resist. This multi-faceted summer (re)treat is typical for Into the Fresh.

Rafraîchissant, original, glacé - Le citron nous taquine ! Si la citronnade, faite maison, pétille dans les verres : personne ne saurait y résister ! Cette fraîcheur estivale, riche de nombreuses facettes, est typique d'Into the Fresh.

*Gelb-blaues Farbschema und jede Menge Zitronen mit der Serviette „Sour“ ~ Yellow-blue colour scheme and plenty of lemons with the napkin “Sour“ ~ On retrouve des schémas de couleurs, entre le jaune et le bleu, qui représentent des quantités de citrons avec la serviette « Sour ».*

### **Eindeutig erfrischend**

„Mit der Trendfarbe Lemon starten wir gut gelaunt in den Sommer 2019! Gelb steht bei mir für Fröhlichkeit und Lebenslust. Ich möchte damit Lust auf Sonne machen. Lemon ist die Basis von Into the Fresh – nicht nur farblich, sondern auch als unverwechselbares Thema. Dazu gehören handgezeichnete Illustrationen und herrliche Farbkombinationen mit weichem Blau. Für Sommerfrische, die man spüren kann.“

### **Definitely refreshing**

“The trend colour Lemon gives us a cheerful start into the summer of 2019! For me, yellow represents cheerfulness and lust for life. I use it to set the mood for sunshine. Lemon is the basis of Into the Fresh – not only by its colour but as well by its unmistakable theme. This includes hand-drawn illustrations and marvellous colour combinations with soft blue. For a summer freshness that can be felt.”

### **Vraiment rafraîchissant**

« Avec la couleur tendance du citron, nous partons de bonne humeur pour l'été 2019 ! Le jaune se trouve partout chez moi, pour apporter à la fois gaieté et joie de vivre. Je voudrais, à travers lui, créer une envie de soleil. Le citron est la base d'Into the Fresh – non seulement en couleurs, mais surtout comme un unique sujet. On peut y ajouter les illustrations dessinées à la main et des combinaisons de couleurs magnifiques, auxquelles le doux bleu appartient. C'est ainsi que l'on sent la fraîcheur de l'été. »

# ATLANTIC BREEZE

Atlantic Breeze ist eine Reise an den Ozean. Man spaziert in trauter Zweisamkeit über den Strand, spürt den Sand unter den Füßen, genießt das Rauschen der Brandung und lässt den Tag bei einem Dinner ausklingen. Diese maritime Fantasie wird mit unserer Kollektion auf den Tisch gebracht und somit beinahe real.

Atlantic Breeze is a journey to the ocean. Walking along the beach in a cosy twosome you feel the sand under your feet, enjoy the roaring of the surf and bring the day to a close at dinner. This maritime fantasy is brought onto the table by our collection and thus seems to be almost real.

Atlantic Breeze est un voyage à l'océan. On se promène côte à côte sur la plage, en sentant le sable sous ses pieds, on profite du bruissement du ressac et on termine la journée à un repas. Cette imagination maritime est amenée par notre collection jusqu'à votre table, et ainsi, presque jusqu'à la réalité.

*Von der Küste ins heimische Interieur: Atlantic Breeze zeigt mit seinen Motiven die bunte Vielfalt des Meeres ~ From the coast to home's interior: Atlantic Breeze shows the colourful variety of the sea in its motives ~ Un rivage bleuté dans votre propre intérieur : Atlantic Breeze montre la diversité multicolore de la mer et ses motifs infinis.*

*Einfache Formen, kräftige Kolorierung: Dieses Prinzip der Seeflaggen prägt unsere Designs ~ Simple shapes, strong coloring: this principle of nautical flags shapes our designs ~ Des contours simples, une coloration intense : ce principe des pavillons de bateaux caractérise nos designs.*

*Von den Schätzen der See inspiriert bringen unsere Servietten maritimen Zauber auf jeden Tisch ~ Inspired by the treasures of the sea, our napkins bring maritime magic to every table ~ Inspirées par les trésors marins, nos serviettes enchantent vos tables d'une magie salée.*

## Spiel der Kontraste

Schiffsflaggen dienen schon lange der Kommunikation auf hoher See. Damit das über weite Entfernungen gelingt, sind kontrastreiche Farben nötig – ein Konzept, das sich auch bei Atlantic Breeze wiederfindet. Das spannende Spiel der Kontraste wird von weichen Sandtönen gezähmt und entwickelt so einen maritimen, kultivierten Charakter. Ein Deko-Trend, mit dem sich der Tag am Meer ins heimische Interieur verlagern lässt.

## Game of Contrasts

Nautical flags have been serving for communication purposes on the high seas for a long time. In order to make this work over long distances, high-contrasting colours are necessary – a concept which is reflected in Atlantic Breeze as well. The exciting game of contrasts is tamed by soft sand tones and thus develops a maritime, cultivated character. A decoration trend which transfers a day at the sea to home's interior design.

## Le jeu des contrastes

Les drapeaux des bateaux servent depuis longtemps à la communication en haute mer. Il faut en effet que, sur les distances étendues, les couleurs contrastées ressortent – un concept aussi retrouvé par Atlantic Breeze. Le jeu captivant des contrastes est dompté par les couleurs du sable doux et développe un tel caractère maritime et cultivé ! Une tendance de décoration avec laquelle une journée à la plage peut se retrouver en un rien de temps dans votre chez-vous.

# BREATH OF NATURE

Breath of Nature erschafft ein inspirierendes Gefühl der Freiheit – am Arbeitsplatz, in den Köpfen und im Leben. Es ist ein grüner Funke, der angesagte Naturtrends auf dezente Weise neu definiert. Für den Alltag und besondere Gelegenheiten.

Breath of Nature creates an inspiring feeling of freedom – at work, in the heads and in life. It is a green spark which innovatively defines current nature trends in a subtle manner. For every day and for special occasions.

Breath of Nature engendre un sentiment de liberté – au travail, dans la tête et dans la vie en général. C'est une étincelle verte, qui définit les récentes tendances sur le thème de la nature, mais de façon très discrète... Cela peut correspondre tant au quotidien, qu'aux occasions particulières.

### Von grüner Leichtigkeit

„Grün wird nicht nur eine beruhigende, sondern auch anregende Wirkung attestiert. Deshalb gibt diese Farbe bei Breath of Nature den Ton an. Der Effekt: Räume erhalten deutlich mehr Struktur und wirken weniger überfüllt. Kleine Accessoires und die Botanik-Prints der Servietten erschaffen eine stimmungsvolle Balance aus urbanen Akzenten und natürlicher Anmut. Für mich ist Breath of Nature eine Oase für den Geist und zugleich ein Katalysator neuer Ideen.“

### Of green lightness

“Green is not only associated with a soothing but with a stimulating impact as well. This is why this colour sets the tone in Breath of Nature. The effect: Rooms receive clearly more structure and appear less overfilled. Small accessories and the napkins’ botanical prints create an atmospheric balance between urban accents and natural grace. For me, Breath of Nature is a haven for the mind and a catalyst for new ideas at the same time.”

*Zeitloser DIY-Tipp: Serviette „Natural stripes“ lässt sich auch abseits des Tisches einsetzen ~ Timeless DIY tip: Napkin „Natural stripes“ can be used off the table as well ~ Un tuyau intemporel pour faire des choses soi-même : la serviette « Natural stripes » peut aussi décorer à merveille, en dehors de l'art de la table.*

## D'une facilité verte

« Le vert est certifié comme, non seulement rassurant, mais surtout stimulant ! Ainsi, auprès de Breath of nature, cette couleur donne le tempo. L'effet : des espaces distinctivement restructurés et bien plus aérés. De petits accessoires et l'impression botanique des serviettes créent une ambiance équilibrée, entre charme urbain et nature sauvage. Pour moi, Breath of nature est une oasis pour l'esprit et en même temps un catalyseur d'idées nouvelles. »

# BOHEMIAN BLISS

Dieser Abend ist wie geschaffen, um die schönsten Urlaubserinnerungen gemeinsam mit Freunden Revue passieren zu lassen. Auf der Leinwand vereinen sich Highlights aus aller Welt zu einem kulturellen Mix. So ist es auch bei Bohemian Bliss – es enthält die DNA verschiedenster Einflüsse von Ethno bis Oriental.

This evening simply seems to be made for passing the best holiday memories in review together with friends. On the canvas, highlights from all over the world merge to one cultural mix. The same is true for Bohemian Bliss – it contains the DNA of most diverse influences from ethno to oriental.

Cette soirée est créée comme pour laisser venir les plus beaux souvenirs de vacances partagées avec ses amis. Sur la toile, les temps forts du monde entier forment un mélange culturel ravissant. On le doit aussi à Bohemian Bliss, qui contient l'ADN des influences d' « Ethno » à « Oriental ».

*Weltenbummler für den Tisch: die Servietten „Malaga“, „Ethno“ und „Gothic rosettes“ ~ Globetrotters for the table: the napkins “Malaga”, “Ethno” and “Gothic rosettes” ~ Globe-trotter pour la table : les serviettes « Malaga », « Ethno » et « Gothic rosettes ».*

*Harmonisch kompatibel: der Stil von Bohemian Bliss kann in orientalischen Kissen und handgefertigten Bastkörben wiederkehren ~ Compatible in harmony: the style of Bohemian Bliss can be reflected in oriental cushions and hand-made raffia baskets ~ Harmonieux compatible : le style de Bohemian Bliss peut revenir parmi les coussins orientaux et les paniers de raphia faits main.*

## Puzzlestücke der Gemütlichkeit

Bohemian Bliss ist ein geheimnisvolles Spiel aus Materialien, Formen und Mustern. Im Zentrum stehen geflochtener Bast und Holz, die mit ihren verwobenen Strukturen einen märchenhaften Charme beschwören. Die Trendmotive bringen diesen Mix perfekt auf den Tisch. Das Zusammenspiel von Material und orientalischesommerlichen Motiven lässt sich auch abseits des Tisches fortsetzen. Für ein Ambiente, das Fernweh weckt.

*Auf den Punkt gebracht:  
Detailverliebte Muster  
harmonieren mit Deko aus  
geflochtenem Holz ~ In a  
nutshell: Detailed patterns  
in harmony with decorations  
from braided wood ~ En  
français courant : les modèles  
plein de détails s'harmonisent  
parfaitement aux décorations  
du bois tressé.*

## Jigsaw pieces of Cosiness

Bohemian Bliss is a mysterious game of materials, shapes and patterns. In the central focus there are braided raffia and wood which conjure up a fairy-tale charm through their woven structures. The trend motives bring this mix perfectly on the table. The interplay of material and oriental-summery motives can be continued off the table as well. For an ambience which rouses wanderlust.

## Les pièces du puzzle de l'intimité

Bohemian Bliss est un jeu mystérieux entre matières, formes et modèles. Au centre se trouvent des raphias tressés et du bois : tous deux affirment fermement le charme fabuleux de structures entremêlées. Les motifs tendances amènent un mélange parfait sur la table. Ce jeu d'équipe entre les matériaux et les motifs orientaux-estivaux peut aussi décorer davantage : à l'écart de la table, pour une ambiance nostalgique de l'envie de voyage.

# TROPICAL HEAT

Am karibischen Strand relaxen, mit dem Cocktail in der Hand und einer frischen Meeresbrise im Haar. Von diesem Gefühl und kleinen exotischen Kapriolen erzählen die Designs von Tropical Heat. Damit lässt sich auch das Zuhause in ein Ersatz-Paradies verwandeln, wenn der nächste Urlaub noch in weiter Ferne liegt.

Relaxing on a tropical beach, a cocktail in the hand and a fresh sea breeze in the hair. This feeling and small exotic caprioles are told about by the designs of Tropical Heat. They can turn home into a replacement paradise when the next holiday to come is still quite too far away.

Il est temps de se relaxer sur la plage des Caraïbes, avec un cocktail dans la main et une brise marine fraîche qui chatouille le nez. Ce sentiment fort et ces cabrioles exotiques racontent l'histoire de Tropical Heat. Avec cela, le foyer peut se transformer en une recharge de paradis, en attendant les vacances qui paraissent sûrement lointaines.

*Südsee-Feeling oder Dschungel-Safari? Mit Tropical Heat ist alles möglich ~ South Sea feeling or jungle safari? Tropical Heat makes it all possible ~ Envie de mer du sud ou d'un safari dans la jungle? Avec Tropical Heat, tout est possible.*

# FAR EAST

Zwischen Winkekatzen, Bonsais und Manga verinnerlicht Asien einen vielfältigen Mix aus alten Traditionen und moderner Popkultur. Mit den Motiven von Far East kann man sich sein eigenes, kleines Stück Asien ins Zuhause holen. Zum Beispiel beim entspannten Sushi-Essen mit guten Freunden.

Between beckoning cats, bonsais and manga, Asia internalizes a varied mix of old traditions and modern pop culture. With the Far East motives, you can bring your personal little piece of Asia into your home. For example at a relaxed sushi dinner together with good friends.

Entre les allusions aux chats, les bonsaïs et les mangas, l'Asie enchante un mélange varié de traditions et de culture pop moderne. Avec les motifs de Far East, on peut ramener un petit bout d'Asie dans sa maison, par exemple avec un repas détendu autour de délicieux sushis.

*Mit der Serviette „Silk pattern red“ entfaltet sich das Flair des Fernen Ostens auf eine subtile, moderne Weise ~ With the napkin „Silk pattern red“, the flair of the Far East can unfold in a subtle, modern way ~ Avec la serviette « Silk pattern red », l'Est lointain s'épanouit de manière aussi subtile que moderne.*

## Melone macht Sommerlaune

Eisgekühlt und so fruchtig: die Melone dient gleichzeitig als Gefäß und Zutat für eine Bowle. Einfach das Fruchtfleisch mit einem Eislöffel entnehmen, Zapfhahn installieren und befüllen.

## Melon makes summer mood

On ice and so fruity: the melon serves as a bowl and as an ingredient for a punch at the same time. Simply remove the flesh with an ice-cream spoon, install a tap and fill it.

## Melon fait l'ambiance de l'été

Glacé et fruité, le melon peut servir simultanément de récipient et d'ingrédient pour un vin frais aromatisé. Il suffit de retirer la pulpe avec une cuillère à boule de glace, de préparer le vin et de remplir !

## Frühling auf den Tisch gebracht

Für 2019 hält der Frühling Oster-Trends bereit, die natürlichen Charakter, sanfte Aqua-Töne und Metallic-Elemente kombinieren. Die Spring-Kollektion inspiriert zu angesagten DIY-Ideen, bei denen Materialien wie Kupfer, Messing oder Silber dezent eingesetzt werden. So entstehen kleine Glanzpunkte, die das Flair der erblühenden Jahreszeit und des Osterfestes untermalen.

## Springtime put on the Table

For 2019 the spring provides Easter trends which combine a natural character, soft aqua hues and metallic elements. The collection Spring inspires hip DIY ideas which apply materials such as copper, brass or silver in a discreet way. Thus, little highlights are created which accentuate the flair of the season bursting into bloom as well as the Easter festivities.

## Le printemps apporté sur la table

Pour 2019, le printemps tourne autour des tendances de Pâques, son caractère naturel, les tons doux d'aquarelle et les éléments métalliques combinés. La collection Spring inspire des bricolages à faire soi-même, auxquels sont mêlés des matériaux discrets comme le cuivre, le laiton ou l'argent. Ainsi apparaissent des points d'éclat qui renforcent le flair fleurissant de la saison de Pâques.

# FLOWER OASIS

Das Gute liegt oft so nah. Wie die üppige Blütenpracht gleich hinter dem Haus. Diese duftende Fülle aus dem heimischen Garten findet sich in den Motiven von Flower Oasis wieder und kreierte wahre Wohlfühlmomente. So lebendig wie der Sommer, so inspirierend wie die Natur selbst.

Often the good is close at hand. Such as the lush flowerage right behind the house. This fragrant abundance from the domestic garden can be retrieved in the motives of Flower Oasis and creates true moments of well-being. As vivid as the summer, as inspiring as nature itself.

Les bonnes choses se trouvent souvent tout près, à l'image de la magnificence de la prospérité luxueuse qui s'étend derrière la maison. Cette abondance odorante du jardin peut se retrouver dans les motifs de Flower Oasis et ainsi crée un véritable sentiment de bien-être aussi animé que l'été et aussi enthousiasmant que la nature elle-même.

*Florale Motive mit lebendigem Charakter bringen ein erlebbares Stück Natur ins Haus ~ Floral motives with vivid character bring a perceptible piece of nature into the house ~ Les motifs floraux au caractère gai enrobent la maison d'une touche indispensable de nature.*

# CELEBRATE LIFE

Heute ist sturmfreie Bude! Das ist die Gelegenheit für echte Mönnersachen. Die knusprige Pizza genießt man ganz ungeniert am Küchentresen. Danach stellt sich die entscheidende Frage: Wird Papa wieder haushoch an der Spielkonsole verlieren? Die Produkte von Celebrate Life sind immer dabei. Stimmungsvoll und praktisch – für alle besonderen Anlässe, die gefeiert werden müssen.

Today we have the place to ourselves! This is the chance to do real man's business. The crispy pizza is enjoyed directly at the kitchen counter. After this the crucial question arises: Will Dad be vastly losing on the game console again? The products of Celebrate Life are always at hand. Atmospheric and functional – for all special occasions which need to be celebrated.

Aujourd'hui, c'est une virée au refuge ! C'est l'occasion de faire les choses que font les vrais hommes. On profite d'une pizza croustillante sans la moindre gêne, au bar de la cuisine, avant de poser la question fatidique : est-ce que papa va de nouveau perdre à la console de jeu ? Pour cela, les produits de la gamme Celebrate Life vous accompagnent : plein de sensibilité et surtout, qui vous permettent de fêter absolument toutes les occasions, tous les prétextes particuliers !

*Ganz nach Lust und Laune: Designs von Celebrate Life unterstreichen besondere Momente ~ Just as the fancy takes you: Designs from Celebrate Life highlight special moments ~ Selon les envies et les humeurs, les designs de Celebrate Life mettent l'accent sur les moments spéciaux de la vie.*

# IN LOVE

Keine engen Räume, keine Einschränkungen – nur ein Gefühl von Verbundenheit, das tief in unsere Herzen reicht. Feierliche Anlässe werden aus gutem Grund immer öfter unter den freien Himmel verlagert. Denn hier in der Natur werden besondere Momente noch unvergesslicher, während eine stimmungsvolle Atmosphäre bewahrt bleibt.

No narrow rooms, no limits – only a feeling of connection which reaches deeply into our hearts. Festive events are more and more relocated in the open air and it is for good reason. It is here, surrounded by nature, where special moments become even more unforgettable while an atmospheric ambience is maintained.

Aucun espace étriqué, ni la moindre restriction – seulement un sentiment de solidarité, qui envahit et suffit profondément à nos cœurs. Les occasions de fête sont de plus en plus souvent organisées sous le ciel, à l'air libre, et à raison d'ailleurs ! Car ici dans la nature, les moments particuliers deviennent encore plus inoubliables et une atmosphère fragile et pleine de sensibilité reste préservée.

***In Love with outdoors:** Holz, ein Hauch von Gold, Waldbeeren, ein wenig Natur und romantische Motive ~ Wood, a touch of gold, wild berries, a bit of nature and romantic motives ~ Du bois, des souffles d'or, des myrtilles, un brin de nature et des motifs romantiques.*

*Verzierte Kerzenständer bereichern den Tisch um eine romantische Note ~ Ornamented candleholders enrich the table with a romantic touch ~ Les chandeliers décorés d'ornements enrichissent la table sur une note romantique.*

*Schmeckt draußen noch besser: ein Naked Cake mit frischen Waldbeeren ~ Even tasting better when eaten outdoors: a Naked Cake with fresh wild berries ~ Le goût est encore meilleur dehors : un Naked Cake avec des myrtilles fraîches.*

## Draußen, natürlich, edel.

„Wollen wir draußen feiern?“ Diese Frage wird heute klar beantwortet. Der Freiluft-Trend bietet den Reiz des Besonderen und lässt sich auch auf gehobenem Niveau zelebrieren. Mit passenden Produkten aus der Kollektion In Love gelingt die Symbiose aus Lust an der Natur und opulentem Stil. Satte Rottöne und goldene Akzente der Servietten verschmelzen mit Naturmaterialien – eine spannende Mischung, die von Herzen kommt.

## Outside, of course, noble.

“Shall we celebrate outdoors?” This question is clearly answered today. The open-air trend conveys the attraction of the outstanding and can be celebrated on a high level. With matching products from the In Love collection the symbiosis of the pleasure of being in nature and an opulent style will be successful. Deep hues of red and the napkins' golden accents become one with natural materials – an exciting blend coming deep from the heart.

## Dehors, naturellement, noble.

« Avons-nous envie de célébrer dehors ou à l'intérieur ? » Aujourd'hui, cette question ne se pose même pas ! La tendance de l'air frais, si libre, offre tout un charme particulier et peut être célébrée de maintes façons. Avec les produits sélectionnés de la collection In Love, la symbiose entre l'envie naissante de nature et un style opulent est un succès. Les tons rouges vifs et les accents dorés fondent sur les serviettes avec des matériaux naturels : un mélange captivant qui vient tout droit du cœur.

# ACTIVE LEISURE

Die Sonne scheint, also raus auf die Wiese und ran an den Ball! Beim Fußballspielen mit dem besten Kumpel wird getrickst und alles gegeben. Zum Glück haben die beiden ein Proviantpaket dabei. Mit erfrischenden Getränken, herzhaften Snacks und gesunden Zutaten wird neue Kraft getankt. Es liegen sogar die passenden Fußball-Servietten dabei – typisch Mama.

The sun is shining, so let's go outside on the lawn and kick the ball! While playing football with the best pal they show all their tricks and give everything. Luckily, both have their lunch packs at hand. With refreshing beverages, savoury snacks and healthy ingredients they are recharging their batteries. Even the matching napkins with football motives are there – typically Mom.

Le soleil brille, donc file vite au pré et va courir derrière un ballon ! Quand on fait du football avec son meilleur copain, tous les coups sont permis : on piège et on donne tout. Par chance, les deux amis ont chacun un petit sac de provisions. Les boissons rafraîchissantes, le casse-croûte consistant aux ingrédients sains, les batteries sont pleinement rechargées. C'est exactement ce que transmettent les serviettes de football de cette gamme, sous le regard des mamans.

### Our services, our commitment

Paper+Design stands for trend-conscious designs which represent a certain lifestyle. Every year we develop new collections that are suitable for most various occasions. Our experienced team supports our customers even in matters of pre-press, sleeve engraving, digital and flexographic printing and flexible logistics solutions.

**20 years of Paper+Design.** In 2019 we are celebrating our 20th anniversary. Two decades ago we started our company “on a greenfield site“ directly at the centre of the Erzgebirge. Today we are present in more than 80 markets with more than 750 designs per year – a successful development that we are proud of.

### Notre efficacité, notre engagement

Paper+Design symbolise les récentes tendances de designs, qui incarnent un nouveau mode de vie. Chaque année, nous développons de nouvelles collections, qui se prêtent aux événements et occasions les plus variés. Avec une équipe expérimentée, nous soutenons aussi nos clients avec la préimpression, les gravures par cylindres, l'impression digitale, la flexographie, ainsi que des solutions logistiques flexibles.

**Paper+Design a 20 ans.** En 2019, nous fêtons notre anniversaire ! Deux décennies se sont écoulées depuis que notre entreprise est née « sur le pré vert » au beau milieu de l'Erzgebirge, dans l'Est de l'Allemagne. Aujourd'hui, nous sommes présents sur environ 80 marchés à travers le monde, avec plus de 750 designs présentés chaque année – un développement couronné de succès, dont nous sommes très fiers.
