THANK YOU

Dear NJIT Alumni and Benefactors:

On behalf of President Bloom and the entire New Jersey Institute of Technology community, I am delighted to share with you our 2018 Honor Roll of Donors – and to thank you for your remarkable generosity in support of the university.

This past year was one in which NJIT continued to reach new and unprecedented heights – as an academic and research powerhouse, as a catalyst of much-needed economic development, and as a preferred destination for hardworking and high-achieving students eager to receive a world-class, career-relevant STEM education.

Just as important, NJIT's decidedly upward trajectory has garnered much deserved – and long overdue – recognition from a variety of corners. A few recent examples:

- *U.S. News & World Report* ranked us #106 among all national universities in 2019 – the highest ranking that NJIT has ever earned in the magazine's annual "Best Colleges" publication.
- *Forbes* and *The New York Times* named us as the #1 university in the entire nation for enabling students to achieve upward socioeconomic mobility.
- PayScale put us in the top 2% of all colleges and universities for return on investment.
- Princeton Review included the university among its "Best 384 Colleges" and identified us as a top college in the Northeast region.
- The Carnegie Commission on Higher Education classified NJIT as an R1 institution, making it one of just 131 universities in the nation – and one of just three in New Jersey – that boast the "highest research activity."

I hope that all of you take great pride in these accolades, as well as the many accomplishments and successes upon which they are based.

I also hope you know how grateful we are to our alumni and friends for helping us scale such lofty heights. The considerable time, talent, and treasure that you have invested in our students, faculty, programs, and facilities are among the forces driving NJIT's notable progress during the past few years. Last year alone, 5,247 donors contributed nearly \$15 million to the university, establishing 43 new scholarships and adding \$7.6 million to the endowment.

These are impressive totals, and they reflect your continued confidence not only in the enduring value of an NJIT degree but in the promise and potential of our talented students. On their behalf, in particular, you have our profound and lasting gratitude.

Sincerely,

Kenneth Alexo, Jr., Ph.D.
Vice President for Development & Alumni Relations
President, Foundation at NJIT

1881 SOCIETY

NJIT's planned giving benefactors play a very special role in supporting the university's growth and momentum. Individuals who make gifts in the form of trusts and annuities receive a lifetime income stream while providing financial support for the university's most pressing needs. Similarly, individuals listing NJIT as a beneficiary in their will, life insurance policy, or individual retirement account support generations of future students through the creation of endowed scholarships or by funding capital improvements throughout the campus. Our planned giving benefactors are recognized as members of the 1881 Society.

NJITNEXT

On June 30, 2018, New Jersey Institute of Technology successfully closed the most ambitious fundraising initiative in the university's long and distinguished history. With contributions from nearly 24,000 alumni, students, faculty, staff, friends, foundations, and corporations, the NJIT NEXT campaign exceeded its \$200 million goal, finishing with a total of \$201,019,052.

The NEXT campaign has made an indelible mark on NJIT. The significant resources secured through this effort have enabled the university to sustain its decidedly upward trajectory and to reach new and unprecedented heights – as an academic and research powerhouse, as a catalyst of economic development, and as a preferred destination for exceptionally talented and hardworking students. The extraordinary generosity of donors to this campaign:

- established 257 new student scholarships and fellowships;
- added close to \$50 million to NJIT's endowment, pushing its value to more than \$120 million by the end of the campaign;
- supported award-winning faculty and student research that is improving our world and everyday lives; and
- transformed NJIT's learning and living environment, including the construction of the Life Sciences and Engineering Center, the Wellness and Events Center, and Makerspace, the renovation of the historic Central King Building, and the creation or renovation of 90+ labs.

The NJIT NEXT campaign was led by a group of dedicated alumni volunteers, including campaign co-chairs C. Stephen Cordes '72, former managing director of Clarion Partners; Nicholas M. DeNichilo '73, '78, president and CEO of Mott MacDonald; and Vincent Naimoli '62, chairman emeritus and founder of the Tampa Bay Rays and chairman and CEO of Anchor Industries International and Naimoli Baseball Enterprises.

A special celebration of the successful completion of the NJIT NEXT campaign took place on campus during the evening of Saturday, June 1, 2019, as part of the 2019 Alumni Weekend festivities.

FINAL REPORT: NJIT NEXT CAMPAIGN

GOAL: \$200 MILLION
