JUDGES

Alex Hunter AFIAP FAPS

Alex began his photographic career at seventeen and became involved in the original Belmont Club. At twenty he was employed in Newcastle as an Industrial Photographer gaining knowledge in all forms of photography. Alex began judging photography at the same time although it was very daunting for a young and shy boy to tell experienced mono workers that their prints were flat. Alex worked there for 30 years doing other jobs but always remaining a photographer. He is a member of a much bigger Belmont Camera Photographic Club as well as being a member of Newcastle Photographic Society. At 79 Alex is still going strong taking photographs but not able to go to some of the more difficult places anymore.

Margaret Zommer EFIAP MAPS PPSA

Photography combines many of Margaret's passions – travel, history, art, creativity, and even teaching. She goes overseas on photography trips every year, and enjoys editing the resulting images to put in international competitions and into photobooks. Her success with the former has led to GMAPS, EFIAP/b and PPSA. After ten years of specialising in landscapes, environmental portraits, and medieval architecture, she has branched out into creative art using her photos as the medium of expression. Currently she is also honing her skills with studio portraits, as connecting with people is one of her great pleasures. When an image maker finds her remarks insightful both compositionally and technically, she feels she is giving back to a community that has helped her for the last ten years. She is on the VAPS committee as the Badges and Awards Officer and on her local club's committee.

Leanne Alessi EFIAP/s GMAPS PPSA

Leanne has been passionate about photography for more than 30 years and is a multi-award winning national and international photographer and judge. She has gained her EFIAP/Silver, PPSA, GMAPS and EMFCC distinctions in four short years. Leanne was a member of Campbelltown Camera Club in the early mid 1990s, a former member of St George Photographic Society, a moderator for a former photographic website, Passion for Pixels; is a member of Terra Australis Photography Group; the Australian Photographic Society (APS) and the Photographic Society of America (PSA). She has recently taken on the Honorary Secretary's role of the newly formed Ingleburn RSL Photography Club. She loves to travel and bush camp in Australia's remote outback as often as possible to behold and capture the exquisite landscapes our wonderful country has to offer.

Alfred Zommer EFIAP MAPS PPSA

Alfred began to take photographs on his Box Brownie at the age of 10. Alfred began to take photography seriously again about 12 years ago when he joined a camera club. After a couple of years he joined the committee and held several positions including president for four years. He is currently Vice President of VAPS, a committee member of the Australian Photographic Judges Association and the Chairman of the APS Honours subcommittee. He has judged at club National level for the last eight years. Having retired, he enjoys taking many photographs, while travelling extensively every year, and exhibiting them in club and interclub competitions. He also exhibits nationally and internationally with success.

Pia Jessen EFIAP/s GMAPS

Pia is the current Exhibitions Director of the Australian Photographic Society and also Program Director of the Redlands Camera Club in Qld, Australia. In her various roles Pia champions International exhibitions, believing participating in exhibitions and competitions pushes photographers of all levels to develop, stretch and learn, as well as keeping abreast of current photographic trends. She has judged numerous National and International Salons in Australia. Pia is passionate about Nature and adventure travel, she loves discovering new places and creating exciting travel itineraries for both cultural and photographic opportunities.

John Chapman EFIAP/s MPSA GMAPS ARPS

John initially took up photography as a means to illustrate the places he visited while walking and climbing in some of the wildest areas of the world. His photographs have been extensively published in magazines and books in Australia, Europe and United States of America. He is a successful self-publisher of illustrated walking books with 12 different titles. He is also a successful international exhibitor and some of his images have been acquired for permanent photographic collections in several countries.

John R Smith EFIAP FAPS MPSA

John bought his first DSLR in 2006 as an adjunct to bird watching, progressed into photographing all things nature then moved onto landscapes, people, Photojournalism and Photo Travel. He started entering National Exhibitions in 2007 and entering International Exhibitions in 2008. John has achieved over 5600 International acceptances with 275 International awards. The acceptances have been spread over 70 countries. He was part of the Australian team entry in the FIAP Nature Biennials in 2008 in Spain and the 2010 in India.
