

Appendix 1. Bodega Marine Lab student reports on polychaete biology. Species names in reports were assigned to currently accepted names. Thus, Ackerman (1976) reported *Eupolymnia crescentis*, which was recorded as *Eupolymnia heterobranchia* in spreadsheets of current species (spreadsheets 2-5).

Ackerman, Peter. 1976. The influence of substrate upon the importance of tentacular regeneration in the terebellid polychaete *EUPOLYMNIA CRESCENTIS* with reference to another terebellid polychaete *NEOAMPHITRITE ROBUSTA* in regard to its respiratory response. Student Report, Bodega Marine Lab, Library.
IDS 100

- * *Eupolymnia heterobranchia* (Johnson, 1901) reported as *Eupolymnia crescentis* Chamberlin, 1919 changed per Lights 2007.

Alex, Dan. 1972. A settling survey of Mason's Marina. Student Report, Bodega Marine Lab, Library.
Zoology 157

Alexander, David. 1976. Effects of temperature and other factors on the distribution of *LUMBRINERIS ZONATA* in the substratum (Annelida: polychaeta). Student Report, Bodega Marine Lab, Library.
IDS 100

Amrein, Yost. 1949. The holdfast fauna of *MACROSYSTIS INTEGRIFOLIA*. Student Report, Bodega Marine Lab, Library.
Zoology 112

- * *Platynereis bicanaliculata* (Baird, 1863) reported as *Platynereis agassizi* Okuda & Yamada, 1954. Changed per Lights 1954 (2nd edition).
- * *Naineris dendritica* (Kinberg, 1867) reported as *Nanereis laevigata* (Grube, 1855) (should be: *Naineris laevigata*). *N. laevigata* not in Hartman 1969 or Lights 2007. *N. dendritica* taken as synonymous with *N. laevigata*.
- * *Hydroides uncinatus* Fauvel, 1927 correct per I.T.I.S. although Hartman 1969 reports *Hydroides* changing to *Eupomatus*. Lights 2007 has changed *Eupomatus* to *Hydroides*.
- * *Dorvillea moniloceras* (Moore, 1909) reported as *Stauronereis moniloceras* (Moore, 1909). (*Stauronereis* to *Dorvillea* per Hartman 1968).
- * Amrein reported *Stylarioides flabellata*, which was not recognized by Hartman 1969, Lights 2007 or the Integrated Taxonomic Information System (I.T.I.S.). A flabellerigid found in kelp holdfast was assigned a European name in 1949 (*S. flabellata*), that name became *Pherusa flabellata*, a species with no other record from the eastern Pacific.

Armstrong, Gail. 1975. Behavior influencing host_specificity in commensal scaleworms of the genus *HESPERONOE* (Annelida: Polychaeta). Student Report, Bodega Marine Lab, Library.
IDS 100

Armstrong, Richard A. 1969. Luminescence of the dorsal elytra in the Polynoid worm *HESPERONOE ADVENTOR*. Student Report, Bodega Marine Lab, Library.
Zoology 157

Banks, Richard C. 1958. The genus *NEPHTYS* in the Bolinas area. Student Report, Bodega Marine Lab, Library.
Zoology S-112

Barrett, Sandra. 1973. A behavioral study of the relationship between the echiuroid worm *URECHIS CAUPO* Fisher and MacGinitie and its symbiotes a pinnotherid crab, *SCLEROPLAX GRANULATA* Rathbun and a polychaete annelid, *HESPERONOE ADVENTOR* (Skogsberg). Student Report, Bodega Marine Lab, Library.
IDS 100

Baranowski, John D. 1976. Chloride preferences of *NEREIS LIMNICOLA* in the brackish-water environment of Cambell's Cove, California. Student Report, Bodega Marine Lab, Library.
IDS 100

Becker, Robin. 1974. Thirteen species of Spirobidae (Polychaeta) from Bodega Head, California. Student Report, Bodega Marine Lab, Library.
IDS 100

- * *Protolaeospira eximia* (Bush, 1905) reported as *Protolaeospira* sp.. According to Hartman 1969, the only species is *P. eximia*. Taken as *P. eximia*.
- * *Paradexiospira vitrea* (Fabricius, 1780) reported as *Paradexiospira* sp.. According to Hartman 1969, the only species is *P. vitrea*. Taken as *P. vitrea*.

Beckman, Carolyn. 1952. Notes on the polychaetes of Monterey Harbor. Student Report, Bodega Marine Lab, Library.
Zoology 21

- * *Ophiodromus pugettensis* (Johnson, 1901) reported as *Podarke pugettensis* Johnson, 1901. Changed per Hartman 1968.
- * *Dodecaceria fewkesi* Berkeley & Berkeley, 1954 reported as *Dodecaceria fistulicola* Ehlers, 1901. Changed from invalid species in otherwise monospecific genus.
- * *Euzonus dillonensis* (Hartman, 1938) reported as *Pectinophelia dillonensis* Hartman, 1938. Changed per Hartman 1969.
- * *Typosyllis adamanteus* (Treadwell, 1914) reported as *Trypanosyllis adamanteus*. Changed per Hartman 1968.
- * *Thelepus crispus* Johnson, 1901 reported as *Thelepus plagiostoma* (Schmarda, 1861). Changed per D. Cowles, Department of Biology, Walla Walla College, Washington. 99324.
- * *Hesperalia californiensis* Chamberlin?. *Odontosyllis* = *Hesperalia*. Neither *O. californiensis* nor *H. californiensis* found in Lights 2007, Hartman 1969, I.T.I.S., or S.C.A.M.I.T.. Not included in checklist.

Belman, Bruce W., Janet Boyles, Karen Fuller, Terrence Gosliner, Gary C. Williams. 1971. A faunal survey of Mason's Marina, Bodega Bay, California. Student Report, Bodega Marine Lab, Library.
Zoology 157

- * *Neoamphitrite robusta* (Johnson, 1901) reported as *Amphitrite robusta* Johnson 1901. Changed per Lights 1975.
- * *Paleanotus bellis* (Johnson, 1897) reported as *Paleanotus chrysolepis* Schmarda, 1861. Not in Lights 2007 of Hartman 1969. Changed per S.C.A.M.I.T. 2001.

- * *Platynereis bicanaliculata* (Baird, 1863) reported as *Platynereis agassizi* Okuda & Yamada, 1954. Changed per Lights 1954 (2nd edition).

Belman, Bruce W. 1971. Notes on the polychaete worms of the family Cirratulidae from the Bodega Head region. Student Report, Bodega Marine Lab, Library.

Zoology 157

- * *Dodecaceria fewkesi* Berkeley & Berkeley, 1954 reported as *Dodecaceria fistulicola*. Ehlers, 1901. Changed from invalid species in otherwise monospecific genus.

Benton, C.R. 1941. A preliminary study of the ecology of the *MYTILUS CALIFORNIANUS* - *MITELLA POLYMERUS* association in Bodega Bay, California. Student Report, Bodega Marine Lab, Library.

Zoology 119

- * *Axiiothella rubrocincta* (Johnson, 1901) reported as *Clymenella rubrocincta* Johnson, 1901. Changed per Hartman 1969.

Tomales Bay, Dillon Beach

- * *Paleanotus bellis* (Johnson, 1897) reported as *Paleanotus chrysolepis* Schmarda, 1861. Not in Lights 2007 of Hartman 1969. Changed per S.C.A.M.I.T. 2001.
- * *Ophiodromus pugettensis* (Johnson, 1901) reported as *Podarke pugettensis* Johnson, 1901. Changed per Hartman 1968.
- * *Platynereis bicanaliculata* (Baird, 1863) reported as *Uncinereis agassizi* Chamberlin 1919B (=Nereis agassizi). Changed per Berkeley & Berkeley 1935.
- * *Nereis pelagica neonigripes* Hartman, 1936 reported as *Nereis pelagica* Linnaeus, 1758. Changed per Hartman 1968.
- * *Hemipodus borealis* Johnson, 1901 reported as *Hemipodus roseus* Hartman, 1950. Not found in Hartman 1969 or Lights 2007. Changed per I.T.I.S.
- * *Dorvillea moniloceras* (Moore, 1909) reported as *Stauronereis moniloceras* (Moore, 1909). (*Stauronereis* to *Dorvillea* per Hartman 1968).
- * *Naineris dendritica* (Kinberg, 1867) reported as *Nanereis laevigata* (Grube, 1855) (should be: *Naineris laevigata*). *N. laevigata* not in Hartman 1969 or Lights 2007. *N. dendritica* taken as synonymous with *N. laevigata*.
- * *Notomastus giganteus* (Moore, 1906) reported as *Dasybranchus giganteus* Moore, 1909. Reported by Berkeley & Berkeley in 1935 from Elkhorn Slough, Monterey Bay.
- * *Streblospio benedicti* Webster, 1879 reported as *Streblospio lutincola* Hartman, 1936. Changed per Carlton 1979.
- * *Dodecaceria fewkesi* Berkeley & Berkeley, 1954 reported as *Dodecaceria pacifica* (Fewkes ?). Changed per Hartman 1969.
- * *Axiiothella rubrocincta* (Johnson, 1901) reported as *Clymenella rubrocincta* Johnson, 1901. Changed per Hartman 1969.
- * *Thelepus crispus* Johnson, 1901 reported as *Thelepus plagiostoma* (Schmarda, 1861). Changed per D. Cowles, Department of Biology, Walla Walla College, Washington. 99324.
- * *Myxicola infundibulum* (Renier 1804) reported as *Myxciola* sp. Changed per Hartman 1969.
- * *Cistenides brevicoma* (Johnson, 1901) reported as *Pectinaria brevicoma* (n/a). Changed per Hartman 1969.
- * *Chone mollis* (Bush, 1904) reported as *Metachone mollis* (n/a). Changed per Hartman 1969.
- * *Nephtys ciliata* (Muller, 1789) not found in Lights 2007 or Hartman 1969. Valid species per I.T.I.S..
- * *Lumbrineris sarsi* (Kinberg, 1865) not found in Lights 2007 or Hartman 1969. Valid species per I.T.I.S..
- * *Phragmatopoma californica* (Fewkes, 1889) reported as *Sabellaria californica* Fewkes, 1889. Changed per S.C.A.M.I.T..
- * *Pseudopotamilla ocellata* Moore, 1905 reported as *Pseudopotamilla brevibranchiata* (n/a). Salazar-Vallejo and Londoño-Mesa (2004).

- * *Arctonoe vittata* (Grube, 1855) reported as *Acholoe vittata* (n/a). *Polynoe vittata*=
Acholoe vittata per Hartman 1936. *Acholoe vittata* does not appear in Hartman 1969,
presumed to be *Arctonoe vittata*.
- * *Glycera americana* Leidy, 1855 reported as *Glycera rugosa* Johnson 1901. Taken as
synonymous per S.C.A.M.I.T. 2001.
- * *Pherusa papillata* Johnson 1901 reported as *Stylarioides papillata* (Johnson 1901).
- * Hartman found *Nereis mediator* Chamberlin, 1918 and *Nereis eucapitis* Hartman (?).
According to the Oct 2003 S.C.A.M.I.T. newsletter, D.Reish states: In the 1954 paper
cited above, I also placed two additional species in synonymy: *Nereis pseudoneanthes*
Hartman and *Nereis eucapitis* Hartman. The basis for my changes was based on the
variability of the paragnath arrangement (fusion, for example) as determined by the
laboratory reared specimens. In other words, brothers and/or sisters were described as
separate species. Hartman (1959) listed these latter two species as synonymous with
N.mediator.
- * Hartman found *Notomastus tenuis* (Moore 1909) and *Notomastus angulatus* Chamberlin,
1919. *N. angulatus* was not found in Lights 2007, Hartman 1969, I.T.I.S.. It was only
found in regards to its synonymy with *Notomastus tenuis* in one document: Atlas de
anélidos poliquetos de la plataforma continental del Golfo de California, México, Dra.
Vivianne Solís Wolfowitz de Weiss of the Universidad Nacional Autónoma de México,
Instituto de Ciencias del Mar y Limnología. 1998.
Synonymies of *N. tenuis* were listed as such:
Notomastus tenuis Moore 1909
Notomastus angulatus Chamberlin 1919a:16; Berkeley 1929:312.
Notomastus (*Clistomastus*) *tenuis* Hartman 1947:420, lám. 47, figs. 1-5; 1969:397, figs.
1-5.
Notomastus tenuis Hobson & Banse 1981:66.
Notomastus ? *tenuis* Ewing 1984a:14-26, figs. 14.21, 14.22a-e.
- * Hartman reported *Pectinophelia californiensis* as a new species in 1936. It was not found
in Lights 2007, Hartman 1969, I.T.I.S. or elsewhere on the web. Not added to checklist.
- * Hartman reported *Eulalia parasteggoa*. It was not found in Lights 2007, Hartman 1969,
I.T.I.S. or in a search of the entire web. Not added to checklist.
- * Hartman reported the new species *Stauronereis minor* (1936). Not found in Lights 2007,
Hartman 1969, or I.T.I.S. It might be synonymous with *Dorvillea rudolphi*, but no
evidence was found. Not added to checklist.
- * *Neanthes transcendens* erected as new species, but not in Hartman 1968 nor anywhere
else, therefore *Neanthes transcendens* is not included in checklist.
- * Hartman reported *Stylarioides dimissus* Hartman, 1936. Not found in Lights 2007,
Hartman 1969, S.C.A.M.I.T., or I.T.I.S.. Not added to checklist.

Holton, Charlotte. 1957. Survey of the Polychaeta found on the outer coast around the area of
Bodega Bay. Student Report, Bodega Marine Lab, Library.

Zoology 212

- * *Ophiodromus pugettensis* (Johnson, 1901) reported as *Podarke pugettensis* Johnson,
1901. Changed per Hartman 1968.
- * *Platynereis bicanaliculata* (Baird, 1863) reported as *Platynereis agassizi* Okuda &
Yamada, 1954. Changed per Lights 1954 (2nd edition).
- * *Typosyllis adamanteus* (Treadwell, 1914) reported as *Trypanosyllis adamanteus* (n/a).
Changed per Hartman 1968.

- * *Dodecaceria fewkesi* Berkeley & Berkeley, 1954 reported as *Dodecaceria fistulicola* Ehlers, 1901. Changed from invalid species in otherwise monospecific genus.
- * *Typosyllis alternata* (Moore, 1908) reported as *Syllis alternata* Moore, 1908. Changed per Hartman 1968.
- * *Typosyllis fasciata* (Malmgren, 1867) reported as *Syllis fasciata* Malmgren, 1867. Changed per Hartman 1968.
- * *Eupolymnia heterobranchia* (Johnson, 1901) reported as *Eupolymnia crescentis* Chamberlin, 1919. Changed per Lights 2007.

Sax, Kenneth Michael. 1982. The effects of physical conditions on the polychaete assemblages in the rhizomes of *PHYLLOSPADIX SCOULERI*. Student Report, Bodega Marine Lab, Library.

Student Report, Bodega Marine Lab, Library.
Problems in Marine Biology

Siddiqui, Wasim Ahmad. 1958. A survey of the general distribution of polychaetes in the Duxbury and its allied reefs. Student Report, Bodega Marine Lab, Library.

Zoology S_212

- * *Ophiodromus pugettensis* (Johnson, 1901) reported as *Podarke pugettensis* Johnson, 1901. Changed per Hartman 1968.
- * *Phyllodoce madeirensis* Langerhans, 1880 reported as *P. madeirensis*. Changed to *Anaitides madeirensis* by Hartman 1968. Reported as *P. madeirensis* in Kozloff 1996. Not in SCAMIT 2001. Description from report, with points that match Hartman 1968 in caps: CORDIFORM PROSTOMIUM, WITH OCCIPITAL TUBERCLE, large eyes, tentacles small and cylindrical, no setae on 3rd segment, POINTED DORSAL CIRRI, 8 cm length.
- * *Polydora limicola* Annenkova, 1934 reported as *Polydora ciliata* (Johnston, 1838). *P. ciliata* = *P. limicola* per Hartman 1969.
- * *Dodecaceria fewkesi* Berkeley & Berkeley, 1954 reported as *Dodecaceria pacifica* (Fewkes ?). Changed per Hartman 1969.
- * *Idanthyrsus armatus* Kinberg, 1867 not in Lights 2007 or Hartman 1969, but a valid name, occurring in California.

Silvey, Gerald E. 1966. External respiration in the Terebellid EUPOLYMNIA CRESCENTIS. Student Report, Bodega Marine Lab, Library.

Zoology S 212

- * *Eupolymnia heterobranchia* (Johnson, 1901) reported as *Eupolymnia crescentis* Chamberlin 1919. Changed per Lights 2007.

Simon, Michael A. 1977. The role of chemical gradients in the attraction of OPHIODROMUS PUGETTENSIS (Annelida; Polychaeta) to its host PATIRIA MINIATA (Echinodermata; Asteroidea). Student Report, Bodega Marine Lab, Library.
Problems in Marine Biology

Slesnick, Michael. 1971. A study of a conspicuous association of three polychaetes: CHONE MINUTA, PYGOSPIO ELEGANS, and PYGOSPIA CALIFORNICA. Student Report, Bodega Marine Lab, Library.

Zoology 157
