Sapiens Undergoes Changes in Corporate Structure

RESEARCH TRIANGLE PARK, N.C. – January 13, 2005 – Sapiens International Corporation N.V. (NASDAQ and TASE: SPNS), a global provider of insurance technology solutions, hereby reports changes in its corporate structure and the replacement of several members of the existing management team, as the Company moves towards a centralized global organization, with the aim of increased efficiencies and reduced costs.

1. Reuven Barkan, currently the Managing Director of Sapiens EMEA, will assume the position of Chief Operating Officer of Sapiens International, and shall be responsible for global operational aspects of the Company, with a focus on Sales, Professional Services and Operational Profitability. This appointment is of an immediate effect.
2. Yuval Hadari, EVP Finance & Administration, is leaving the Company. The Company intends for Mr. Hadari's replacement to begin working for the Company by February 15, 2005. The Company will announce the replacement separately.
3. David Ofek, Executive Vice President for Business Development & Marketing, is leaving the Company, with immediate effect. Currently, the Company does not intend to find a replacement for such position. The business development and marketing responsibilities will be assumed by the management teams of each of the Company's territorial entities.
4. Yair Spitzer, Managing Director of Sapiens UK, is leaving the Company, with immediate effect, and will be replaced by Kali Bagary who previously served as the Sales and Marketing Director of Sapiens UK.

Except for historical information contained herein, the matters set forth herein are forward-looking statements that are dependent on certain risks and uncertainties, including such factors, among others, as market acceptance, market demand, pricing, changing regulatory environment, changing economic conditions, risks in new product and service development, the effect of the Company's accounting policies and other risk factors detailed in the Company's SEC filings.
