Shareholders Entitled to Vote

Only holders of record of ordinary shares at the close of business on December 31, 2010, are entitled to receive notice of and to vote at the Meeting. Each ordinary share is entitled to one vote on each matter to be voted on at the Meeting. Our articles of association do not provide for cumulative voting for the election of the directors or for any other purpose.

Required Votes

With the exception of the election of the external directors, all of the resolutions being proposed to the shareholders require the affirmative vote of a majority of our ordinary shares voted on in person or by proxy at the Meeting. The election of external directors requires the affirmative vote of a majority of our ordinary shares voted on in person or by proxy at the Meeting, provided that such majority includes at least one-third of the votes of the non-Controlling shareholders (as defined below) of the Company who are voting on this matter at the Meeting. This approval requirement need not be met if the aggregate shareholdings of those non-Controlling shareholders who vote against the election of the external directors represent one percent or less of all the voting power of the Company.

“Controlling” for the purpose of the preceding paragraph means the ability to direct the acts of the Company. Any person holding one half or ore of the voting power of the Company or the right to appoint directors or the Chief Executive Officer is presumed to have control of the Company.

The votes of all shareholders voting on the matters, in person or by proxy, will be counted. The count shall not take abstentions into account.

Quorum

The presence, in person or by properly executed proxy, of two or more holders of an aggregate of at least one-quarter of the voting power of the Company, is necessary to constitute a quorum at the Meeting. If within one-half of an hour from the time appointed for the Meeting there is not present at the Meeting, in person or by proxy, at least two or more holders of an aggregate of more than one-quarter of the voting power of the Company, a quorum will not be present and the Meeting will be adjourned and reconvened one hour later, at the same place, or at another time and place as the Chairman of the Meeting may determine with the consent of a

majority of the voting power present at the meeting, in person or by proxy, and voting on the question of adjournment.

Shares Outstanding

As of December 15, 2010, the Company had 40,697,831 ordinary shares outstanding. American Stock Transfer & Trust Company is the transfer agent and registrar for our ordinary shares.

AFTER CAREFUL CONSIDERATION, OUR BOARD OF DIRECTORS HAS APPROVED THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND RECOMMENDS THAT OUR SHAREHOLDERS VOTE "FOR" EACH OF THE PROPOSALS EXCEPT FOR ITEM V WHICH IS A NON-VOTING PROPOSAL.

1. INCREASE IN THE SIZE OF THE BOARD OF DIRECTORS

(Item 1 on the Proxy Card)

Our Articles of Association provide that the number of directors comprising our board of directors shall be no less than five nor more than nine and that, until a different number is approved by an ordinary resolution of the shareholders, the number shall be (i) nine directors, if four directors are appointed by beneficial owners of 14% or more of our issued and outstanding ordinary shares (as set forth below), or (ii) seven directors, if fewer than four directors are so appointed by beneficial owners of 14% or more of our ordinary shares. No shareholder beneficially holding 14% or more of our issued and outstanding ordinary shares has exercised its right to appoint a director and the size of our board is seven.

Our board of directors recommends that the size of the board be increased to eight to enable nomination and election of an additional member to the board to contribute to policy and decision making at the board of directors level.

At the meeting, the board of directors will propose that the following resolution be adopted:

"RESOLVED, that the increase in the size of the board of directors to eight members, be, and hereby is, approved."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting, in person or by proxy, entitled to vote and voting on the matter, is required to approve the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

II. ELECTION OF DIRECTORS

(Item 2 on the Proxy Card)

Each of our directors, with the exception of our external directors who serve a three-year term, serves an approximately one-year term from one annual general meeting to the next or until that director's successor is appointed. As such, five out of our current seven directors are standing for re-nomination. Subject to the shareholders approval of Proposal 1 to increase the size of our board of directors to eight members, our board has nominated a new member for election to our board of directors. Gilat is unaware of any reason why any of the nominees, if elected, should be unable to serve as a director. No person may be appointed as an external director if the person, or the person's relative, partner, employer or an entity under that person's control, has or had during the two years preceding the date of appointment any affiliation with the company, its controlling shareholder or any entity controlled by the company or its controlling shareholder. In addition, no person may serve as an external director if the person's position or other activities create, or may create, a conflict of interest with the person's position as director or may otherwise interfere with the person's ability to serve as a director.

A person is qualified to serve as an external director only if he or she has “accounting and financial expertise” or “professional qualifications,” as such terms are defined under regulations promulgated under the Companies Law. Unless resolved otherwise by our shareholders, our board of directors will be comprised of (i) nine directors, if four directors are appointed by beneficial owners of 14% or more of our issued and outstanding ordinary shares (as set forth below), or (ii) seven directors, if fewer than four directors are so appointed by beneficial owners of 14% or more of our ordinary shares.

Pursuant to our Articles of Association, each beneficial owner of 14% or more of our issued and outstanding ordinary shares is entitled to appoint, at each annual general meeting of

our shareholders, one member to our board of directors, provided that a total of not more than four directors are so appointed. In the event that more than four qualifying beneficial owners notify us that they desire to appoint a member to our board of directors, only the four shareholders beneficially owning the greatest number of shares shall each be entitled to appoint a member to our board of directors. At any annual general meeting at which directors are appointed pursuant to the preceding paragraph, the calculation of the vote of any beneficial owner who appointed a director pursuant to the preceding paragraph shall not take into consideration, for the purpose of electing the remaining directors, ordinary shares constituting 14% of our issued and outstanding ordinary shares held by such appointing beneficial owner.

Each of our directors (except external directors) serve, subject to early resignation or vacation of office in certain circumstances as set forth in our Articles of Association, until the adjournment of the next annual general meeting of our shareholders next following the general meeting in which such director was elected. The holders of a majority of the voting power represented at a general meeting of our shareholders in person or by proxy will be entitled to (i) remove any director(s), other than external directors and directors appointed by beneficial holders of 14% or more of our issued and outstanding ordinary shares as set forth above, (ii) elect directors instead of directors so removed, or (iii) fill any vacancy, however created, in the board of directors. Our board of directors may also appoint additional directors, whether to fill a vacancy or to expand the board of directors, who will serve until the next general meeting of our shareholders following such appointment.

Our Articles of Association further provide that the board of directors may delegate all of its powers to committees of the board of directors as it deems appropriate, subject to the provisions of applicable law.

External Directors and Independent Directors

External Directors. Under the Israeli Companies Law, public companies are required to elect two external directors who must meet specified standards of independence. External directors may not have during the two years preceding their appointment, directly or indirectly through a relative, partner, employer or controlled entity, any affiliation with (i) the public company, (ii) those of its shareholders who are controlling shareholders at the time of appointment, or (iii) any entity controlled by the company or by its controlling shareholders.

The term “affiliation” includes an employment relationship, a business or professional relationship maintained on a regular basis, control and services as an office holder. No person

can serve as an external director if the person's other positions or business creates or may create conflicts of interest with the person's responsibilities as an external director. Until the lapse of two years from termination of office, a company may not engage an external director as an employee or otherwise. If, at the time an external director is to be appointed, all current members of the board of directors are of the same gender, then at least one outside director must be of the other gender.

A person is qualified to serve as an external director only if he or she has "accounting and financial expertise" or "professional qualifications," as such terms are defined under regulations promulgated under the Israeli Companies Law. At least one external director must have "accounting and financial expertise." However, Israeli companies listed on certain stock exchanges outside Israel, including The NASDAQ Global Market, such as our company, are not required to appoint an external director with "accounting and financial expertise" if a director with accounting and financial expertise who qualifies as an independent director for purposes of audit committee membership under the laws of the foreign country in which the stock exchange is located serves on its board of directors. All of the outside directors of such a company must have "professional qualifications."

External directors serve for an initial three-year term, which may be renewed a second three-year term. Israeli companies listed on certain stock exchanges outside Israel, including the NASDAQ Global Market, such as our company, may appoint an outside director for additional terms of not more than three years each subject to certain conditions. Such conditions include the determination by the audit committee and board of directors, that in view of the director's professional expertise and special contribution to the company's board of directors and its committees, the appointment of the outside director for an additional term is in the best interest of the company. External directors can be removed from office only by the court or by the same special percentage of shareholders that can elect them, and then only if the external directors cease to meet the statutory qualifications with respect to their appointment or if they violate their fiduciary duty to the company. The court may additionally remove external directors from office if they were convicted of certain offenses by a non-Israeli court or are permanently unable to fulfill their position. If, when an external director is elected, all members of the board of directors of a company are of one gender, the external director to be elected must be of the other gender.

If delegated any authority of the board of directors, any committee of the board of directors must include at least one external director. An external director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

The Companies Law requires external directors to submit to the company, prior to the date of the notice of the general meeting convened to elect the external directors, a declaration stating their compliance with the requirements imposed by Companies Law for the office of external director.

The election of external directors requires the affirmative vote of a majority of the shares

voted on in person or by proxy at a meeting of the shareholders, provided that such majority includes at least one-third of the votes of the non-controlling shareholders of the company who are voting on the matter at the meeting (not including abstentions). This approval requirement need not be met if the aggregate shareholdings of those non-controlling shareholders who vote against the election of the external director represents one percent or less of all the voting power of the company. "Controlling" for the purpose of this provision means the ability to direct the acts of the company. Any person holding one half or more of the voting power of the company or of the right to appoint directors or the chief executive officer is presumed to have control of the company.

Our board of directors currently has two external directors under Israeli law: Dr. Leora Meridor, who was initially elected to serve as an external director at our special general meeting of shareholders held on August 30, 2005 and was reelected for an additional three year period at our annual general meeting of shareholders held on December 30, 2008; and Mr. Haim Benyamini who was initially elected to serve as an external director at our special general meeting of shareholders held in February 2005 and was reelected for an additional three year period at our special general meeting of shareholders held on May 28, 2008. Mr. Benyamini is currently being proposed for re-election for a third term pursuant to Proposal No. 3 above.

The compensation of external directors of an Israeli company is regulated by the Israeli Companies Regulations (Rules Regarding Compensation and Expenses to Outside Directors), 2000, as amended, or the Regulations, and the Companies Regulations (Alleviation for Public Companies whose Shares are Traded on a Stock Exchange Outside of Israel), 2000, as amended. Under the Israeli Companies Law and pursuant to the Regulations, a company is generally required to pay its external directors a minimum cash compensation in the form of an annual fee and a per meeting attendance fee (including for attendance at board of directors committee meetings) in the manner set forth in the Regulations. A nominee for external director must be informed of the compensation to be paid by a company prior to the nominee's consent to serve in such capacity, and such compensation generally may not be modified during any three-year term of service. Also, the compensation paid to each of a company's outside directors must be the same, regardless of the form of compensation (except that "expert outside directors" may receive higher compensation than non-experts).

We pay to our external directors compensation in the form of an annual fee, payable quarterly, of NIS 80,000 (currently equivalent to approximately \$22,000) and a per meeting attendance fee of NIS 1,600 (currently equivalent to approximately \$450), as well as compensation for telephonic participation in board and committee meetings in an amount of 60% of what is received for physical participation. Such amounts are subject to adjustment for changes in the Israeli consumer price index after December 2007 and changes in the amounts payable pursuant to Israeli law from time to time.

Independent Directors. In general, NASDAQ Marketplace Rules require that the board of directors of a NASDAQ-listed company have a majority of independent directors, within the meaning of NASDAQ rules. Our board of directors has determined that five out of the seven members of our board of directors, namely, Messrs. Benyamini, Blank, Ganani, Dr. Meridor and Ms. Sarid, are independent directors under NASDAQ requirements.

Pursuant to a recent amendment to the Israeli Companies Law, an Israeli company whose shares are publicly traded, may elect to adopt a provision in its articles of association pursuant to which a portion of its board of directors will constitute individuals complying with certain independence criteria prescribed by the Israeli Companies Law. We have not included such a provision in our articles of association since our board of directors complies with the independent director requirements of the NASDAQ Marketplace Rules described above.

Committees of the Board of Directors

Audit Committee. Under the Israeli Companies Law, publicly traded companies must establish an audit committee. The audit committee must consist of at least three members, and must include all of the company's external directors. The chairman of the board of directors, any director employed by the company or providing services to the company on a regular basis, any controlling shareholder and any relative of a controlling shareholder may not be a member of the audit committee. An audit committee may not approve an action or a transaction with an officer or director, a transaction in which an officer or director has a personal interest, a transaction with a controlling shareholder and certain other transactions specified in the Companies Law, unless at the time of approval two external directors are serving as members of the audit committee and at least one of the external directors was present at the meeting in which an approval was granted.

In addition, the NASDAQ Marketplace Rules require us to establish an audit committee comprised of at least three members, all of whom must be independent directors, each of whom is financially literate and satisfies the respective "independence" requirements of the Securities and Exchange Commission and NASDAQ and one of whom has accounting or related financial management expertise at senior levels within a company.

Our audit committee assists our board of directors in overseeing the accounting and financial reporting processes of our company and audits of our financial statements, including the integrity of our financial statements, compliance with legal and regulatory requirements, our independent registered public accountants' qualifications and independence, the performance of our internal audit function and independent registered public accountants, finding any defects in the business management of our company and proposing to our board of directors ways to correct such defects, approving related-party transactions as required by Israeli law, and such other duties as may be directed by our board of directors. The audit committee may consult from time to time with our independent auditors and internal auditor with respect to matters involving financial reporting and internal accounting controls.

We have elected to follow Israeli law instead of NASDAQ rules with respect to the composition of our audit committee. Our audit committee consists of Mr. Benyamini, Dr. Meridor, Ms. Sarid and Mr. Tamir. All of the members of our audit committee other than Mr. Itzak Tamir satisfy the respective "independence" requirements of the Securities and Exchange Commission, NASDAQ and Israeli law for audit committee members. Mr. Tamir (who is also a member of our compensation and stock option committee) does not qualify as an independent director within the meaning of NASDAQ rules. However, our board of directors has determined

that Mr. Tamir satisfies the independence requirements of the Securities and Exchange Commission and satisfies the requirements of the Israeli Companies Law for audit committee members. Our board of directors has further determined that Dr. Meridor qualifies to serve as the audit committee's financial expert, as required by the rules of the Securities and Exchange Commission and NASDAQ. The audit committee meets at least once each quarter.

Compensation and Stock Option Committee. Our board of directors has established a compensation committee, which is authorized to determine all compensations issues, including the administration of our option plans, subject to general guidelines determined by our board of directors from time to time. The compensation committee also makes recommendations to our board of directors in connection with the terms of employment of our chief executive officer and all other executive officers.

Our compensation and stock option committee consists of Mr. Benyamini, Dr. Meridor, Ms. Sarid and Mr. Tamir. All of the members of our compensation and stock option committee other than Mr. Itzak Tamir are independent directors, within the meaning of NASDAQ rules. We have elected to follow Israeli law instead of NASDAQ requirements with respect to independent director oversight of executive compensation.
