## **Roland Schylit new Executive Vice President for Hilding Anders**

Roland Schylit, 58, has been appointed Executive Vice President for Hilding Anders, Europe's leading provider of beds and mattresses. "Roland Schylit is an experienced international top manager that has worked closely together with me during the past 15 years. I am very happy that he decided to join Hilding Anders, his experience of navigating complex supply chain processes in an international environment will be an important asset for the organization", comments CEO Anders Pettersson.

Roland Schylit has already started working for the company. Recently he held a similar position with the Capital Safety Group during 2010-2012 and before that for the Thule Group during 2002-2009.
