## Reserve Starts Early Release Personnel

has inaugurated a program of discharging enlisted personnel earlier than their terminal date.

The purpose of this program is to minimize losses of the 1954 fiscal year and to promote stability and reduce fluctuations in enlisted recruiting and training programs.

On last Monday and continuing through October 31, all regular Navy personnel enlistments expire during July and August shall be discharged during June. Those personnel whose enlistments expire from September through December shall be discharged two months early.

### Reserve for Reserves

Reserve non-rated personnel including those who are on active duty for 24 months and whose discharge dates are the same as those mentioned above, are affected in the same way.

On November 1 and continuing through June 30, 1954, regular Navy personnel enlistment dates of expiration, or enlistment or discharge dates, occurring in November and December will be advanced to the end of the month during January. Those whose enlistment dates will be separated from December 1 to 15.

These also refer to Naval Reserve personnel, plus those who have agreed to remain on active duty for 24 months.

Reserve personnel, Naval Reservists, plus those who remain on active duty until March 1, 1954, through March 1, 1954, shall get out two months early.

## M-1 Course 20 NROTC's

A training program in marksmanship and Range that will be held here this month for more than 200 NROTC cadets graduating this year who are commissioned as second lieutenants in the Marine Corps. During their graduation and training, the officers will be given a leave, after which they will return here. They will arrive in two groups, the first contingent this month.

The course is completed the next day and will report to the Marine Barracks, Quantico, Va., to attend the Basic Course.

**SMOKE EATERS**—Men of the 1st Bn., 8th Marines, attack part of the forest fire, spread over a seven-mile front, which threatened homes and property in the Winter Park Precinct, near Wilmington, N. C. Marines were called on last Friday to quell the fire as it raged into its second day (Official USMC Photo).

## Division 'Fire Teams' Quell Widespread Forest Blaze

A ground-hugging forest fire, stretching over a snake-like seven-mile front in the Winter Park and Masonboro Precincts, about nine miles southwest of Wrightsville Beach, N. C., was subdued by 200 Marines from the 1st Bn., 8th Marines, last Friday night.

According to Lewitt Bass, a member of the Winter Park Volunteer Fire Department, the fire was believed to have started on the Parsley Estate, Myrtle Grove Sound, and spread rapidly to threaten homes in the neighborhoods of Masonboro and Meddlesound.

It was estimated that the fire consumed two square miles of brush and forest on its first day, causing great damage to the landscapes of the nearby homes and estates.

The volunteer fire departments of Winter Park, Carolina Beach, Wrightsville Beach, and the Wrightsboro Fire Department fought the fire on Thursday, leaving it in an apparently subdued state.

### New Blaze

On Friday, however, the fire broke out anew, and after an unsuccessful attempt by the local fire departments to check its progress, a request was sent to the Commanding General here, Maj. Gen. Henry D. Linscott, for assistance.

Immediately, a fire-fighting detachment of 700 Marines was organized. At 4:05 p. m., 200 Marines, led by 1st Lt. H. O. Steinmetz of "C" Co., 1st Bn., 8th Ma-

8th Marines and the Marine Barracks Fire Department were on the scene. The remaining 500 Marines were held in reserve.

Assistant Provost Marshal Capt. L. S. Whitmore, M. P. Co. M.B., met the Marines at the scene of the fire and deployed small groups of men, armed with pack type fire extinguishers, fire mats, axes and other brush fire-fighting equipment, over the seven mile front.

In the wooded area adjacent to the Municipal Golf Course in Winter Park a group of about 30 Marines completely extinguished a two-acre blaze within an hour and a half.

Approximately four hours after the Marines had landed, "the situation was well in hand."

At 8:25 p. m. the Marine fire-fighting detail was secured. All that was left of the fire, which threatened homes and properties a few hours earlier, were smoldering trees in a few isolated areas and the charred scar the blaze left on the forest.

## FMCR Sets Active Duty Request Date

All individuals transferred to the Fleet Marine Corps Reserve before July 1 may request active duty for a period not exceeding 12 months from date of transfer.

Those transferred to the Fleet Marine Corps Reserve before July 1 who didn't request retention will be released from active duty on July 1. Individuals transferring to the Fleet Reserve on or after July 1 will be released from active duty immediately upon transfer.

## First Division Gets New Star For PUC

A bronze star in lieu of a fifth Presidential Unit Citation has been awarded the 1st Division for service in the Chosin Koto-Ri areas of Korea from November 27 until December 11, 1950.

Members of the 1st Division who participated in the prescribed campaign are authorized to wear the ribbon bar with appropriate star. Supporting units entitled to the award will be named by Navy Secretary Robert Anderson.

## First MCR Units Arrive Sun. For Two-Week Stint

Six Marine Reserve units, scheduled for arrival here Sunday by plane, train, and bus, comprise the advance echelon of 63 Leatherneck contingents that will undergo two-week periods of rigorous field maneuvers and schooling from June to mid-September.

## New Warfare Job Seen For Gen. Erskine

Lt. Gen. Graves B. Erskine, commanding general, FMFLant, is being considered for a high level job in "national intelligence, psychological operations and unconventional warfare." He will be relieved June 15 by Maj. Gen. O. P. Smith as FMF head.

Congress has been asked for special legislation which would allow the general to retire voluntarily, despite appropriations act restrictions, and work as a civilian for the Defense Department's Office of Psychological Policy. If the legislation is passed, General Erskine would draw civilian pay for the job but still retain his status as a retired officer.

Department of Defense officials stated they picked the general because he has extensive military experience, "keen imagination," and knowledge of interdepartmental and international negotiations. He served in Mutual Security in South Asia, and is held in "high esteem by other agencies of the Government."

## Exchange ID Cards Receive Extension

An extension, until further notice, of the expiration dates of class "A" Marine Corps Exchange Identification cards has been granted by Headquarters Marine Corps.

Such Exchange ID cards have numbers beginning with "A" and are for unlimited privileges with expiration dates of June 30.

All Class "B" (limited privileges) Exchange ID cards must be renewed by their recorded expiration dates.

Numbering 261 enlisted men and 16 officers, the first arrivals include: the 3rd Truck and 3rd Auto Maintenance Companies, Atlanta, Ga.; the 4th Engineer Co., South Charleston, W. Va.; the 2nd Supply Co., Dayton, Ohio; the 2nd 105 Howitzer Btry., Jackson, Miss., and the 4th 105 Howitzer Btry., St. Joseph, Mo.

Lt. Col. B. E. Cunningham, commanding officer of the Reserve Training Bn., has outlined a broad training program aimed at re-familiarizing these units and others following with every phase of Marine Corps activity.

Each unit will receive field and classroom instruction and all Reservists will fire the M-1 rifle for qualification. The program will find the Reservists busy participating in night problems, amphibious net training, assaults on fortified positions, ceremonial reviews, and learning the latest techniques applied to their individual specialties.

The resources of Marine Barracks, the 2nd Division and Force Troops will be at the disposal of the more than 6500 Reservists expected to participate in the summer training.

An integrated system which will, for example, assign signalmen to a signal outfit, will permit the trainees to work in their particular fields at levels appropriate to their previous military experience.

Under this integrated type of training, Reservists, it is hoped, will learn the latest techniques of modern warfare in the least amount of time.

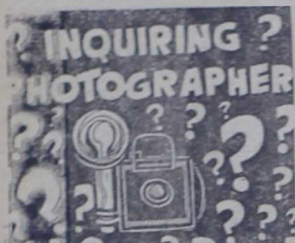

### Beach Closed

The recreational facilities at Onslow Beach, south of Beach Road, will be closed from 8 a. m. to 12 noon today and tomorrow because of anti-aircraft artillery firing at pilotless aircraft targets.

What Was The Biggest Mistake You Ever Made?

PFC. ROBERT J. CALLAHAN, CHARLIE CO., 1ST BN., 8TH MA-

RINES—When I was in the middle of my high school career, I was offered a good job and left school. That was my biggest mistake. I regret it now. Even here, in the Marine Corps, I haven't the chance to get anywhere. I could have tried for OCS if I had sufficient education. And it hurts, too, to say I haven't got a high school diploma.

CPL. ROBERT M. HAWKINS, 1ST BN., 6TH MARINES—I used to be a fool with a lead foot every time I stepped into a car or truck. I couldn't drive slowly even to go around the corner. They say, "Experience is the best teacher," and it took a bad accident that involved lost lives to teach me to drive sanely. I'm kidded about my slow driving now, but I'm the wise one. I know what speed can do.

SGT. JAMES C. TAYLOR, 4.2 MORTAR CO., 8TH MARINES—The biggest mistake I ever made was quitting college. When I get out of the Marine Corps I won't be able to return because my Dad passed away while I was in Korea, and left my mother with no support. My future is cut out for me now, and there'll be no more schooling for me. I missed my chance.

SGT. EUGENE TUCKER JR., 2ND SIGNAL BN.—The biggest mistake I ever made was thinking I was wealthy enough to afford a new car. I saw this beautiful new Ford in the window and couldn't resist. "Hang the payments," I thought. Well, I make the payments by the skin of my teeth, but can't afford to put enough gas in the thing to run it around the block.

CPL. RAYMOND DARCO, 2ND ENGINEERS—I suppose I have made quite a few mistakes, but the one uppermost in my mind right now is the mistake I made in lending my car to a buddy. He took it to Connecticut and wrecked it. I tried to have it repaired, but wound up buying a new car. This one doesn't get left out.

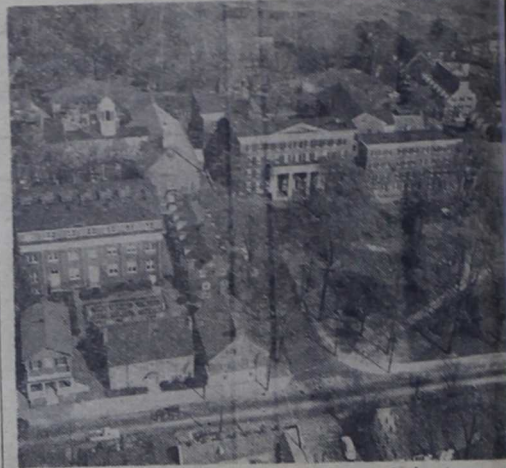

Answer to Puzzle

# Tarheelia Boasts Industrial Triple

WOMAN'S COLLEGE of the University of North Carolina, in Greensboro, is the largest residential college for women in the United States (Photo by Taylor Studio, Greensboro).

OLD SALEM—Salem Square, the center of the town which founded almost a century before Winston, is the stronghold of old Moravian traditions in architecture and customs. The square bordered on the west by Salem College, which opened in 1729 by Frank Jones, Winston-Salem).

## N.C. Nation's Tobacco Fabric, Furniture

The city slicker is a rarity in predominantly rural North Carolina, but there are at least three towns in the state which qualify for the title of "city" and these form the center of the nation's tobacco, textile, and wooden furniture industries.

Winston-Salem, Charlotte, and Greensboro are sprawling industrial cities with some of the leading educational plants in the South and cosmopolitan populations which support excellent recreational facilities and shopping centers.

Winston-Salem, one of the oldest towns in the state, is the home of the Reynolds Tobacco company and the vast Haynes textile industry. Bowman Gray School of Medicine, Salem College for Women, Winston-Salem Teachers' College, and the new plant for Wake Forest College make the "Twin City" an important educational focus in the South.

### Moravian Founders

Founded by followers of the Moravian patron, Count Zinzendorf, during the middle of the eighteenth century, the Salem part of the city retains much of the flavor of the old Moravian customs, architecture, and traditional home life.

Carrying the traditions of the church into the modern centuries, the Moravians still celebrate Watch Night at Christmas and have an elaborate, music-filled,

## A-Steam For Navy's First Nuclear Subs

The U. S. Navy will establish a few first when they harness atomic heat; transfer it into steam, and propel the super-submarines USS Nautilus and the USS Sea Wolf.

Until now steam has never been successfully used below the surface of water, and will only be possible in the two A-subbs because of a "closed cycle" principle. There will be no exhaust. Steam, after passing through a turbine, is condensed and sent back to the fresh water tank to be used.

The Navy is taking no chances on a failure in their underwater nuclear power plants. In case of atomic failure the A-subbs will have two alternate power plants; a diesel engine and electric motors.

As protection from radiation for the crew, a heavy shielding will be built around the reactors.

CORPORAL IN MINIATURE—Tiny tot in big uniform is 20-month-old Faye Brandenburg, daughter of Maj. and Mrs. Paul F. Brandenburg. Mrs. Brandenburg modeled the fashion, complete with salty garrison cap and corporal stripes, after the uniform of the Woman Marine. Major Brandenburg is 5-4 Officer of the 8th Signal Bn. ## Former Vice-Consul Shatters GCT Mark

A former American vice-consul in Singapore, now in "boot" training at the Parris Island Marine Corps Recruit Depot, amazed classification personnel by scoring 161 out of a possible 164 on his General Classification Test.

Pvt. Leo "Mike" Linehan, a 26-year-old resident of Watertown, Mass., scored the highest mark ever attained by a recruit at Parris Island.

Prior to enlisting into the Marine Corps, Linehan spent three years with the American Consulate in Singapore as vice-consul and third secretary. A graduate of Boston College and the Foreign Service Institute of Washington.

## Onslow Beach Now Open All Week

Onslow Beach will now be open seven days a week, according to a recent schedule change promulgated by Maj. Gen. Henry D. Lincolton, camp commanding general. The new routine for beach facilities states that life guards will be on duty from 1 p. m. until sunset Monday through Friday, and Saturdays, Sundays, and holidays from 8 a. m., until sunset.

AMTRAC AWARD—MSGT. Robert J. Dunn receives the Letter of Commendation Medal with Combat "V" from Lt. Col. W. C. Stoll, commanding officer of the 2nd Amphibian Tractor Bn. in ceremonies at Courthouse Bay last week. Sergeant Dunn won the award for service as chief of communications platoon with the 5th Marines in Korea. At present, he is a communications chief with the battalion.

### Charlotte Hub

About the same size as Winston-Salem, Charlotte is the distribution hub of manufacturing areas of the South Carolina. Here by rail and air lines have minerals and warehouses bringing the bulk of the nation's tile, tobacco, and wooden industries.

### On May 19, 1774, Charlotte

came the site of the first declaration of independence in colonial America. The Mecklenburg Declaration was signed by a group of protesting citizens of Charlotte sent to the Continental Congress where it was rejected as too radical a move.

Until the California "Madness" struck, Charlotte was the gold center of the branch of the United States Mint was located and the city until 1913, when came the Mint Museum lotte.

Now a great industrial center, the city has its own symphony orchestra, theater group, and annual Southern States fair is the shopping center of the Carolinas.

The third of North Carolina's largest cities is Greensboro. William Sydney Porter was born and raised in a drug store for several years and played second string orchestra formally "for serenading the dies of the Greensboro Academy."

### Educational Center

The Greensboro Female Seminary is now known as Bennett College, and along with College of the University of North Carolina, makes the largest educational women in the nation.

There are also two colleges for Negroes in Greensboro Agricultural and Mechanical (Co-ed).

Cone Mills, one of the best-known textile emporia, has its home in the Greensboro area, and tries employ an aggressive people.

A large business center, some of North Carolina's stores makes the city a week-end shopping trip. All three cities are within a mile radius of Camp Lejeune. Charlotte and Greensboro drive and Winston-Salem about eight hours away.

**FIGHTER**—Pfc Armondo Perdomo, "C" Co., 1st Bn., 8th Ma-  
cks away at a burning tree in an attempt to stem the flames  
to its trunk. The blaze is part of a forest fire that consumed  
ated 15-square-mile area of brush and forest near Wilming-  
g. The citizens in the communities there called for the aid of  
ines here when the fire which threatened homes and prop-  
ged into its second day. After landing, the Marines had the  
ingushed to the satisfaction of the local fire department

## Onslow Lovelies Compete Tomorrow In Beauty Contest

For the first time in history On-  
slow County will select a Beauty  
Queen to represent it in the Miss  
North Carolina contest in July.  
The Onslow County Beauty Pa-  
geant, sponsored by the Jackson-  
ville Junior Chamber of Com-  
merce, will be held tomorrow  
night at 8 (EST) in the Jackso-  
ville High School Auditorium.

Eleven girls will participate, be-  
ing judged on talent as well as  
beauty. Judges will select a rep-  
resentative for the Miss North  
Carolina Beauty Pageant to be  
held July 15, 16, and 17, at Atlan-  
tic Beach, Morehead City.

Miss Barbara Ann Harris, Miss  
North Carolina of 1952, will be  
present at the two-hour show to-  
morrow night. Marines are invit-  
ed to attend. There is a one dol-  
lar admission charge.

## Military Doc's Get New Extra Pay Bill

An amendment was adopted in  
the Senate Armed Services Com-  
mittee last week extending the  
date of the \$100 per month equal-  
ization pay, now being given to  
physicians and dentists who are  
commissioned officers, from July  
1, 1953 to July 1, 1955. Starting  
July the bonus will include vet-  
erinarians.

Another amendment passed by  
the Senate will limit required new  
service from 14 to 24 months, de-  
pending on prior military service,  
instead of the 17 to 24 months first  
approved by the House.

## Marines Get 'Invite' To Benefit Dance

Personnel of Camp Lejeune have  
been invited to a benefit dance  
Saturday night, June 6, by the  
Goldsboro Service Club.

The dance will be held in the  
Goldsboro Community Building  
and proceeds from the dance will  
go to help defray expenses entail-  
ed in the weekly courses.  
Music will be played by mem-  
bers of the 2d Division Band and  
dancing will begin at 8:15.

## Daily Allowance Cut For EM In Certain Foreign Countries

Beginning July 1 enlisted men  
serving with their dependents in  
many foreign countries will re-  
ceive a \$1.05 per diem subsistence  
reduction.

Principally affected are men  
with dependents, when govern-  
ment messing facilities are avail-  
able, in Alaska, Newfoundland,  
Canada, France, Great Britain,  
Iceland, North Africa, the Philip-  
pines, Puerto Rico, and Saudi  
Arabia.

The Defense Department said  
the adjustment will "bring total  
overseas allowances for subsistence  
for enlisted personnel in line with  
their allowances in the U. S.," ac-  
cording to the "Navy Times".

The allowance paid to all officers  
and single enlisted personnel, De-  
fense declared were in line with  
those paid them in the U. S. Hence,  
the only ones affected are enlisted  
personnel with dependents in over-  
seas areas.

These cuts according to the  
Department are scheduled to  
come with the reduced defense  
budget for the 1954 fiscal year.

The Department of Defense has  
stated that to date enlisted per-  
sons with dependents overseas have  
faced less of a food bill deficit than  
officers overseas and officers and  
men in the states.

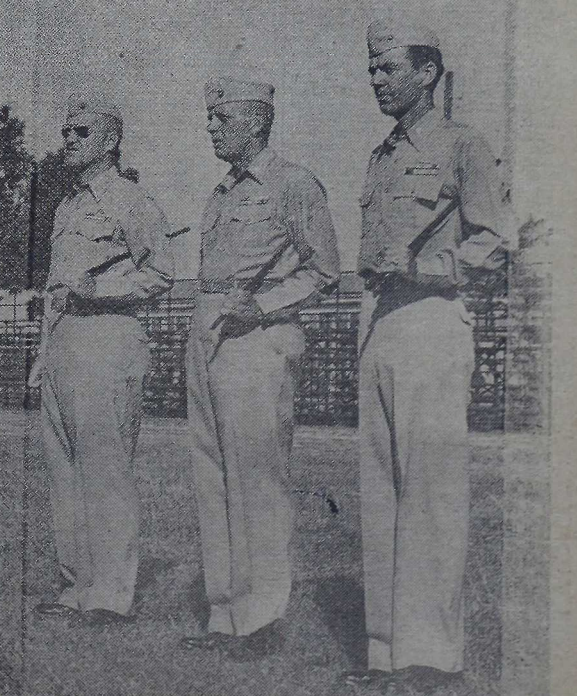

## New Bill Benefits Retired Veterans' Widows, Children

A bill to provide a system of  
benefits for the widows and chil-  
ren of service personnel who die  
after their retirement moved a step  
forward this week when, by unani-  
mous vote, the House Armed Ser-  
vices Committee reported favorably  
on it.

The plan, which would be avail-  
able to all service personnel on a  
voluntary participation basis,  
would offer servicemen the op-  
portunity to accept only a portion  
of their retirement pay in return  
for the establishment of certain an-  
nuity plans for their families.

The amounts to be deducted from  
the person's retirement pay and his  
monthly pay to be given to the  
named survivors are not set forth  
in the bill but would be based on  
actuarial tables. This means that  
the deductions in pay during the  
member's lifetime would be suf-  
ficient to pay for the benefits ac-  
cruing to dependents after death.

Steer! Don't think of anything but steering! Hold the wheel with a firm grip. When you are sure you have the car under control, then, and only then, use your brakes—but use them with caution. If the car jerks about when brakes are applied, or sways badly, release the brakes at once; let the car roll farther; then apply the brakes again lightly.

### Annual Spiritual Retreat Held At Protestant Chapel

Twenty-five Protestant Chaplains from Cherry Point and Camp Lejeune attended the Annual Chaplains Spiritual Retreat here Monday through Wednesday last week. The retreat is sponsored by the General Commission on Chaplains and the Joint Department of Evangelism of the National Council of Churches. Chaplain Abbot Peterson, Senior Camp Chaplain, was host to the visitors at the Camp Protestant Chapel, where the retreat was held. The retreat began Monday afternoon and terminated Wednesday at 11:30 a. m.

Reverend Milton F. Faust, of the Synod of the North Carolina Presbyterian Church, Raleigh, N. C. and Departmental Chaplain of the American Legion, Department of North Carolina, and Reverend Ralph A. Herring, D. D., Pastor of the First Baptist Church, Winston-Salem, led the retreat.

Each year the General Commission on Chaplains sends outstanding clergymen to conduct a spiritual retreat for their colleagues in the service.

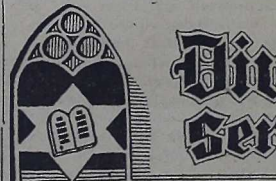

### Mary Hadley Staff Wives' Treasurer

At a recent meeting of the Staff NCO Wives Club, Mary Hadley was elected treasurer. She replaces Erma Fix, who is going on vacation.

Toward the end of the meeting, the members took part in a "hard times" parade in which they wore their poorest clothes to depict hard times.

Helen Thompson, wearing a burlap sack, won the prize for being the most "poverty-stricken." The proceeds from the parade went towards the \$50 presented by the club to Chaplain Glynn Oglesby for the Girl Scout summer camp fund.

The club also donated \$12 towards the Navy Relief fund, and raised \$260.95 for the cancer fund by canvassing Tarawa Terrace.

### Chaplain's Caution

WHAT WE HAVE TO AND WHAT WE CAN DO. There's a world of difference between what a person has and what he can do. There's a magnificent and powerful certain amount of sleep life, but you don't have an art gallery and gaze works of the masters, you eat food and drink and you don't have to look teachings of the Holy Bible must protect yourself age and heat, but you need school ever. You must gain amount of physical but you need not ever give self sacrificially to a cause.

There is a difference these physical necessities things you must do or the great cultural and opportunities you can expect that make life so much attractive and worthwhile.

There is that category to do if life is to exist. But there is also the by which life is made mere existence. Life is possible by the first category to be made good and great second.

The things we can do to lives to this higher level are voluntary. Thus, life will power or purpose, because we are so often wish than we will admit rapidly permit these voluntary opportunities to be crowded wonder, then, why life is tasteless.

Prayer is a spiritual opportunity. No man has to live. If he never says prayer he will not continue his life. He will of hunger, or cold, or But he will shrink inside of spiritual nourishment.

And he will find that its real meaning when its real values by which magnificently are dead life. Thus did Jesus—He the greatest stress on spiritual opportunities—come that you might have have it more abundantly. Iain L. G. Burrus, 2nd Service Group.

## WM Maneuvers

BY CPL. ELOISE TURNER

Speaking of changes, Pfc Lynn Bailey left last week for duty on the West Coast. Lynn was a mimeograph operator for Camp Special Services. She will be remembered here for vocalizing with various orchestras, variety shows, engagements at the Staff Clubs, and other special occasions.

Others who are on the way west are: Norma J. Williams, Doris Birdsong, Janet Espenshade, and Beverly Kincaid. The girls will be attached to Depot of Supplies, San Francisco.

Cpl. Marilyn R. Barrett, WM Company Office, did not mind packing her sea bag, making the rounds for checking out, and smilingly bidding adieu to friends. Marilyn left Friday for duty with I&E Staff in New York. She will be attached to Woman Marines Classification Platoon. Marilyn said the only duty station to surpass the Big City would be her hometown, Chicago.

WM Company's loss will be Quantico's gain when TSgt. Dorothy Toalson reports there for duty this week.

### COAT LOST

## Officers Wives Club Climaxes Season With Open Meeting, Hobby Show, Tea

Camp Lejeune's Officers Wives Club held an open meeting, the final convale of the 1952-53 season, last week at the Junior Club House. Mrs. R. E. Hommel, president, opened the meeting and retiring group chairmen introduced their successors, as follows:

Group 1, Mrs. R. J. Straub; group 2, Mrs. C. M. Lessenden; group 4, Mrs. W. L. Eddy; group 5, Mrs. R. J. Curtin; group 6, Mrs. G. L. H. Cooper; group 7, Mrs. E. N. Lewis; and group 9, Mrs. J. E. Sundholm. Groups 3 and 8 will hold elections in September.

The nominating committee for club officers for the coming season will be composed of the group chairmen, under the chairmanship of Mrs. O. R. Simpson.

Also on the meeting's agenda were plans for a card party this month to benefit the Junior Club House.

### Farewell Tea

Following the meeting OWC members and guests attended a hobby show and farewell tea, sponsored by group 8 in the Paradise Room of the Officers Mess. In keeping with the Hawaiian theme, guests were given leis, Hawaiian Women Marines in native costume provided background music, and tropical flowers arrangements decorated the tea tables.

In addition to a colorful Hawaiian exhibit, there was a display of individual and group hobbies, including art and military work, foreign dolls, shells, and quilts.

During the afternoon Mrs. Hommel presented Mrs. Bernice Black a bracelet from the OWC in thanks for her help to the club during the year.

## Midway Pk. Pupils Hold Dance Recital

Under the direction of Edith Huggins, the Midway Park School of Dance displayed its students' talents at a recital at the Camp High School Auditorium Friday evening.

With the accompaniment of Wayne Venters, Mrs. L. E. Rush and vocalist Tommy Herndon, 39 variety acts passed across the stage. Glistening costumes ranged from cowboy outfits to cancan ruffles and lace.

## OWC Holds Card Party For Jr. Club

The Officers Wives Club will sponsor a benefit card party for the Junior Club June 17 at 1:30 p. m. in the Paradise Room of the Officers Mess. Tickets will cost one dollar and can be purchased at the door or by contacting group chairmen.

Proceeds from the party will go to purchase a soft drink machine for the Junior Club. Both door and table prizes will be given away.

## Rep. Barden Talks At High School Finale

Congressman Graham Barden will deliver the commencement address at the Camp Lejeune High School tomorrow at 8:30 p. m. Diplomas will be presented to 15 students at the exercises.

They are: Malinda Ann Barber, Wanda Jacqueline Bass, Gayle Darlene Erhardt, Jo Ann Hines Stanley, Nancy Louise Phillips, Rosemary Schnell, Carolyn Sue Taibert, Anthony Francis Dravitz, Ronald David Everett, Thomas Patrick Hamill, Kenneth Alan Kirk, William Gayle Murphy, William Ray Sells, Howard Austin Waller and George Wilson Waller.

Making the invocation will be the Camp Chaplain, Cmdr. Abbot Peterson, Jr. The salutatory address will be delivered by Kenneth A. Kirk and the valedictory by Wanda Jacqueline Bass. Presentation of the Class of 1953 will be made by School Superintendent W. H. Tuck.

Presentation of diplomas and scholarship awards will be made by Maj. Gen. Henry D. Linscott, camp commanding general, followed by Catholic Chaplain, Lt. Cmdr. Godfrey J. Riley, who will give the benediction.

## 26 Graduate From WMs' Staff School

The largest group ever to graduate from the Woman Marine Staff NCO Leadership School received their diplomas Friday afternoon. Twenty-six girls completed 156 hours of instruction, attaining the highest class average and individual average in the school's history.

Guest speaker Col. John E. Willey, commanding officer of Supply School Bn., was introduced by Lt. Col. Bernard Dunkle, executive officer of H&S Bn., MB. Colonel Willey stressed the importance of leadership by example and the responsibilities of NCO's.

Following the address, Colonel Willey presented diplomas. MSgt. Mary F. Wancheck graduated with top honors, averaging 94.0 for the entire course. Sergeant Wancheck was TAD to the leadership school from Marine Corps Schools, Quantico, where she is a sergeant-major.

TSgt. Chadeane Rhinedress, a recruit instructor from Parris Island, was second in class standing with 92.40. Sgt. Katherine Donohoe, a librarian from NAB, Coronado, Calif., was third with 92.02.

FINALE—Members of the Officers Wives Club who were responsible for the club's closing tea and hobby display are (l-r): Mmes. H. C. Barth, V. R. Gant, C. F. Shifflette, I. L. Galfard, J. S. Reamy, W. Bueggy, and W. G. Lancaster (Official USMC Photo).

# Jackson Tracksters Hit Lejeune Stone Wall

## Camp Primes For Invading Quantico Bats

Camp Lejeune, possessor of probably the most brilliant season's record in service ball, faces its toughest week of baseball activity, hosting Fort Dix, the Norfolk Navy Flyers, and Quantico within the next eight days.

Powerful Fort Dix, listing three former major league hurlers on its roster, tangles with the Marines tonight and tomorrow and the Flyers spend the week-end, but all four games are overshadowed by the Quantico tilts next Wednesday and Thursday.

Lejeune and Quantico are the logical contenders for the east coast Marine championship and the coming games constitute a crucial series for both.

### Hillmen Named

Lejeune's managers, Pete Larchey and Charley Ziober, have tentatively named ace right-handers Bob Grim and Ben Johnson for the Quantico games and "Ike" Felton, the Virginians' coach, will probably counter with righty Jack Thomas, Red Sox bonus baby, and lefty Charley Pope.

Quantico is strong at every position. Behind the plate the Virginians will have Hal Naragon, former Cleveland Indians backstop. Frank Seastrand, Lejeune's first baseman of '52, is holding down the same job at Quantico, hitting for a high average and blasting the long ball.

The Fort Dix games of today and tomorrow will be equally tough, but don't carry the interest the Quantico games do. But the Army nine can start a major league pitcher almost every time. Lejeune will face either Erv Palica, Art Portocarrero, or Dick Brodowski. The Marines will toss Bob Reich, and either Jim Waugh or Chuck Chronopoulos.

## Stamford Triumphs In Sailboat Races

Capt. E. P. Stanford, VMO-1, was the winner Sunday in the weekly sailboat races at Wallace Creek Boat House. Last week's winner, Lt. Frank W. Smith, Supply School Bn., was second, and third place honors went to Cpl. L. Fisherman, 8th Signal Bn.

Officials have requested those persons entering the races to be aboard their boats by 12:30 p. m.

**HIGH FLYER**—Frank Womer, pole vault artist on the Camp Lejeune track team, soars to 12 feet, six inches to take first place in the Marines' last dual meet of the season, against Fort Jackson here Friday afternoon. Womer has been defeated only once this year, by Duke University's fabulous sophomore Joe Shankle, and has cleared the 13-foot mark once (Official USMC Photo).

## Lee Pitches AutoWpns To First-Place Slot With 2-0 Victory Over AmTrac

Automatic Weapons won its biggest game of the Force Troops' baseball season last week by trimming previously unbeaten AmTrac, 2-0, to gain sole possession of the league's top spot.

The A/W-AmTrac clash pitted two of Force Troops' classiest southpaws against each other, "Reggie" Lee of Weapons and Ken Sullivan of AmTrac. For five and two-thirds innings the game was a scoreless pitchers' duel and Sullivan had a no-hitter going.

Then, with A/W at bat and two out in the top of the sixth frame, the chunky AmTrac lefthander momentarily lost his control, walking Frank Hamlin and Bill Brooks. Hamlin advanced to third via a stolen base and wild pitch. A/W's catcher-manager Pete Ney hit Sullivan's first pitch cleanly into center field, scoring Hamlin with the first run of the afternoon.

"Doc" Long, 1952 batting champ, followed with a double to left, bringing Brooks across. These were the only A/W hits off "Sully" but they did the trick.

### Comes Through

Lee had his shaky moments early in the game but came through them unharmed.

Over the seven innings the easy-working A/W ace yielded three hits and struck out 15.

Earlier in the week Automatic Weapons thumped winless Aggressor Co., 12-1. Righthander Frank Hamlin had little trouble winning his first pitching start of the season.

AmTrac lost again when it fell to fast climbing 8th Signal, 6-1. It was the fourth straight victory for the Signalmen, who have lost only to Automatic Weapons and now hold third place.

### Three Triumphs

Second-place Combat Service Group won three during the week, two by shutout scores and one a no-hitter. Combat's six-foot righthander Rich Murphy threw the no-hitter against 8th Tank, 8-0, in his first league start. The Combatmen also blanked 8th Motor, 9-0, and edged 155 Gun Bn., 3-2.

Another no-hit game was recorded during the week when (See LEE, Page 7)

## Lejeune Rifle Ace Selected To Fire In National Shoots

MSgt. Eugene S. Lyne, Jr., Signal Co., Hq. Bn., 2nd Division, will travel to Camp Perry, Ohio, in September as a member of the Marine Corps' 10-man rifle team to compete in the National Rifle Matches. Lyne qualified recently in the Marine Corps Individuals at Quantico, Va.

Sergeant Lyne, a member of the Lejeune Rifle Range Team since February, will enter national competition for the first time in the National Matches, but will bring with him the First Gold Medal from the Marine Corps team qualifying matches at Quantico.

In a field of almost 450 sharpshooters from Marine bases throughout the country, Lyne fired a 567 out of a possible 600 for the top award and a place on the ten man Marine Corps Team. His first day score was 278 and the following day he shot a 289.

## Soldiers Bow To Marines Aiming For All-Corps Meet

The Camp Lejeune cinder squad finished its dual meet here Friday afternoon by defeating the Golden Arrow Fort Jackson for the second time this year 77-1/3 to 53-2/3. Marines will now devote two weeks toward preparing for All-Marine Track and Field Meet which will take place

June 11-13.

## Nichols Mints Grim Defeat Over Marines

A walk to ex-Chicago Cub catcher Harry Chiti and Paul Stowall's long double to right broke up a brilliant pitchers' duel between Fort Lee's former Brave left-hander Chet Nichols and Lejeune's Bob Grim to give the Army nines a 2-1 decision here Tuesday night.

It was the second time in three outings that the Lee Travelers downed the Marines and gave Lee credit for one-half of Lejeune's losses. Grim's record is 11-2, both losses coming at the hands of the Travelers, and Lejeune stands at 44-4.

Both Grim and Nichols were attempting to avenge earlier defeats and pitched tremendous ball, each allowing only four hits.

### The Big One

The Travelers pushed across the winning run in the eighth after Grim retired the first two batters. Chiti walked and Stowall blasted his double up the alley in right-center, Chiti easily beating the relay.

Lejeune started a threat of its own in the bottom of the eighth amidst a mild rhubarb. Two Marine runners reached base with one out when the umpire called Ed Kababek and Paul Donovan safe, charging both times that the first baseman had taken his foot off the bag too soon. After the arguing had subsided, Nichols stopped Lejeune, forcing "Babe" Daskalakis to hit into a double play.

The Marines were first to score. Lejeune's lead-off man, Ralph Russo, who collected two of the four hits, doubled over first and came home on Kababek's long double to left-center. Kababek was caught trying to stretch the hit into a triple, and Nichols retired the next two batters to get out of the inning.

### Frustration

Lejeune put two runners on in the fourth on Donovan's double and a walk, two more in the sixth on a pair of walks, and another pair in the eighth, but failed to get a runner past second.

Lee, after threatening in the first and second, tied the score in the third. With one away, Dick Raklovitz walked, stole second, and came home on Tex Dargiewicz' single to center.

Grim had only one other bad inning, the sixth, but managed to escape unscathed.

Five records fell during day's meet. All five were records, and two of them performance records for Lejeune.

Jim Cooke, the Fort Jackson high scorer, set new mark the shot put, which he won a heave of 50 feet, one inch, the discus throw, with 150 three and three-quarters in.

Running records were broken by Frank Rivera in the 440, and the mile relay team, which through the season undefeated, broke his old mark of 50.4 for the local track by winning quarter-mile run in 50.4, and relay team came in with a

The last record, for both track and Camp Lejeune, made by "Mugs" Van San Marine broad jump champion, leaped to a 22-foot, ten-inch tally.

### Cooke Cops Three

High scorer for the meet Cooke of the Army, who won high jump in addition to the and discus. His teammate, Fry Bright, former Seton Hall collected 13 points for the cause by winning the 880-yard 220-yard low hurdles, and second in the broad jump vault, eight inches.

Roger Montgomery, Lejeune outstanding sprint man, took 10-yard dash with a 9.9 and first in the 220 in 21.8. He placed second in the 220-yard low hurdle. (See SOLDIERS, Page 7)

## 'Leatherneck' Joins With WJNC To Camp's Ball Game

"Leatherneck" Magazine and radio station WJNC have teamed up to bring Camp Lejeune baseball live broadcasts of games by the Lejeune nine.

The magazine is sponsoring airing of ten games, the first which was broadcast last week. Four alternate contests have been selected in the event that weather or cancellations interfere with the original plan.

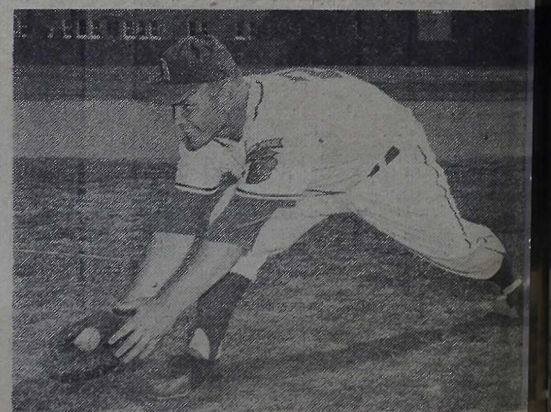

The nine remaining games will be broadcast at home, on the schedule at Fort Dix, tonight; Quantico, June 12-13; Little Fort Myer, June 29-30; and Fort Eustis, July 6-7.

The alternate broadcasts will be: Fort Jackson, July 29-30; Fort Belvoir, July 29-30.

All broadcasts will begin at 7 p.m., Eastern Daylight Time.

IT'S THE BULLS EYES THAT COUNT, explains MSgt. Eugene S. Lyne Jr., Signal Co., Hq. Bn., 2nd Division, who will fire in the National Rifle Matches at Camp Perry, Ohio, in September. Sergeant Lyne, a Korean veteran who served with the 1st Division, had the top score, 567 out of a possible 600, in the Marine Corps team qualifying matches at Quantico recently. NEW LOOK—Lejeune baseball fans who watched power Frank Seastrand in action for Lejeune last season will get a chance to see the hulking first sacker in action Wednesday Thursday when Quantico invades the camp. Seastrand, playing for the Virginians, is hitting above .350 and slugging the long ball. (Official USMC Photo).

The all-important east coast Marine championship may be settled Wednesday and Thursday when Camp Lejeune meets Quantico...

Because Lejeune and Quantico are the main contenders to the crown, currently worn by the Islanders, next week's games take on significance.

### Lejeune Favored

The schedule definitely favors Lejeune. Quantico plays two games at Parris Island, two with Lejeune, and two with Cherry Point, all in the home state.

### Ace High

Lejeune will definitely use its two ace righthanders, Bob Grim and Paul Donovan, against Quantico, Grim probably hurling the first game.

Lejeune will definitely use its two ace righthanders, Bob Grim and Paul Donovan, against Quantico, Grim probably hurling the first game.

Specific action was taken Wednesday night last week to launch a Lejeune wildlife club as approximately 20 interested and determined outdoorsmen met in Bldg. 1209 to discuss policies and structures proposed club.

Pending approval by the Commanding General here, tentatives of the club include the appointment of a president and vice presidents, each representing a specific Camp Lejeune district like Courthouse Bay, Montford Point, and so on.

In the third, singles by Donovan, "Babe" Daskalakis, and Jim Ryan scored two more, and the Marines made it 4-0 on a double by Johnson in the seventh.

Two errors and Daskalakis' fly scored the fifth run in the eighth and two more crossed in the ninth. Singles by George Dingler, Dave Krings and Don Brown accounted for the tallies.

Lee (Continued from page 6) 8th Motor's Steinman set down Aggressor, 8-0, without a safety. Catcher Dick Hicks led the winner's 12-hit barrage with four-for-four, including two home runs.

Another meeting of personnel here interested in forming this wildlife club is set tentatively for June 11. Further announcements will be made in this column.

LAST COUNT by 1st Air Wing pilot Maj. John H. Glenn, Jr. revealed 375 holes. The six-inch-square hole in his plane's tail section was revealed while on a low-flying bombing mission.

## Lejeune Shuts Out Mitchel AFB 7-0 In Last Away Game

MITCHEL AFB, N. Y.—Using their three top pitchers, Bob Grim, Ben Johnson, and Bob Reich for three innings apiece, the Camp Lejeune Marines blanked Mitchel Air Force Base 7-0 here last Friday, and then departed for Lejeune, sporting an 8-1 record away from home.

Co-managers Pete Larghey and Charley Zoiber used the three aces to give them needed work before facing Fort Lee to start the third home stand of the season.

Grim and Johnson hurled no-hit ball over the first six frames, and Reich continued the brilliant pitching until the ninth, when the Bombers unloaded their only two hits.

Pinch hitter Homer Treasure started the ninth with a single inside the third base line, and "Chico" Agosto followed with another hit, putting runners on second and third. Then Reich started a double play, throwing to second to force Agosto, and shortstop Ed Kababek throwing to first to retire the runner.

### Double Savings

Grim gave up one walk over the first three frames, but a double play eradicated the runner. Johnson faced ten men, throwing wild to first on a tap in front of the plate, letting one runner reach base. He also walked a batter, who was wiped out by Lejeune's second twin killing of the game.

Paul Donovan, back in the clean-up slot, started Lejeune's scoring with a homer to right in the second, his second of the season.

In the third, singles by Donovan, "Babe" Daskalakis, and Jim Ryan scored two more, and the Marines made it 4-0 on a double by Johnson in the seventh.

Two errors and Daskalakis' fly scored the fifth run in the eighth and two more crossed in the ninth. Singles by George Dingler, Dave Krings and Don Brown accounted for the tallies.

## Lee

(Continued from page 6) 8th Motor's Steinman set down Aggressor, 8-0, without a safety. Catcher Dick Hicks led the winner's 12-hit barrage with four-for-four, including two home runs. Catcher Bill Byrd led 2nd 90 AAA to a 9-7 victory over 155 Gun Bn. The portly backstop made three hits, one a grand-slam four-master, and had a total of six RBIs. The Ninety-men also shaded 8th Engineer, 4-3. Armored Amphib won its only outing of the week against a slipping 8th Tank nine, 8-3.

## 6th Marines Launch New Softball Loop

Last week the 2nd Division's intramural spotlight focused on the opening of the 6th Marines softball league, which featured a 7-0 shutout as the 3rd Bn. downed a separate Companies Squad.

After five tilts the 2nd Bn. of the 10th Marines still remains undefeated and reigns in the regimental baseball league. The 2nd continued its winning ways last week by up-ending the 4th Bn., 6-3, and knocking over H&S, 5-3.

### 4th Bn. Splits

In the league's two remaining games of the week, the 4th Bn. split, going scoreless against the 3rd Bn. in an 11-0 shutout and riding the victory trail over H&S, 14-6.

It's the same story in 10th Marines softball. The 2nd Bn. is riding the crest of the victory wave with a 5-0 record. In its only game last week the 2nd took a 5-3 win from H&S. However, it was the 4th that had the big week—three games, three wins. They overwhelmed H&S, 18-3, defeated 3rd Bn., 7-5, and then shut out H&S, 3-0, compiling a 4-4 record.

Action in the 8th Marines was slow last week with only two baseball games carded, the first-place 1st Bn. taking both tilts. The team downed 3rd Bn., 3-2, and topped the Composite Bn., 6-3.

## Broadus Wins Staff NCOs' Link Tourney

MSgt. J. B. Broadus highlighted a week of tournament competition at the Paradise Point Golf Course last week by winning the championship flight of the Staff NCO Golf Tournament. Broadus won, two up, over MSgt. J. A. Moore in the 36-hole final.

The match originally was scheduled to be played this week but Moore received transfer orders, necessitating the early playoff.

The consolation first and second-flight finals will be played this week-end, however.

### Flag Tourney

Fifty-seven players participated in a flag tournament Memorial Day. With the entrants divided into two classes according to handicaps, G. E. Noonan won the Class A round by planting his flag close to the twentieth hole. G. F. Sypher won the Class B event, winding up close to the nineteenth green.

Winners of these events have been requested by the Golf Committee to stop at the golf shop to pick up their prizes.

## Soldiers

(Continued from Page 6)

Montgomery, Rivera, and Van Sant, plus the mile relay team, are figured to be the locals' strongest entries in the All-Marine event, which will be run off here in conjunction with the All-Navy meet. Winners in the two big meets will compete during the following week in the Inter-Service track and field meet at Fort Jackson, S. C.

### Big Field

The list of entries in the two meets has gone over 130 and, with inevitable late-comers, should increase to above 150. Camp Pendleton comes with the greatest number of men, followed by Camp Lejeune, the host, and, finally, Quantico. Other entries have been received from as far away as Japan, and as close as Cherry Point.

## 8th Tanks Hurler Pitches No-Hitter In FT Softball Loop

In 8th Tanks' 12-0 victory over 4.5 Rockets at Camp Geiger, Art Schimmeoller pitched no-hit ball to keep Tanks undefeated and in first place in the Force Troop softball league. This left the leaders with a 7-0 record, a full game in front of A/W and a game and a half in front of Combat Service Group.

Schimmeoller, in notching his sixth triumph, could not have been sharper. He faced only 22 batters, giving up only two walks and striking out ten.

Combat Service Group chalked up its fifth victory against one defeat as it downed a good ANGLICO team, 8-3. Little "Rocco" Kithcart received credit for the win, but needed help from Arlie Skelton in the sixth.

In the week's other games, 2nd 90 AAA administered a crushing defeat to hapless Aggressor Co., 23-0. AmTruck took the measure of the hard-hitting Hq. Co. team, winning, 9-3. ArmAmphib shut out 8th Signal, 8-0.

## No-Hitter Tossed By Engineer Hurler

Engineer School's Jim Colleran's brilliant no-hitter against the Rifle Range last week highlighted the baseball activity in the Marine Barracks intramural league. Colleran beat the Rifle Range, 5-2, fanning seven and walking two. The two runs scored in the sixth, on a hit batsman, a walk, and a passed ball.

Supply Depot dropped Supply School, 5-3, and H&S Bn. trounced Air Facility, 12-5. Naval Hospital nipped Rifle Range, 6-5, Supply School downed Air Facility, 4-2, and H&S topped Engineer School, 9-6.

### Ex-Norfolk Golfer Takes Pro Position At Lejeune Course

Randolph "Ducky" Miller, a native of Norfolk, Va., has taken over the reins as the golf "pro" at the Paradise Point Golf Club.

A veteran of amateur and professional tournament play, Miller arrived here Tuesday from the Naval Operating Base in Norfolk, where he was an assistant to Harold Oatman, the "pro" there.

The 36-year-old Miller took a fervent interest in golf in the early thirties and played in many amateur and professional tournaments in his native state of Virginia. His first victory as an amateur in tournament competition came when he won the Norfolk City Championship in 1936.

Concerning the many queries from golfers interested in taking lessons, Miller declared that he would start booking appointments after June 15. Lessons will cost two dollars per half hour, with balls supplied by him, and will be given by appointment only.

### This Week's Movie Review

(4 Bells: EXCELLENT; 3 Bells: VERY GOOD; 2 Bells: GOOD; 1 Bell: POOR)

PETER PAN (4 Bells)
Walt Disney brings his magic touch to Sir James Barrie's classic. This is Disney's best to date. In color by Technicolor, and with the sparkling performances of Peter and Flanker Bell, it is an imaginative essay on childhood.
FRANCIS GOES TO THE BIG TOWN (3 Bells)
Another in the Francis series, this time with Donald O'Connor a would-be reporter. With the help of Francis, O'Connor has access to some of the town's biggest scoops. These land him a top job on the newspaper, but also in hot water with the town's gangsters.
SCANDAL AT SCOURIE (2 Bells)
A drama of warmth and sentiment, tinged with humor, and told in color by Technicolor. The acting is uncommonly persuasive and the narrative reasonably absorbing. The picture teams Walter Pidgeon and Greer Garson as a childless husband and wife living in a Canadian community.
FORT APACHE (3 Bells)
Starring John Wayne and Henry Fonda. No further information available.
MOULIN ROUGE (4 Bells)
The melancholy life of Toulouse-Lautrec has been translated into so unusual and vivid a theatrical experience in "Moulin Rouge" that it must rank as one of the most memorable pictures in many a season. Against the background of Paris in the late 1880's, Jose Ferrer renders a shrouded interpretation of the troubled genius.
TAKE ME TO TOWN
Starring Ann Sheridan and Sterling Hayden. No further information available.
BABES IN BAGDAD (2 Bells)
Paulette Goddard and Gypsy Rose Lee join forces in this nonsensical Exotic comedy of the trials of life and love in the Bagdad of old. The picture presents a sort of refined "burlesque" that would seem to be better recommended for those past adolescence.
ALL I DESIRE
Starring Barbara Stanwyck and Richard Carlson. No further information available.
THE GREAT SIoux UPRISING
Starring Jeff Chandler and Faith Domergue. No further information available.
TARZAN AND THE SHE DEVIL
Starring Lex Barker and Joyce Mac

### Night Club, Radio, TV Stars Perform

A galaxy of night club, radio and TV stars under the title of the "WOR Broadway Revue" will appear at the Camp Theater Monday night for two performances, at 6:30 and 8:30. Both shows are admission-free.

Having just completed a tour of such service bases as MCAS, Miami, Fla., Camp Pickett, Bethesda, Md., and many others, the revue offers entertainment of all types, including, dancers, singers, and magicians.

Some of the featured names in the show are; Pauline Alpert, "Whirlwind Pianist"; Lola Lee, comedienne; Janet Grey, toe dancer; Annabelle Lee, lyric soprano; Norman Jensen, magician; Francine White, song stylist; and Bernie George, impressionist.

### Salty Ranks

Comic strip titled 'Salty Ranks' showing soldiers in a trench. One says 'FURTHERMORE, IT IS THE FUNCTION OF THE UNIFORM CODE OF MILITARY RANKS, WAKE UP!'. Another says 'I DON'T MIND ANYONE FALLING ASLEEP IN MY CLASS BUT WHEN THEY SNORE AT SUCH HIGH VOLUME, IT'S DIFFICULT FOR ME TO BE HEARD.'. A third says 'GOSH, I'M SORRY CAPTAIN TRENCH MAYBE I SHOULD MOVE TO THE REAR OF THE ROOM WHERE I WON'T DISTURB ANYBODY.'. A fourth says 'RESTRICTED?'. A fifth says 'RESTRICTED?'. A sixth says 'RESTRICTED?'. A seventh says 'RESTRICTED?'.
